Greenwich, Connecticut 06830 PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 21, 2009

INTRODUCTION

This Proxy Statement is furnished in connection with a solicitation of proxies by the Board of Directors (the “Board”) of Interactive Brokers Group, Inc., a Delaware corporation, to be used at our 2009 Annual Meeting of Stockholders (the “Annual Meeting”) on Tuesday, April 21, 2009 at 9:30 a.m., Eastern Time, and at any adjournments or postponements of the Annual Meeting. This Proxy Statement and the accompanying form of proxy are first being made available on or about March 12, 2009.

When we use the terms “Company,” “we,” “us” and “our,” we mean Interactive Brokers Group, Inc., a Delaware corporation, and its consolidated subsidiaries.

VOTING INSTRUCTION AND INFORMATION

Why did I receive a Notice regarding the Availability of Proxy Materials?

In accordance with Securities and Exchange Commission (“SEC”) rules, instead of mailing a printed copy of our proxy materials, we may send a Notice of Internet Availability of Proxy Materials (the “Notice”) to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the Notice or to request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the Internet and submit your vote via the Internet or telephonically.

In addition, you may request to receive future proxy materials on an ongoing basis (i) electronically by e-mail or (ii) in printed form by mail. Choosing to receive future proxy materials by e-mail will save the Company the cost of printing and mailing documents to stockholders and will reduce the impact of annual meetings on the environment. Your election to receive proxy materials by e-mail or by mail will remain in effect until you terminate it.

Who can vote at the Annual Meeting?

You are entitled to vote your shares of Class A common stock, par value \$0.01 per share (the “Common Stock”), of the Company if you were a stockholder at the close of business on February 24, 2009, the record date for the Annual Meeting. At the close of business on the record date, 40,536,615 shares of Common Stock were outstanding. There are 4,733,840 issued but not outstanding shares of Common Stock held by the Company on the record date pursuant to the Company’s stock incentive plan will not be voted at the Annual Meeting. In addition, 100 shares of Class B common stock, par value \$0.01 per share (the “Class B Common Stock”), of the Company were outstanding. All of the outstanding shares of Class B Common Stock are held of record by IBG Holdings LLC, an entity controlled by Thomas Peterffy, our founder, Chairman and Chief Executive Officer, through his ownership of the voting membership interests in IBG Holdings LLC.

The holders of the Common Stock and the Class B Common Stock will vote together as a single class on each of the proposals described in this proxy statement. The holder of each share of the Common Stock is entitled to one vote per share. Pursuant to our Amended and Restated Certificate of Incorporation, the holder of each share of the Class B Common Stock is entitled to 3,575,612 votes (that number equal to the number of membership interests in IBG LLC, the holding company for our businesses, such holder held on the record date divided by 100). Accordingly, IBG Holdings LLC, as the sole holder of the Class B Common Stock, is expected to be entitled to approximately 357,561,194 votes in the aggregate, or approximately 89.8% of all votes eligible to be cast at the Annual Meeting.

As of February 24, 2009, our directors and executive officers beneficially owned an aggregate of approximately 62,873 shares of Common Stock, constituting approximately 0.16% of the Common Stock outstanding as of such date and approximately 0.02% of all votes eligible to be cast at the Annual Meeting. It is expected that such directors and executive officers will vote or direct the vote of all shares of Common Stock held or owned by such persons, or over which such persons have voting control, in favor of the proposals described in this proxy statement. It also is expected that IBG Holdings LLC will vote its shares of Class B Common Stock, expected to constitute approximately 89.8% of all votes eligible to be cast at the Annual Meeting, in favor of the proposals. Accordingly, the voting power of IBG Holdings LLC alone is sufficient to assure the approval of the proposals. See “Beneficial Ownership of Directors, Executive Officers and Owners of More Than Five Percent.”

Who is and is not a stockholder of record?

- If you hold shares of Common Stock registered in your name at our stock transfer agent, Computershare Stockholder Services, Inc. (“Computershare”), you are a stockholder of record.
- If you hold shares of Common Stock indirectly through a broker, bank or similar institution, you are not a stockholder of record, but instead hold in “street name.”

If you are a stockholder of record, Broadridge is sending these proxy materials to you directly. If you hold shares in street name, these materials are being sent to you by the bank, broker or similar institution through which you hold your shares.

What do I need to do to attend the Annual Meeting?

All stockholders must bring an acceptable form of identification, such as a driver’s license, in order to attend the Annual Meeting in person.

In addition, if you hold shares of Common Stock in “street name” and would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of shares as of the close of business on February 24, 2009, the record date for the Annual Meeting.

How do I request paper copies of the proxy materials?

If you received a Notice by mail, you will not receive paper copies of the proxy materials in the mail unless you request them.

Instead, the Notice instructs you on how to access and read the Proxy Statement and Annual Report and how you may submit your proxy over the Internet. If you received a Notice by mail and would like to receive a printed copy of the materials, please follow the instructions on the Notice for requesting the materials, and we will promptly mail the materials to you.

How do I vote?

You may vote using any of the following methods:

- **Telephone.**

If you are located within the United States or Canada, you can vote your shares by telephone by calling the toll-free telephone number printed on the Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable, and following the recorded instructions. You will need the control number printed on the Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable. Telephone voting is available 24 hours a day and will be accessible until 11:59 p.m. EST on April 20, 2009. The telephone voting system has easy to follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do NOT need to return a proxy card or voting instruction form. If you are an owner in street name, please follow the instructions that accompany your proxy materials.

- **Internet.**

You can also choose to vote your shares by the Internet. You will need the control number printed on your Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable. The web site for Internet voting is listed on your Notice, proxy card, or in the instructions that accompany your proxy materials. Internet voting is available 24 hours a day and will be accessible until 11:59 p.m. EST on April 20, 2009. As with telephone voting, you will be able to confirm that the system has properly recorded your vote. If you vote via the Internet, you do NOT need to return a proxy card or voting instruction form.

- **Mail.**

If you are a holder of record and received printed copies of the materials by mail, you may choose to vote by mail. Simply mark your proxy card, date and sign it, and return it in the postage-paid envelope that we included with your materials. If you hold your shares through a bank or brokerage account, please complete and mail the voting instruction form in the envelope provided.

- **Ballot at the Annual Meeting.**

You may also vote by ballot at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting. All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return a proxy card but do not give voting instructions, the shares represented by that proxy card will be voted as recommended by the Board of Directors.

The Internet and telephone voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. We have been advised that the Internet and telephone voting procedures that have been made available to you are consistent with the requirements of applicable law. Stockholders voting by Internet or telephone should understand that, while we and Broadridge do not charge any fees for voting by Internet or telephone, there may nevertheless be costs, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder.

How can I revoke my proxy or substitute a new proxy or change my vote?

You can revoke your proxy or substitute a new proxy or change your vote before your proxy is voted at the Annual Meeting.

- You may revoke any proxy that you previously granted or change your vote at any time prior to 11:59 p.m. (EST) on April 20, 2009, by entering your new vote electronically via the Internet at www.proxyvote.com using the account, control and pin numbers that you previously used or telephonically using the number indicated on your Voting Instruction Form. If you desire to change your vote by mail, you must first request paper copies of the materials and mail your new Voting Instruction Form using the prepaid return envelope provided. However, your new instructions must be received before the close of business on April 20, 2009.
 - You may also revoke your proxy or change your vote at any time prior to the final tallying of votes by:
 - delivering a written notice of revocation to Paul J. Brody, the Secretary of the Company, at Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830;
 - executing and delivering to the Corporate Secretary a later-dated proxy; or
 - attending the meeting and voting in person.

How can I obtain an additional proxy card?

If you lose, misplace or otherwise need to obtain a proxy card, and:

- you are a stockholder of record (see **Who is and is not a stockholder of record?**), contact Broadridge at 1-888-237-1900; or
- you hold your shares of Common Stock in street name and, therefore, are not a stockholder of record, contact your bank, broker or account representative.

If I submit a proxy by Internet, telephone or mail, how will my shares be voted?

If you properly submit your proxy by one of these methods, and you do not subsequently revoke your proxy, your shares of Common Stock will be voted in accordance with your instructions.

If you sign, date and return your proxy card but do not give voting instructions, your shares of Common Stock will be voted as follows: FOR the election of our director nominees, FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2009, and otherwise in accordance with the judgment of the persons voting the proxy on any other matter properly brought before the Annual Meeting.

If I hold my shares in “street name” and do not provide voting instructions, can my broker still vote my shares?

Brokerage firms have authority to vote clients' unvoted shares on some “routine” matters. When a brokerage firm votes its clients' unvoted shares on routine matters, these shares are counted to determine if a quorum exists to conduct business at the meeting. A brokerage firm cannot vote clients' unvoted shares on non-routine matters, which results in a broker non-vote. A broker non-vote will be treated as not being entitled to vote on the proposal. For proposals that require a majority of votes voting on the proposal to be approved (such as the stockholder proposals), a broker non-vote will not be counted for purposes of determining whether the proposal has been approved.

The Company's proposal to elect directors is considered a routine matter, but the stockholder proposals are not.

What vote is required for a director to be elected or the appointment of Deloitte & Touche LLP to be ratified?

Election of Directors. You may vote FOR or AGAINST any or all director nominees or you may ABSTAIN as to one or more director nominees. A majority of the votes cast FOR or AGAINST the election of a director nominee must be voted FOR the director nominee in order for the director nominee to be elected. A vote to ABSTAIN is not treated as a vote FOR or AGAINST and thus will have no effect on the outcome of the vote. A director nominee who fails to receive a majority of FOR votes will be required to tender his or her resignation to our Board for consideration.

Ratification of the Appointment of Independent Auditors. You may vote FOR or AGAINST the ratification of the appointment of our independent registered public accounting firm or you may ABSTAIN. A majority of the votes cast FOR or AGAINST ratification must be voted FOR ratification for it to pass. A vote to ABSTAIN is not treated as a vote FOR or AGAINST and thus will have no effect on the outcome of the vote.

Broker Non-Vote. A failure by your broker to vote your shares of Common Stock when you have not given voting instructions will have no effect on the outcome of the vote on discretionary matters, *i.e.*, the election of directors, the ratification of the independent public registered accounting firm. A “broker non-vote” occurs when you do not provide the broker with voting instructions on non-discretionary matters and the broker cannot vote your shares on these matters. Because the affirmative vote of a majority of the outstanding shares is necessary to approve each stockholder proposal, a broker non-vote will have the effect of a vote AGAINST that proposal.

How many votes are required to transact business at the Annual Meeting?

A quorum is required to transact business at the Annual Meeting. The presence of IBG Holdings LLC, as the sole holder of the Class B Common Stock, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are treated as present for quorum purposes.

How do I obtain more information about the Company?

A copy of our 2008 Annual Report is available on the website www.proxyvote.com. **You may obtain, free of charge, a copy of our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and the charters for our Audit, Compensation and Nominating and Corporate Governance Committees by writing to: Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830, Attn: Investor Relations; e-mail: investor-relations@interactivebrokers.com.** All of these documents are also available on our website at <http://investors.interactivebrokers.com>.

Who pays for the expenses of this proxy solicitation?

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of the Company telephonically, electronically or by other means of communication. Our directors, officers and employees will receive no additional compensation for any such solicitation. We will reimburse brokers and other similar institutions for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

ITEM 1. ELECTION OF DIRECTORS

Our Board presently consists of seven directors. All of our directors are elected annually for a one-year term expiring at the Annual Meeting of Stockholders in the following year. Each director will hold office until his or her successor has been elected and qualified or until the director's earlier resignation or removal.

In identifying and recommending nominees for positions on our Board, our Nominating and Corporate Governance Committee places emphasis on the following criteria, among others:

- judgment, character, expertise, skills and knowledge useful to the oversight of our business;
- diversity of viewpoints, backgrounds and experiences;
- business or other relevant experience; and
- the extent to which the interplay of the nominee's expertise, skills, knowledge and experience with that of other members of our Board will build a board that is effective, collegial and responsive to the needs of the Company.

Our Nominating and Corporate Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to our Board, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of our Board. Our Nominating and Corporate Governance Committee evaluates possible candidates in detail, and suggest individuals to explore in more depth. Once a candidate is identified for serious consideration, the Chairman of our Board enters into a discussion with that candidate.

Nominees for Election to our Board

At the Annual Meeting, our stockholders will be asked to elect the seven director nominees set forth below for a one-year term expiring in 2010. While our Board does not anticipate that any of the director nominees will be unable to stand for election as a director nominee at the Annual Meeting, if that occurs, proxies will be voted in favor of such other person or persons who are recommended by our Nominating and Corporate Governance Committee and designated by our Board.

All of the director nominees currently are members of our Board, all of the director nominees have been recommended for re-election by our Nominating and Corporate Governance Committee and approved and nominated for re-election by our Board and all of the director nominees have consented to serve if elected. The composition, duties and responsibilities of these committees are set forth below. In the future, our Board may establish other committees, as it deems appropriate, to assist it with its responsibilities. Dr. Harris is an “audit committee financial expert” as defined in the SEC rules. Each member of our Audit Committee is financially literate. The composition of our Audit Committee satisfies the requirements of the NASDAQ Global Select Market and the SEC.

Our Audit Committee is responsible for, among other things:

- directly appointing, retaining, evaluating, compensating and terminating our independent registered public accounting firm;
- discussing with our independent registered public accounting firm auditors their independence from management;
- reviewing with our independent registered public accounting firm auditors the scope and results of their audit;

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

We adhere to the philosophy that compensation of our executive officers should first and foremost be directly and materially linked to each executive officer's individual performance and our overall performance. The objectives of our executive compensation program are (1) to enhance our long-term value, (2) to assist us in attracting and retaining high quality talent, (3) to reward past performance and motivate future performance and (4) to align executive officers' long-term interests with those of our stockholders.

Role of Executive Officers in Compensation Decisions

Employee performance is reviewed and compensation changes are recommended to IBG LLC's Chairman and Chief Executive Officer (Thomas Peterffy) by members of the IBG LLC steering committee. The Chairman and Chief Executive Officer ultimately determines compensation for all employees and is significantly involved in all aspects of executive compensation, including his own executive compensation, as Chairman of our Compensation Committee. Our Compensation Committee is responsible for overseeing the implementation of our philosophy and objectives with respect to the compensation of our executive officers and directors and administering all aspects of our compensation and benefit plans and programs. The Compensation Committee is currently comprised of Messrs. Peterffy (Chairman) and Nemser. As a controlled company, we are not required by the NASDAQ Global Select Market to have a compensation committee composed entirely of independent directors.

Setting Executive Compensation

Historically, we have kept base salaries at a relatively modest level in comparison to salaries paid to senior executives at many other companies in our industry and have not sought to "benchmark" salaries to those of our competitors. We have not utilized the services of a compensation consultant to date. We leave decisions as to these matters to our Compensation Committee.

We compensate our executive officers through three primary sources: base pay, annual cash bonuses and equity incentives. Using this approach, the base salary portion of the compensation of our executive officers is fixed;

however, a substantial additional portion of total compensation is variable. This practice ensures that our executive compensation packages include a combination of base pay and incentives that are appropriate and competitive in the relevant marketplace, as well as related to the individual's performance and our performance. Our executive officers have an average of 23 years tenure with us.

Our compensation program is designed to reward performance by tying a substantial portion of each executive officer's total potential compensation to individual performance and our performance. We evaluate individual and company performance in a qualitative fashion; we do not utilize specific financial or operating performance goals or targets in setting executive compensation. Through its practice of granting equity awards, the compensation program also promotes and rewards an executive officer's tenure and longevity with us, as well as the executive officer's role in our financial performance.

We do not utilize a set formula for allocating compensation among the elements of total compensation. The subjective decisions regarding the amount and mix of elements which comprise the compensation awarded to the executive officers are principally based upon an assessment of each executive's leadership, performance and contribution to the achievement of our financial goals, as well as subjective judgments about each executive officer individually, rather than on rigid guidelines or formulas. Key factors include the executive officer's performance; the nature, scope and level of the executive officer's responsibilities; and the executive officer's contribution to our overall financial results. The compensation of the executive officers who have the greatest ability to influence our performance is predominately performance-based, which is consistent with the overall compensation philosophy as described above. The decisions concerning specific base compensation elements and the total compensation paid or awarded to our executive officers in fiscal year 2008 were made within this framework. Specific individual and/or company performance goals or targets were not used. In fiscal year 2008, the aggregated base salaries of our named executive officers constituted approximately 22% of their total aggregated compensation, bonuses constituted approximately 38%, and equity grants (as described below) constituted the remaining 40%. We granted \$5,100,000 worth of restricted shares of Common Stock in connection with our Stock Incentive Plan as part of their 2008 compensation. The individual allocations of compensation vary considerably from year to year.

Elements of Compensation

Although our senior executive officers and other key employees holding ownership interests in IBG Holdings LLC have benefited from the increased value of their ownership interests, they have historically received salary and performance-based bonuses and we expect to continue compensating them in this form. We believe that in order to attract and retain highly effective people we must maintain a flexible compensation structure, including base salary, cash bonuses and equity-based compensation awards as described below. As stated above, we do not utilize a specific formula for allocating compensation among the various elements of total compensation. The relative amounts of bonus and equity-based compensation were determined in the discretion of our Chairman and Chief Executive Officer. Historically, Mr. Peterffy has taken no bonus or long-term incentives as he believes that his 85% ownership of IBG Holdings LLC which, in turn, owns approximately 89.6% of IBG LLC, has provided sufficient incentive to align his interests with those of our common stockholders.

Base Salary. Base pay is structured to ensure that our executive officers are fairly and equitably compensated. Base pay is used to appropriately recognize and reward the experience and skills that employees bring to us and provides motivation for career development and enhancement. Base pay is designed to ensure that all employees continue to receive a basic level of compensation that reflects any acquired skills that are competently demonstrated and are consistently used at work.

Base pay for our executive officers is initially established based on the scope of their responsibilities and the applicable competitive market compensation paid by other companies for similar positions and is reviewed annually after employment. A single base salary level is established each year, applicable to all senior executive officers except our Chairman and Chief Executive Officer. Because executive officers are partially and, sometimes, substantially compensated through the appreciation in their equity ownership, the base salary is kept at a relatively modest level in comparison to salaries generally believed to be paid to senior executives at many other firms in our industry. An executive officer's base pay is not dependent upon our achievement of performance goals.

Bonuses. We maintain an executive cash bonus program to reward superior individual and financial performance for the year. Each year, an executive cash bonus pool is established, from which we pay annual cash bonuses to our executive officers upon the direction of our Chairman and Chief Executive Officer. Executive bonuses are based on individual performance and on the financial performance of the company, measured in a qualitative fashion. Specific individual and/or company performance goals or targets have historically not been used. Cash bonuses awarded to our executive officers in December 2008 for fiscal year 2008 performance ranged from approximately 0% to 800% of the executive officer's 2008 base salary, amounting to an aggregate payout of \$4,750,000, of which amount, our Chairman and Chief Executive Officer did not take a bonus. The annual bonuses paid to our other executive officers for fiscal year 2008 performance are shown below in the Summary Compensation Table.

Long-Term Incentives. We utilize long-term equity incentive awards to promote the success of each executive officer, motivate outstanding performance and encourage and reward employment longevity. Senior executive officers and other key employees have historically been granted equity ownership interests in IBG LLC and continue to hold such interests through their ownership in IBG Holdings LLC.

We believe that compensation paid to executive officers should be closely aligned with our performance on a continuing and long-term basis and, thereby, with the interests of our stockholders. Therefore, the Stock Incentive Plan, as discussed below, will provide for the granting of Common Stock to be issued over time and subject to continued employment. It is not currently anticipated that we will grant, as part of executive compensation, stock appreciation rights or other forms of non-cash compensation except pursuant to the employee incentive plan described below.

Pursuant to policies set by our Compensation Committee, salary increases, bonuses and stock grants shall be awarded annually, following an evaluation of the individual's and the company's performance for the year.

Compensation for Executive Officers During 2008

Historically Mr. Peterffy, our Chairman and Chief Executive Officer, has ultimately determined compensation for all employees. Mr. Peterffy has traditionally set his own compensation as salary capped at 0.2% of IBG LLC's net income. During 2008, Mr. Peterffy was paid a salary of \$1,300,000 by IBG LLC and no bonus in accordance with historical practices. During 2009, Mr. Peterffy will be paid a salary of 1,350,000 by IBG LLC. We believe that the ownership by Mr. Peterffy and affiliates, through ownership in IBG Holdings LLC, of a significant amount of the equity in IBG LLC aligns his interests with those of our common stockholders.

Mr. Nemser's compensation has historically included significantly lower overall compensation than the other executive officers, befitting the fact that Mr. Nemser works less than full-time with us, but his compensation has been mainly in salary and a small long-term incentive grant. Mr. Peterffy has made this determination based on the assessments described above under "Setting Executive Compensation." During 2008, Mr. Nemser was paid a salary of \$492,000 by IBG LLC and no bonus in accordance with these practices. Mr. Nemser also received an award of \$250,000 of Common Stock under our Stock Incentive Plan in 2008. During 2009, Mr. Nemser will be paid a salary of \$505,000 by IBG LLC.

Messrs. Brody, Frank and Galik have historically been compensated in accordance with the policies discussed above under "Setting Executive Compensation" with a mixture of salary, bonus and long-term incentives. Their 2008 base salary was \$312,000, and each received an individual performance-based bonus. Messrs. Brody, Frank and Galik received Common Stock awards under our Stock Incentive Plan valued at \$1,250,000, \$600,000 and \$3,000,000, respectively, for the year ended December 31, 2008. Their 2009 base salary has been increased to \$325,000. Each of Messrs. Brody, Frank and Galik is expected to receive an award under our employee incentive plan in 2009 based on each executive officer's anticipated future contribution to our success. The 2008 stock awards were consistent with the above-mentioned policies and reflected Mr. Peterffy's assessment of each executive's leadership, performance and contribution to the building of our company.

All salaries and bonuses will be paid by IBG LLC or one of its operating subsidiaries. No employee of IBG LLC will be paid any separate or additional amount for their services as employees of the Company. In addition to the foregoing, each of the executive officers, as a result of their ownership of membership interests in IBG Holdings LLC,

received indirect distributions from IBG LLC for the purpose of funding their income taxes due on IBG Holdings LLC's proportionate share of IBG LLC's taxable income.

401(k) Plan

We offer substantially all employees of our U.S. based subsidiaries who have met minimum service requirements the opportunity to participate in a defined contribution retirement plan qualifying under the provisions of Section 401(k) of the Internal Revenue Code (the "Code"). The general purpose of this plan is to provide employees with an incentive to make regular savings in order to provide additional financial security during retirement. The plan provides for IBG LLC to match 50% of the employees' pretax contribution, up to a maximum of 10% of eligible earnings. The employee is vested in the matching contribution incrementally over six years.

Severance Arrangements

None of our senior executive officers have employment agreements and none are subject to severance arrangements. A portion of our named executive officers' equity ownership in us is in the form of IBG Holdings LLC membership interests. The IBG Holdings LLC operating agreement provides that if at any time a member's employment with us is terminated for any reason (other than such employee's death or as determined by the managing member of IBG Holdings LLC, such employee's disability, retirement or termination without cause), any non-vested IBG Holdings LLC membership interests held by such employee on the date of termination that remain subject to restriction shall be forfeited to IBG Holdings LLC. Similarly, with regard to grants of restricted stock under the Stock Incentive Plan, a portion of the shares of restricted stock for which restrictions are still applicable may under certain conditions be immediately forfeited upon the termination of employment for any reason.

Perquisites

Our senior executive officers receive only the fringe benefits normally provided to all other employees, such as health, dental, life, hospitalization, surgical, major medical and disability insurance, participation in our 401(k) plan, paid time off, and other similar company-wide benefits which may be in effect from time to time for all other employees. Other than the standard employee benefits, we do not provide additional perquisites, personal direct or indirect benefits, or use any separate set of standards in determining the benefits for our executive officers. We believe that our base pay and total compensation package are reasonable and competitive in the industry, and we have demonstrated that we are able to hire and retain talented executives without offering additional perquisites.

It is our philosophy that each executive officer may determine, within the limits of his or her own compensation, whether or not to personally purchase non-reimbursable luxury travel, private flights, housing, security systems, car service, club memberships, financial planning services, or other such goods and services, including those which are sometimes provided as executive perquisites by other companies, but not offered by us. This is consistent with our general operating principles.

Accounting for Stock-Based Compensation

SFAS No. 123R, *Share-Based Payments*, which superseded SFAS 123, requires companies to expense the fair value of employee stock options and other forms of stock-based compensation. We adopted SFAS No. 123R in the first quarter of 2006 and have been expensing equity based compensation since that time. We have never issued stock options to our employees.

- (2) Historically, IBG LLC compensated executive officers and certain other employees in part with grants of non-transferable member interests in IBG LLC, which conferred ownership rights in IBG LLC and entitled the holders to their proportionate share of the consolidated profits and losses of IBG LLC based on their holding percentages. During 2006, no grants of member interests were made to executive officers. In connection with the IPO, we granted restricted shares of Common Stock pursuant to the terms of our employee stock incentive plan (see “Stock Incentive Plan”). The amounts shown as “All Other Compensation” in the Summary Compensation Table represent the value of these grants to the respective NEOs.
- (3) IBG LLC has operated in the form of a limited liability company. The amounts in the Summary Compensation Table do not include distributions received by each named executive officer from IBG LLC (or from IBG Holdings LLC in respect of distributions received after the IPO) relating to invested capital in IBG LLC, as these amounts do not constitute executive compensation. These distributions were made primarily to assist the holders of IBG LLC and IBG Holdings LLC member interests, as applicable, in paying income tax on their proportionate share of the consolidated profits of IBG LLC (or of IBG Holdings LLC following the IPO). Messrs. Peterffy, Nemser, Brody, Frank and Galik received approximately and \$184,788,000, \$2,507,000, \$2,732,000, \$6,878,000 and \$2,989,000, respectively, in distributions in respect of the year ended December 31, 2008; \$164,386,000, \$2,231,000, \$2,430,000, \$6,119,000 and \$2,659,000, respectively, in distributions in respect of the year ended December 31, 2007; and \$184,124,000, \$2,303,000, \$2,722,000, \$6,854,000 and \$2,978,000, respectively, in distributions in respect of the year ended December 31, 2006.

Award Values in the Compensation Discussion and Analysis and the Summary Compensation Table

The Summary Compensation Table was prepared in accordance with SEC regulations and values equity awards based principally on the treatment of compensation expense under the applicable accounting rule, currently SFAS No. 123R. The values disclosed for fiscal 2008 grants of Common Stock in the “Stock Awards” column of the Summary Compensation Table differ from the values disclosed for such grants in the table that appears in the Compensation Discussion and Analysis above. In general, under SFAS No. 123R, an equity award is expensed over the service period of the award.

Milan Galik	12/31/2008	174,054	\$ 3,000,000

- (1) Historically, Mr. Peterffy has taken no bonus or long-term incentives as he believes that his 85% ownership of IBG Holdings LLC has provided sufficient incentive to align his interests with those of IBG LLC and our common stockholders. As a result Mr. Peterffy was not granted shares under the Stock Incentive Plan for the year ended December 31, 2008.
- (2) For awards granted on December 31, 2008, the amounts shown represent the fair value, in accordance with SFAS No. 123R, of the awards as of the grant date.

Executive Employment Agreements

Historically, we have not entered into employment agreements with our executive officers, and we do not plan on entering into employment agreements at this time. We do maintain non-disclosure, non-competition and non-solicitation agreements currently in effect between our subsidiaries and our officers and other employees.

Stock Incentive Plan

Under the Stock Incentive Plan up to 9.2 million shares of Common Stock may be granted and issued to directors, officers, employees, contractors and consultants of the Company and its subsidiaries. The purpose of the Stock Incentive Plan is to promote the Company's long-term financial success by attracting, retaining and rewarding eligible participants.

The Stock Incentive Plan is administered by our Compensation Committee. The Compensation Committee has discretionary authority to determine which employees will be eligible to participate in the Stock Incentive Plan. The Compensation Committee establishes the terms and conditions of the awards under the Stock Incentive Plan, including the number of awards offered to each employee and all other terms and conditions applicable to such awards in individual grant agreements. Awards are generally made through grants of Common Stock. The Stock Incentive Plan provides that awards will be subject to issuance over time and may be forfeited upon an employee's termination of employment or violation of certain applicable covenants prior to issuance, unless determined otherwise by our Compensation Committee.

The Stock Incentive Plan provides that, upon a change in control, our Compensation Committee may, at its discretion, fully vest any granted but unissued shares of Common Stock awarded under the Stock Incentive Plan, or provide that any such granted but unissued shares of Common Stock will be honored or assumed, or new rights substituted thereof by the new employer on a substantially similar basis and on terms and conditions substantially comparable to those of the Stock Incentive Plan.

We generally grant awards on or about January 1 of each year, to specific employees as part of an overall plan of equity compensation. We granted awards of 2,065,432 shares of Common Stock in 2008 under the Stock Incentive Plan.

Under applicable tax law, we will be required to withhold an amount based on the value of the shares upon their issuance, and remit the withheld amount to the Internal Revenue Service ("IRS") and other taxing authorities. To effect that withholding, we may redeem a portion of the shares with an aggregate fair market value equal to the amount of taxes we are required to withhold and remit. For instance, if 1,000 shares would become issuable and we were required to withhold for federal taxes an amount equal to 40% of the value, we would redeem 400 shares and the employee would reclaim 600 shares. The source of funds for the amount to be remitted to the IRS would be a redemption by IBG LLC of a corresponding number of our interests in IBG LLC. Alternatively, we may elect to effect the withholding by facilitating the sale of a portion of the shares, on behalf of employees, in the open market, and the proceeds of such sales would be remitted to the IRS and other taxing authorities.

Shares granted under the Stock Incentive Plan may become subject to forfeiture in the event an employee ceases employment with the Company. The plans provide that employees who discontinue employment with the Company without cause and continue to meet the terms of the plans' post-employment provisions will forfeit 50% of unvested previously granted shares unless the employee is over the age of 59, in which case the employee would be eligible to receive 100% of unvested shares previously granted. Distributions of remaining shares to former employees will occur within 90 days of the anniversary of the termination of employment date over a five (5) year vesting schedule, 12.5% in each of the first four years and 50% in the fifth year.

ROI Unit Stock Plan

Under the 2007 ROI Unit Stock Plan, certain of our employees who held ROI Dollar Units, at the employee's option, elected to invest their ROI Dollar Unit accumulated earnings as of December 31, 2006 in shares of Common Stock. An aggregate of 1,271,009 shares of Common Stock (consisting of 1,250,000 shares issued under the 2007 ROI Unit Stock Plan and 21,009 shares under the 2007 Stock Incentive Plan), were granted in 2007. No additional shares of Common Stock are available for issuance under the 2007 ROI Unit Stock Plan. Provisions governing tax withholding and forfeiture for the 2007 Stock Incentive Plan, described above, apply equally to the 2007 ROI Unit Stock Plan.

Compensation of Directors

The following table contains information regarding 2008 compensation of our non-employee directors with respect to their Board service.

Director	Fees Earned or Cash Paid ⁽¹⁾ (in dollars)	Stock Awards	All Other Compensation	Total
Lawrence E. Harris	\$ 125,000	-	-	\$ 125,000
Hans R. Stoll	\$ 55,223	\$ 75,000	-	\$ 130,223
Ivers W. Riley	\$ 55,223	\$ 75,000	-	\$ 130,223

- (1) The amounts represent the amounts paid to Dr. Stoll and Mr. Riley for the portion of the year that they served as directors for the Company, they served from April 22, 2008 through December 31, 2008.

Our policy is not to pay director compensation to directors who are also our employees. All of our directors are entitled to receive reimbursement of their out-of-pocket expenses in connection with their travel to and attendance at meetings of our Board or committees thereof. Under our current policy, each non-employee director is compensated with an annual retainer of \$100,000 and an initial grant of restricted stock (valued at \$75,000 based on the fair market price of the Common Stock on the date of grant), subject to straight-line vesting over a five year period, and non-employee chairmen of committees of our Board are compensated with an additional annual retainer of \$25,000 per committee. We reserve the right to change the manner and amount of compensation to our non-employee directors at any time.

Beneficial Ownership of Directors, Executive Officers and Owners of More Than Five Percent

IBG Holdings LLC currently holds, through its ownership of all of the outstanding shares of our Class B common stock, approximately 89.8% of the combined voting power of the outstanding shares of our common stock. While our Class B common stock is owned by IBG Holdings, LLC, Thomas Peterffy, through his ownership of the voting membership interests in IBG Holdings LLC, is able to exercise control over all matters requiring the approval of our stockholders, including the election of our directors and the approval of significant corporate transactions.

The following table sets forth the beneficial ownership of Common Stock as of March 6, 2009 by each of our directors and named executive officers, by all our directors and executive officers as a group, and of each beneficial owner, who is not our director or officer, of more than 5% of Common Stock.

The amounts and percentages of Common Stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. Unless otherwise indicated below, each beneficial owner named in the table below has sole voting and sole investment power with respect to all shares beneficially owned. Because the IBG Holdings LLC membership interests are not directly exchangeable into shares of Common Stock, none of our executive officers and directors may be deemed to own shares of Common Stock except as set forth below. Mr. Peterffy may be deemed to own all of the shares of Class B Common Stock. The following table is based on 40,536,615 shares of Common Stock and 100 shares of Class B Common Stock outstanding as of March 12, 2009:

- (1) IBG Holdings LLC, as the sole holder of the 100 outstanding shares of Class B Common Stock, is entitled to the number of votes equal to the number of IBG LLC membership interests held by it at any given time. The Class B Common Stock has approximately 89.8% of the voting power of the Company, which percentage will decrease proportionately to the extent that IBG Holdings LLC owns a smaller percentage of IBG LLC. Except as otherwise provided by law or our amended and restated certificate of incorporation, shares of Common Stock and the Class B Common Stock vote together as a single class.
- (2) Includes interests owned by The TP Holdings Limited Partnership ("TP Holdings"), an entity for which Mr. Peterffy serves as majority general partner. Initially, Mr. Peterffy, through his ownership of the voting membership interests in IBG Holdings LLC, beneficially owns all of the outstanding shares of Class B Common Stock.
- (3) Includes interests owned by EN Holdings LLC, an entity for which Mr. Nemser serves as managing member, and excludes interests (other than a direct general partner interest of 0.05%) owned by TP Holdings, an entity for which Mr. Nemser serves as minority general partner. Mr. Nemser disclaims ownership of all interests owned by TP Holdings, except for his direct general partner interest.

- (4) The amounts in the table reflect the issued and vested portion of the restricted shares of Common Stock that were granted to Messrs. Nemser, Brody, Frank and Galik on May 9, 2007, in connection with the IPO, and on December 31, 2007 and December 31, 2008. Please refer to the Outstanding Equity Awards at Fiscal Year End Table for a vesting schedule of each of these grants.
- (5) According to the Nasdaq website (www.nasdaq.com), Pyramis Global Advisors LLC, with its address at 900 Salem St., Smithfield, RI 02917, beneficially owned 3,819,816 shares of Common Stock as of December 31, 2008.
- (6) According to the Nasdaq website (www.nasdaq.com), T. Rowe Price Associates, Inc., with its address at 100 East Pratt St., Baltimore, MD 21202, beneficially owned 3,754,100 shares of Common Stock as of December 31, 2008.

Certain Relationships and Related Transactions

Recapitalization Transactions

Prior to the IPO, our business had been conducted by subsidiaries of IBG LLC, which was approximately 85% owned by Mr. Peterffy and his affiliates. In November 2006, the Company was incorporated as a Delaware corporation. The Recapitalization resulted in the former members of IBG LLC becoming the sole members of IBG Holdings LLC, and established us as the sole managing member of IBG LLC.

As a result of the Recapitalization, immediately following the IPO:

- IBG became the sole managing member of IBG LLC;
- we and IBG Holdings LLC owned approximately 10.0% and 90.0%, respectively (currently, approximately 10.4% and 89.6%, respectively), of the membership interests in IBG LLC;
- Thomas Peterffy and his affiliates owned approximately 85% of the membership interests in IBG Holdings LLC, and management and other employees of IBG LLC owned substantially all of the remaining membership interests;
- outstanding shares of Common Stock represented more than 99.999% of our outstanding capital stock based on economic value (which, as used herein, refers to the right to share in dividend distributions and distributions upon liquidation, dissolution or winding up);
- outstanding shares of Class B Common Stock, all of which is owned by IBG Holdings LLC, represented less than 0.001% of our outstanding capital stock based on economic value;
- outstanding shares of Class B Common Stock represented approximately 90.0% (currently, approximately 89.8%) of the combined voting power of all shares of our capital stock, which percentage will decrease proportionately to the extent that IBG Holdings LLC owns a smaller percentage of IBG LLC; and
- Thomas Peterffy owned all of the voting membership interests, and Mr. Peterffy and his affiliates owned a majority of the overall membership interests, in IBG Holdings LLC and, accordingly, beneficially owned all of the outstanding shares of Class B Common Stock. As a result, Mr. Peterffy is able to exercise control over all matters requiring the approval of our stockholders.

If at any time in the future Thomas Peterffy and his affiliates own less than a majority of the membership interests in IBG Holdings LLC, then at such time all membership interests in IBG Holdings LLC will become voting membership interests. Accordingly, all members of IBG Holdings LLC, instead of Mr. Peterffy alone, would together direct the voting of the Class B Common Stock, and all such members would together exercise control over all matters requiring the approval of our stockholders.

Voting

Each share of Common Stock entitles its holder to one vote per share. The Class B Common Stock currently has approximately 89.8% of the voting power of the Company, which percentage will decrease proportionately over time to the extent that IBG Holdings LLC owns a smaller percentage of IBG LLC. Thomas Peterffy currently owns all of the voting membership interests in IBG Holdings LLC. Accordingly, Mr. Peterffy beneficially owns all of the outstanding shares of Class B Common Stock and is able to exercise control over all matters requiring the approval of our stockholders, including the election of our directors and the approval of significant corporate transactions.

If at any time in the future Thomas Peterffy and his affiliates own less than a majority of the membership interests in IBG Holdings LLC, then at such time all membership interests in IBG Holdings LLC will become voting membership interests. Accordingly, all members of IBG Holdings LLC, instead of Mr. Peterffy alone, would together direct the voting of the shares of Class B Common Stock, and all such members would together exercise control over all matters requiring the approval of our stockholders. However, even if Mr. Peterffy and his affiliates cease to own a majority of the membership interest in IBG Holdings LLC, Mr. Peterffy could, depending on his level of percentage ownership, continue to effectively control or significantly influence matters requiring approval of stockholders.

Exchange Agreement

Concurrently with the IPO, we entered into an exchange agreement with IBG Holdings LLC, IBG LLC and the historical members of IBG LLC. Pursuant to this agreement, the historical members of IBG LLC contributed their IBG LLC membership interests to IBG Holdings LLC and received IBG Holdings LLC membership interests in return. The membership interests in IBG Holdings LLC are not directly exchangeable for shares of Common Stock. Instead, the membership interests are redeemable at various times over the next seven years at the option of the holder. The redemption price for the membership interests in IBG Holdings LLC depends on the manner in which the redemption payment is made to IBG Holdings LLC.

On an annual basis, each holder of a membership interest may request that the liquefiable portion of its interest be redeemed by IBG Holdings LLC. The primary manner in which the redemption price will be paid is by selling shares of Common Stock to the public and using the gross proceeds from such sales, less underwriting discounts or placement agency fees, to acquire IBG LLC membership interests from IBG Holdings LLC. We expect IBG Holdings LLC to use the net proceeds it receives from such sales to redeem an identical number of IBG Holdings LLC membership interests from the requesting holders. The annual registration and sale of shares of our common stock to satisfy redemption requests is described in greater detail in our exchange agreement, a copy of which was filed as Exhibit 10.2 to the Quarterly Report on Form 10-Q for the Quarterly Period Ended March 31, 2007 filed by the Company on June 15, 2007 and is incorporated herein by reference. The sales of Common Stock and the application of the net proceeds to acquire IBG LLC membership interests are expected to have a negligible effect on the existing holders of Common Stock, as the holders of Common Stock would then own a larger portion of IBG LLC. Such transactions will have the effect of diluting your percentage ownership in us. However, because we will acquire an increased percentage ownership in IBG LLC over time as a result of such transactions, such transactions will not impact your effective percentage ownership of the economics of the underlying IBG LLC business.

IBG LLC may in some cases redeem IBG LLC membership interests from IBG Holdings LLC using cash on hand. The redemption price per membership interest would be equal to the 30-day volume weighted average price ("VWAP") of Common Stock as of the redemption date. The use of IBG LLC's cash to acquire IBG LLC membership interests is expected to have a dilutive effect on the existing holders of Common Stock, as the price paid per membership interest is likely to be higher than IBG LLC's tangible book value per membership interest.

With the consent of IBG Holdings LLC and the Company (on its own behalf and acting as the sole managing member of IBG LLC), IBG LLC agreed in May 2008 to redeem certain membership interests from IBG Holdings LLC as described above at a price equal to the 30-day VWAP of the Common Stock as of the redemption date, which was May 14, 2008.

The redemption cost to IBG LLC was approximately \$72.0 million, based upon a VWAP of \$29.99 per share. As a consequence of this transaction, the Company's interest in IBG LLC increased to approximately 10.4%, with IBG Holdings LLC owning the remaining 89.6%. The redemptions also resulted in the IBG Holdings LLC percentage interest held by Thomas Peterffy and his affiliates increasing from approximately 84.6% to approximately 85.2%.

IBG Holdings LLC, with the consent of Thomas Peterffy and our Board, has the right to cause the holders of IBG Holdings LLC membership interests to have all or a portion of their interests redeemed at any time after May 9, 2008. Such redemptions would be financed in the same manner as the scheduled redemptions described above.

Tax Receivable Agreement

In connection with the IPO, we purchased interests in IBG LLC from IBG Holdings LLC for cash. In addition, IBG LLC membership interests held by IBG Holdings LLC may be purchased by us in the future in connection with offerings by us of shares of Common Stock. Our initial purchase of the IBG LLC interests will, and the subsequent purchases may, result in increases in the tax basis of the tangible and intangible assets of IBG LLC attributable to our interest in IBG LLC that otherwise would not have been available, although the IRS may challenge all or part of that tax basis increase or our ability to amortize all or part of that increased tax basis, and a court could sustain such a challenge by the IRS. These increases in tax basis, if sustained, may reduce the amount of taxable income that we are required to recognize as the result of our ownership of interests in IBG LLC in the future.

Concurrently with the IPO, we entered into a tax receivable agreement with IBG Holdings LLC that provides for the payment by us to IBG Holdings LLC of 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax or franchise tax that we actually realize as a result of these increases in tax basis and of certain other tax benefits related to our entering into the tax receivable agreement, including tax benefits attributable to payments under the tax receivable agreement. We will retain 15% of the projected tax benefits.

If either immediately before or immediately after any purchase or the related issuance of our stock, the IBG Holdings LLC members own or are deemed to own, in the aggregate, more than 20% of our outstanding stock, then all or part of any increase in the tax basis of goodwill may not be amortizable and, thus, our ability to realize the annual tax savings that otherwise would have resulted if such tax basis were amortizable may be significantly reduced. Although the IBG Holdings LLC members are prohibited under the exchange agreement from purchasing shares of Common Stock, grants of our stock to employees and directors who are also members or related to members of IBG Holdings LLC and the application of certain tax attribution rules, such as among family members and partners in a partnership, could result in IBG Holdings LLC members being deemed for tax purposes to own shares of Common Stock.

In order to mitigate the risk to us of an IRS challenge to the tax basis increase, IBG Holdings LLC and its members will indemnify us for any additional taxes we owe if the IRS or other taxing authorities successfully challenge the basis increase. In addition, if the IRS or other taxing authorities successfully challenge the tax basis increase, any subsequent payments we are required to make under the tax receivable agreement will be reduced accordingly.

For purposes of the tax receivable agreement, cash savings in income and franchise tax will be computed by comparing our actual income and franchise tax liability to the amount of such taxes that we would have been required to pay had there been no increase in the tax basis of the tangible and intangible assets of IBG LLC attributable to our acquisition of our interest in IBG LLC, and had we not entered into the tax receivable agreement. The tax receivable agreement will, unless we exercise our right to terminate the tax receivable agreement for an amount based on an agreed value of payments remaining to be made under the agreement, terminate upon the earlier of (i) the end of the taxable year that includes the 50th anniversary of our initial acquisition of interests in IBG LLC, or (ii) the end of the taxable year that includes the 16th anniversary of the date upon which all rights of sale and exchange granted under the exchange agreement have terminated.

Our ability to achieve tax benefits from any increase in the tax basis attributable to our interest in IBG LLC resulting from our acquisition of interests in IBG LLC and the payments to be made under the tax receivable agreement with respect thereto depend upon a number of factors, including the law as in effect at the time of a purchase by us of interests in IBG LLC or a payment under the tax receivable agreement, the timing of purchases, the fair market value of interests in IBG LLC at the time of a purchase, the extent to which such purchases are taxable, the impact of the increase in the tax basis on our ability to use foreign tax credits and the rules relating to the amortization of intangible assets, the composition of IBG LLC's assets at the time of a purchase, and the amount and timing of our income and of payments under the tax receivable agreement. Depending upon the outcome of these factors, as a result of the size of the increases in the tax basis of the tangible and intangible assets of IBG LLC and its subsidiaries, the payments that we may make to IBG Holdings LLC could be substantial.

Legal Representation

Earl H. Nemser, our Vice Chairman and one of our directors, is also Special Counsel to the law firm of Dechert LLP, which has rendered legal services to IBG LLC and us, as applicable, during 2006, 2007 and 2008.

Purchase of Senior Notes

Earl H. Nemser (together with an affiliated entity and certain members of Mr. Nemser's immediate family) from time to time purchase senior notes issued by IBG LLC. The largest aggregate principal amount of senior notes held by Mr. Nemser and his affiliates during 2008 in the aggregate, was \$14.6 million. As of February 23, 2009, Mr. Nemser and his affiliates held \$10.7 million in aggregate principal amount of senior notes. During 2008, the total amounts of senior notes principal and interest paid to Mr. Nemser and his affiliates were \$31.4 million and \$802 thousand, respectively. As the senior notes have either a 15-month or 18-month maturity, Mr. Nemser and his affiliates have, during the last fiscal year, both purchased additional senior notes and have had certain of their senior notes redeemed. All senior notes issued prior to June 19, 2006 had an interest rate of 8%, and all senior notes issued on and after such date had a 7% interest rate.

Lawrence E. Harris, one of our directors, purchased \$500 thousand in principal amount of the aforementioned senior notes in March 2008. In September 2008, he was paid the principal of \$500 thousand and interest of \$17 thousand on these notes. At the same time, he then purchased another \$500 thousand of senior notes, which is the principal outstanding as of February 23, 2009.

Margin Account at IB LLC

Thomas Peterffy, our Chairman, and Dr. Lawrence E. Harris, one of our directors, maintain active retail brokerage accounts with IB LLC, one of our subsidiaries. As of March 12, 2009, Mr. Peterffy and Dr. Harris had fully secured margin balances of \$27.2 million and \$1.2 million, respectively. During 2008, the largest fully secured margin balances for Mr. Peterffy and Dr. Harris were \$68.7 million and \$1.1 million, respectively. Such loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to IB LLC, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features.

Commission Revenue

As described above under "Margin Account at IB LLC", Thomas Peterffy, our Chairman, maintains active retail brokerage accounts with IB LLC. These accounts generated approximately \$1.5 million in commission revenues during 2008. Such activity (i) was undertaken in the ordinary course of business, (ii) was undertaken on substantially the same terms, including commission rates, as those prevailing at the time for comparable brokerage services for persons not related to IB LLC, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features.

Review, Approval or Ratification of Transactions with Related Persons

We review all relationships and transactions in which the Company and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Our Audit Committee, our Chief Executive Officer and the General Counsel of the Company are responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. In addition, our Nominating and Corporate Governance Committee monitors and reviews any issues regarding the “independence” of directors or involving potential conflicts of interest, and evaluates any change of status or circumstance with respect to a director and determines the propriety of the director’s continued service in light of that change.

If our stockholders do not ratify the selection, our Audit Committee will reconsider whether to retain Deloitte & Touche LLP, but still may retain them. Even if the selection is ratified, our Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

In accordance with our Bylaws, for a matter not included in our proxy materials to be properly brought before the 2010 Annual Meeting of Stockholders, a stockholder's notice of the matter that the stockholder wishes to present must be delivered to Paul J. Brody, the Secretary of the Company, at Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830, not less than 120 days prior to the first anniversary of the date of this Proxy Statement. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long). Important Notice Regarding Delivery of Stockholder Documents

Under SEC rules, a single package of Notices may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate Notice within the package. This procedure, referred to as “householding,” reduces the volume of duplicative information stockholders receive and reduces mailing expenses. Stockholders may revoke their consent to future householding mailings by contacting our Investor Relations Department at 2 Pickwick Plaza, Greenwich, Connecticut 06830, Attn: Investor Relations, telephone: 203-618-4070, e-mail: investor-relations@interactivebrokers.com.
