(1) Amounts include principal and interest payments (all of which are fixed-rate) on our notes payable based on their contractual terms. See Note 6 to our March 31, 2013 financial statements for additional information on our notes payable.

(2) We lease land, equipment and office space under various operating leases. Certain leases are cancelable; however, significant penalties would be incurred upon cancellation. Amounts reflected above consider continuance of the lease without cancellation.

We estimate the quarterly distribution requirements with respect to our Preferred Shares outstanding at March 31, 2013, to be approximately \$51.9 million per quarter. Dividends are paid when and if declared by our Board of Trustees and accumulate if not paid. We have no other series of preferred shares that are redeemable before April 2015 and none of our preferred securities are redeemable at the option of the holders.

Off-Balance Sheet Arrangements: At March 31, 2013, we had no material off-balance sheet arrangements as defined under Regulation S-K 303(a)(4) and the instructions thereto.

ITEM 3. Quantitative and Qualitative Disclosures about Market Risk

To limit our exposure to market risk, we are capitalized primarily with preferred and common equity. Our preferred shares are redeemable at our option generally five years after issuance, but the holder has no redemption option. Our debt is our only market-risk sensitive portion of our capital structure, which totals \$142.4 million and represents 1.6% of the book value of our equity at March 31, 2013.

We have foreign currency exposures related to our investment in Shurgard Europe, which has a book value of \$394.4 million at March 31, 2013. We also have a loan receivable from Shurgard Europe, which is denominated in Euros, totaling €311.0 million (\$398.6 million) at March 31, 2013.

The table below summarizes annual debt maturities and weighted-average interest rates on our outstanding debt at the end of each year and fair values required to evaluate our expected cash-flows under debt agreements and our sensitivity to interest rate changes at March 31, 2013 (dollar amounts in thousands).

	Remainder of 2013	2014	2015	2016	2017	Thereafter	Total	Fair Value
Fixed rate debt	\$ 61,196	\$ 35,127	\$ 30,009	\$ 10,065	\$ 1,003	\$ 5,019	\$ 142,419	\$ 145,123
Average interest rate	5.87%	5.35%	5.45%	5.57%	5.78%	5.69%		
Variable rate debt (1)	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
Average interest rate								

(1) Amounts represent borrowings under our line of credit which expires in March 2017. As of March 31, 2013, we have no borrowings under our line of credit.

Item 4. Controls and Procedures

Conclusion Regarding the Effectiveness of Disclosure Controls and Procedures

We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed in reports we file and submit under the Securities Exchange Act of 1934, as amended, ("Exchange Act") is recorded, processed, summarized and reported within the time periods specified in accordance with SEC guidelines and that such information is communicated to our management, including our Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosure based on the definition of "disclosure controls and procedures" in Rules 13a-15(e) and 15d-15(e) of the Exchange Act. In designing and evaluating the disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives and management necessarily is required to apply its judgment in evaluating the cost-benefit relationship of possible controls and procedures in reaching that level of reasonable assurance. We also have investments in certain unconsolidated entities and because we do not control these entities, our disclosure controls and procedures with respect to such entities are substantially more limited than those we maintain with respect to our consolidated subsidiaries.

Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we evaluated the effectiveness of our disclosure controls and procedures, as required by Exchange Act Rule 13a-15(b), as of the end of the period covered by this report. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective, at a reasonable assurance level.

There were no changes in our internal control over financial reporting during the quarter ended March 31, 2013 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

The information set forth under the heading "Contingent Losses" in Note 12 to the Financial Statements in this Form 10-Q is incorporated by reference in this Item 1.

Item 1A. Risk Factors

In addition to the other information in this Quarterly Report on Form 10-Q, you should carefully consider the risks described in our Annual Report on Form 10-K filed for the year ended December 31, 2012, in Part I, Item 1A, Risk Factors, and in our other filings with the SEC. These factors may materially affect our business, financial condition and operating results and could cause our actual results to differ materially from expectations. In addition, in considering the forward-looking statements contained in this Form 10-Q and elsewhere, you should refer to the qualifications and limitations on our forward-looking statements that are described in Forward Looking Statements at the beginning of Part I, Item 2 of this Form 10-Q.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Common Share Repurchases

Our Board of Trustees has authorized management to repurchase up to 35,000,000 of our common shares on the open market or in privately negotiated transactions. During the three months ended March 31, 2013, we did not repurchase any of our common shares. From the inception of the repurchase program through May 9, 2013, we have repurchased a total of 23,721,916 common shares at an aggregate cost of approximately \$679.1 million. Our common share repurchase program does not have an expiration date and there are 11,278,084 common shares that may yet be repurchased under our repurchase program as of March 31, 2013. We have no current plans to repurchase shares; however, future levels of common share repurchases will be dependent upon our available capital, investment alternatives and the trading price of our common shares.

Preferred Share Redemptions

We had no preferred redemptions during the three months ended March 31, 2013.

Item 6. Exhibits

Exhibits required by Item 601 of Regulation S-K are filed herewith or incorporated herein by reference and are listed in the attached Exhibit Index which is incorporated herein by reference.
