Item 1.01 Entry into a Material Definitive Agreement.

On August 18, 2017, Ellington Financial LLC (the “Company”), issued \$86.0 million aggregate principal amount of its 5.25% unsecured senior notes due 2022 (the “Notes”) under an indenture, dated as of August 18, 2017 (the “Indenture”), between the Company and Wilmington Trust, National Association, as trustee. The Notes were issued in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), to qualified institutional buyers within the United States in accordance with Rule 144A under the Securities Act or to institutional accredited investors under Rule 501(a)(1), (2), (3) or (7) under the Securities Act. The Notes are subject to restrictions on transfer and may only be offered or sold in transactions exempt from or not subject to the registration requirements of the Securities Act and other applicable securities laws.

The Company intends to use the proceeds to acquire its targeted assets, in accordance with its investment objectives and strategies. The Company may also use the net proceeds of the offering for working capital and general corporate purposes.

The Notes are senior unsecured obligations of the Company and will mature on September 1, 2022. The Notes bear interest at a rate of 5.25% per year, subject to adjustment from time to time based on changes in the ratings of the Notes as described in the Indenture. Interest on the Notes will be paid semi-annually in arrears on each March 1 and September 1, commencing March 1, 2018, to the persons who are holders of record of the Notes on the preceding February 15 and August 15, respectively.

The following is a brief description of the terms of the Notes and the Indenture.

Ranking

The Notes will be:

- pari passu in right of payment with all of the Company’s senior unsecured indebtedness;
- effectively subordinated in right of payment to all of Company’s secured indebtedness to the extent of the value of the assets securing such indebtedness and guarantees;
- senior in right of payment to any of the Company’s future subordinated indebtedness; and
- structurally subordinated in right of payment to all indebtedness and other liabilities (including trade payables) and any preferred equity of the Company’s subsidiaries.

Optional Redemption

Prior to March 1, 2022, the Company may redeem some or all of the Notes at any time and from time to time at a price equal to 100% of the principal amount thereof, plus the applicable “make-whole” premium as of, and accrued but unpaid interest, if any, to, but excluding, the applicable date of redemption. On and after March 1, 2022, the Company may redeem some or all of the Notes at any time and from time to time at a price equal to 100% of the principal amount thereof plus accrued but unpaid interest, if any, to, but excluding, the applicable date of redemption.

Change of Control

If a Change of Control Triggering Event (as defined in the Indenture) occurs, the Company will be required (unless the Company has exercised its right to redeem all of the Notes by sending a notice of redemption) to offer to repurchase all of the outstanding Notes at a purchase price equal to 101% of the principal amount thereof plus accrued

but unpaid interest to, but excluding, the applicable Change of Control Payment Date (as defined in the Indenture).

Covenants

The Indenture contains covenants that, among other things:

- limit the ability of the Company and its subsidiaries to incur additional indebtedness;
 - maintain a minimum Net Asset Value (as defined in the Indenture);
-

require that the Company and its subsidiaries maintain a ratio of Consolidated Unencumbered Assets (as defined in the Indenture) to the aggregate principal amount of the outstanding Notes at or above a specified threshold; and impose certain requirements in order for the Company to merge or consolidate with another person.

Events of Default

The Indenture also provides for Events of Default which, if any of them occurs, would permit or require the principal of and accrued and unpaid interest on all the outstanding Notes to become or to be declared due and payable.

The foregoing summary of the Indenture is qualified in its entirety by reference to the full text of the Indenture, a copy of which is attached hereto as Exhibit 4.1 and incorporated herein by reference.

Registration Rights Agreement

In connection with the issuance of the Notes, the Company entered into a registration rights agreement with Sandler O'Neill & Partners, L.P., as representative of the initial purchasers, dated as of August 18, 2017 (the "Registration Rights Agreement"), pursuant to which the Company agreed to use its commercially reasonable efforts to (a) consummate an offer to exchange the Notes for its notes with terms substantially identical to those of the Notes no later than 120 days after the date of the initial issuance of the Notes or (b) if such exchange offer is not consummated, file and keep effective a shelf registration statement with respect to resales of the Notes. If the Company fails to satisfy its registration obligations under the Registration Rights Agreement, the Company will be required to pay additional interest to the holders of the Notes as specified in the Registration Rights Agreement.

The foregoing summary of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is attached hereto as Exhibit 4.3 and incorporated herein by reference.
