Item 7.01 Regulation FD Disclosure

On June 10, 2016, the Office of Community Development (“OCD”) of the State of Louisiana filed a written demand with the Louisiana Commissioner of Administration alleging that ICF Emergency Management Services, L.L.C. (“ICF”), a subsidiary of ICF International, Inc. (the “Company”), breached its contract with the Louisiana Office of Community Development in connection with the Road Home Program, a program awarded to ICF in 2006 and primarily intended to help homeowners and landlords of small rental properties affected by Hurricanes Rita and Katrina. In its demand, OCD presents a claim that ICF owes the State of Louisiana \$200,837,719.68 for grant recipient overpayments under the Road Home Program.

In addition and on the same day, the State of Louisiana, through the Division of Administration, filed suit in Louisiana state court broadly alleging and seeking recoupment for the same claim made in the administrative proceeding submission before the Louisiana Commissioner of Administration.

Based on initial correspondence received from the Office of Community Development of the State of Louisiana on this issue, we filed a Form 8-K on December 22, 2011 and since that date, we have included reference to this claim in all subsequent 10-Q and 10-K filings. The Company believes this claim has no merit, intends to vigorously defend the administrative proceeding and litigation, and has therefore not recorded a liability as of March 31, 2016.
