**Cautionary Note Regarding Forward-Looking Statements**

Some of the matters discussed in the Presentation Materials contain forward-looking statements that involve uncertainties and risks related to expectations for, and sustainability of, a bottom to the downturn and an industry recovery; the Company’s ability to weather the downturn, sustain momentum and to grow as the industry recovers; prospects for continued growth in the Eagle Ford Basin of the United States; expectations that the HydroFLOW® rollout will be successful; and Enservco’s ability to maintain and remain in compliance with its existing loan covenants. Actual results could differ materially from those projected and Enservco cautions readers not to place undue reliance on the forward-looking statements contained in, or made in connection with, the Presentation Materials. Detailed risks are those set forth in Enservco’s annual report on Form 10-K for the year ended December 31, 2016, and subsequently filed documents with the SEC.
