PROXY STATEMENT FOR 2011 ANNUAL MEETING

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Who can attend the annual meeting?

All shareholders as of the record date, January 12, 2011.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on January 12, 2011. A total of 10,143,970 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock. We do not recognize cumulative voting for the election of our directors. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote for each of the seven directors, for the approval of the advisory (non-binding) resolution related to our executive officer compensation as disclosed in this proxy statement (“say-on-pay”), for the advisory (non-binding) vote for the say-on-pay advisory vote to be held every three years and for the ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, any proxies returned to us will be voted as the proxyholders see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our Secretary a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. Attendance at the annual meeting will not, by itself, revoke your proxy card.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person. If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. Votes will be tabulated by an inspector of election appointed by our Board of Directors. Abstentions from voting, which you may specify on the advisory say-on-pay resolution to approve executive compensation, the advisory

vote on whether to hold say-on-pay advisory votes every one, two or three years and ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm, will have the effect of a negative vote.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares (so-called “broker nonvotes”), the nominee may vote them on the proposal to ratify the appointment of HoganTaylor LLP as our independent registered public accounting firm. Uninstructed nominees are no longer permitted to vote for directors, and they are not permitted to vote on matters relating to executive compensation, including the advisory say-on-pay resolution to approve executive compensation and the advisory vote on whether to hold say-on-pay advisory votes every one, two or three years. Broker nonvotes will be counted as present to determine if a quorum exists.

What percentage of stock are the directors and executive officers entitled to vote at the annual meeting?

Together, they own 4,937,473 shares of our common stock, or 48.4% of the stock entitled to vote at the Annual Meeting.

Who are the largest principal shareholders?

David E. Chymiak, our Chairman of the Board, beneficially owns 2,614,479 shares of our common stock, or 25.8% of the stock entitled to vote at the Annual Meeting. Kenneth A. Chymiak, our President and Chief Executive Officer, beneficially owns 2,230,578 shares of our common stock, or 22.0% of the stock entitled to vote at the Annual Meeting.

Who pays for this proxy solicitation?

The accompanying proxy is solicited by and on behalf of our Board of Directors, and the entire cost will be paid by us. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this, but they may be reimbursed for their out-of-pocket expenses incurred while assisting us in soliciting your proxy.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the election of each nominee.

Board of Directors

Board Independence. The Board of Directors has determined that Messrs. Franz, Largess, McGill and Tyde have no relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that such individuals are independent under the rules and listing standards of The NASDAQ Stock Market ("NASDAQ") and the rules of the Securities and Exchange Commission implemented pursuant to the Sarbanes-Oxley Act of 2002.

Board Leadership Structure. The Board of Directors does not have a current requirement that the roles of Chief Executive Officer and Chairman of the Board be either combined or separated, because the Board of Directors believes it is in our best interests to make this determination based on the our current position and direction and the constitution of the Board of Directors and management team. The Board of Directors evaluates whether the roles of Chief Executive Officer and Chairman of the Board should be combined or separated. The Board of Directors has determined that having the positions of Chairman and Chief Executive Officer separated is in the best interest of our shareholders at this time. The Chief Executive Officer is primarily responsible for our overall management and the development and implementation of our strategy, and he has access to the people, information and resources necessary to facilitate that function. The Chairman of the Board has extensive product and industry knowledge in the cable television industry and is primarily responsible for management of our overall inventory. The Board of Directors believes that separating the roles of Chief Executive Officer and Chairman is an appropriate leadership structure as it promotes the strengths and expertise of these two executive officers currently serving on the Board of Directors.

Oversight of Risk Management. It is management's responsibility to manage our enterprise risks on a day-to-day basis. The Board of Directors is responsible for risk oversight by focusing on our overall risk management strategy and the steps management is taking to manage our risk.

While the Board of Directors as a whole maintains the ultimate oversight responsibility, the Board of Directors has delegated certain risk management oversight responsibilities to its various committees. The Audit Committee reviews and discusses our major financial risk exposures and the steps management has taken to identify, monitor, and control such risks. The Compensation Committee is responsible for

overseeing risks related to our compensation programs, including structuring and reviewing our executive compensation programs, considering whether such programs are in line with our strategic objectives and incentivizing appropriate risk-taking. The Corporate Governance and Nominating Committee is tasked with risks associated with corporate governance and compliance.

Committees of the Board. The Board of Directors has three committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The following section describes the functions and membership of each committee and the number of times it met during our fiscal year ended September 30, 2010.

AUDIT COMMITTEE

The functions and members of the Audit Committee are set forth below. The members of the Audit Committee are Paul F. Largess (Chairman), Thomas J. Franz, James C. McGill and Stephen J. Tyde. The Audit Committee met four times during fiscal year 2010. All of the meetings were held prior to the reporting of our quarterly financial results.

- Selects the firm that will serve as our independent registered public accounting firm
- Reviews scope and results of audits with our independent registered public accounting firm, compliance with any of our accounting policies and procedures and the adequacy of our system of internal controls

Report of the Audit Committee

The Audit Committee of our Board of Directors is comprised of four directors who are not officers. Under currently applicable rules, each member is an independent director of the Company under the rules of NASDAQ as well as under rules adopted by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002.

The Audit Committee reviews our financial reporting process on behalf of the Board of Directors. The Audit Committee's policy is to review and pre-approve all proposed engagements for audit or non-audit services rendered by our independent registered public accounting firm. Under its pre-approval policy, the Audit Committee approved 100% of the services provided by HoganTaylor LLP ("HoganTaylor") in 2010 as those services are described in the section entitled "Principal Accounting Fees and Services." Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In connection with its function to oversee and monitor our financial reporting process, the Audit Committee has done the following:

- selected HoganTaylor as our independent registered public accounting firm for the audit of the fiscal 2010 financial statements and the review of the interim quarterly financial statements;
- reviewed and discussed the audited financial statements for the fiscal year ended September 30, 2010, with management;

- discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), adopted by the Public Company Accounting Oversight Board in Rule 3200T;

- received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and
- based on the reviews and discussions referred to above, recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2010 for filing with the Securities and Exchange Commission (the "SEC").

Thomas J. Franz Paul F. Largess James C. McGill Stephen J. Tyde

Audit Committee Financial Expert

The SEC has adopted rules pursuant to the provisions of the Sarbanes-Oxley Act requiring audit committees to include an "audit committee financial expert," defined as a person who has the following attributes:

- 1) an understanding of generally accepted accounting principles and financial statements;
- 2) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves;
- 3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the registrant's financial statements, or experience actively supervising one or more persons engaged in such activities;
- 4) an understanding of internal control over financial reporting; and
- 5) an understanding of audit committee functions.

The financial expert will have to possess all of the attributes listed above to qualify as an audit committee financial expert.

Our Board of Directors has determined that each of Thomas J. Franz, Paul F. Largess, James C. McGill and Stephen J. Tyde meets the definitions of an audit committee financial expert.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Stephen J. Tyde (Chairman), Thomas J. Franz and James C. McGill. The Compensation Committee met twice during fiscal 2010. The functions of the Compensation Committee are set forth below.

Functions

- Evaluates performance and sets compensation and benefits of Chief Executive Officer and Chairman of the Board of Directors

- Approves compensation and benefits programs of our other named executive officers
 - Approves compensation and benefits of our non-employee Board of Directors

- Performs the other functions listed in the Charter of the Compensation Committee which may be found on our website at www.addvantagetech.com.

Composition and Delegation

The Compensation Committee of our Board of Directors is comprised of three directors who are not officers. All functions of the Compensation Committee are to be performed by the Committee members and are not authorized to be delegated outside of the Committee. Under currently applicable rules, each member is an “independent director” as defined under Rule 5605(a)(2) of NASDAQ, a “non-employee director” (within the meaning of Rule 16b-3(b)(3) of the Securities Exchange Act of 1934) and satisfies the requirements of an “outside director” as defined by Section 162(m) of the Internal Revenue Code.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The functions and members of the Corporate Governance and Nominating Committee are set forth below. The members of the Corporate Governance and Nominating Committee are Thomas J. Franz (Chairman), Paul F. Largess and James C. McGill. The Committee met three times during fiscal year 2009.

Functions

- Provides oversight of the governance of the Board of Directors
 - Makes recommendations to the Board as a whole concerning board size, composition and compensation
 - Identifies individuals qualified to become Board members
- Selects or recommends that the Board select the director nominees to stand for election at the annual meeting of shareholders
- Recommends to the Board nominees for the positions of Chairman of the Board, chairmen of the various committees of the Board, and members of the various committees of the Board
- Performs other functions listed in the Charter of the Corporate Governance and Nominating Committee, a current copy which may be found on our website at www.addvantagetech.com.

The Corporate Governance and Nominating Committee is comprised of three directors who are not officers. Under currently applicable rules, each member is an “independent director” as defined under the NASDAQ rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002.

The Corporate Governance and Nominating Committee’s criteria and process for identifying and evaluating the candidates that it selects, or recommends to the full Board for selection, as director nominees, are: (i) regular review of composition and size of the board; (ii) review of qualifications of candidates properly recommended or nominated by any qualifying shareholder; (iii) evaluation of the performance of the Board and qualification of members of the Board eligible for re-election; and (iv) consideration of the suitability of each candidate, including current members of the Board, in light of the size and composition of the Board. After such review and consideration, the Corporate Governance and Nominating Committee will recommend a slate of director nominees.

While the Corporate Governance and Nominating Committee has not established specific minimum requirements for director candidates, other than they be at least 21 years of age, the Committee believes that candidates and nominees

must reflect a board that is comprised of directors who: (i) are predominantly independent; (ii) are of high integrity; (iii) have qualifications that will increase overall board effectiveness; and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. The Committee does not have a formal

policy regarding the consideration of diversity in identifying director nominees, but the Committee does consider, among other things, a director nominee's potential contribution to the diversity of background and experience of our Board of Directors, including with respect to age, gender, international background, race and specialized experience.

The Corporate Governance and Nominating Committee has adopted a policy with regard to the consideration of director candidates recommended by shareholders. The Corporate Governance and Nominating Committee will consider director candidates recommended by any shareholder holding 10,000 shares of our common stock for at least 12 months prior to the date of submission of the recommendation or nomination. Additionally, a recommending shareholder shall submit a written statement in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, judgment, age, independence, expertise, corporate experience, other commitments and the like, personal references, and a written indication by the candidate of his or her willingness to serve, if elected, and evidence of the recommending person's ownership of our stock sufficient to meet the stock ownership requirements described above.

BOARD MEETINGS

Our Board held four meetings during fiscal year 2010. Each director attended all of the meetings of the Board and the committees on which he served.

Shareholder Communication with the Board of Directors and Committees

Communication with the Board of Directors or any of the Committees should be directed to the attention of Stephen J. Tyde. Written correspondence to Mr. Tyde may be delivered to our executive offices, 1221 East Houston, Broken Arrow, Oklahoma, 74012. All shareholder communications directed to Mr. Tyde will be promptly forwarded to him. All Board members are encouraged, but not required, to attend our annual meeting. Last year, all of our Board members attended our annual meeting.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics which is applicable to all of our directors, officers and employees. A copy of our Code of Business Conduct and Ethics is posted on our website at www.addvantagetech.com. We intend to satisfy the disclosure requirements, including those of Item 406 of Regulation S-K, regarding certain amendments to, or waivers from, provisions of our Code of Business Conduct and Ethics by posting such information on our website.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During fiscal years 2010 and 2009, we leased one property in Broken Arrow, Oklahoma from a company owned by David E. Chymiak and Kenneth A. Chymiak equally. The leased property is used as an overflow warehouse and is currently leased on a month-to-month basis for \$7,500 per month. The lease payments made on this property totaled \$90,000 and \$142,500 for fiscal years 2010 and 2009, respectively.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of our common stock to report their initial ownership of our common stock and any subsequent changes in that ownership to the SEC and to furnish us with a copy of each of these reports. SEC regulations impose specific due dates for these reports and we are required to disclose in this proxy statement any failure to file by these dates during fiscal year 2009.

Based solely on the review of the copies of these reports furnished to us and written representations that no other reports were required, during and with respect to the fiscal year ended September 30, 2010, we believe that these persons have complied with all applicable filing requirements.

PROPOSAL NO. 2
ADVISORY VOTE ON EXECUTIVE COMPENSATION

We believe executive compensation is an important matter for our shareholders. A fundamental principle of our executive compensation philosophy and practice continues to be to pay for performance. An executive officer's compensation package is comprised of two components: (i) a base salary, which reflects individual performance and expertise and (ii) incentive awards, tied to the achievement of certain performance goals that the Compensation Committee establishes from time to time. We believe that this type of compensation program is consistent with our strategy, competitive practice, sound corporate governance principles, and shareholder interests and concerns. We urge you to read the "Compensation of Directors and Executive Officers" section of this Proxy Statement for additional details on our executive compensation.

This proposal, commonly known as a "say-on-pay" proposal, gives you as a shareholder the opportunity to endorse or not endorse our executive pay practices. This vote is intended to provide an overall assessment of our executive compensation program rather than focus on any specific item of compensation. We request shareholder approval of the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules, which include the compensation tables. As an advisory vote, this proposal is not binding upon our board of directors or us. However, we expect that our Compensation Committee, which is responsible for designing and administering our executive compensation program, will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Recommendation of the Board of Directors:

Our Board of Directors unanimously recommends that you vote "FOR" the approval, on an advisory basis, of the compensation of our named executive officers. Proxies received will be so voted unless shareholders vote otherwise via the Internet or by telephone or specify otherwise in their completed and returned proxy cards.

PROPOSAL NO. 3
ADVISORY VOTE TO DETERMINE WHETHER A SHAREHOLDER VOTE ON EXECUTIVE
COMPENSATION SHOULD BE HELD EVERY YEAR, TWO YEARS, OR THREE YEARS

As discussed above in Proposal No. 2, executive compensation is an important matter for our shareholders. In connection with recently enacted legislation, companies are required to provide a separate shareholder advisory vote once every six years to determine whether the shareholders' say-on-pay vote should occur every year, every two years or every three years. As an advisory vote, this proposal is non-binding on us. Our Board of Directors could, if it concluded it was in our best interests to do so, choose not to follow or implement the outcome of the advisory vote. However, we expect that our Board of Directors will consider the outcome of the vote when determining how often to hold a shareholder advisory vote on our executive compensation.

Our executive compensation program is not complex and, largely due to our size, we have only three executive officers. Accordingly, our Board of Directors has concluded that holding an advisory vote on executive compensation every three years should be sufficient to permit shareholders to express their opinions while, at the same time, minimizing the administrative costs of such votes.

Recommendation of the Board of Directors:

Our Board of Directors unanimously recommends that you vote "FOR" the shareholder vote on executive compensation to be held every three years. Proxies received will be so voted unless shareholders vote otherwise via the Internet or by telephone or specify otherwise in their completed and returned proxy cards.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation of Directors

We paid our non-employee directors \$500 per quarter and \$500 for each board meeting and \$250 for each committee meeting or telephonic board or committee meeting the director attended. The chairman of the Audit Committee receives an additional \$250 per quarter. In addition, all directors are eligible to receive awards of restricted shares or options to purchase shares of our common stock each year after the annual shareholders meeting. These annual awards have ranged between 1,000 and 6,667 shares. We reimburse all directors for out-of-pocket expenses incurred by them in connection with their service on our Board and any Board committee. The following table reflects the total compensation earned by each director during the fiscal year:

- (2) Fiscal 2010 amount was earned under the Senior Management Incentive Compensation Plan for fiscal 2010 performance, and the amount was paid in the first quarter of fiscal 2011. No amounts were earned under this plan for fiscal 2009. This plan, which is further detailed in the Fiscal 2010 Grants of Plan-Based Awards table below, provides annual cash payments to Senior Management based first on exceeding certain sales growth threshold requirements and then allows management to earn a graduated scale of incentive compensation based on the incremental EBIT earned on sales above the established sales growth threshold amount.
- (3) Represents amounts paid by the Company on behalf of officer for matching contributions to the Company's qualified 401(k) plan plus an auto allowance received during the year. PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected the accounting firm of HoganTaylor as our independent registered public accounting firm to examine our financial statements for the fiscal year ending September 30, 2011.

Hogan & Slovacek, P.C. (“Hogan & Slovacek”), the firm that had served as our independent registered public accounting firm since January 26, 2006, announced that it was combining with the firm of Tullius Taylor Sartain & Sartain LLP, on January 7, 2009. As a result, Hogan & Slovacek resigned as our accounting firm as of January 7, 2009, and our Audit Committee engaged the successor firm, HoganTaylor, on January 7, 2009, to serve as the principal accountant to audit our financial statements for the fiscal year ended September 30, 2009. The respective employees, partners and shareholders of the merged firms have become employees and partners of HoganTaylor, which will continue the practices of each of the combined firms.

While HoganTaylor is technically a new firm, because it is a successor firm to our prior accountants, we do not consider this a substantive change of accounting firms. Also, as this is a newly created firm, there have been no pre-engagement consultations or contacts with HoganTaylor.

The reports of Hogan & Slovacek regarding our financial statements for the fiscal years ended September 30, 2007 and 2008 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended September 30, 2007 and 2008, and during the period from October 1, 2008 through January 7, 2009, the date of resignation, there were no disagreements with Hogan & Slovacek on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Hogan & Slovacek, would have caused it to make reference to such disagreement in connection with its report.

Representatives from HoganTaylor will attend the Annual Meeting to answer appropriate questions and make statements if they desire.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the ratification of the appointment of HoganTaylor.

PRINCIPAL ACCOUNTING FEES AND SERVICES

HoganTaylor and its predecessor firm, Hogan & Slovacek, served as our independent registered public accounting firm since it was engaged by our Audit Committee on January 26, 2006 and audited our financial statements for the fiscal years ended September 30, 2010 and 2009. Our Audit Committee considered whether the provisions for the tax services and other services by HoganTaylor and Hogan & Slovacek were compatible with maintaining their independence and determined that they were.

Fees Incurred by the Company for Services Performed by Audit Firms

The following table shows the fees for professional services provided by HoganTaylor and Hogan & Slovacek for the audits of our annual financial statements for the years ended September 30, 2010 and 2009, respectively, and fees billed for other services during those periods.

	2010	2009
Audit Fees(1)	\$88,800	\$92,500
Audit-Related Fees(2)	1,900	1,068
Tax Fees(3)	17,750	22,440
All Other Fees	-	-
Total	\$108,450	\$116,008

- 1) Audit Fees represent fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements and audit services provided in connection with the issuance of comfort letters, consents, and assistance with review of documents filed with the SEC.
- 2) Audit-Related Fees represent reimbursements of travel and other costs associated with audit services.
- 3) Tax Fees represent fees for annual tax return preparation and research of tax related matters.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. During the year, the Audit Committee approved all of the services performed by the independent registered public accounting firm. The fees billed for these services approximated 100% of the pre-approved amounts.

Before engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the following four categories of services to the Audit Committee for approval:

1. Audit services include audit work performed on the financial statements, internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected

to provide, including comfort letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.

2. Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.

3. Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.
4. Other Fees are those associated with services not captured in the other categories. We generally don't request such services from the independent registered public accounting firm other than the annual audit of our Defined Contribution Plan.

Before engagement, the Audit Committee pre-approves the independent registered public accounting firm's services within each category. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
