Item 8.01 Other Events.

As previously announced, on January 6, 2017, Mast Therapeutics, Inc. (“Mast” or the “Company”), Victoria Merger Corp., a Delaware corporation and a wholly-owned subsidiary of Mast (“Merger Sub”), and Savara Inc., a privately-held Delaware corporation focused on the development and commercialization of novel therapies for the treatment serious or life-threatening rare respiratory diseases (“Savara”), entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”), pursuant to which, among other things, subject to approval of the stockholders of Mast and Savara and the satisfaction or waiver of the other conditions set forth in the Merger Agreement, Merger Sub will merge with and into Savara, with Savara becoming a wholly-owned subsidiary of the Company (the “Merger”).

On April 21, 2017, Mast announced that the special meeting of stockholders of Mast held on April 21, 2017 at 9:00 a.m. Pacific Time to vote upon the Merger and related proposals as set forth in the Company’s proxy statement/prospectus/information statement dated March 15, 2017 (the “Special Meeting”) was convened and adjourned, without any business being conducted other than the adjournment, due to the absence of a quorum of the Company’s stockholders of record as of March 13, 2017. At the Special Meeting, Brian M. Culley, Mast’s Chief Executive Officer and Chair of the Special Meeting, announced that the Special Meeting would reconvene on Thursday, April 27, 2017 at 9:00 a.m., local time, at the same location, 3611 Valley Centre Drive, Suite 500, San Diego, California 92130 to vote upon the Merger and related proposals.

On April 25, 2017, the Company issued a press release announcing that upon completion of the Merger, each outstanding share of Savara common stock will be automatically converted into the right to receive 0.5860 of a share of Mast common stock, as adjusted for the reverse stock split being affected in connection with the Merger (which equates to 41.0194 shares of Mast common stock before adjusting for the expected reverse stock split of one share of Mast common stock for every 70 shares of Mast common stock). Based on the anticipated exchange ratio, immediately after the Merger, existing Savara securityholders are expected to own in the aggregate approximately 77% of the combined company, and existing Mast securityholders are expected to own approximately 23% of the combined company. The exchange ratio may be further adjusted based on any changes to each party’s capitalization prior to closing.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
