ANNUAL MEETING OF STOCKHOLDERS

To Be Held on May 15, 2017

INFORMATION CONCERNING VOTING AND SOLICITATION

General

Your proxy is solicited on behalf of the board of directors (our “Board”) of The New Home Company Inc., a Delaware corporation, for use at our 2017 Annual Meeting of Stockholders to be held May 15, 2017 at 8:30 a.m. local time, at the Renaissance Aliso Viejo Hotel, located at 50 Enterprise, Aliso Viejo, CA 92656, or at any continuation, postponement or adjournment thereof (the “Annual Meeting”), for the purposes discussed in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders and any business properly brought before the Annual Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on matters properly presented at the Annual Meeting.

We have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record, while brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar notice. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found on the Notice and on the website referred to in the Notice, including an option to request paper copies on an ongoing basis. On or about March 30, 2017, we intend to make this proxy statement available on the Internet, and on or before April 5, 2017, we intend to mail the Notice to all stockholders entitled to vote at the Annual Meeting. We intend to mail this proxy statement, together with a proxy card to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of such request.

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy materials. This means that only one copy of our proxy materials or the Notice, as applicable, may have been sent to multiple stockholders in the same house. We will promptly deliver a separate Notice and, if requested, a separate proxy statement and annual report, to each stockholder that makes a request using the procedure set forth on the Notice.

On January 30, 2014, The New Home Company LLC (“TNHC LLC”) converted into a Delaware corporation and was renamed The New Home Company Inc., which we refer to as our formation transaction. As used in this proxy statement, unless the context otherwise requires or indicates, references to “the Company,” “our Company,” “we,” “our,” and “us” (1) for periods prior to the completion of our formation transactions, refer to TNHC LLC and its subsidiaries and affiliates, and (2) following the completion of our formation transactions, refer to The New Home Company Inc. and its subsidiaries.

Important Notice Regarding the Availability of Proxy Materials for the 2017 Annual Meeting of Stockholders to be Held on May 15, 2017.

The Notice of Annual Meeting, this proxy statement, our 2016 Annual Report and a sample proxy card are available at www.proxyvote.com. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

Who Can Vote

You are entitled to vote if you were a stockholder of record of our common stock as of the close of business on March 20, 2017. At the close of business on March 20, 2017, 20,863,399 shares of our common stock were outstanding and entitled

to vote. You are entitled to one vote for each share of common stock held on all matters to be voted upon at the Annual Meeting. Your shares may be voted at the Annual Meeting only if you are present in person or represented by a valid proxy.

Voting of Shares

Any stockholder as of the record date may vote by attending the Annual Meeting and voting in person, or by submitting a proxy. The method of voting by proxy differs (1) depending on whether you are viewing this proxy statement on the Internet or receiving a paper copy, and (2) for shares held as a record holder and shares held in “street name.”

Record Holders. If you hold your shares of common stock as a record holder and you are viewing this proxy statement on the Internet, you may vote by submitting a proxy over the Internet by following the instructions on the website referred to in the Notice previously mailed to you. You may request paper copies of the proxy statement and proxy card by following the instructions on the Notice. If you hold your shares of common stock as a record holder and you are reviewing a paper copy of this proxy statement, you may vote your shares by completing, dating and signing the proxy card that was included with the proxy statement and promptly returning it in the pre-addressed, postage paid envelope provided to you, or by submitting a proxy over the Internet or by telephone by following the instructions on the proxy card.

Street Name. If you hold your shares of common stock in street name, which means your shares are held of record by a broker, bank or nominee, you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or nominee will allow you to deliver your voting instructions over the Internet and may also permit you to vote by telephone. In addition, you may request paper copies of the proxy statement and proxy card from your broker by following the instructions on the Notice provided by your broker.

Stockholders may provide voting instructions by telephone by calling toll free 1-800-690-6903 from the U.S. or Canada, or via the internet at www.proxyvote.com at any time before 11:59 p.m. Eastern Time on May 14, 2017. Telephone and internet voting access is available 24 hours a day, 7 days a week until 11:59 p.m. Eastern Time on May 14, 2017. Please have your notice and proxy control number in hand when you telephone or visit the website. If you vote through the Internet, you should be aware that you may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers and that these costs must be borne by you. If you vote by Internet or telephone, then you need not return a written proxy card by mail.

YOUR VOTE IS VERY IMPORTANT. You should submit your proxy even if you plan to attend the Annual Meeting. If you properly give your proxy and submit it to us in time to vote, one of the individuals named as your proxy will vote your shares as you have directed.

All shares entitled to vote and represented by properly submitted proxies (including those submitted electronically, telephonically and in writing) received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If, as a record holder, you do not indicate your voting directions on your signed proxy, your shares will be voted according to the recommendation of our Board, as follows:

- “FOR” the election of H. Lawrence Webb, Paul Heeschen, Cathey S. Lowe and William A. Witte to the Board for a three-year term expiring at our 2020 annual meeting of stockholders, and
- “FOR” the ratification of the selection of Ernst & Young LLP as our independent registered public accountants for the year ending December 31, 2017.

The proxy gives each of H. Lawrence Webb and John M. Stephens discretionary authority to vote your shares in accordance with his best judgment with respect to all additional matters that might come before the Annual Meeting and any continuation, postponement or adjournment of the Annual Meeting. If you hold your shares in street name and do not give

direction to your broker on how to vote your shares, your broker does not have authority to vote on the election of the directors. Your broker does have discretion to vote on the ratification of the selection of the independent auditors.

Revocation of Proxy

If you are a stockholder of record, you may revoke your proxy at any time before your proxy is voted at the Annual Meeting by taking any of the following actions:

- delivering to our secretary a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
- signing and delivering a new paper proxy, relating to the same shares and bearing a later date than the original proxy;
- authorizing another proxy by telephone or over the Internet (your most recent telephone or Internet authorization will be used); or
- attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting will not, by itself, revoke a proxy. Written notices of revocation and other communications with respect to the revocation of the Company proxies should be addressed to the mailing address of our principal executive offices:

The New Home Company Inc.
85 Enterprise, Suite 450
Aliso Viejo, California 92656
Attn: Secretary

If your shares are held in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so. See “voting of shares” above regarding how to vote in person if your shares are held in street name.

Attending the Annual Meeting

Stockholders who wish to attend the Annual Meeting will be required to present: (1) verification of ownership of our common stock, such as a bank or brokerage firm account statement and (2) a valid government-issued picture identification, such as a driver’s license or passport. Directions to the Annual Meeting are available at www.proxyvote.com.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note, however, that if your shares are held in “street name,” which means your shares are held of record by a broker, bank or other nominee, and you wish to vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the record holder of the shares, which is the broker or other nominee, authorizing you to vote at the Annual Meeting.

Quorum and Votes Required

At the close of business on March 20, 2017, 20,863,399 shares of our common stock were outstanding and entitled to vote. All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes and abstentions.

Quorum. A majority in voting power of the outstanding shares of common stock entitled to vote, present in person or represented by proxy, will constitute a quorum at the Annual Meeting. Shares of common stock held by persons attending the Annual Meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker “non-votes” will be counted as present for purposes of determining a quorum.

Broker Non-Votes and Abstentions. Brokers or other nominees who hold shares of common stock in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, without specific instruction from the beneficial owner, brokers or other nominees are not allowed to exercise their voting discretion with respect to the election of directors or for the approval of matters which are considered to be “non-routine.” These non-voted shares are referred to as “broker non-votes.” Only Proposal 2 (ratifying the appointment of our independent registered public accounting firm) is considered a routine matter. Proposal 1 (election of directors) is not considered a routine matter, and without your instruction, your broker or other nominee cannot vote your shares. Broker non-votes are not considered as having voted for purposes of determining the outcome of a vote. Abstentions may be specified for all proposals except the election of directors. Abstentions and broker non-votes are counted for purposes of determining a quorum.

Stockholder approval of each proposal requires the following votes:

Proposal 1 - Election of Directors. Directors will be elected by a plurality of the votes cast. Thus, the four nominees receiving the greatest votes will be elected. Abstentions will not be counted in determining which nominees received a majority of votes cast since abstentions do not represent votes cast for or against a candidate. Brokers do not have discretionary authority to vote on the election of directors. Broker non-votes will not affect the outcome of the election of directors because brokers are not able to cast their votes on this proposal.

Proposal 2 - Ratification of the Selection of Our Independent Auditors. The affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote is required for the ratification of the selection of Ernst & Young LLP as our independent auditors. Abstentions will have the same effect as voting against this proposal because they represent shares present in person or by proxy and entitled to vote. Brokers have discretionary authority to vote on the ratification of our independent auditors, thus broker non-votes are generally not expected to result from the vote on this proposal.

Solicitation of Proxies

Our Board is soliciting proxies for the Annual Meeting from our stockholders. We will bear the entire cost of soliciting proxies from our stockholders. In addition to the solicitation by mail, the Company, our officers, employees and agents may solicit proxies by telephone, by facsimile, by email or in person. We do not expect to use a proxy solicitor to assist in the solicitation of proxies at this year’s annual meeting. Copies of solicitation materials will be furnished to banks, brokers, fiduciaries and custodians holding shares of our common stock in their names that are beneficially owned by our stockholders, so they may forward the solicitation materials to the beneficial owners and secure those beneficial owners’ voting instructions. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners.

Stockholder List

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for any purpose germane to the Annual Meeting during ordinary business hours at our corporate headquarters offices located at 85 Enterprise, Suite 450, Aliso Viejo, California 92656 for the ten days prior to the annual meeting, and also at the Annual Meeting.

Explanatory Note

The Company closed its initial public offering on February 5, 2014. We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”) and we are eligible to take advantage of certain exemptions from various reporting requirements that are applicable to companies that are not “emerging growth companies.” These provisions include, among other matters:

- an exemption from the auditor attestation requirement in the assessment of our internal control over financial reporting;
- reduced disclosure about our executive compensation arrangements and exemption from being required to include a Compensation Discussion and Analysis section in this proxy statement; and
- an exemption from the requirement to seek non-binding advisory votes on executive compensation.

We will remain an “emerging growth company” until the earlier of (1) the last day of the fiscal year (a) following the fifth anniversary of the completion of our initial public offering (December 31, 2019), (b) in which we have total annual gross revenue of at least \$1.0 billion or (c) in which we are deemed to be a large accelerated filer, which means, among other things, that the market value of our common stock that is held by non-affiliates is at least \$700 million as of the last business day of our most recently completed second fiscal quarter, and (2) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period.

PROPOSAL 1

ELECTION OF DIRECTORS

Board Structure and Nominees

Our Board currently consists of 11 directors. The directors are divided into three classes; Class I, Class II, and Class III. Each director serves a term of three years. At each Annual Meeting, the term of one class expires. The class of directors with a term expiring at this Annual Meeting, Class III, consists of four directors.

On February 5, 2014, in connection with our initial public offering, we entered into an investor rights agreement (the “Investor Rights Agreement”) with IHP Capital Partners VI, LLC, Watt/TNHC LLC and TCN/TNHC LP (collectively, the “Institutional Investors”) and each of H. Each Institutional Investor also agrees to vote all shares of our common stock that it owns in favor of Messrs. Webb, Stelmar or Berchtold (or, if at that time nominated as a director, Messrs. Davis or Redwitz) in any election in which Messrs. Webb, Stelmar or Berchtold (or, as the case may be, Messrs. Davis or Redwitz) is a nominee, and each of Messrs. Webb, Stelmar, Davis and Redwitz agree to vote all shares of our common stock that he owns in favor of each nominee designated by an Institutional Investor in any election of directors in which such a designee is a nominee. Douglas C. Neff is the nominee designated by IHP Capital Partners VI, LLC. Nadine Watt is the nominee designated by Watt/TNHC LLC. David Berman is the nominee designated by TCN/TNHC LP. For more information on the Institutional Investors’ director nomination and other rights pursuant to the Investor Rights Agreement, see “Corporate Governance—Investor Rights Agreement.”

Based upon the recommendation of our Nominating and Governance Committee, our Board has nominated H. Lawrence Webb, Paul Heeschen, Cathey S. Lowe and William A. Witte for election as Class III directors to the Board at the Annual Meeting. Composition of our Board of Directors

Our Amended and Restated Certificate of Incorporation provides that, subject to the rights and preferences of any series of outstanding preferred stock, the authorized number of directors shall consist of at least three directors, with the exact number set by our Board. Our Board has set the current authorized directors at 11 members, and our Board currently consists of 11 directors. The directors are divided into three classes; Class I, Class II, and Class III. Each director serves a term of

three years. At each Annual Meeting, the term of one class expires. The class of directors with a term expiring at this Annual Meeting, Class III, consists of four directors.

Our Board has adopted corporate governance guidelines to set forth its agreements concerning overall governance practices. These guidelines can be found in the “Investors” section of our website at <http://www.NWHM.com>. In addition, these guidelines are available in print to any stockholder who requests a copy. Please direct all requests to The New Home Company Inc., Attention: Secretary, 85 Enterprise, Suite 450, Aliso Viejo, California 92656.

Investor Rights Agreement

On February 5, 2014, in connection with our initial public offering, we entered into the Investor Rights Agreement with the Institutional Investors and each of our founders, H. Lawrence Webb, Wayne Stelmar, Joseph Davis and Thomas Redwitz. Pursuant to the Investor Rights Agreement, each Institutional Investor has the right to designate one individual for nomination and election to our Board for as long as such Institutional Investor owns 4% or more of our then-outstanding common stock (excluding shares of common stock that are subject to issuance upon the exercise or exchange of rights of conversion or any options, warrants or other rights to acquire shares). In addition, if any such designee of an Institutional Investor ceases to serve as a director during his or her term, the vacancy shall be filled by an individual designed by that Institutional Investor.

Each Institutional Investor also agrees to vote all shares of our common stock that it owns in favor of Messrs. Webb, Stelmar or Berchtold (or, if at that time nominated as a director, Messrs. Davis or Redwitz) in any election in which Messrs. Webb, Stelmar or Berchtold (or, as the case may be, Messrs. Davis or Redwitz) is a nominee, and each of Messrs. Webb, Stelmar, Davis and Redwitz agree to vote all shares of our common stock that he owns in favor of each nominee designated by an Institutional Investor in any election of directors in which such designee is a nominee.

Douglas C. Neff is the nominee designated by IHP Capital Partners VI, LLC. Nadine Watt is the nominee designated by Watt/TNHC LLC. David Berman is the nominee designated by TCN/TNHC LP.

The Investor Rights Agreement terminates with respect to each Institutional Investor when such Institutional Investor ceases to own 4% of our common stock based on the number of shares outstanding immediately following our initial public offering.

Board Leadership Structure, Executive Sessions

Our Chairman and Chief Executive Officer roles have been combined since January 2014 when we converted from a limited liability company into a corporation in connection with our initial public offering. After carefully considering the benefits and risks of separating the roles of the Chairman of our Board and Chief Executive Officer, our Board determined that it is in the best interests of the Company and our stockholders to have our Chief Executive Officer lead our Board as Chairman. This combined role facilitates centralized coherent leadership that maximizes the effectiveness of our Board given its size and breadth of industry experience. The combined role approach also enhances accountability among senior management and directors and aligns the strategy and goals of the Board with management.

We do not currently have a lead independent director. Generally, the Chair of our Nominating and Corporate Governance Committee presides over the quarterly executive sessions of non-employee members of the Board. The Board recognizes the importance of regularly evaluating our particular circumstances to determine if our leadership structure continues to serve the best interests of us and our stockholders. To this end, the Board engages in a regular assessment of whether the then current leadership structure remains the most appropriate for us. Our corporate governance guidelines permit the Board to fill the positions of Chairman and Chief Executive Officer with one individual or two different individuals and also allow the Board to appoint a lead independent director. As a result, the Board has the flexibility to alter its leadership structure in the future to adapt to changing circumstances as and when needed.

Board Independence

Our Board has determined that seven of our directors, Messrs. Berchtold, Bakhshandehpour, Lindstrom, Witte, Heeschen and Mmes. Watt and Lowe, constituting a majority, satisfy the listing standards for independence of the New York Stock Exchange and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), as well as our own corporate governance guidelines. Mr. Webb is not considered independent as he is employed by the Company as our Chief Executive Officer. Mr. Stelmar is not independent due to his status as a recently retired executive officer and due to the consulting services he provides, as described under “Certain Relationships and Related Person Transactions—Transactions with Related Persons.” Mr. Neff is President of IHP Capital Partners (“IHP”), which is an affiliate of IHP Capital Partners VI, LLC, the owner of approximately 11.7% of our stock. Affiliates of IHP are our joint venture partners in two joint ventures, which are described under “Certain Relationships and Related Person Transactions—Transactions with Related Persons.” In addition, Mr. Neff’s son is employed by the Company and is compensated in excess of \$120,000. Due to the foregoing, Mr. Neff does not satisfy the New York Stock Exchange Standards and has not been determined independent. Mr. Berman is Chairman of Tricon Capital Group Inc. (“Tricon”), an affiliate of TCN/TNHC LP (an entity which owns approximately 9.2% of our common stock). As further described under “Certain Relationships and Related Person Transactions—Transactions with Related Persons” various affiliates of Tricon are our joint venture partners in three joint ventures. Therefore, Mr. Berman does not satisfy the New York Stock Exchange Standards and has not been determined independent.

Board Meetings

Our Board held five meetings during 2016, and all directors attended at least 75% of the combined total of (i) all Board meetings and (ii) all meetings of committees of our Board of which the director was a member. The Chairman of our Board or his designee, taking into account suggestions from other Board members, establishes the agenda for each Board meeting and distributes it in advance to each member of our Board. Each Board member is free to suggest the inclusion of items on the agenda. The independent directors of our Board regularly meet in executive session without management or other employees present. Although we have no policy with regard to Board attendance at our annual meetings of stockholders, our directors are invited and generally expected to attend the Company’s annual meeting of stockholders. All of our Board members attended our 2016 annual meeting of the stockholders in person or via teleconference.

Board Committees

Our Board maintains a standing Audit Committee, Nominating and Corporate Governance Committee, Compensation Committee and Executive Committee. To view the charter of each of our Audit Committee, our Nominating and Corporate Governance Committee, and our Compensation Committee, please visit the “Investors” section of our website at <http://www.NWHM.com>. In addition, the charters for each of those committees are available in print to any stockholder who requests a copy. Please direct all requests to The New Home Company Inc., Attention: Secretary, 85 Enterprise, Suite 450, Aliso Viejo, California 92656. Our Board has determined that each of the members of our Audit Committee, our Nominating and Corporate Governance Committee and our Compensation Committee is independent in accordance with the New York Stock Exchange (the “NYSE”) rules, the requirements of SEC and our corporate governance guidelines. The membership of all of our standing Board committees as of the record date is as follows:

Audit Committee

We have a standing Audit Committee. Our Audit Committee is comprised of three independent directors, Cathey S. Lowe (Chair), Sam Bakhshandehpour and William A. Witte. Each of these members is “financially literate” under the applicable NYSE listing standards and under the rules of the Securities and Exchange Commission (the “SEC”). Our Board has also determined that Ms. Lowe qualifies as an “audit committee financial expert” as such term is defined by the rules of the SEC. Our Audit Committee met four times during 2016. The purpose of our Audit Committee, pursuant to its written charter, is, among other matters, to assist our Board in its oversight of (1) the Company’s financial reporting, (2) the Company’s auditing and internal control activities, (3) compliance with legal and regulatory requirements, (4) the qualifications and independence of the Company’s external auditor, (5) the performance of the Company’s internal auditing function and (6) the Company’s overall risk exposure and management. Our Audit Committee is also responsible for preparing the Audit Committee Report to be included in our annual proxy statements.

Nominating and Corporate Governance Committee

We have a standing Nominating and Corporate Governance Committee (the “Nominating Committee”). Our Nominating Committee is comprised of Gregory P. Lindstrom (Chair), Cathey S. Lowe and Paul Heeschen. Our Nominating Committee met four times during 2016. The purpose of our Nominating Committee is to identify qualified candidates to become Board members, select nominees for election as directors, select candidates to fill any vacancies on our Board, develop and recommend to the Board a set of corporate governance guidelines and oversee the evaluation of our Board and management. Our Nominating Committee works with our Board as a whole on an annual basis to determine the appropriate skills and characteristics required of Board members in the context of the current make-up of our Board and its committees.

Subject to the requirements set forth in the Corporate Governance Guidelines, the Nominating and Corporate Governance Committee utilizes a variety of methods for identifying director nominees, which may include considering potential director candidates who come to the committee's attention through current officers, directors, professional search firms, stockholders or other persons. The Committee seeks to include diverse candidates in the pool from which new Board nominees are chosen. Our Nominating Committee is responsible for reviewing with our Board, on an annual basis the appropriate characteristics, skills and experience required for our Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current Board members), the members of our Nominating Committee, in recommending candidates for election, and our Board, in approving (and, in the case of vacancies, appointing) such candidates, takes into account many factors, including: personal and professional integrity, ethics and values, experience in corporate management, experience in our industry and with relevant social policy concerns, diversity, experience as a

Board member of another publicly held company, academic expertise in an area of our operations, and practical and mature business judgment. Pursuant to the terms of the Investor Rights Agreement (described in more detail under the second paragraph under “Election of Directors – Board Structure and Nominees” and the section entitled “Corporate Governance—Investor Rights Agreement”), so long as the applicable Institutional Investor beneficially owns shares representing 4% or more of the total voting power, each Institutional Investor has the right to designate a member to our Board and the Board is required to nominate such individual designated by each such Institutional Investor to our Board. Our Nominating and Corporate Governance Committee reviews the characteristics and qualifications of each Board member required by the Company’s governance standards, including such Board members designated by an Institutional Investor, prior to recommending that the Board nominate any Board member or designee. Our Board evaluates each individual in the context of our Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the independent director members of our Nominating Committee may consider the director’s past attendance at meetings and participation in and contributions to the activities of our Board. While the Company values diversity and the Board considers diversity in its evaluation process, it has not adopted a specific policy regarding Board diversity. Our Nominating Committee may delegate any or all of its responsibilities to a subcommittee of the Committee to the extent permitted by applicable law.

Our Nominating Committee also considers recommendations for nominees that are timely submitted by stockholders if such recommendations are delivered in the manner prescribed by the advance notice provisions contained in our bylaws. In addition to satisfying the timing, ownership and other requirements specified in our bylaws, a stockholder’s notice must set forth as to each person whom the stockholder proposes to recommend all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, pursuant to Regulation 14A under the Exchange Act and our bylaws (including, but not limited to, such person’s written consent to being named in the proxy statement as a nominee and to serve as a director if elected). Properly communicated stockholder recommendations will be considered in the same manner as recommendations received from other sources.

Compensation Committee

We have a standing Compensation Committee. Our Compensation Committee is comprised of William A. Witte (Chair), Sam Bakhshandehpour and Gregory P. Lindstrom. Our Board has determined that all of the members of our Compensation Committee are “independent” within the meaning of our director independence standards and the NYSE director independence standards (including those applicable to Compensation Committee members). In order to comply with certain SEC and tax law requirements, the committee (or a subcommittee thereof) must consist of at least two directors that qualify as “non-employee directors” for the purposes of Rule 16b-3 under the Exchange Act and satisfy the requirements of an “outside director” for purposes of section 162(m) of the Internal Revenue Code. The Board has determined that William A. Witte (Chair), Sam Bakhshandehpour and Gregory P. Lindstrom each qualify as “non-employee directors” and “outside directors.” Our Compensation Committee met four times in 2016. Our Compensation Committee reviews and establishes the compensation of our senior executives, including our Chief Executive Officer, on an annual basis, has direct access to third party compensation consultants and legal counsel, and administers our equity based plans, including the review and grant of equity awards to eligible employees and consultants under our equity based plans. The Compensation Committee also annually reviews the compensation of directors for service on the Board and its committees and recommends changes in compensation to the Board as appropriate. The Compensation Committee may also, from time to time, review and approve overall compensation programs and performs an annual compensation risk assessment. As discussed below, the Compensation Committee’s independent compensation consultant provides a risk assessment of our compensation practices to help the Committee perform its annual compensation risk assessment. Following its annual risk assessment for the 2016 compensation year, in conjunction with advice from its compensation consultant, the Committee determined that it does not believe the Company’s compensation plans are likely to result in a material and adverse effect on the Company. Our Compensation Committee may delegate any or all of its responsibilities to a subcommittee of the Committee to the

extent permitted by applicable law.

16

Our Compensation Committee reviews and approves or recommends all compensation for all executive officers and all officers as such term is defined in Rule 16a-1, promulgated under the Exchange, directors and all such categories of other employees of the Company or its subsidiaries as our Board determines from time to time. For compensation decisions relating to our Chief Executive Officer, our Compensation Committee reviews and approves corporate goals and objectives relating to the compensation of the Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of those goals and objectives and, based upon this evaluation (either alone or, if directed by the Board, in conjunction with a majority of the independent directors of the Board), sets the Chief Executive Officer's compensation.

Use of Compensation Consultant and Role of Management

Our Compensation Committee is committed to staying apprised of current issues and emerging trends, and ensuring that our executive compensation program remains aligned with best practice. To this end, our Compensation Committee has engaged the services of Semler Brossy Consulting Group ("SBCG") to assist it in evaluating executive compensation matters. During 2016, SBCG only provided services to our Compensation Committee and such services were related primarily to executive or non-employee director compensation. SBCG also provided additional services related to compensation of employees below the executive officer level for purposes of providing the Compensation Committee with advice regarding our overall compensation programs, but such amounts did not amount to more than \$120,000. The Compensation Committee solicited and approved such additional services by SBCG. While conducting assignments, SBCG interacts with our management when appropriate. Specifically, our General Counsel and Senior Vice President of People worked with SBCG to provide information regarding the Company and its executive compensation policies and practices. The Company's Chief Executive Officer annually reviews each executive officer's performance with the Committee and makes recommendations to the Committee with respect to the appropriate base salary and incentive compensation program for each executive officer other than himself. The Committee takes these proposals into consideration, among other matters, when making compensation decisions.

SBCG reports directly to our Compensation Committee with respect to executive and non-employee director compensation matters and the Compensation Committee may replace it or hire additional consultants at any time. SBCG provided our Compensation Committee and Board with compensation data related to executives at public homebuilders, helped the Committee select appropriate performance measures and goals, and advised the Committee regarding evolving compensation best practices and trends. Specifically, SBCG provided information relating to competitiveness of pay levels, compensation plan design, pool availability, executive ownership guidelines, specific equity grant matters, market trends, risk assessment and management, and technical considerations concerning named executive officers, other executives and directors. SBCG also reviewed and commented on the Company's 2016 proxy statement. During 2016, at the request of the Compensation Committee, a representative of SBCG attended all Committee meetings.

Each year our Compensation Committee reviews the independence of its compensation consultants and other advisors. In performing its analysis, our Compensation Committee considers the factors set forth in SEC rules and NYSE listing standards. After review and consultation with SBCG, our Compensation Committee determined that SBCG is independent and there is no conflict of interest resulting from retaining SBCG currently or during the year ended December 31, 2016.

For further information on our executive officers' compensation, please see "Executive Compensation."

Executive Committee

We have a standing Executive Committee. Our Executive Committee is comprised of H. Lawrence Webb (Chair), Wayne Stelmar, Michael J. Berchtold and Douglas C. Neff. Our Executive Committee evaluates, reviews and determines whether or not to approve certain real estate- and borrowing-related transactions on behalf of our Board.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves, or has in the past fiscal year served, as a member of the Board or Compensation Committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who

serve as members of our Board or our Compensation Committee. None of the members of our Compensation Committee is, or has ever been, an officer or employee of our company.

Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. The involvement of our full Board in determining our business strategy is a key part of its assessment of management's risk tolerance and also a determination of what constitutes an appropriate level of risk for the Company. Our Board administers oversight for the risk management process function directly, with support from its standing committees, each of which will address risks specific to its area of oversight. For example, our Audit Committee considers and discusses our major financial risk exposures and the steps our management takes to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Nominating and Corporate Governance Committee provides oversight with respect to corporate governance, evaluates the independence of our directors and the effectiveness of our Corporate Governance Guidelines and Code of Business Conduct and Ethics and also oversees management's succession planning. Also, the Compensation Committee performs an annual compensation risk assessment.

Narrative to Summary Compensation Table

Components of Compensation

The individual components of our executive compensation program consist primarily of (i) base salary, (ii) annual cash-based bonus opportunities, (iii) long-term equity incentives and (iv) retirement savings opportunities and limited other employee benefits.

2015 and 2016 Salaries

Effective upon the completion of our initial public offering in February 2014, we entered into amended and restated employment agreements with each of our named executive officers, pursuant to which the annual base salaries for Messrs. Webb and Redwitz were established at \$500,000 and \$450,000, respectively. Mr. Stephens became our Chief Financial Officer on June 26, 2015. We entered into an employment agreement with Mr. Stephens pursuant to which his annual base salary was established at \$450,000. The terms of the employment agreements entered into by Messrs. Webb, Redwitz and Stephens are described in more detail below under “—Employment Agreements.”

We did not make any changes to the executives’ base salaries in 2015. Effective March 5, 2016, the Compensation Committee approved an increase to Mr. Webb’s salary from \$500,000 to \$650,000. No changes were made to the other named executive officers’ salaries in 2016.

2016 Bonuses

In 2016, each of the named executive officers participated in an annual bonus compensation program under our Executive Incentive Compensation Plan.

Under the bonus program, each named executive officer was eligible to receive a cash bonus based on achievement of a pre-established pretax income goal for 2016. In order for the executives to be eligible to receive a bonus for 2016 performance, our company had to achieve at least 75% of the target performance goal.

The 2016 target bonuses for Messrs. Webb, Redwitz and Stephens were 150%, 75%, and 75% respectively, of the executive’s 2016 annual base salary. Each was eligible to receive a bonus ranging from 50% to 200% of the executive’s target bonus, based on the following payout schedule:

	Performance % of Target	Performance Goal	Payout (% of Target)
Maximum	125%		200%
Target	100%		100%
Threshold	75%		50%
< Threshold	<75%		0%

In 2016, we achieved approximately 88% of the target performance goal, resulting in the payment of 76% of each executive’s target bonus. In addition, the Compensation Committee determined, in consultation with the Chief Executive Officer and its Compensation Consultant, to pay an additional \$13,120 to each of Messrs. Stephens and Redwitz due to their respective performance and contributions over the course of the 2016 year.

The following table sets forth the aggregate 2016 bonuses paid to each named executive officer:

Named Executive Officer	2016 Bonus
H. Lawrence Webb	\$741,000
Thomas Redwitz	\$270,000
John Stephens	\$270,000

2015 Bonuses

In 2015, each of the named executive officers participated in an annual bonus compensation program under our Executive Incentive Compensation Plan which compensated the named executive officers based on achievement of a pre-established pretax income goal for 2015. In 2015, we achieved approximately 80% of the target performance goal, resulting in the payment of 80% of each executive's target bonus. However, the 2014 named executive officers did not receive a bonus for 2014. Therefore, in consideration of the Compensation Committee's evaluation of the overall performance and trajectory of the Company, the Compensation Committee, in consultation with its Compensation consultant, determined to award to each named executive officer a bonus equal to his 2015 target bonus. Furthermore, the Compensation Committee, based on consultation with its independent compensation consultant, concluded that Mr. Webb, as the Company's chief executive officer, was paid compensation below market in 2015 and therefore determined to award Mr. Webb with an additional \$75,000 bonus.

The following table sets forth the aggregate 2015 bonuses paid to each named executive officer:

Named Executive Officer	2015 Bonus
H. Lawrence Webb	\$475,000
Thomas Redwitz	\$270,000
John Stephens	\$135,000*

* Pro-rated based on hire date.

Equity Compensation

The Compensation Committee approved RSU grants to each of our named executive officers with a grant date of February 29, 2016 as follows: Mr. Webb (62,189) and each of Messrs. Redwitz and Stephens (42,985), which vest in equal annual installments on each of the first, second and third anniversaries of the grant date, subject to the grantee's continuous service with the Company. In addition, the terms of the RSU awards provided for (i) pro-rated vesting upon the executive's retirement and (ii) full vesting immediately prior to a change in control (as defined under the Company's 2014 Long-Term Incentive Plan (the "2014 Plan")), subject to the executive's continued employment until the change in control.

In determining the RSU awards granted in 2016, consideration was given to the form and amount of awards typically granted to executives at other public homebuilders. SBCG provided our Compensation Committee and Board with compensation information for public homebuilders and compensation data related to executives at public homebuilders which the Compensation Committee considered in making awards. The Compensation Committee granted the RSU awards using a dollar-denominated value of the award divided by the closing price per share of the Company's common stock on February 29, 2016 (two trading days following our 2015 fiscal year-end earnings release) based on the following percentages of the each executives' annual base salaries in effect on the date of grant:

Named Executive Officer	% of Base Salary to Determine Dollar-Denominated Value of RSUs Awards
H. Lawrence Webb	125%
Thomas Redwitz	96%
John Stephens	96%

In May 2015, the Compensation Committee approved RSU grants to each of our named executive officers as follows: Mr. Webb (43,952) and Mr. Redwitz (35,126), which were subject to cliff vesting as to 100% of the shares underlying the RSUs on March 3, 2016, subject to the grantee's continuous employment with the Company. The Compensation Committee applied this vesting period in order to offset the lack of cash bonuses paid to any of the named executive officers for 2014. Mr. Stephens was awarded 14,318 RSUs on June 26, 2015 in connection with his hire date, subject to vesting in equal annual installments on each of the first, second, and third anniversaries of the grant date, and subject to his continuous employment with the Company.

2016 Incentive Award Plan Form of RSU Award Agreement

On July 26, 2016, the Board approved a form of RSU Agreement (the “2016 RSU Agreement”) for use under the Company’s 2016 Incentive Award Plan (the “2016 Plan”). Awards granted to executive officers in February 2017 were made under the 2016 Plan using the 2016 RSU Agreement. Unlike the terms of the RSU Awards made under the 2014 Plan, the 2016 RSU Agreement does not provide for (i) pro-rated vesting upon the executive's retirement or (ii) full vesting immediately prior to a change in control.

Equity Grant Practices

It is the Company's policy that equity grants shall generally occur on pre-established dates pursuant to our equity grant guidelines, with employee annual grants generally occurring on the later of the second full trading day after the public release of fiscal year-end earnings, or (if later) the Monday following the date the Compensation Committee approves the awards. The Compensation Committee approves annual awards for all employees. All new hire and promotion grants are also approved by the Compensation Committee. Such awards are generally made effective on the latest of (i) approval by the Compensation Committee, (ii) the employee’s date of hire/promotion or (iii) as of the first open trading day under the Company’s insider trading policy after the employee’s date of hire/promotion if such date is not open for trading under the Company’s insider trading policy, as applicable. Annual and initial awards for non-employee directors are approved by the Company’s Board of Directors, which may include automatic grants under a director compensation program or policy approved by the Board. Annual awards for directors are generally granted on the date of the applicable annual shareholder meeting. Initial awards are generally granted on the date the new director is appointed or elected to the Board, if such date is a date that is open for trading under the Company’s insider trading policy, or as of the first open trading day after the new director is appointed or elected if such date is not open for trading under the Company’s insider trading policy. Annual awards are usually granted based on a specified dollar amount, with the number of shares for each RSU grant determined by dividing the dollar amount by the closing market price of our stock on the grant date, rounded down to the nearest whole unit.

2017 Developments

In consultation with its independent compensation consultant, the Compensation Committee approved RSU grants to each of our named executive officers with a grant date of February 24, 2017 as follows: Mr. Webb (75,839), Mr. Redwitz (46,641), and Mr. Stephens (40,298), which vest in equal annual installments on each of the first, second, and third anniversaries of the grant date, subject to the grantee’s continuous service. The Compensation Committee granted the awards in compliance with our equity grant practices policy discussed above.

On March 23, 2017, also in consultation with its independent compensation consultant, the Compensation Committee made the following compensation determinations for the 2017 compensation year. The Compensation Committee approved an increase in the annual base salary for Mr. Stephens to \$500,000 and for Mr. Redwitz to \$550,000, effective March 18, 2017, and also approved 2017 target bonuses based on a pretax income goal for each of our named executive officers under the Company’s Executive Incentive Compensation Plan based on a percentage of the executive’s base salary as set forth below using the same payout schedule utilized for the bonuses for 2016 performance:

Named Executive Officer	% of Base Salary to Determine Target Bonus
H. Lawrence Webb	200%
Thomas Redwitz	100%
John Stephens	100%

Employment Agreements

Effective upon the completion of our initial public offering, we entered into amended and restated employment agreements with Messrs. Webb and Redwitz. Effective March 13, 2017, in connection with the resignation of Wayne Stelmar, Mr. Redwitz's employment agreement was amended to appoint him as Chief Investment Officer. We entered into an employment agreement with Mr. Stephens on June 26, 2015. The employment agreements with Messrs. Webb, Redwitz, and Stephens each have an initial term expiring on the third anniversary of the effective date of the employment agreement. Each employment agreement provides for automatic one-year extensions after the expiration of the initial term, unless either party provides the other with at least 180 days' prior written notice of non-renewal.

The employment agreements provide for, among other things:

- an annual base salary of \$500,000, \$450,000, and \$450,000 respectively, for Messrs. Webb, Redwitz, and Stephens, subject to increases approved from time to time;

- eligibility for annual cash performance bonuses based on the satisfaction of performance goals to be established by our Compensation Committee;

- subject to the approval of our Compensation Committee, eligibility for equity-based compensation awards on the same terms and conditions as other senior executive officers; and

- participation in any employee benefit plans and programs that are maintained from time to time for our other officers.

The employment agreements contain customary employee non-solicitation provisions that apply during the term of the agreements and for two years after the termination of the executive's employment. The employment agreements also contain standard confidentiality provisions that apply during the term of the agreements and after the termination of the executive's employment.

On February 16, 2017, the employment agreements of Messrs. Webb, Stephens and Redwitz were amended to, among other things, provide that if a change in control of the Company occurs the employment agreements' term automatically will be extended to the second anniversary of the change in control (with one-year extensions continuing thereafter). The employment agreements also provide for limited payments in the event of qualified terminations or resignations of our named executive officers. See “—Executive Compensation Arrangements Upon Certain Departures” below.

Other Elements of Compensation

We maintain a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions, and these matching contributions vest ratably depending on length of service with the Company.

All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, including: medical, dental and vision benefits; medical and dependent care flexible spending and health savings accounts; short-term and long-term disability insurance; and life insurance. We believe these health and welfare benefits are necessary and appropriate to provide a competitive compensation package to our named executive officers and employees generally.

During the 2016 fiscal year, certain members of management (at the director level and above), including named executive officers, are eligible for up to \$1,800 in reimbursements annually for mobile phone usage and a car allowance of up to \$7,200 annually. Named executive officers are also reimbursed for toll charges.

We do not maintain any defined benefit pension plans or nonqualified deferred compensation plans.

No Tax Gross-Ups

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by us.

Executive Compensation Arrangements Upon Certain Departures

Under the employment agreements with our named executive officers, we pay the following amounts upon qualifying departures from service with us. We may terminate the employment of a named executive officer at any time with or without cause, and the executive may terminate his employment with or without good reason.

Termination for cause or resignation without good reason.

If we terminate a named executive officer's employment for cause, or if the named executive officer resigns without good reason, the named executive officer will be entitled to receive any earned but unpaid annual base salary, any earned but unpaid prior-year bonus, reimbursement of expenses incurred prior to the date of termination, accrued vacation and any other paid-time-off and any benefits that have been earned and accrued prior to the date of termination (referred to as the "Earned Benefits").

Termination without cause or resignation for good reason or due to disability or death.

If we terminate a named executive officer's employment without cause or if the named executive officer terminates his employment for good reason or due to disability or death, the named executive officer will be entitled to receive the Earned Benefits. In addition we will reimburse the employer-subsidized portion of the premium under our health and dental plans for a period of 24 months, in the case of Mr. Webb, or 12 months, in the case of Messrs. Stephens and Redwitz (or until such earlier date on which they obtain substantially similar coverage).

If we terminate a named executive officer's employment without cause or if the named executive officer terminates his employment for good reason, the named executive officer will also be entitled to receive a lump sum cash payment in an amount equal to one times or, in the case of Mr. Webb, two times the sum of (i) the named executive officer's annual base salary, plus (ii) the highest annual bonus paid to the named executive officer during the previous three calendar years. These severance benefits will be payable only if the named executive officer signs and does not revoke a waiver and release of any claims against us. On February 16, 2017, the employment agreements of Messrs. Webb, Stephens and Redwitz were amended to add a provision pursuant to which each of Messrs. Webb, Stephens and Redwitz has the opportunity to receive his target annual cash bonus for the year in which his employment is terminated without cause or if he terminates for good reason on or within 24 months after a change in control if such amount is greater than the highest annual bonus paid to such executive during the previous three calendar years.

Prohibitions on Hedging and Pledging Company Stock

In order to avoid creating conflicts between an executive's interests and those of other stockholders, our Insider Trading Policy prohibits all covered persons, including executives, from hedging the economic risk of owning Company shares and does not allow pledging of Company stock.

Executive Stock Ownership Guidelines

In November 2016, the Compensation Committee adopted stock ownership guidelines applicable to the Chief Executive Officer and all other "executive officers" defined in accordance with Rules 3b-7 and 16a-1(f) of the Exchange Act. Under such stock ownership guidelines each executive officer must hold 100% of all "net shares" received from the vesting, delivery or exercise of equity awards granted by us until the executive beneficially owns shares of our common stock equal to six (6) times base salary, in the case of the Chief Executive Officer, and two (2) times the base salary in the case of any other executive officer (the "exec ownership threshold"). The "net shares" means those shares of common stock that remain after

payment, as applicable, of (i) the exercise price of stock options or purchase price of other awards and all applicable withholding taxes, including shares sold or netted with respect thereto, and (ii) all applicable transaction costs. To determine the number of shares required to meet the exec ownership threshold, we use (1) with respect to shares of Company common stock underlying equity awards granted to the executive by the Company, the per share price that was used to value such equity awards when granted or the current market price per share, whichever is greater and (2) with respect to shares of company Common Stock otherwise acquired, the Company common stock is valued at the greater of the executive's cost basis and the current market price per share. Each executive is expected to attain the ownership threshold within five years of becoming subject to the guidelines; provided that in the event of an increase in base salary that has the effect of increasing the exec ownership threshold, the executive shall then be required to hold 100% of such executive's shares until such time that such increased exec ownership threshold is met and shall not be deemed to be "out of compliance" with this policy unless he or she sells shares prior to reaching such increased exec ownership threshold. Mr. Webb and Mr. Redwitz, each founders of the Company, already own shares in excess of their respective exec ownership thresholds.

COMPENSATION OF DIRECTORS

Non-Employee Director Compensation Philosophy and Program

Our Compensation Committee is responsible for the periodic review of compensation and benefits paid to non-employee directors, and the determination of the compensation of all non-employee directors is approved by our Board, following consultation with SBCG. We believe that compensation for non-employee directors should be competitive and should align the interests of our directors with our stockholders' interests through the payment of a portion of director compensation in RSUs.

We adopted a revised non-employee director compensation program beginning with the Company's 2016 fiscal year. Under this revised program, the non-employee directors are eligible to receive the following cash and equity compensation:

Annual Cash Retainer	\$45,000
Annual Equity Grant	\$60,000 in value of RSUs
Committee Cash Retainers	
Audit	\$20,000 (Chair); \$8,500 (Other Members)
Compensation	\$15,000 (Chair); \$6,000 (Other Members)
Nominating	\$15,000 (Chair); \$6,000 (Other Members)
Executive	\$15,000

Beginning with the 2017 fiscal year, each Board member who serves on the board and is re-elected as a director is granted his or her annual RSU award on the date of such annual meeting (each an "Annual Grant"). Subject to the terms and conditions of the underlying equity incentive plan and RSU Agreement, each Annual Grant vests in full on the earlier of (i) the date of the next annual meeting of the Company's stockholders following the applicable grant date (it being understood that the Annual Grant shall vest on the date of such annual meeting whether or not the director is re-elected at such meeting, so long as the director serves through such meeting) and (ii) the first anniversary of the applicable grant date, subject in each case to continued service.

We also reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including without limitation travel expenses in connection with their attendance in-person at Board and committee meetings. Directors who are employees do not receive any compensation for their services as directors.

Director Stock Ownership Guidelines

Under stock ownership guidelines established in connection with our initial public offering, further amended in March 2015 and in July 2016, each non-employee director must hold 100% of all shares received from the vesting, delivery or exercise of equity awards granted by us until the non-employee director beneficially owns shares of our common stock equal to three times the annual cash retainer payable, which, as of the current date, is \$135,000 (the "ownership threshold"). We use, (i) with respect to shares underlying equity awards granted to the director by us, the share price that was used to value the equity awards when granted and (ii) with respect to shares otherwise acquired, the price at which such shares were acquired, as applicable, to determine the number of shares required to meet the ownership threshold. In addition, the shares subject to the ownership threshold requirement are net of any shares of common stock that remain after payment, as and if applicable, of (i) the exercise price of stock options or purchase price of other awards and all applicable withholding taxes, including shares sold or netted with respect thereto, and (ii) all applicable transaction costs. Each non-employee director is expected to achieve his or her threshold ownership requirement within three years of joining the Board or the third anniversary of the date of an increase in the ownership threshold. Because the ownership threshold increased in 2016, non-employee directors shall have until 2019 to meet the ownership threshold.

Non-Employee Director Compensation Table

The table below summarizes the compensation received by our non-employee directors for the year ended December 31, 2016. All of our non-employee directors were appointed to the Board effective upon the closing of our initial public offering.

William A. Witte	\$68,500	\$59,999	-	\$128,499

Each non-employee director received an award of 5,970 RSUs on February 29, 2016 under our 2014 Plan and each subject to vesting in full on the first anniversary of their respective grant date. We provide information regarding the assumptions used to calculate the value of all equity awards made to executive officers in Note 12, Stock-Based Compensation, to our consolidated audited financial statements included in our Form 10-K filed with the SEC on February 23, 2017. The grant date fair market value of each RSU granted on February 29, 2016 was \$10.05.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of our Board has selected Ernst & Young LLP (“Ernst & Young”) as our independent registered public accountants for the year ending December 31, 2017, and has further directed that management submit the selection of the independent registered public accountants for ratification by the stockholders at the Annual Meeting. A representative of Ernst & Young is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Ernst & Young as our independent registered public accountants is not required by our bylaws or otherwise. However, our Board is submitting the selection of Ernst & Young to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if our Audit Committee determines that such a change would be in our and our stockholders’ best interests.

Board Recommendation

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF ERNST & YOUNG AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2017.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transaction Policy

The Board has adopted a written Related Person Transaction Policy (the “Policy”). The purpose of the Policy is to ensure that all transactions between related persons and us, including our subsidiaries, are properly identified, reported, reviewed and approved, and disclosed in accordance with applicable law. All related person transactions entered into or proposed to be entered into must be disclosed to and approved by the Audit Committee. The Audit Committee reviews related person transactions to determine whether the transaction is in the best interest of the Company and to ensure a conflict of interest does not exist and/or that the transaction is on terms comparable to those that could be obtained in arm’s length dealings with an unrelated third party. The Audit Committee will also review the position with or relationship of the related person with the Company and the materiality of the transaction to the related person and the Company. The Audit Committee obtains any other information necessary to disclose such related person transaction is properly documented. If the proposed transaction involves a related person who is a member of the Audit Committee, the transaction must be approved by a majority of the disinterested members of the Audit Committee. The Company’s General Counsel is responsible for determining and disclosing all related person transactions to the Audit Committee of which she becomes aware and the Company utilizes annual questionnaires completed by directors and executive officers to aid in the identification of related person transactions.

The Audit Committee has excluded each of the following related person transactions under the Policy: (a) compensation to an executive officer or director if the compensation is required to be reported in the Company’s proxy statement pursuant to Item 402 of Regulation S-K; (b) compensation to an executive officer if such compensation would have been required to be reported under Item 402 if the executive was a “named executive officer” and such compensation has been approved by the Compensation Committee, or recommended by the Compensation Committee to the Board for approval. This exception, however, does not apply if the executive officer is also an immediate family member; or (c) transactions that are in the Company’s ordinary course of business and where the interest of the related person arises only: (i) from the related person’s position solely as a director of another corporation or organization that is a party to the transaction; or (ii) from the direct or indirect ownership by such related person and all other related persons, in the aggregate, of less than a 10% equity interest in another person (other than a partnership) which is a party to the transaction; or (iii) from both such position described in (i) and such ownership described in (ii); or (iv) from the related person’s position as a limited partner in a partnership in which the related person and all other related persons, in the aggregate, have an interest of less than 10%, and the related person is not a general partner of and does not have another position in the partnership.

Under the Policy, a related person means (i) an executive officer or director of us, or a nominee for election as a director; (ii) any person who is known to be the beneficial owner of more than 5% of our securities, (c) any immediate family member of any of the foregoing persons or shares the same household as such person, or (d) any entity that is wholly owned by or controlled by any of the foregoing persons. A “related person transaction” is a transaction or series of transactions in which we participate (whether or not we are a party) and in which a related person has a direct or indirect material interest. A transaction involving more than \$120,000 is presumed to be a material transaction.

Transactions With Related Persons

Investor Rights and Registration Rights Agreements

On February 5, 2014, we entered into the Investor Rights Agreement with Messrs. Webb, Stelmar, Davis and Redwitz and the Institutional Investors. For more information on this agreement, see “Corporate Governance—Investor Rights Agreement.”

We have entered into a registration rights agreement with Messrs. Webb, Stelmar, Davis and Redwitz and the Institutional Investors with respect to the shares of our common stock that they received as part of our formation transactions. We refer to these shares collectively as the “registrable shares.” Pursuant to the registration rights agreement, we have granted

the parties and their direct and indirect transferees shelf registration rights requiring us to file a shelf registration statement and to maintain the effectiveness of such registration statement so as to allow sales thereunder from time to time, and, in certain circumstances, the right to “piggy-back” the registrable shares in registration statements we might file in connection with certain future public offerings. Our obligation to cause any registration statements filed pursuant to the registration rights agreement to be declared effective or remain effective is on a reasonable best efforts basis.

Notwithstanding the foregoing, any registration is subject to cutback provisions, and we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as “blackout periods.”

Joint Ventures

We have entered into agreements with our unconsolidated joint ventures to provide management services related to the underlying projects. Pursuant to management agreements for each project, we receive a management fee based on each project’s revenues. During the year ended December 31, 2016, we earned \$8.2 million in management fees, \$0.6 million of which was included in “due from affiliates” in our consolidated balance sheets.

As of December 31, 2016, the Company had investments in certain unconsolidated joint ventures totaling \$20.2 million where our joint venture partner is an affiliate of a member of our Board, as discussed below.

David Berman, one of our non-employee directors, is Executive Chairman of Tricon Capital Group Inc., an affiliate of TCN/TNHC LP (“Tricon”). Tricon owns approximately 9.2% of our common stock. Various affiliates of Tricon serve as limited partners of our joint ventures, including TNHC-TCN Santa Clarita LP (“Villa Metro”), Calabasas Village LP (“Avanti”) and Arantine Hills Holdings LP (“Bedford Ranch”), with Tricon holding 90%, 90% and 95% of the capital interest, respectively, in such ventures. Tricon’s equity and management fees in 2016 for the Villa Metro project was \$0.7 million and \$0.1 million, respectively. Tricon’s equity and management fees in 2016 for the Avanti project was \$33.8 million and \$0.2 million, respectively. Tricon’s equity and management fees in 2016 for the Bedford Ranch project was \$94.6 million and \$0.9 million, respectively. Our equity in these ventures was \$0.2 million, \$4.8 million and \$5.0 million, respectively, as of December 31, 2016. Additionally, each of the joint ventures make payments to the Company for services, generally for overhead allowances, pursuant to the underlying joint venture agreements.

Douglas Neff, one of our non-employee directors, is President of IHP Capital Partners, the general partner of the manager of IHP Capital Partners VI, LLC (“IHP”). IHP owns approximately 11.6% of our common stock. An affiliate of IHP has a 63% capital interest in TNHC Meridian Investors, which in turn has a 32% capital interest in the TNHC Newport joint venture. Under the terms of the TNHC Meridian Investors joint venture agreement, after the return of certain preference amounts, capital contributions and cost overruns/profit shortfalls to the joint venture partners, we are entitled to receive distributions from the joint venture equal to our economic interest. As of December 31, 2016, our equity in TNHC Meridian Investors was \$0.3 million. IHP’s equity and management fees in 2016 for the TNHC Meridian Investors joint venture was \$0.5 million and \$0, respectively. An affiliate of IHP also has a 65% capital interest in TNHC Russell Ranch, one of our other joint ventures, in which our equity as of December 31, 2016 was approximately \$9.9 million. IHP’s equity and management fees in 2016 for the TNHC Russell Ranch joint venture was \$18.4 million and \$0.1 million, respectively. Additionally, our joint ventures with IHP make payments to the Company for services, generally for overhead allowances, pursuant to the underlying joint venture agreements.

Other Related Person Transactions

In connection with his retirement, the Company entered into a consulting agreement (the “Consulting Agreement”) with Mr. Stelmar, a current Board member and member of our executive committee and former Chief Investment Officer, pursuant to which Mr. Stelmar serves as a consultant to the Company for an initial one-year term that commenced on February 17, 2017. Under the Consulting Agreement, Mr. Stelmar receives the following payments and benefits: (i) a monthly consulting fee of \$16,800; (ii) continued vesting of each outstanding unvested Company equity award held by Mr.

Stelmar as of the Effective Date (a “Pre-Consulting Equity Award”) in accordance with the terms and conditions of such award existing prior to Mr. Stelmar’s retirement (based on Mr. Stelmar’s continued provision of consulting services thereafter rather than continued employment); and (iii) up to 12 months’ Company-subsidized benefits coverage for Mr. Stelmar and his eligible dependents (“COBRA Coverage”). The Consulting Agreement also requires the continued compliance with the restrictive covenants in Mr. Stelmar’s employment agreement. In the event that the Consulting Agreement and Mr. Stelmar’s consulting services are terminated by the Company without cause, Mr. Stelmar will receive the following, subject to his timely execution and non-revocation of a general release of claims: (i) a lump-sum payment of any remaining portion of Mr. Stelmar’s consulting fee (had he remained a consultant through the one-year consulting period); (ii) continued COBRA Coverage that would have been payable for the remainder of the one-year consulting period; and (iii) each Pre-Consulting Equity Award will accelerate and vest in full (to the extent then-unvested). In addition, if the Consulting Agreement and Mr. Stelmar’s consulting services are terminated by the Company at the end of the initial one-year term due to the Company’s decision not to renew the agreement, then each Pre-Consulting Equity Award will accelerate and vest in full (to the extent then-unvested). In connection with his continuing board service as a non-employee board member, as of the date of his retirement, Mr. Stelmar is compensated for such board service pursuant to and in accordance with the Company’s Non-Employee Director Compensation Program described under “Compensation of Directors—Non-Employee Director Compensation Philosophy and Program.”

TL Fab LP, an entity in which Paul Heeschen, one of our non-employee directors, owns an indirect majority equity interest (but is not an employee), was engaged by us and some of our unconsolidated joint ventures as a trade contractor to provide metal fabrication services during 2016 and currently. We incurred approximately \$321,000 and our unconsolidated joint ventures incurred approximately \$613,000, respectively, for these services for the year ended December 31, 2016. We and certain of our unconsolidated joint ventures are likely to continue to engage TL Fab for additional services in 2017 as long as their bids are competitive. Since the beginning of the fiscal year through the end of February 2017, the Company has paid approximately \$36,000 to TL Fab LP and no payments have been made by our unconsolidated joint ventures.

John Neff, the son of one of our non-employee directors, Douglas C. Neff, is employed by the Company as a Land Acquisition Manager. During the year ended December 31, 2016, the Company compensated John Neff with approximately \$150,000 in cash, including base salary and bonus, and \$7,500 of RSUs which vest ratably over three years with vesting subject to continued service (using the grant date fair value of the RSUs as computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or ASC Topic 718. We provide information regarding the assumptions used to calculate the value of all equity awards in Note 12, Stock-Based Compensation, to our consolidated audited financial statements included in our Form 10-K filed with the SEC on February 23, 2017). In addition, John Neff participates in the Company’s general welfare plans, including health benefits, retirement savings opportunities and limited other employee benefits.

The GDR Group is an information technology services consulting firm that provides the Company with support for its IT Helpdesk, onsite support services, remote systems administration, network infrastructure design and implementation and network security services. In 2016, the Company paid the GDR Group approximately \$935,000. Two of GDR Group’s principals, Ellen Dorse and Randy Redwitz, are the siblings of Thomas Redwitz, our Chief Investment Officer. Mr. Redwitz receives no direct or indirect compensation from the GDR Group for the services it provides to the Company. We believe the terms of the services provided by the GDR Group are no less favorable to us than those that would be available to us in a comparable transaction in arms-length dealings with an unrelated third party. Since the beginning of the fiscal year through the end of February 2017, the Company has paid GDR Group approximately \$94,000.

Joan Marcus-Colvin is an employee of the Company as our Chief Marketing Officer, who reports to our Chief Investment Officer, Thomas Redwitz. Ms. Marcus-Colvin shares a household with H. Lawrence Webb. During the year ended December 31, 2016, the Company compensated Ms. Marcus-Colvin with approximately \$357,000 in cash, including base salary and bonus, and \$96,000 of RSUs which vest ratably over three years with vesting subject to continued service (using the grant date fair value of the RSUs as computed in accordance with Financial Accounting

We provide information regarding the assumptions used to calculate the value of all equity awards in Note 12, Stock-Based Compensation, to our consolidated audited financial statements included in our Form 10-K filed with the SEC on February 23, 2017). In addition, Ms. Marcus-Colvin participates in the Company's general welfare plans, including health benefits, retirement savings opportunities and limited other employee benefits. In addition to being reviewed, ratified and approved by the Audit Committee, Ms. Marcus-Colvin's compensation is recommended by Thomas Redwitz and approved by a sub-committee of the Compensation Committee comprised of Messrs. Lindstrom and Witte.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the NYSE. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms furnished to us and the written representations from certain of the reporting persons that no other reports were required, we believe that all executive officers, directors and greater than ten percent beneficial owners during the fiscal year ended December 31, 2016 complied with the reporting requirements of Section 16(a).

Stockholder Proposals and Nominations

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

In accordance with the rules and regulations adopted by the SEC, we have elected to provide access to our proxy materials to our stockholders via the internet. Accordingly, a notice of internet availability of proxy materials has been mailed to our stockholders. Stockholders have the ability to access the proxy materials at www.proxyvote.com, or request that a printed set of the proxy materials be sent to them, by following the instructions set forth on the Notice mailed to them. Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy materials. This means that only one copy of our proxy materials or the Notice, as applicable, may have been sent to multiple stockholders in the same house. We will promptly deliver a separate Notice and, if requested, a separate proxy statement and annual report, to each stockholder that makes a request using the procedure set forth on the Notice. Stockholders who currently receive multiple copies of proxy materials at their address and would like to request householding of their communications, or would

like additional copies of materials, may contact the Householding Department of Broadridge Financial Solutions, Inc. at 51 Mercedes Way, Edgewood, New York 11717, or at 1-800-579-1639, or at sendmaterial@proxyvote.com.
