## VOTING SHARES

Stockholders of record at the close of business on August 11, 2017, are eligible to vote at the Annual Meeting in person or by proxy. As of the record date, 43,774,052 shares of our common stock were outstanding, and 4,800,000 shares of our Class A common stock were outstanding.

Each share of common stock is entitled to one vote on each matter to be considered at the Annual Meeting. Each share of Class A common stock is entitled to 10 votes on each such matter. The holders in person or by proxy of shares of our common stock and/or Class A common stock representing a majority of the voting interest of all such shares will constitute a quorum for purposes of the 2017 Annual Meeting of Stockholders. All matters other than the election of directors require the vote of a majority of the voting interest present in person or represented by proxy. The election of directors requires a plurality of the votes cast.

If a quorum is not present in person or by proxy, the holders of shares representing a majority of the voting interest of all such shares present may, without notice other than announcement at the meeting, adjourn the meeting from time to time, until a quorum is present, and at any such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the original meeting.

If you hold your shares in “street name,” you will receive instructions from your brokers or other nominees describing how to vote your shares. If you do not instruct your brokers or nominees how to vote your shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the rules of the New York Stock Exchange (“NYSE”). Under the rules of the NYSE, the proposal relating to the ratification of the selection of our independent registered public accounting firm is a discretionary proposal.

There are also non-discretionary matters for which brokers and other nominees do not have discretionary authority to vote unless they receive timely instructions from you. When a broker or other nominee does not have discretion to vote on a particular matter and you have not given timely instructions to the broker or other nominee on how that broker or nominee should vote your shares, a “broker non-vote” results. Although any broker non-vote would be counted as present at the meeting for purposes of determining a quorum, it would be treated as not entitled to vote with respect to non-discretionary matters.

Abstentions occur when stockholders are present at the Annual Meeting but fail to vote or voluntarily withhold their vote for any of the matters upon which the stockholders are voting. Abstentions are counted for purposes of determining whether a quorum is present and will have the same effect as a vote against proposals other than the election of directors.

Election of Directors. Both the shares of common stock and the shares of Class A common stock have the right of cumulative voting in the election of directors. Cumulative voting means that each stockholder will be entitled to cast as many votes as he or she has the right to cast (before cumulating votes), multiplied by the number of directors to be elected. All such votes may be cast for a single nominee or may be distributed among the nominees to be voted for as the stockholder sees fit. To exercise cumulative voting rights by proxy, a stockholder must clearly designate the number of votes to be cast for any given nominee. Under Delaware law, votes that are withheld from a director’s election will be counted toward a quorum but will not affect the outcome of the vote on the election of a director. Broker non-votes will not be taken into account in determining the outcome of the election. The election of directors requires a plurality of the votes cast, which means that the candidates receiving the highest number of “FOR” votes will be elected.

The following table summarizes the votes required for passage of each proposal and the effect of abstentions and uninstructed shares held by brokers.

Proposal	Voting Options	Votes Required To Adopt Proposal	Effect of Abstentions	Effect of Broker Non-Votes
No.1: Election of directors	For or withhold on all nominees, or allocate votes among the nominees	Plurality of votes cast	N/A	No effect
No. 2: Approval, on an advisory basis, of the compensation of our named executive officers (“Say on Pay”)	For, against, or abstain	Majority of votes of shares present	Treated as votes against	No effect
No. 3: Approval, on an advisory basis, of the frequency of future advisory votes on the compensation of our named executive officers	Stockholders may select whether such vote should occur every year, every two years or every three years, or stockholders may abstain from voting	Majority of voting interest present in person or by proxy*	Treated as votes against	No effect
No. 4: Ratification of selection of independent registered public accounting firm	For, against or abstain	Majority of voting interest present in person or by proxy	Treated as votes against	N/A

\* Because this advisory vote has three possible substantive voting options (every one year, every two years or every three years), we will consider stockholders to have “approved” the frequency selected by a plurality of the votes cast. The option that receives the most favorable votes by stockholders will be considered the preferred frequency and the recommendation of the stockholders.

Shares represented by a properly executed and returned proxy card will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are indicated, the person or persons named on the proxy card will vote:

FOR the election of the six nominees named in this proxy statement to serve as directors of the Company;

FOR the approval, on an advisory basis, of the compensation of our named executive officers;

In favor of holding an advisory vote on the compensation of our named executive officers EVERY THREE YEARS;

FOR the ratification of our selection of Frost, PLLC as independent registered public accounting firm of the Company for fiscal year 2018; and

In their discretion with respect to any unanticipated matters not included in this proxy statement that may properly come before the Annual Meeting or any adjournments thereof.

In accordance with Delaware law, the Company will appoint two inspectors of election. The inspectors will take charge of and will count the votes and ballots cast at the Annual Meeting and will make a written report on their determination.

JOE M. WYATT, age 78, is Vice President – Feedmill Division. He has served in such office since 1977 and has been employed by the Company since its formation in 1969. He served as a director of the Company from 1998 to 2004.

## CORPORATE GOVERNANCE

### Meetings and Attendance

Our Board of Directors holds regularly scheduled quarterly meetings. Normally, committee meetings occur the day of the Board meeting. In addition to the quarterly meetings, typically there are some special meetings each year. At each quarterly Board meeting, time is set aside for the independent directors to meet without management present. Our Board held four regularly scheduled quarterly meetings and two special meetings during fiscal year 2017. All of our directors attended 75% or more of the aggregate of all Board of Directors meetings and meetings of the committees on which they served during the last fiscal year. Directors are encouraged to attend the Annual Meeting of Stockholders, and all six directors attended the 2016 Annual Meeting.

### Board Committees

Our Board has five standing committees: an Audit Committee, a Compensation Committee, an Executive Committee, a Long-Term Incentive Plan Committee, and a Nominating Committee. In addition, under our bylaws our Board may designate additional committees as it deems appropriate. In certain instances the Board and its committees may take action through written consent. In fiscal year 2017 the Board took action by written consent one time. The Audit and Compensation Committees have written charters which are available on the “Investors” page of our website at [www.calmainefoods.com](http://www.calmainefoods.com). The Executive, Long-Term Incentive Plan, and Nominating Committees do not have charters. The table below provides the current composition for each of the Board’s standing committees.

**Audit Committee:** The Audit Committee, which is composed of three directors who are independent in accordance with applicable NASDAQ listing standards and SEC rules, including the enhanced criteria with respect to audit committee members, meets with management, internal auditors, and the Company's independent registered public accounting firm to determine the adequacy of internal controls, recommends a registered public accounting firm for the Company to select, evaluates and oversees an internal auditor for the Company, reviews annual audited and quarterly financial statements and recommends whether such statements should be included in the Company's annual reports on Form 10-K and quarterly reports on Form 10-Q, and oversees financial matters. The Audit Committee held four meetings in fiscal year 2017.

**Compensation Committee:** The Compensation Committee discharges the responsibilities of the Board of Directors relating to compensation of the Company's executive officers by establishing goals and reviewing general policy matters relating to compensation and benefits of employees of the Company, including the issuance of stock options and restricted stock to the Company's officers, employees and directors. It reviews and approves the compensation and benefits of officers who are members of the Executive Committee and of the Chairman Emeritus, and makes recommendations to the Board of Directors and members of the Long-Term Incentive Plan Committee with respect to the Company's incentive compensation plans and equity-based plans. For more information on the Compensation Committee processes and procedures, see "Compensation Discussion and Analysis" below. The Compensation Committee held two meetings in fiscal year 2017.

**Executive Committee:** The Executive Committee may exercise all of the powers of the full Board of Directors, except for certain major actions, such as the adoption of an agreement of merger or consolidation, the recommendation to stockholders of the disposition of substantially all of the Company's assets or a dissolution of the Company, and the declaration of a dividend or authorization of an issuance of stock. In addition, it may not authorize single capital expenditure projects in excess of \$10 million. The Executive Committee did not hold any formal meetings in fiscal year 2017, but worked closely together and took action by written consent three times.

**Long-Term Incentive Plan Committee:** The Long-Term Incentive Plan Committee, which is composed of three independent directors, administers the Cal-Maine Foods, Inc. 2012 Omnibus Long-Term Incentive Plan, which role includes selection of the persons to whom awards may be made, determining the types of awards, determining the times at which awards will be made and other terms and conditions relating to awards, all in accordance with plan documents. The Long-Term Incentive Plan Committee held two meetings in fiscal year 2017.

**Nominating Committee:** The Nominating Committee considers potential nominees for directors proposed by committee members, other members of the Board of Directors, management or our stockholders. Any stockholder desiring to submit a director candidate for consideration should submit the candidate's name, address and detailed background information to the Secretary of the Company at the Company's address shown above under "General Matters." The Secretary will forward such information to the Nominating Committee for its consideration. The Nominating Committee held one meeting in fiscal year 2017.

#### Consideration of Director Nominees; Diversity

In recommending nominees for the Board, the Nominating Committee considers any specific criteria the Board may request from time to time and such other factors as it deems appropriate. These factors may include any special training or skill, experience with businesses and other organizations of comparable size and type, experience or knowledge with businesses that are particularly relevant to the Company's current or future business plans, financial expertise, the interplay of the candidate's experience with the experience of the other directors, sufficient time to devote to the responsibilities of a director, freedom from conflicts of interest or legal issues and the extent to which, in the Nominating Committee's opinion, the candidate would be a desirable addition to the Board. Diversity is taken into

account when determining how the candidates' qualities and attributes would complement the other directors' backgrounds. Type of advanced studies and certification, type of industry experience, area of corporate experience and gender, among other factors, are taken into consideration. The Nominating Committee believes that the different business and educational backgrounds of the directors of the Board contribute to the overall insight necessary to evaluate matters coming before the Board.

Each candidate brought to the attention of the Nominating Committee, regardless of who recommended such candidate, will be considered on the basis of the criteria set forth above.

#### Stockholder Communications

Stockholders may send communications to the Board by directing them to the Secretary in the manner described above under “General Matters.” The Secretary will forward to all members of the Board any such communications he receives which, in his reasonable judgment, he deems to be not spurious and to be sent in good faith.

#### Risk Oversight

The Board takes its oversight role in the Company’s risk management very seriously. The Company’s Executive Committee is primarily responsible for managing the day-to-day risks of the Company’s business, and is best equipped to assess and manage those risks. The Audit Committee also plays a prominent role in assessing and addressing risks faced by the Company with respect to financial and accounting controls, internal audit functions, pending or threatened legal matters, insurance coverage and the Company’s “whistleblower” hotline policy, among other matters. The Board and the Audit Committee receive reports on the Company’s exposure to risk and its risk management practices from members of the Executive Committee as well as other members of the Company’s management and legal counsel, including reports on the Company’s information technology standards and safeguards, financial and accounting controls and security measures, environmental compliance, human resources, litigation and other legal matters, grain purchasing strategies, and customer concentration and product mix, among other things. The Board regularly receives updates about and reassesses the management of these risks throughout the year. In addition, the Board and the Audit Committee review the Company’s risk disclosures in its draft periodic reports before they are filed and have the opportunity to question management and outside advisers about the risks presented. The Board’s role in risk oversight of the Company is consistent with the Company’s leadership structure, with the CEO and other members of senior management having responsibility for assessing and managing the Company’s risk exposure on a day-to-day basis, and the Board and its committees providing oversight in connection with those efforts.

The Board’s oversight of risks affecting the Company has not specifically affected the Board’s leadership structure. The Board believes that its current leadership structure is conducive of and appropriate for its risk oversight function. If in the future the Board believes that a change in its leadership structure is required to, or potentially could, improve the Board’s risk oversight function, it may make any change it deems appropriate.

#### Stock Ownership Guidelines

The Board adopted stock ownership guidelines applicable to the Company’s non-employee directors during fiscal year 2016. Under the guidelines, each non-employee director is encouraged to maintain ownership of company stock valued at two times his or her annual retainer, which is currently \$45,000. As of August 11, 2017, all non-employee directors exceeded their target ownership levels. Under the stock ownership guidelines, new directors are expected to comply with the stock ownership target within five years of appointment.

#### Board Independence and Impact of “Controlled Company” Status

The NASDAQ stock market qualitative listing standards require that a majority of a listed company’s directors be independent and that a compensation committee and nominating committee of the Board composed solely of independent directors be established. These standards are not applicable to any company where more than 50% of the voting power is held by one individual or group. Mr. Adams, founder and Chairman Emeritus of the Company, Mr. Adam’s spouse, Mr. Baker and Mr. Baker’s spouse own in the aggregate capital stock of the Company entitling them to 66.25% of the total voting power. Accordingly, the Company is a “controlled company” and thus exempt from those NASDAQ listing standards. As executive officers of the Company, Messrs. Baker, Dawson and Miller do not qualify as independent pursuant to the NASDAQ listing standards. Additionally, Mr. Baker serves as chair of each of the Compensation and Nominating Committees.

The Company is, however, subject to the NASDAQ listing standards requiring that the Audit Committee (i) be composed solely of independent directors; (ii) be directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm, which must report directly to the audit committee; (iii) establish procedures to receive, retain, and treat complaints regarding accounting, internal accounting controls and auditing matters, and for employees’ confidential, anonymous submissions of concerns regarding questionable accounting or auditing matters; (iv) have the authority to engage independent counsel and other advisors when the

committee determines such outside advice is necessary; and (v) be adequately funded by the Company. Our Audit Committee is in compliance with these standards. In addition, our Board has determined that each member of our Audit Committee qualifies as an “audit committee financial expert,” as such term is defined by the rules of the SEC.

#### Executive Sessions

The Company is also subject to NASDAQ listing standards that requires the independent directors of the Board to have regularly scheduled meetings at which only independent directors are present. Such meetings were held following each regular meeting of the Board during fiscal year 2017.

#### Code of Ethics

NASDAQ qualitative listing standards require companies to adopt a code of business conduct and ethics applicable to all directors, officers and employees that is in compliance with certain provisions of the Sarbanes-Oxley Act of 2002. The Board of Directors adopted such a code in 2004. Our Code of Ethics is posted on the “Investors—Corporate Governance” page of our website at [www.calmainefoods.com](http://www.calmainefoods.com).

#### Board Leadership Structure

Mr. Baker, our President and Chief Executive Officer, serves as Chairman of the Board. The Company has not named a lead independent director. The Board recognizes that the leadership structure and the decision to combine or separate the roles of the Chief Executive Officer and Chairman of the Board are prompted by the Company’s needs at any point in time. The Company’s leadership structure has varied over time and has included combining and separating these roles. As a result, the Board has not established a firm policy requiring combination or separation of these leadership roles and the Company’s governing documents do not mandate a particular structure. This provides the Board with flexibility to establish the most appropriate structure for the Company at any given time.

The Board has determined that the Company is currently best served by having one person serve as Chairman of the Board and Chief Executive Officer as it promotes communication between management and the Board of Directors and provides essential leadership for addressing the Company’s strategic initiatives and challenges. Mr. Baker’s service as Chairman of the Board aids the Board’s decision-making process because he has firsthand knowledge of the Company’s operations and the major issues facing the Company, and he chairs the Board meetings where the Board discusses strategic and business issues.

The Board also considers the above structure appropriate due to the Company’s status as a “controlled company.” Further, due to the relatively small size of the Board and the fact that one-half of the members of the Board are independent directors, the Board has not felt it necessary to designate a lead independent director.

#### Chairman Emeritus

Mr. Adams, the former Chairman of the Board, has been designated Chairman Emeritus of the Company. Under the Company’s bylaws, Chairman Emeritus is an advisory position. Although the Chairman Emeritus may be invited to participate in Board of Director and committee meetings, the Chairman Emeritus is not counted for quorum purposes and has no director voting rights. The Chairman Emeritus provides such advisory services to the Board of Directors as it requests.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, such as the common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Such persons are also required to furnish us with copies of all forms they file under Section 16(a). To our knowledge, based solely on a review of the copies of such reports and amendments thereto furnished to us and representations that no other reports were required, we believe that no director, executive officer or greater than 10% stockholder failed to file on a timely basis the reports required by Section 16(a) during fiscal 2017.

#### Related-Party Transactions

We are the largest producer and marketer of shell eggs in the United States. We spend hundreds of millions of dollars for third-party goods and services annually, with the authority to purchase such goods and services dispersed among many different officers and managers across the United States. Consequently, there may be transactions and business arrangements with businesses and other organizations in which one of our directors or nominees, executive officers, or their immediate families, or a greater than 5% owner of either class of our capital stock, may also be a director, executive officer, or investor, or have some other direct or indirect material interest. We may refer to these relationships generally as related-party transactions.

Related-party transactions have the potential to create actual or perceived conflicts of interest between the Company and its directors and executive officers or their immediate family members. The Company's Code of Ethics prohibits directors, officers and employees of the Company from engaging in transactions which may create or appear to create a conflict of interest without disclosing all relevant facts and circumstances to, and obtaining the prior written approval of, the Company's General Counsel. The General Counsel reports annually to the Audit Committee concerning any such disclosures. The NASDAQ listing standards require that related-party transactions be reviewed for potential conflicts of interest on an ongoing basis by the Company's Audit Committee or another independent committee of the Board of Directors. The Audit Committee reviews and approves such transactions. While the Audit Committee has no specific written policy and procedures for review and approval of related-party transactions, in the past if a related-party transaction involved a director, executive officer, or their immediate family members, in evaluating such transaction the Audit Committee has considered, among other factors:

- the goods or services provided by or to the related party,
- the nature of the transaction and the costs to be incurred by the Company or payments to the Company,
- the benefits associated with the proposed transaction and whether alternative goods or services are available from unrelated parties,
- the advantages the Company would gain by engaging in the transaction,
- whether the terms of the transaction are fair to the Company and arms-length in nature,
- the materiality of the transaction to the Company and to the related party, and
- management's determination that the transaction is in the best interests of the Company.

No reportable related-party transactions have taken place since the beginning of fiscal year 2017, and none are currently proposed.

#### COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes and analyzes our executive compensation philosophy and program in the context of the compensation paid during the last fiscal year to our named executive officers. Our named executive officers for fiscal year 2017 are:

- Adolphus B. Baker, Chairman of the Board, President, and Chief Executive Officer,
- Timothy A. Dawson, Vice President – Chief Financial Officer, Treasurer, and Secretary,
- Charles J. Hardin, Vice President – Sales,
- Sherman L. Miller, Vice President – Chief Operating Officer, and
- Robert L. Holladay, Jr., Vice President – General Counsel.

#### Compensation Philosophy and Process

We believe we are the only publicly held company in the United States whose primary business is the commercial production, processing, and sale of shell eggs. Accordingly, there is little, if any, public information available regarding the compensation paid by our competitors. It is our intent to compensate our employees at a level that will appropriately reward them for their performance, minimize the number of employees leaving our employment because of inadequate compensation, and enable us to attract sufficient talent as our business expands.

As stock representing more than 50% of the voting power for the election of directors is owned by Mr. Adams, our founder, and members of his family, we are a controlled company as defined in Rule 5615(c)(1) of the NASDAQ listing rules. As such, we are not required to have the compensation of our named executive officers determined by a majority of our independent directors or a Compensation Committee composed entirely of independent directors. However, our independent directors, who are three of the four members of the Compensation Committee, do play a significant role in determining the compensation of certain of our named executive officers. We divide our executive officers into two categories for compensation purposes. The first are members of the Executive Committee of our Board of Directors, which during fiscal year 2017 was composed of Messrs. Baker, Dawson and Miller. The compensation of the members of the Executive Committee is approved by the Compensation Committee, after recommendation by the Executive Committee. The compensation for other executive officers, including named executive officers who are not members of the Executive Committee, is determined by the Executive Committee based on the overall

compensation goals and guidance established by the Compensation Committee. Finally, incentive awards, including equity awards, are approved by the Long-Term Incentive Plan Committee.

#### Compensation Practices and Risks

We do not believe any risks arise from the Company's compensation policies and practices that are likely to have a material adverse effect on the Company.

#### Elements of Compensation

During fiscal 2017, our executive compensation program had the following primary components: base salary, an annual cash bonus and equity compensation in the form of restricted stock awards. Our named executive officers also received certain perquisites and certain of our named executive officers participate in our deferred compensation plan. The tables that follow give details as to the compensation of each of our named executive officers for fiscal year 2017.

#### Base Salary

We believe that base salaries, which provide fixed compensation, should meet the objective of attracting and retaining the executive officers needed to manage our business successfully. Base salary adjustments, if any, are approved in December of each year and become effective January 1<sup>st</sup> of the following calendar year. After consideration of the review of peer company compensation prepared in 2016 by Mercer (US) Inc. ("Mercer"), a compensation consulting firm engaged by our Compensation Committee, which review indicated that the base salaries of our executive officers continue to lag behind the peer group, the Compensation Committee approved base salary increases effective January 1, 2017 for the members of the Executive Committee as follows: Mr. Baker – 2%, Mr. Dawson – 2% and Mr. Miller – 7.1%. Based on the same analysis, the Executive Committee approved base salary increases for our other named executive officers, also effective January 1, 2017, as follows: Mr. Hardin – 3% and Mr. Holladay – 3%. See "Benchmarking of Compensation" below for information regarding the Mercer report.

#### Annual Cash Bonus

##### Executive Committee Members and General Counsel Bonus Programs

For members of our Executive Committee and Mr. Holladay, our General Counsel, the bonus program is essentially subjective, rather than utilizing objective criteria. The Executive Committee recommends bonuses for its members, which are presented and these recommendations are given to the Compensation Committee for final approval. Our Chief Executive Officer determines Mr. Holladay's bonus. Although these bonus awards are not based on objective goals, the most significant item in determining the amount of the Executive Committee members' and Mr. Holladay's bonuses has historically been the profitability of our Company. Mr. Hardin has historically participated in the general bonus program applicable to our other officers and employees.

##### General Bonus Program

During fiscal year 2017, Mr. Hardin was covered by our general bonus program. Under this program, the amount of bonus that could be earned is equal to 50% of the total of the officer's base salary plus such officer's prior year's bonus, and is designed to reward both company and individual performance during the year.

Of the potential bonus that could be earned by Mr. Hardin under this program, 50% is based on our profitability, subject to the discretion of the Chief Executive Officer. If we earn a minimum profit, on a pre-tax basis, of five cents per dozen eggs produced, Mr. Hardin could earn the full portion of his bonus attributable to our profitability, subject to adjustment at the discretion of the Chief Executive Officer. If our profit is less than five cents per dozen eggs produced, the officer's bonus would be reduced by a corresponding percentage.

The remaining bonus that could be earned by Mr. Hardin is based on his individual performance as evaluated by our Chief Executive Officer in his discretion. Mr. Baker's evaluation includes his personal assessment of the overall efficiency, cooperativeness, enthusiasm, judgment and attitude that Mr. Hardin brings to the performance of his duties.

#### Equity Compensation

The Company believes it is essential to provide our named executive officers with a long-term equity component of compensation in order to better align their interests with those of the Company's stockholders.

Our named executive officers participate in our 2012 Omnibus Long-Term Incentive Plan ("2012 Plan"). The 2012 Plan is administered by the Long-Term Incentive Plan Committee of the Board ("LTIP Committee"). On December 22, 2016, the LTIP Committee authorized grants of restricted stock (the "RSAs") to a broad base of employees of the Company, including the named

executive officers, which grants were effective January 16, 2017. The RSAs vest fully on the third anniversary of the date of grant, January 16, 2020. The LTIP Committee's use of RSAs, the level of RSAs awarded to each named executive officer, and the vesting structure of such RSAs were based in large part on the recommendations of Mercer during fiscal year 2016, and comparisons to the Company's peer group. See the "Benchmarking of Compensation" and "Compensation Consultants" sections below.

While the LTIP Committee has not developed formal policies concerning the timing of grants, setting of exercise prices and other matters, its practice has been to authorize grants of restricted shares annually in mid-December, with the grants to be made effective the following January.

#### Deferred Compensation Arrangements

In 2006 our Board adopted the Deferred Compensation Plan, in which all of our officers are eligible to participate. Currently, Messrs. Baker, Dawson and Hardin are the only named executive officers who participate in the plan. Under the Deferred Compensation Plan, the Company will establish an account for each officer, and each year the Board may elect to make a contribution for each participant in an amount determined by the Board. Each participant's account will be credited with investment earnings equal to a fund selected by the Board. For fiscal year 2017, the Company contribution for Messrs. Baker, Dawson and Hardin was approximately 18% of each officer's base salary. Currently, the index fund selected by the Board is the Vanguard 500 Index Fund Admiral Shares. Participants may elect to receive their distribution in a lump sum or in annual installments. Each of the named executive officers participating in this Deferred Compensation Plan has elected the lump sum distribution alternative. All contributions to each officer's account are immediately vested. The Board determines which contributions, if any, will be made during December of each year. The contributions made for our named executive officers under the Deferred Compensation Plan are reflected in the "Nonqualified Deferred Compensation" table in the "Compensation Tables" section below.

#### Employee Benefits and Perquisites

While we do not maintain a pension plan, we do maintain the Cal-Maine Foods, Inc. KSOP ("KSOP"), which is a combination 401(k) and employee stock ownership plan. We currently contribute an amount not less than 3% of each participant's base salary and bonus to the KSOP each year, subject to statutory limitations. All full time employees 21 years of age or older with at least one year of service, including our named executive officers, are members of the KSOP. We also sponsor an elective 401(k) component within the KSOP, but we make no contributions directly to the 401(k) component on behalf of the participants. Each of our named executive officers participates in an enhanced health plan pursuant to which we reimburse the participating officer for any eligible health expense not covered by our primary health plan, up to \$10,000 per calendar year. In addition, we have a plan under which officers who meet minimum tenure qualifications will be provided health coverage after their retirement. The coverage we provide is secondary to their Medicare coverage.

Each of our named executive officers is provided one automobile for which we pay the operating and maintenance costs. We also pay club dues on behalf of certain of our named executive officers as determined by the Board of Directors.

Certain officers are provided individual life insurance policies, the premiums of which are paid by the Company. Historically, the Executive Committee has made the determination of which officers would be provided such benefit on a case-by-case basis. In fiscal year 2013, the Compensation Committee authorized the Company to implement a split-dollar life insurance arrangement with Mr. Baker as to two life insurance policies, which was accomplished in fiscal year 2014. This replaced two existing term life insurance policies for Mr. Baker being funded by the Company, the premiums for which were scheduled to materially escalate. The premiums paid on behalf of the named executive officers and the imputed income relating to the split-dollar life insurance policies for Mr. Baker are set forth in the "All Other Compensation Table" in the "Compensation Tables" section below.

## General Matters Regarding Executive Compensation

### Employment Agreements and Severance and Change-in-Control Arrangements

None of our named executive officers has an employment agreement with the Company. In addition, no named executive officer is entitled to receive any severance or change-in-control payment; however, existing grants of restricted stock do vest on death, disability or change-in-control, and the LTIP Committee in its sole discretion may determine that such grants will vest partially or in full as of retirement. See the “Potential Payments Upon Termination or Change in Control” section below.

### Stock Ownership Guidelines

The Board adopted stock ownership guidelines applicable to the Company’s executive officers during fiscal year 2016. Under the guidelines, the chief executive officer is required to maintain ownership of company stock valued at five times his or her base salary, the chief financial officer is required to maintain ownership of company stock valued at three times his or her base salary and each other executive officer is required to maintain ownership of company stock valued at two times his or her base salary. Under the stock ownership guidelines, executive officers are expected to comply with the stock ownership target by April 1, 2021, or in the case of new executives, within five years of the date of their appointment.

### Compensation Advisors

#### Benchmarking of Compensation

Since fiscal year 2013 the Compensation Committee has engaged the consulting firm of Mercer (US) Inc. (“Mercer”) to periodically provide compensation analysis and consulting services regarding executive and director compensation. Part of this engagement involves benchmarking the Company’s executive pay against a peer group and published compensation surveys. During 2016, Mercer provided the Compensation Committee with an update of its prior analysis through July 2016, including the benchmarking. The most current peer group consisted of 16 companies, all of which are publicly traded. The peer group was selected based on research by Mercer and input from management and consisted of the following companies based on size (as measured by revenues), industry focus and market capitalization:

Alliance One International, Inc.	Lancaster Colony Corporation
B&G Foods, Inc.	Post Holdings, Inc.
Calavo Growers, Inc.	Sanderson Farms, Inc.
Flowers Foods, Inc.	Seneca Foods Corporation
Farmer Brothers Co.	Snyder’s-Lance Inc.
The Hain Celestial Group, Inc.	TreeHouse Foods, Inc.
J & J Snack Foods Corp.	Universal Corporation
John B. Sanfilippo & Son, Inc.	The WhiteWave Foods Company

### Compensation Consultants

In addition to the services described above, the Chairman of the Compensation Committee also periodically engages Mercer to review annual and long-term incentive plan designs for competitiveness and alignment with peer companies, and to update management and the Board on executive compensation trends, including director compensation. This review was last completed in fiscal 2016.

Mercer reported directly to Mr. Baker, as Chairman of the Compensation Committee, but also consulted with Mr. Dawson, Vice President and Chief Financial Officer of the Company, and Mr. Poole, an independent director and member of the Compensation Committee. During fiscal year 2017, the LTIP Committee based its grants of restricted stock to officers and directors on Mercer’s 2016 recommendations.

### Compensation Committee Report

The Compensation Committee has reviewed and discussed the above Compensation Discussion and Analysis with management of the Company and, based on the review and discussions, the Compensation Committee has recommended to the Board of Directors that the above Compensation Discussion and Analysis be included in the Company’s proxy statement on Schedule 14A for the 2017 Annual Meeting of Stockholders.

Adolphus B. Baker, Compensation Committee — Chairman

Letitia C. Hughes, Compensation Committee Member

James E. Poole, Compensation Committee Member

Steve W. Sanders, Compensation Committee Member

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee during fiscal year 2017 were Mr. Baker, who is Chairman of the Board, Chief Executive Officer and President of the Company, Ms. Hughes, Mr. Poole and Mr. Sanders. Only Mr. Baker was an officer or employee of the Company. None of Ms. Hughes, Mr. Poole and Mr. Sanders was formerly an officer of the Company.

During fiscal year 2017, none of our executive officers served as a member of the compensation committee, or as a director, of another entity, one of whose executive officers served on our Compensation Committee or as one of our directors.

Vesting of such shares is accelerated upon a change of control of the Company or upon the death or disability of the grantee. If the grantee's employment is terminated due to retirement, the LTIP Committee may provide for full or partial vesting of such shares in its sole discretion.

(2) The grant date fair value of the restricted stock grants set forth in this column is based on the closing price of Company common stock on the business day prior to the grant date, which was \$43.00, as the grant date was a holiday.

(1) All of these grants of restricted stock have been made under the 2012 Omnibus Long-Term Incentive Plan and shares of restricted stock under these grants vest fully on the third anniversary of the date of grant, conditioned upon the grantee remaining employed by the Company. Vesting of such shares is accelerated upon a change of control of the Company or upon the death or disability of the grantee. If the grantee's employment is terminated due to retirement, the LTIP Committee may provide for full or partial vesting of such shares in its sole discretion.

(2) Market value is based on the closing price of Company common stock as of June 2, 2017, the last business day of the Company's fiscal year 2017, which was \$38.55.

(1) The number of shares acquired is reported on a gross basis. The Company withheld the necessary number of shares of common stock in order to satisfy withholding taxes due upon vesting of the RSAs, thus the named executive officers actually received a lower number of shares of the Company's common stock than the numbers reported in this table.

(2) The value realized on vesting of RSAs is based on the closing sale price on the date of vesting of the RSAs or, if there were no reported sales on such date, on the last preceding date on which any reported sale occurred.

(1) The entire amount reported in this column for each named executive officer is included within the amount reported as 2017 all other compensation in the Summary Compensation Table.

(2) The entire amount reported in this column for each named executive officer is included within the amount reported as 2017 change in pension value and nonqualified deferred compensation earnings in the Summary Compensation Table. This amount reflects aggregate earnings on nonqualified deferred compensation based on the increase in value of the Vanguard 500 Index Fund Admiral Shares, the index fund selected by the Board to determine investment credits under the nonqualified Deferred Compensation Plan.

(3) Amounts reported in this column for each named executive officer include amounts previously reported in the Company's Summary Compensation Table in previous years when earned if that officer's compensation was required to be disclosed in a previous year. Amounts previously reported in such years include previously earned, but deferred, contributions. This total reflects the cumulative value of each named executive officer's contributions and investment experience.

For additional detail regarding these arrangements, see "Compensation Discussion and Analysis – Elements of Compensation – Deferred Compensation Arrangements."

## PENSION BENEFITS

No named executive officer participates in any pension plan.

## POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As described in the Compensation Discussion and Analysis, the Company has not entered into agreements with our named executive offices that provide for severance or change in control payments. Accordingly, the RSAs, which will vest upon certain terminations of employment and a change in control, as described in the footnotes to the table, are the only form of compensation reflected in the table below.

In addition, the following table does not quantify payments under plans that are generally available to all salaried employees, similarly situated to the named executive officers in age, years of service, date of hire, etc., and that do not discriminate in scope, terms or operation in favor of executive officers.

For the named executive officers, the value of the RSAs that would vest upon termination of employment due to death or disability, or a change in control of the Company as of the end of the Company's fiscal year ended June 3, 2017, are outlined below, based on the Company's closing stock price of \$38.55 on June 2, 2017, the last business day of such fiscal year.

Name	Form of Compensation	Involuntary Termination By Company or Voluntary Termination by Employee <sup>(1)</sup> (\$)	Retirement <sup>(2)</sup> (\$)	Death or Disability <sup>(3)</sup> (\$)	Change in Control <sup>(4)</sup> (\$)
Adolphus B. Baker	RSAs	-0-	771,000	771,000	771,000
Timothy A. Dawson	RSAs	-0-	256,936	256,936	256,936
Charles J. Hardin	RSAs	-0-	154,200	154,200	154,200
Sherman L. Miller	RSAs	-0-	256,936	256,936	256,936
Robert L. Holladay, Jr.	RSAs	-0-	256,936	256,936	256,936

---

(1) Upon termination by the Company or the employee (other than termination due to a retirement, death or disability), the named executive officers' RSA agreements provide for forfeiture of all unvested RSAs.

(2) Upon retirement of a grantee, the LTIP Committee in its sole discretion may provide that RSAs will vest partially or in full as of the effective date of the grantee's termination due to retirement. The amounts set forth in the column assume the LTIP Committee has exercised discretionary authority to fully vest all such RSAs.

(3) Upon death or disability of a grantee, all RSAs will vest as of the date of such death or disability and all restrictions will lapse.

(4) Upon the completion of a change in control of the Company, all RSAs will vest and all restrictions will lapse.

**DIRECTOR COMPENSATION**

For fiscal year 2017, the Company's non-employee directors each received an annual fee of \$45,000 as compensation for their services as a director. The fee is paid in quarterly installments, in advance. During fiscal 2017, Ms. Hughes and Messrs. Poole and Sanders each received an additional fee for special committee work and committee meetings. Employee directors receive no additional compensation for their services as directors of the Company, and the compensation of Messrs. Baker, Dawson and Miller is reflected in the Summary Compensation Table above. On January 16, 2017, Ms. Hughes and Messrs. Poole and Sanders, as independent directors, each received grants of 2,165 restricted shares of common stock from the Company's 2012 Omnibus Long-Term Incentive Plan. Such restricted stock grants vest 100% on the third anniversary of the date of grant. Mercer also reviews and benchmarks the Company's director compensation program. For fiscal year 2017, the Compensation Committee of the Board increased the annual fee by \$10,000 and increased the equity award for the non-employee directors based on Mercer's 2016 review. See "Compensation Discussion & Analysis – Compensation Advisors" for more information regarding Mercer.

(1) The aggregate grant date fair value of the restricted stock grants set forth in this column is computed in accordance with FASB ASC Topic 718 and based on the closing price of the Company's common stock as of the grant date, which was \$43.00. At the end of fiscal year 2017, each director listed in this table had 4,865 shares of unvested restricted stock.

## PROPOSAL NO. 2: ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Board is committed to excellence in governance and recognizes the interest our stockholders have in our executive compensation program. As part of that commitment and in accordance with Section 14A of the Securities Exchange Act of 1934, our stockholders are being asked to approve an advisory resolution on the compensation of our named executive officers, as reported in this proxy statement.

This proposal, commonly known as the “say-on-pay” proposal, is advisory, which means that the vote on executive compensation is not binding on the Company, the Board or the Compensation Committee. Nonetheless, the Board takes this vote and the opinions of our stockholders seriously and the Compensation Committee will evaluate the outcome of this vote in making future compensation decisions with respect to our named executive officers. The vote on this resolution is intended to address the Company’s overall compensation of our named executive officers and our compensation philosophy and practices, as described in this proxy statement.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by voting in favor of the following resolution:

RESOLVED, That the stockholders of Cal-Maine Foods, Inc. (the Company) approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for our 2017 annual meeting of stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures provided in this proxy statement.

The Board of Directors recommends a vote FOR this resolution because it believes that the policies and practices described in the Compensation Discussion and Analysis are effective in achieving the Company's goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives' long-term interests with those of the stockholders and motivating the executives to remain with the Company for long and productive careers.

We urge stockholders to read the Compensation Discussion and Analysis beginning on page 14 of this proxy statement as well as the 2017 Summary Compensation table and related compensation tables and narrative, appearing on pages 19 through 25, which provide detailed information on the Company's compensation policies and practices and the compensation of our named executive officers.

Approval of this proposal requires the vote of a majority of the voting interest present in person or represented by proxy. For more information on the voting requirements, see “Voting Shares” above. Unless otherwise specified, proxies will be voted FOR the approval of the compensation of our named executive officers.

The Board unanimously recommends a vote FOR approval of the Advisory Vote on the Compensation of our named executive officers.

## PROPOSAL NO. 3: ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Act provides that stockholders must be given the opportunity to vote, on a nonbinding, advisory basis, as to their preference on how frequently we should seek future advisory votes on the compensation of our named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC. We refer to this vote as the “say-on-frequency” vote. Accordingly, we are asking our stockholders to indicate, on a non-binding, advisory basis, whether they would prefer an advisory vote on the compensation of our named executive officers to occur every one, two or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal. The say-on-frequency vote is required to be offered to our stockholders at least once every six years. Our last say-on-frequency vote occurred in 2014. At that year’s meeting, stockholders agreed with our board’s recommendation that advisory votes on executive compensation should occur every three years. We are choosing to provide a say-on-frequency vote this year, ahead of the six year mandated vote, in order that our schedule will be in line with most other public companies going forward.

Our Board recommends that the advisory vote on the compensation of our named executive officers continue to be held every three years, as we believe the cyclical nature of the egg industry is such that a reasonable period to evaluate Company results is required in evaluating compensation practices.

Although the “say-on-frequency” vote is advisory and non-binding, our Board will carefully consider the outcome of the vote when making future decisions on the frequency of advisory votes on executive compensation.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board. Because this advisory vote has three possible substantive responses (every year, every two years, or every three years), we will consider stockholders to have “approved” the frequency selected by a plurality of the votes cast. The option that receives the most votes by stockholders will be considered the preferred frequency. For more information on the voting requirements, see “Voting Shares” above. Unless otherwise specified, proxies will be voted for EVERY THREE YEARS.

The Board unanimously recommends that stockholders vote to hold the advisory vote on the compensation of our named executive officers EVERY THREE YEARS.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the fiscal year ended June 3, 2017, with management, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures.

The Committee also worked with Frost, PLLC, the Company's independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgment as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with Frost, PLLC that firm's independence from management and the Company and all matters required to be discussed pursuant to Public Company Accounting Oversight Board rules, and has received the written disclosures and letter from Frost, PLLC required by Public Company Accounting Oversight Board rules, and considered the compatibility of nonaudit services with Frost, PLLC's independence.

The Committee discussed with our internal auditors and our independent registered public accounting firm the overall scope and plans for their respective audits. The Committee meets with the internal auditors and our independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 3, 2017, for filing with the SEC.

The Board of Directors has determined that all members of the Audit Committee are "audit committee financial experts" and independent directors within the meaning of SEC regulations.

Letitia C. Hughes, Audit Committee Chairperson

James E. Poole, Audit Committee Member

Steve W. Sanders, Audit Committee Member

**FEES AND RELATED DISCLOSURES FOR ACCOUNTING SERVICES**

The following table discloses the aggregate fees billed by Frost, PLLC for professional services rendered during fiscal 2017 and 2016:

Fee	FISCAL 2017		FISCAL 2016	
	Amount (\$)	% of Total	Amount (\$)	% of Total
Audit Fees	271,773	93	254,725	93
Audit-Related Fees	19,523	7	18,250	7
Tax Fees	-0-	-0-	-0-	-0-
All Other Fees	-0-	-0-	-0-	-0-

All audit and any material non-audit services provided by the Company's independent registered public accounting firm require pre-approval by the Audit Committee or its designee. 100% of the services performed by Frost, PLLC for the fiscal years 2017 and 2016 were pre-approved by the Audit Committee.

Audit fees include fees associated with the annual audit of the Company's financial statements and the review of the financial statements included in the Company's quarterly reports on Form 10-Q. Audit-related fees principally include employee benefit plan audits for plan fiscal years ended December 31, 2016 and December 31, 2015.

**PROPOSAL NO. 4: RATIFICATION OF SELECTION OF INDEPENDENT  
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee selected the firm of Frost, PLLC of Little Rock, Arkansas, to serve as independent registered public accounting firm for the Company for fiscal year 2018, and the Board of Directors recommends a vote FOR ratification of such selection. There have been no controversies, disputes or differences of opinion with Frost, PLLC since the firm has been engaged by the Company.

Frost, PLLC has extensive experience in serving the poultry and egg industries, and, as a result, the Audit Committee felt they would be particularly well-suited to serve as independent registered public accounting firm for the Company. If the Company's stockholders do not ratify the selection of Frost, PLLC, the Audit Committee will reconsider this selection.

Representatives of Frost, PLLC are expected to attend the Annual Meeting and be available to respond to appropriate questions, and may make a statement if they desire to do so.

Approval of this proposal requires the vote of a majority of the voting interest present in person or represented by proxy. For more information on the voting requirements, see "Voting Shares" above. Unless otherwise specified, proxies will be voted FOR the ratification of Frost PLLC's selection.

The Board unanimously recommends a vote "FOR" the ratification of the selection of Frost, PLLC as independent registered public accounting firm of the Company.

**STOCKHOLDER PROPOSALS**

Stockholder proposals for the 2018 Annual Meeting must be received in writing by the Company no later than May 4, 2018, to be considered for inclusion in the Company's proxy materials. Stockholder proposals should be addressed to Cal-Maine Foods, Inc., Post Office Box 2960, Jackson, Mississippi 39207, Attention: Secretary. Stockholders wishing to present a proposal at the 2018 Annual Meeting without having the proposal included in the Company's proxy materials must submit the proposal in writing to the Company's Secretary, at the above address, by July 18, 2018. In order to prevent controversy about the date of receipt of a proposal, the Company strongly recommends that any stockholder wishing to present a proposal submit the proposal by certified mail, return receipt requested.

**OTHER MATTERS**

The Board of Directors is not aware of any other matters which may come before the Annual Meeting. However, if any other matters are properly brought before the meeting, the proxies named in the enclosed proxy will vote in accordance with their best judgment on such matters.

Holders of common stock are urged to complete, sign and date the accompanying proxy card and return it in the enclosed envelope. No postage is necessary if the proxy card is mailed in the United States.
