- (1) Represents shares earned from the performance share unit award granted on March 4, 2014 pursuant to the Equity Plan adopted by Baxter as of such date. The award provides that fifty percent of the performance share units are earned based on Baxter's ROIC performance annually over a three-year period with one-third of the ROIC performance share units allocated to each one-year period. In connection with the spin-off of Baxalta Incorporated from Baxter, the 2015 performance period was adjusted so that the vesting of the second one-third of the ROIC performance share units allocated to that year will vest based upon a percentage determined by adding (i) the percentage determined by the extent to which Baxter, prior to giving effect to the spin-off, achieved the ROIC performance target for the first six months of 2015, plus (ii) in the case of the reporting person, the percentage determined by the extent to which Baxter, after giving effect to the spin-off, achieved its ROIC performance targets for the last six months of 2015, and dividing such sum by two. As previously reported on August 13, 2015, the reporting person earned 110 shares based on Baxter's ROIC during the performance period for the first half of 2015. The number of shares reported on this Form 4 represents the shares earned based on Baxter's ROIC during the performance period for the second half of 2015. These shares are scheduled to vest after the end of the relevant three-year performance period.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
