Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On May 13, 2014, the Board of Directors of Haverty Furniture Companies, Inc. (the "Company" or "Havertys") approved an amendment to the Haverty Furniture Companies, Inc. Retirement Plan (the "Plan") to terminate the Plan. The Plan was previously amended to cease (or "freeze") benefit accruals for eligible employees under the Plan effective December 31, 2006 when we transitioned to a stronger emphasis on the employees savings/retirement (401(k)) plan. Additional information regarding the Plan can be found in our Annual Report on Form 10-K for the year ended December 31, 2013.

The Plan will terminate effective July 20, 2014. Except for retirees already receiving payments under the Plan prior to 2014, participants will have a choice of receiving a lump sum or annuity. Annuity payments to retirees in pay status before 2014 will continue under their current elections. Distributions to settle the defined benefit obligations pursuant to the termination will begin as soon as administratively possible, but in no event prior to December 1, 2014.

The Plan is currently fully funded and no additional cash contributions by Havertys are expected to be necessary to settle all plan liabilities. Plan assets remaining after settlement of the defined benefit obligations and plan liabilities must be distributed to participants. Any such distributions will not be made until the plan termination satisfies the regulatory requirements prescribed by the Internal Revenue Service and the Pension Benefit Guaranty Corporation, which is expected to occur in 2015.

In connection with the termination and settlement of the Plan's obligations, we expect to record a non-cash settlement charge. The actual amount will depend upon the number of participants electing the lump sum payment option, various actuarial assumptions, including discount rate, retirement age and mortality at the settlement date. The impact of the Plan termination will reduce total stockholders' equity, by an amount not yet known, but currently estimated to be between \$5 and \$8 million and is expected to be recognized primarily in 2014.

The matters discussed in this Form 8-K are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those predicted by such forward-looking statements. These risks and uncertainties include risks detailed from time to time in the Company's publicly filed documents, including its annual report on Form 10-K for the year ended December 31, 2013. The Company undertakes no obligations to publicly update or revise any forward looking statements whether as a result of new information, future events or otherwise.
