NOTES TO FINANCIAL STATEMENTS (Unaudited)

General American Investors

General American Investors Company, Inc. (the "Company"), established in 1927, is registered under the Investment Company Act of 1940 as a closed-end, diversified management investment company. It is internally managed by its officers under the direction of the Board of Directors.

1. SECURITY VALUATION

Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the period. Securities reported on the NASDAQ national market are valued at the official closing price on that day. Listed and NASDAQ securities for which no sales are reported on that day and other securities traded in the over-the-counter market are valued at the last bid price (asked price for written options) on the valuation date. Securities traded primarily in foreign markets are generally valued at the preceding closing price of such securities on their respective exchanges or markets. If, after the close of the foreign market, conditions change significantly, the price of certain foreign securities may be adjusted to reflect fair value as of the time of the valuation of the portfolio. Investments in money market funds are valued at their net asset value. Special holdings (restricted securities) and other securities for which quotations are not readily available are valued at fair value determined in good faith pursuant to procedures established by and under the general supervision of the Board of Directors.

2. RESTRICTED SECURITIES

(the "Registrant"), including the principal executive officer ("PEO") and principal financial officer ("PFO"), of the effectiveness of the Registrant's disclosure controls and procedures. Based on that evaluation, the Registrant's officers, including the PEO and PFO, concluded that, as of

ITEM 3. EXHIBITS.

The certifications of the principal executive officer and principal financial officer pursuant to Rule 30a-2(a) under the Investment Company Act of 1940 are attached hereto as Exhibit 99 CERT.
