Under the terms of the Agreement, on March 1, 2011, the Company will issue senior unsecured promissory notes in the aggregate principal amount of \$50,000,000. The Agreement also establishes an uncommitted shelf facility (the "Facility"), under which Prudential will consider one or more requests from the Company to purchase up to an additional \$50,000,000 in aggregate amount of the Company's senior notes from time to time. The interest rate on any future notes issued under the Facility will be based on the benchmark Treasury rate corresponding to the weighted average life of the notes, plus a spread as determined by Prudential.
