At our annual meeting of stockholders on May 14, 2009, our stockholders approved our amended Incentive Plan. Under that plan, we link participating employees' cash incentive compensation to the company's performance in a way intended to enable us to receive a federal income tax deduction for that compensation. The principal changes to the plan were:

- To allow for performance periods longer or shorter than a calendar year.
- To change the annual maximum award per person to a three-year minimum.
- To include additional timing of payment provisions to comply with Section 409A of the Internal Revenue Code.

As of May 15, 2009, \$243.0 million aggregate principal amount of the Notes were outstanding.
