TO THE SECURITIES AND EXCHANGE COMMISSION:

By order dated December 15, 1999 (HCAR No. 27112) (the "Initial Financing Order") in the proceedings at File No. 70-9517, the Securities and Exchange Commission ("Commission") permitted the Application-Declaration of Dominion Resources, Inc. ("Dominion"), an exempt holding company, and Consolidated Natural Gas Company ("Old CNG"), a registered holding company, to become effective. Concurrently, by order dated December 15, 1999 (HCAR No. 27113), the Commission authorized the merger (the "Merger") of Old CNG into a wholly-owned subsidiary of Dominion, which subsidiary as the survivor of the merger changed its name to Consolidated Natural Gas Company ("CNG"). The Merger was consummated on January 28, 2000. The Initial Financing Order authorized post-Merger financings for Dominion and CNG, and requires the filing by Dominion of certain certificates of notification pursuant to Rule 24.

By Commission order dated May 24, 2001 (HCAR No. 27406) (the "Second Financing Order") in the proceedings at File No. 70-9555, the financing

authorizations of Dominion and its subsidiaries given in the Initial Financing Order were enhanced and extended.

By Commission order dated October 5, 2000 (HCAR No. 27242) (the "Restructuring Order") in the proceeding at File No. 70-9679, Dominion was authorized to reorganize and restructure its existing nonutility interests along business and functional lines, using one of several business organizations.

This certificate provides information with respect to transactions occurring under the Initial Financing Order, the Second Financing Order and the Restructuring Order during the third quarter of 2001 with respect to Dominion and its subsidiaries, including Dominion Energy, Inc. ("DEI"), Dominion Capital, Inc. ("DCI"), and Virginia Electric and Power Company ("Virginia Power").
