At the 2015 Annual Meeting we will:

1. Elect five (5) Class 2 director nominees of the board of directors, to serve for a three-year term that will expire in 2018, and until their successors are elected and qualified (Proposal No. 1);
2. Conduct a non-binding (advisory) vote on executive compensation (Proposal No. 2);
3. Ratify the appointment of S.R. Snodgrass, P.C. as the Corporation's independent registered public accounting firm for the year ending December 31, 2015 (Proposal No. 3); and
4. Transact such other business as may properly come before the Annual Meeting, and any adjournment or postponement thereof.

The board of directors recommends that you vote "FOR" each of the proposals.

You are urged to vote your shares by using the Internet at <http://www.investorvote.com/pwod> or by telephone by calling 1-800-652-8683 (toll-free) on a touch-tone phone and using the control number located on the proxy card. You may also vote your shares by promptly returning your proxy (marked, signed, and dated) in the enclosed postage-paid envelope. The voting of your shares will help in assuring the presence of a quorum. The prompt voting of your shares by Internet, phone, or the return of your proxy, regardless of the number of shares you hold, will aid the Corporation in reducing the expense of additional proxy solicitation. If your shares are registered in the name of a broker or other nominee, your nominee may be participating in a program provided through ADP Investor Communication Services that allows you to vote via the Internet. If so, the voting form your nominee sends you will provide voting instructions. You may access the following proxy materials at <http://www.edocumentview.com/pwod>:

PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD WEDNESDAY, APRIL 29, 2015

Introduction: Date, Time, and Place of Annual Meeting

This proxy statement is being furnished in connection with the solicitation by the board of directors of PENNS WOODS BANCORP, INC. (the "Corporation"), a Pennsylvania business corporation, of proxies to be voted at the Annual Meeting (the "Annual Meeting") of holders of Common Stock (the "Common Stock") of the Corporation to be held on Wednesday, April 29, 2015, at 1:00 P.M., at the Pine Barn Inn, 1 Pine Barn Place, Danville, PA 17821, and any adjournment or postponement thereof.

The principal executive office of the Corporation is located at 300 Market Street, Williamsport, PA 17701. All inquiries should be directed to Richard A. Grafmyre, President of the Corporation, at (570) 322-1111. Jersey Shore State Bank ("JSSB") and Luzerne Bank ("Luzerne", together referred to as the "Banks") are wholly owned subsidiaries of the Corporation.

Solicitation and Revocability of Proxies

This proxy statement and enclosed proxy card are first being sent to shareholders of the Corporation on or about March 25, 2015. Shares properly represented by the proxy will be voted in accordance with the specifications made thereon by the shareholders. Any proxy not specifying to the contrary will be voted "FOR" the Class 2 nominees noted, "FOR" the approval of the advisory vote on executive compensation, and "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as the independent registered public accounting firm of the Corporation for the year ending December 31, 2015. The execution and return of the enclosed proxy card will not affect the right of a shareholder of record to attend the Annual Meeting and to vote in person if such shareholder gives written notice to the Secretary of the Corporation.

The cost of assembling, printing, mailing, and soliciting proxies and any additional material that the Corporation may furnish shareholders in connection with the Annual Meeting will be borne by the Corporation. In addition to the solicitation of proxies by use of the mails, directors, officers, and employees of the Corporation and/or the Banks may solicit proxies, without additional compensation, by telephone, telegraph, or personal interview, with nominal expense to the Corporation. The Corporation will also pay the standard charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding proxy soliciting material to the beneficial owners of shares.

A shareholder of record who returns a proxy may revoke the proxy at any time before it is voted (1) by giving written notice of revocation to Richard A. Grafmyre, President and Chief Executive Officer, Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701, (2) by executing a later-dated proxy and giving written notice thereof to the Secretary of the Corporation, or (3) by voting in person after giving written notice to the Secretary of the Corporation.

If your shares are held in "street name" (that is, through a broker, trustee, or other holder of record), you will receive a proxy card from your broker seeking instructions as to how your shares should be voted. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on certain routine matters. A "broker non-vote" results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. Under the rules of The New York Stock Exchange, only Proposal No. 3 (the ratification of the appointment of the Corporation's independent registered public accounting firm) is a routine matter, and therefore is the only proposal for which your broker or nominee has discretionary authority to vote. Your broker or

nominee does not have discretionary authority to vote on Proposal No. 1 (the election of the five Class 2 directors) and Proposal No. 2 (advisory vote on executive compensation). You may not vote shares held in “street name” at the Annual Meeting unless you obtain a legal proxy from your broker or holder of record.

Quorum

Under the Corporation’s bylaws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast will constitute a quorum for transaction of business at the Annual Meeting.

Voting Securities

Holders of record of the common stock at the close of business on March 3, 2015 will be entitled to notice of and to vote at the Annual Meeting. On March 3, 2015 there were 4,800,662 shares of common stock outstanding. Each share of common stock outstanding as of the close of business on March 3, 2015, is entitled to one vote on each matter that comes before the meeting, and holders do not have cumulative voting rights with respect to the election of directors. Under Pennsylvania law and the Bylaws of the Corporation, the presence of a quorum is required for each matter to be acted on at the Annual Meeting. For purposes of the Annual Meeting, a quorum consists of the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast. Votes withheld, abstentions and broker non-votes will be counted in determining the presence of a quorum for each matter.

Assuming the presence of a quorum, the five nominees for director receiving the highest number of votes cast by shareholders entitled to vote for the election of directors shall be elected. Votes withheld from a particular nominee and broker non-votes will not constitute or be counted as votes cast for such nominee.

The affirmative vote of a majority of votes cast by shareholders at the Annual Meeting is required for approval of the other non-election matters to be considered at the Annual Meeting. Abstentions will not constitute or be counted as votes cast and will not affect the outcome on the other non-election matters.

All proxies properly executed and not revoked will be voted as specified.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Corporation maintained the following standing committees for 2014, the current members of which are as follows:

		Number of Times Met During 2014
AUDIT:	Daniel K. Brewer, William J. Edwards, James M. Furey, II, D. Michael Hawbaker, Leroy H. Keiler, III, John G. Nackley, R. Edward Nestlerode, Jr., Jill Fortinsky Schwartz	4
EXECUTIVE:	Michael J. Casale, Jr., Joseph E. Kluger, R. Edward Nestlerode, Jr., Hubert A. Valencik	—
COMPENSATION (1):	Michael J. Casale, Jr., William J. Edwards, D. Michael Hawbaker, R. Edward Nestlerode, Jr.	—
NOMINATING AND CORPORATE GOVERNANCE (2):	Michael J. Casale, Jr., J. M. Furey, II, D. Michael Hawbaker, R. Edward Nestlerode, Jr.	3

(1) The committee met in December 2013 and January 2015.

(2) Prior to the formation of the committee in April 2014, the independent members of the board performed these functions.

The Audit Committee of the Corporation was composed of eight (8) independent directors within the meaning of Nasdaq listing standards. The Audit Committee operates under a written charter, a copy of which is available on our website, www.jssb.com, under Investor Relations/ Financial Information/ Governance Documents and is available upon written request to the President. The board of directors has designated Daniel K. Brewer as the Audit Committee financial expert. The Audit Committee is responsible for the appointment, compensation, oversight, and termination of the Corporation's independent auditors. The Audit Committee is required to pre-approve audit and certain non-audit services performed by the independent auditors. The Audit Committee also assists the board of directors in providing oversight over the integrity of the Corporation's financial statements, compliance with applicable legal and regulatory requirements, and the performance of our internal audit function. The Audit Committee also is responsible for, among other things, reporting to the board of directors on the results of the annual audit and reviewing the financial statements and related financial and non-financial disclosures included in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Importantly, from a corporate governance perspective, the Audit Committee regularly evaluates the independent auditors' independence, including approving consulting and other legally permitted, non-audit services provided by the auditors and the potential impact of the services on the auditors' independence. The Audit Committee meets periodically with the independent auditors and the internal auditors outside of the presence of management, and possesses the authority to retain professionals to assist it in meeting its responsibilities without consulting with management. The Audit Committee reviews and discusses with management earnings releases, including the use of pro forma information. The Audit Committee also discusses with management and the independent auditors the effect of accounting initiatives. The Audit Committee also is responsible for receiving and retaining complaints and concerns relating to accounting and auditing matters.

The board of directors of the Corporation met twelve (12) times during 2014. All of the Directors attended at least 75% of the aggregate of all meetings of the board of directors and the Committees of which they were members.

Board Leadership Structure

Our board of directors maintains the freedom to choose whether the roles of Chairman of the Board and Chief Executive Officer should be combined or separated, based on what it believes is best for the Corporation and its shareholders at any given time. The board of directors has determined that it is appropriate to separate the roles of Chief Executive Officer and Chairman of the Board for the Corporation. Accordingly, R. Edward Nestlerode, Jr. serves as Chairman of the Board of the Corporation while Richard A. Grafmyre serves as Chief Executive Officer of the Corporation. The board of directors believes this arrangement provides stronger corporate governance and conforms to industry best practices.

Board Risk Oversight

Each member of the board of directors has a responsibility to monitor and manage risks faced by the Corporation. At a minimum, this requires the members of the board of directors to be actively engaged in board discussions, review materials provided to them,

and know when it is appropriate to request further information from management and/or engage the assistance of outside advisors. Furthermore, because the banking industry is highly regulated, certain risks to the Corporation are monitored by the board of directors through its review of the Corporation's and its banking subsidiaries compliance with regulations set forth by the banking regulatory authorities. Because risk oversight is a responsibility for each member of the board of directors, the board's responsibility for risk oversight is not concentrated into a single committee. Instead, oversight is delegated, to a large degree, to the various board committees with an independent director serving in the capacity of committee chairman. These committees meet formally, as needed, to discuss risks and monitor specific areas of the Corporation's performance with their findings reported at the next scheduled full meeting of the board of directors. In addition, the composition of the board of directors and normal agenda allow for the continuous oversight of risk by providing an environment which encourages the directors to ask specific questions or raise concerns and allots them sufficient time and materials to do so effectively. The overlap of committee membership provides a broad perspective of various risks and the actions undertaken to manage risks in today's environment.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates under a written charter, a copy of which is available on our website, www.jssb.com, under Investor Relations/Financial Information/Governance Documents and is available upon request to the President. All members of the Committee are independent within the meaning of Nasdaq listing standards, and the Committee met three times during 2014. The Committee will consider candidates recommended by shareholders. Shareholders desiring to submit a candidate for consideration as a nominee of the board of directors must submit the same information with regard to the candidate as required to be included in the Corporation's proxy statement with respect to nominees of the board of directors in addition to any information required by the Bylaws of the Corporation. Shareholder recommendations should be submitted in writing to Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701 (Attention: President and Chief Executive Officer), on or before December 31 of the year preceding the year in which the shareholder desires the candidate to be considered as a nominee. Although the board of directors at this time does not utilize any specific written qualifications, guidelines, or policies in connection with the selection of director nominees, candidates must have a general understanding of the financial services industry or otherwise be able to provide some form of benefit to the Corporation's business, possess the skills and capacity necessary to provide strategic direction to the Corporation, be willing to represent the interests of all shareholders, be able to work in a collegial board environment, and be available to devote the necessary time to the business of the Corporation. In addition to these requirements, candidates will be considered on the basis of diversity of experience, skills, qualifications, occupations, education, and backgrounds, and whether the candidate's skills and experience are complementary to the skills and experience of other board members. Candidates recommended by shareholders will be evaluated on the same basis as candidates recommended by the independent directors.

Nominations for director to be made at the Annual Meeting by shareholders entitled to vote for the election of directors must be submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the Annual Meeting, which notice must contain certain information specified in the Bylaws. No notice of nomination for election as a director has been received from any shareholder as of the date of this proxy statement. If a nomination is attempted at the Annual Meeting that does not comply with the procedures required by the Bylaws or if any votes are cast at the Annual Meeting for any candidate not duly nominated, then such nomination and/or such votes may be disregarded.

(1) Represents earnings from consulting agreement (described in detail below) and an additional \$8,530 for health insurance benefits.

In connection with his retirement, Mr. Valencik and the Corporation entered into a consulting letter agreement, effective August 1, 2005. Under the agreement, Mr. Valencik will continue to perform certain consulting services for the Corporation, principally in the area of business development. The agreement renews on each August 1, subject to either party's right to terminate the agreement upon 45 days' prior written notice. During the term of the consulting agreement, Mr. Valencik will be required to devote not more than 20 hours per week to the provision of consulting services. In consideration of the consulting services, he will be paid \$1,400 per month and will be reimbursed for the after-tax cost of health insurance if he is then ineligible for coverage under the Corporation's health insurance programs.

The Corporation pays a retainer fee to each director of the Corporation of \$28,000. In addition, the Banks pay a retainer fee to each director of \$22,000. Mr. Nestlerode received \$5,000 for serving as Chairman of the Board for the Corporation and Mr. Valencik and Mr. Kluger each received \$5,000 for serving as Chairman of the Board for JSSB and Luzerne, respectively. In the aggregate, the existing board of directors of the Corporation earned \$665,000 for all board service during 2014. Directors do not receive additional fees for Board or committee meeting attendance. JSSB and Directors Casale, Furey, Rockey, and Walko have entered into director fee agreements pursuant to which each participating director may defer payment of all or a portion of his director's fees earned for service on the boards of directors of the Corporation and JSSB. JSSB has established a deferral account for each participating director on its books. Benefits are funded by each director's fees and JSSB's general assets and are payable upon retirement, early termination, disability, death, or the occurrence of a change in control of the Corporation or JSSB. Interest is credited to each deferral account at an annual rate equal to 50% of the Corporation's return on equity for the immediately prior year, compounded monthly. Following termination of service, interest is credited to a deferral account at a rate based

on the yield of the 10-year treasury note. A participating director may receive a payment of his account if the board of directors has determined that, following a request by a participating director, such director has suffered a severe unforeseeable financial hardship and becomes payable at the board of directors discretion. Generally, the payments are payable, at the participating director's prior election, in a lump sum or in 60 equal monthly installments. Following the occurrence of a triggering event, payments will commence within 30 days after, at the participating director's prior election, his retirement or termination of service, or the occurrence of a change in control of the Corporation or JSSB. If payments are not triggered until the participating director's death, the benefits will be paid within 90 days following receipt of the director's death certificate.

Luzerne maintains a Director Deferred Fee Plan in which all Luzerne directors, including Mr. Kluger, Mr. Nackley and Ms. Schwartz, participate. The Plan is a non-qualified deferred compensation plan into which Luzerne directors can defer up to 100% of the board fees earned during a calendar year. All amounts deferred by a director are fully vested at all times and currently earn an annual interest rate equal to prime plus 3%, with a floor of 6%. Balances accrued in the Plan prior to December 31, 2012 earn interest at 10%. Upon cessation of a Luzerne director's service with Luzerne, Luzerne will pay the director all amounts credited to the director's deferred fee account.

Mr. Grafmyre did not receive any director fees during 2014. Commencing in 2011, employee directors elected to the board for the first time during 2010 and in any year thereafter (including Mr. Grafmyre) will not receive any separate compensation for serving as a director of the Corporation.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Bylaws provide that the board of directors shall consist of not less than five (5) nor more than twenty-five (25) directors who are shareholders, the exact number to be fixed and determined from time to time by resolution of the full board of directors or by resolution of the shareholders at any annual or special meeting with the number currently set at fourteen (14). The Articles of Incorporation and Bylaws further provide that the directors shall be divided into three (3) classes, as nearly equal in number as possible, known as Class 1, Class 2, and Class 3. The directors of each class serve for a term of three (3) years and until their successors are elected and qualified. Under Pennsylvania law, directors of the Corporation can be removed from office by a vote of shareholders only for cause. The directors of the Corporation serve as follows:

Nominees for election as Class 2	Class 3 Directors	Class 1 Directors
Directors whose term expires in 2018:	to serve until 2017:	to serve until 2016:
William J. Edwards (age 43)	James M. Furey, II (age 67)	Daniel K. Brewer (age 52)
Leroy H. Keiler, III (age 51)	Richard A. Grafmyre (age 61)	Michael J. Casale, Jr. (age 63)
Jill F. Schwartz (age 61)	D. Michael Hawbaker (age 47)	Joseph E. Kluger (age 51)
Hubert A. Valencik (age 73)	John G. Nackley (age 62)	R. Edward Nestlerode, Jr. (age 62)
Ronald A. Walko (age 68)		William H. Rockey (age 68)

The board of directors has affirmatively determined that all of the directors are independent within the meaning of the NASDAQ listing standards, except for Richard A. Grafmyre, President and Chief Executive Officer of the Corporation. The board categorically determined that a lending relationship resulting from a loan made by one of the Corporation's banking subsidiaries (Jersey Shore State Bank or Luzerne Bank), to a director would not affect the determination of independence if the loan complies with Regulation O under the federal banking laws. The board also categorically determined that maintaining with the Banks a deposit, savings, or similar account by a director or any of the director's affiliates would not affect the determination of independence if the account is maintained on the same terms and conditions as those available to similarly situated customers.

The proxies solicited hereunder will be voted "FOR" (unless otherwise directed) the five (5) director nominees of the board of directors listed previously for election as Class 2 directors. Each nominee has agreed to serve if elected and qualified. The Corporation does not contemplate that any nominee will be unable to serve as a director for any reason. However, in the event one or more of the nominees should be unable to stand for election, proxies will be voted for the remaining nominees and such other persons selected by the board of directors, in accordance with the best judgment of the proxy holders.

INFORMATION AS TO NOMINEES AND DIRECTORS

Set forth below is the principal occupation and certain other information regarding the nominees and other directors whose terms of office will continue after the annual meeting. In addition, below we provide the particular experience, qualification, attributes, or skills that led the board of directors to conclude that each director and nominee should

serve as a director. Share ownership information for each director and nominee is included under “Beneficial Ownership and Other Information Regarding Directors and Management.”

6

NOMINEES FOR DIRECTOR

William J. Edwards is President and owner of JEB Environmental Technologies, Inc., a storage tank construction company. Mr. Edwards has served as a director since 2012. Mr. Edwards, our youngest board member, adds to the diversity of the board and helps to ensure that the board will develop board members with a depth of knowledge of the Corporation, in order to avoid knowledge and experience voids as older board members retire. In addition, Mr. Edwards' business involvement in various communities provides insight into the economic health of the communities, while also providing insight into potential customer relationships.

Leroy H. Keiler, III operates Leroy H. Keiler, Attorney at Law. Mr. Keiler has served as a director since 2006. Because banking is a highly regulated industry and success in the industry is dependent on adequately managing certain lending risks, Mr. Keiler's experience as an attorney is helpful to the board in reviewing the Corporation's legal matters and documentation related to residential lending matters. Additionally, Mr. Keiler's relatively younger age adds to the diversity of the board and helps to ensure that the board will develop board members with a depth of knowledge of the Corporation, in order to promote continuity in the board.

Jill F. Schwartz is the senior partner of Wyoming Weavers, Swoyersville, PA and President of Fortune Fabrics, Inc., positions she has held since 1985. She is also the owner of Gosh Yarn It!, a yarn boutique located in Kingston, PA. Ms. Schwartz has served as a director since 2013. As president of a local manufacturing company along with many years of experience as a bank director, Ms. Schwartz provides the board with an understanding of the local business climate and growth opportunities for the Corporation.

Hubert A. Valencik is a retired former Senior Vice President and Chief Operations Officer of the Corporation. Mr. Valencik has served as a director since 2005. As the former Chief Operations Officer, Mr. Valencik continues to provide the board valuable insight and information regarding the operations of the Corporation, which assists the board in providing adequate levels of management oversight.

Ronald A. Walko is a retired President and Chief Executive Officer of the Corporation. Mr. Walko remains active in various civic organization's in the Williamsport area. With 25 plus years of service with the Corporation, Mr. Walko possesses a deep understanding of the Corporation's operations, which assists the board in strategic planning and management oversight.

DIRECTORS CONTINUING IN OFFICE

Daniel K. Brewer is a Certified Public Accountant and the principal and owner of Brewer & Company, LLC, a private CPA firm. Mr. Brewer's experience and knowledge of financial standards and reporting is valuable to the Audit Committee of which he serves as the Chairman. Mr. Brewer's business and social involvement in the greater area of Columbia and Montour Counties provides insight into the economic stability of this region. In addition, Mr. Brewer's knowledge of financial statements assists the board in their review of certain loan requests.

Michael J. Casale, Jr. is the principal of Michael J. Casale, Jr., Esq., LLC. Mr. Casale has served as a director since 1999. Because banking is a highly regulated industry and success in the industry is dependent on adequately managing certain lending risks, Mr. Casale's experience as an attorney is helpful to the board in reviewing the Corporation's legal matters and documentation related to commercial lending matters.

James M. Furey, II is President and owner of Eastern Wood Products. Mr. Furey has served as a director since 1990. Through Mr. Furey's professional experience in the lumber industry, which is significant in the Williamsport region, he has developed strong ties to the community. From these community relationships, Mr. Furey provides the board with insight as to the growth opportunities and real estate industry within the Williamsport region.

Richard A. Grafmyre has served as President and Chief Executive Officer of the Corporation since joining the Corporation in October 2010. Prior to joining the Corporation, Mr. Grafmyre served as President, Chief Executive Officer, and Chairman of FNB Bank since 1997. For the efficient operation of the board, the board believes that the President and Chief Executive Officer should have a position on the board to act as a liaison between the board and management and to assist with the board's oversight responsibilities by ensuring the board receives information from management in a timely and accurate manner to permit the board to carry out its responsibilities effectively. Mr. Grafmyre's extensive professional banking experience within a larger holding company structure enables him to provide the board with insight as to how the Corporation's operations, policies, and implementation of strategic plans compare to those of its peers.

D. Michael Hawbaker is Executive Vice President of Glenn O. Hawbaker, Inc., a provider of heavy construction services and products throughout the company's market area in Centre County, Pennsylvania. Mr. Hawbaker has served as a director since 2007. Mr. Hawbaker is one of our youngest board members, adds to the diversity of the board, and helps to ensure that the board

will develop board members with a depth of knowledge of the Corporation, in order to avoid knowledge and experience voids as older board members retire. Additionally, Mr. Hawbaker understands the community and political landscape of the Centre County area where the board intends to continue to grow the Corporation's business. Mr. Hawbaker possesses a level of financial acumen important to his service as a member of the Audit Committee.

Joseph E. Kluger is a Managing Principal of Hourigan, Kluger & Quinn P.C., where he has practiced law primarily in the fields of corporate finance, real estate, and for-profit and not-for-profit corporate and business law for more than 22 years. SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) requires our officers and directors, and any persons owning ten percent or more of our common stock, to file in their personal capacities initial statements of beneficial ownership on Form 3, statements of changes in beneficial ownership on Form 4, and annual statements of beneficial ownership on Form 5 with the Securities and Exchange Commission (the “SEC”). Persons filing such beneficial ownership statements are required by SEC regulation to furnish us with copies of all such statements filed with the SEC. The rules of the SEC regarding the filing of such statements require that “late filings” be disclosed in the Corporation’s proxy statement. Based solely on the reports received by us or filed with the SEC and on written representations from reporting persons, we believe all such persons complied with all applicable filing requirements during 2014.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis addresses the following issues: members of the Compensation Committee (the “Committee”) and their role, compensation-setting process, our philosophy regarding executive compensation, and components of executive compensation.

Committee Members and Independence

The Committee is comprised of four (4) independent directors under the requirements set forth in the Nasdaq listing standards. In determining the independence of members of the Compensation Committee, the Board considers all factors specifically relevant to determining whether the director has a relationship to the Corporation that is material to that director’s ability to be independent from management in connection with the duties of a compensation committee member, including (i) the source of the director’s compensation, including any consulting, advisory or other compensation fees; and (ii) any affiliate relationship between the director and the Corporation or any of its subsidiaries. The members of the Committee are: Michael J. Casale, Jr., William J. Edwards, D. Michael Hawbaker, and R. Edward Nestlerode, Jr.

Role of Committee

The Committee’s focus is to establish a compensation policy and philosophy that will enable the Corporation to attract, retain, motivate, and reward executive officers that are critical to the success of the Corporation. In doing so, the Committee:

- reviews and adjusts the principles guiding the compensation policy to maintain alignment with short and long-term strategic goals and to build shareholder value;
- establishes performance objectives including, but not limited to, earnings, return on assets, return on equity, total assets, and quality of the loan portfolio;

- evaluates the performance of the executive officers in comparison to the performance goals;
- determines the compensation of executive officers and the components of the compensation;
- administers the retirement plans of the Corporation, including the defined benefit, defined contribution, and 401(k) plans;
- administers the 2006 Employee Stock Purchase Plan;
 - administers the 2014 Stock Option Plan;
- recommends changes to compensation plans, cash or equity, to the full board of directors;
- reviews and recommends changes to succession plans; and
- reviews and recommends changes to director compensation.

Committee Meetings

The Committee meets as often as necessary. During 2014, the Committee did not meet as the Committee met in December 2013 to determine and approve certain wage and benefit changes for the 2014 fiscal year. The Committee did gather input from the full board throughout 2014 in anticipation of an early 2015 meeting when certain wage and benefit changes would be approved for the 2015 fiscal year. The Committee maintains a written charter. The Committee works with the President and Chief Executive Officer to determine the meeting agenda and material to be reviewed. The materials and inputs utilized may include, but are not limited to, the following:

- financial reports outlining budget to actual performance;
- reports of corporate achievement/recognition by outside parties;
- forecasted financial results as compared to the current budget and actual results;
- peer financial analysis and comparison;
- completion and progress of meeting strategic goals;
- peer equity and cash compensation data;
- national and regional compensation surveys; and
- financial impact of current and proposed compensation programs.

Committee Process

The Committee set the compensation of the executive officers and other employees during the fourth quarter of 2013 for 2014 and during the first quarter of 2015 for the period covering the majority of the 2015 fiscal year. Although the decisions are made at a point in time, the Committee continuously monitors the performance of the Corporation and executives throughout the year as part of the routine full board of directors meetings.

The Committee utilizes the input and assistance of management when making compensation decisions. Management input includes:

- employee performance evaluations and compensation recommendations;
- reporting actual and forecasting future results;
- establishing performance objectives;
- review and recommendations of non-cash employee compensation programs; and
- assistance with Committee meeting agendas.

The President and Chief Executive Officer has direct involvement with the Committee during the meetings in order to provide status updates on the attainment of strategic goals, discuss performance evaluations, and make recommendations on executive officer compensation packages, for the named executive officers other than himself. Annually, the Committee meets to evaluate the performance of the executive officers, set the compensation for the fiscal year, and to determine their cash bonus to be paid during the first quarter of the year based on the results of the preceding fiscal year.

Compensation Elements

Base Salary

The Committee believes that the base salary of the named executive officers is the cornerstone of the compensation package and is the primary source of compensation to the executive. The base salary provides a consistent level of pay to the executive, which the Committee feels decreases the amount of executive turnover, promotes the long-term goals of the Corporation, and is a tax deductible expense. The factors used in determining the level of base salary include the executive's qualifications and experience, tenure with the Corporation, responsibilities, attainment of goals and objectives, past performance, and peer practices. A review of past performance and the attainment of goals and objectives are reviewed annually as part of the formal annual performance review. During the review, objectives and goals for the current and following year and upcoming milestones related to the corporate strategic plan were discussed. Peers for the Corporation are bank holding companies headquartered within Pennsylvania, Maryland, New Jersey, New York, Ohio, and West Virginia with assets between \$1 billion and \$2 billion and include the following:

ACNB Corporation	Ameriserv Financial, Inc.	BCB Bancorp, Inc.
Cape Bancorp, Inc.	Chemung Financial Corp.	Citizens and Northern Corp.
Codorus Valley Bancorp	ESB Financial Corp.	ESSA Bancorp, Inc.
First Citizens Banc Corp	First United Corp.	Fox Chase Bancorp, Inc.
Franklin Financial Services Co.	Interwest Bancshares Corp.	LNB Bancorp, Inc.
Old Line Bancshares, Inc.	Orrstown Financial Services, Inc.	Peoples Bancorp, Inc.
Peoples Financial Services Corp.	Premier Financial Bancorp, Inc.	Republic First Bancorp, Inc.
Shore Bancshares, Inc.	Suffolk Bancorp	Summit Financial Group, Inc.
United Community Financial Corp.	WFSB Mutual Holding Company	473 Broadway Holding Corporation

Data for these peers is gathered from various sources including, but not limited to, SEC filings, Federal Reserve filings, and other information publicly released by the peer companies. The Committee utilizes such comparative information as one component solely for determining base salary for such executives. Other components considered by the Committee include the factors described above. The Committee does not assign relative weights to any one component but considers the entire mix of information. The Committee does not consider such comparative information in connection with other elements of the overall compensation of such executives.

Annual Bonus Program

The Committee administers a Performance-Based Cash Incentive Plan originally adopted in March 2010 in which certain executive officers of the Corporation, including the named executive officers, participate. The plan provides at-risk compensation awards to eligible employees, which include full-time employees of the Corporation (except employees whose compensation is commission based) and part-time employees who are eligible to participate in the Corporation's Pension Plan and/or 401(k) Plan. In addition, the employee must receive an overall rating of "Good" or higher on his or her most recent individual performance appraisal for the fiscal year covered by the performance appraisal. The plan is designed to support organizational objectives and financial goals set forth in the Corporation's strategic business plan and financial plan. The plan further aligns the interests of the Corporation's shareholders with employees and assists the Corporation in attracting, retaining, and motivating high-quality personnel, who contribute to the success and profitability of the Corporation.

The Committee by resolution establishes six target results criteria on an annual basis. Target results are the annual goals of the Banks, which are consistent with the Corporations's strategic business plan and financial plan, which must be met in order to receive a cash award under the plan. The target results integrate industry peer group standards with the goals set forth in the Corporation's strategic business plan and financial plan. Targets are weighted to reflect the relative importance of each goal to the Corporation's goals under its strategic business plan and financial plan. Target measures that may be used by the Committee include, but are not limited to, return on equity, gross loan growth, growth in deposits (excluding brokered deposits), growth in core deposits, net interest margin, and net overhead as a percent of average assets. Target results are set at levels intended to be challenging, but more likely than not to be achieved, or come substantially close to being achieved.

The Committee has the discretion to exclude nonrecurring or extraordinary items of income, gain, expense, or loss, or any other factor it may deem relevant in its determination as to whether the target results have been satisfied. The Committee must conclude that an award, in such a circumstance, would ensure that the best interests of the Corporation's shareholders are protected and are not in conflict with the interests of the plan's participants.

Cash awards are based upon a percentage of eligible compensation, which will be the employee's Form W-2 gross wages net of any amount included as a payment for any prior year bonus awards. The higher the eligible employee's position, the greater the percentage of the employee's eligible compensation may be received as a cash award. This reflects the Corporation's belief that the performance of our named executive officers and other members of upper management has relatively greater impact on the performance of the Corporation.

If the plan participants' employment is terminated with the Corporation, other than retirement (which generally will be attaining the age of 65) or death during the plan year, the participant will not be eligible to receive a bonus award even

if the target results are reached. If a plan participant is terminated as a result of death or retirement and the participant worked at least six months during the plan year, the participant, or in the case of death, the participant's beneficiary, will be eligible to receive a pro-rated bonus at the same time and manner as cash bonuses are paid to the other participants in the plan.

The plan is administered by the Committee, but annual awards determined by the Committee under the plan are subject to the approval of the board of directors of the Corporation. The Committee may only make awards when it deems such awards are in the best interests of the Corporation, the Corporation's shareholders, and the plan participants. The Committee or the board may

take action to amend, modify, suspend, reinstate, or terminate the plan at any time. Such amendments, modifications, suspensions, reinstatements, or terminations may apply retroactively.

For 2014, the Committee established six weighted performance targets to be satisfied as a condition to the payment of any bonuses under the plan for 2014 for the employees of JSSB, which included Messrs. Grafmyre and Knepp. The performance factors and weightings for each factor for 2014, all of which exclude securities gains or losses where applicable, were as follows: Return on Equity (target: 15.21%; weighting: 30%); Gross Loan Growth (target: \$7.529 million; weighting: 20%); Deposit Growth, excluding brokered deposits (target: \$17.531 million; weighting: 5%); Core Deposit Growth (target: \$10.875 million; weighting: 15%); Net Interest Margin (target: 3.81%; weighting: 15%); and Net Overhead as a Percentage of Average Assets (target: 1.75%; weighting: 15%). JSSB's actual performance measured against the weighted target performance factors resulted in performance of 200% of targeted goals and resulted in potential cash awards for Tier 1 participants of up to 42.0% of base salary, with the Committee having the ability to increase the amount paid for exceptional service to the Corporation. Mr. Glunk participated in the Luzerne bonus plan that utilized the following performance factors: Net Income (target: \$2.947 million); Deposits (target \$295.567 million); and Gross loans (\$275.118 million). Luzerne's actual performance measured against the target performance factors resulted in potential cash awards for Tier 1 participants of up to 10.5% of base salary, with the Committee having the ability to increase the amount paid for exceptional service to the Corporation. Based on these factors, bonuses for 2014 were paid as follows: Mr. Grafmyre - \$211,134; Mr. Knepp - \$72,086; and Mr. Glunk - \$25,173.

Equity Awards

The Committee has not in the recent past used stock options or other equity-based awards as part of the compensation package for its named executive officers. The Committee, however, in 2014 recommended to the board that an equity incentive plan be put into place. The Committee feels this tool is needed in order to continue to be able to attract top talent, retain management, and to provide a long-term compensation component. The board of directors and shareholders approved the 2014 Penns Woods Bancorp, Inc. Equity Incentive Plan at the 2014 Annual Meeting of Shareholders.

Additional Benefits

The named executive officers may participate in other employee benefit programs that are generally available to the other employees of the Corporation. Other perquisites received by the named executive officers are either included in the Summary Compensation Table in this proxy statement or do not exceed \$10,000 in the aggregate annually.

Employment and Change in Control Agreements

We have entered into employment agreements with Messrs. Grafmyre, Knepp, and Glunk. A discussion of these agreements follows.

Richard A. Grafmyre. Mr. Grafmyre is a party to an amended and restated employment agreement with the Corporation and JSSB. The initial term of the amended agreement terminates on November 1, 2019 and renews on November 1, 2019 for an additional four-year period ending October 31, 2023 unless either party gives notice of non-renewal no later than November 1, 2018. Under the terms of the amended agreement, Mr. Grafmyre receives an annual base salary of \$425,000, subject to discretionary increases by the Corporation or JSSB. Mr. Grafmyre is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB. In addition, Mr. Grafmyre is entitled to the use of a mid-size automobile for business and ancillary personal use and payment of initiation fees, and membership assessments and dues for him and his spouse at two clubs.

The amended agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Grafmyre's then current annual base salary for the greater of six months or the number of months remaining in the term of his

employment agreement and provide Mr. Grafmyre, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation and JSSB without cause or Mr. Grafmyre voluntarily terminates his employment for good reason (as defined in the agreement), the Corporation or JSSB will pay Mr. Grafmyre, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Grafmyre's then base salary and the average of his bonus amounts over the prior three years and provide him with continued health insurance benefits for a period of 24 months. If during the term of the agreement, Mr. Grafmyre voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Grafmyre dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Grafmyre, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any “change in control” payments to Mr. Grafmyre to the extent necessary to ensure that he will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Mr. Grafmyre from engaging in banking activities with an institution headquartered within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Mr. Grafmyre’s termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation and JSSB, in which case these covenants end on the date the agreement terminates.

Brian L. Knepp. Mr. Knepp is a party to an amended and restated employment agreement with the Corporation and JSSB. The initial term of the amended and restated agreement terminates on December 31, 2016 and then renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the terms of the agreement, Mr. Knepp will receive an annual base salary of at least \$162,504, subject to discretionary increases by the Corporation and JSSB. Mr. Knepp is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties’ obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Knepp’s then current annual base salary for the greater or six months or the number of months remaining in the term of his employment agreement and provide Mr. Knepp, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Mr. Knepp voluntarily terminates his employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Mr. Knepp, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Knepp’s then base salary and the average of his bonus amounts over the prior three years. If during the term of the agreement, Mr. Knepp voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Knepp dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Knepp, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any “change in control” payments to Mr. Knepp to the extent necessary to ensure that he will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Mr. Knepp from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Mr. Knepp’s termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by Penns Woods and Jersey Shore State Bank, in which case these covenants end on the date the agreement terminates.

Robert J. Glunk. Mr. Glunk is a party to an employment agreement with the Corporation and Luzerne. The initial term of the agreement expires on September 30, 2015 and then renews annually for a one-year period ending on each September 30 thereafter absent notice of nonrenewal by either party. Under the terms of the agreement, Mr. Glunk receives an annual base salary of \$165,000, subject to discretionary increases by Luzerne. Mr. Glunk is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of Luzerne.

The agreement may be terminated for cause (as defined in the agreement), in which case the obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then Luzerne will continue to pay Mr. Glunk's then current annual base salary for the number of months remaining in the term of his employment agreement and provide Mr. Glunk, at no cost to him, with continuation of health and medical benefits for a period of one year following the termination of employment. In the event that health and medical benefits cannot be provided, a dollar amount equal to the after-tax cost of obtaining such benefits will be provided to Mr. Glunk. If, following a change-in-control, the agreement is terminated by Luzerne without cause or Mr. Glunk voluntarily terminates his employment for good reason (as defined in the agreement), Luzerne will pay Mr. Glunk, in cash, within 30 days of termination, two times the sum of Mr. Glunk's then base salary and the average of his bonus amounts over the last three years. If during the term of the agreement, Mr. Glunk voluntarily terminates employment, retires, dies or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Glunk dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Glunk, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any “change in control” payments to Mr. Glunk to the extent necessary to ensure that he will not receive “excess parachute payments” under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Mr. Glunk from engaging in banking activities within twenty-five miles of Luzerne's main branch office. These covenants generally extend for a period of one year after Mr. Glunk's termination of employment unless his termination of employment terminates as a result of delivery of a notice of termination by Luzerne, in which case these covenants end on the date the agreement terminates.

The following table shows information regarding non-equity incentive awards under the Corporation's Performance-Based Bonus Plan for 2014 for Mr. Grafmyre, Mr. Knepp, and Mr. Glunk.

(For fiscal year ended December 31, 2014)

Name	Estimated Future Payouts Under Non-Equity Incentive Plan Awards (1)

Richard A. Grafmyre	\$44,137	\$97,101	\$185,375
Brian L. Knepp	16,875	37,126	70,877
Robert J. Glunk	13,307	19,960	26,613

- (1) Amounts reported are the following percentages of base salary in 2014, based on achievement of weighted target results for 2014 (i.e., return on equity, gross loan growth, growth in deposits (excluding brokered deposits), growth in core deposits, net interest margin, and net overhead as percentage of average assets), which were established as targets by the Compensation Committee under the Performance-Based Bonus Plan: Messrs. Grafmyre and Knepp - 10.0% (threshold), 22.0% (target), and 42.0% (maximum) and Mr. Glunk - 8.0%, 12.0%, and 16.0%.

Awards were paid for 2014 under the Performance-Based Bonus Plan because actual performance measured against weighted performance factors resulted in performance of 200% of targeted performance goals. Cash payments made under the Plan for 2014 are included in the Summary Compensation Table under the column labeled "Non-Equity Incentive Plan Compensation." RETIREMENT PLAN

JSSB maintains a noncontributory defined benefit pension plan for all employees hired prior to January 1, 2004, who meet certain age and length of service requirements. Benefits are based primarily on years of service and the average annual compensation earned by an employee, which is the employee's annual compensation averaged over the five highest paid consecutive calendar years within the final ten years of employment. Annual compensation is based upon the employee's W-2 wages, which includes

base salary, bonus, personal vehicle mileage for certain executive officers, and life insurance coverage that exceeds \$50,000. JSSB's funding policy is consistent with the funding requirements of federal law and regulations. Plan assets are primarily comprised of common stocks and U.S. Government and corporate debt securities. The plan was amended, effective January 1, 2004, to cease eligibility for employees with a hire date of January 1, 2004 or later. Because Messrs. Grafmyre and Knepp joined JSSB in 2010 and 2005, respectively, they are not eligible to participate in the pension plan. Mr. Glunk is eligible to participate in the plan, however; Mr. Glunk no longer has a vested benefit in the plan as he elected to exit the plan by receiving a cash payment representing the present value of his accumulated benefit. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by JSSB equal to a discretionary percentage of an employee's base compensation into an account established for the employee under the JSSB's 401(k) plan. The accrued normal retirement benefit under the plan is determined by the following formula: 1.4% of the average annual compensation up to social security covered compensation multiplied by the credited service, plus 2% of the average annual compensation that is in excess of the Social Security covered compensation multiplied by the number of years of credited service.

POTENTIAL POST-EMPLOYMENT PAYMENTS

Each of the named executive officers would be entitled to certain contractual benefits if their employment terminates under certain circumstances preceding or following a change in control. The agreements are described under the caption "Employment and Change-in-Control Agreements" included in the Compensation Discussion and Analysis. We calculated the potential post-employment payments due to each of these named executive officers assuming each named executive officer terminated employment or a change in control occurred on December 31, 2014. Actual amounts payable can only be determined at the time of such executive's termination. The following table summarizes the potential payments to Messrs. Grafmyre, Knepp, and Glunk.

on our website, www.jssb.com, under Investor Relations/Financial Information/Governance Documents and is available upon request to the President.

The Audit Committee has reviewed our audited financial statements for the fiscal year ended December 31, 2014, and discussed them with management and our independent registered public accounting firm, S.R. PROPOSAL NO. 2

NON-BINDING (ADVISORY) VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Corporation is providing shareholders with a non-binding (advisory) vote on the compensation of its named executive officers.

Shareholders are being asked to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. These disclosures appear in this proxy statement under the "Compensation Discussion and Analysis," in the compensation tables and in the narrative discussion following the compensation tables. Accordingly, shareholders may vote on the following resolution:

"RESOLVED, that the shareholders approve, on a non-binding (advisory) basis, the compensation of the Corporation's named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this proxy statement."

The vote is advisory and therefore not binding on the Corporation, any committee of the Board of Directors, or the Board of Directors. The Board of Directors and the Compensation Committee of the Board of Directors value the opinions of shareholders and to the extent that there is any significant vote against the named executive officer compensation as disclosed in this proxy

statement, shareholder concerns will be considered and the Compensation Committee will evaluate whether any action is necessary to address such concerns.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL, ON A NON-BINDING (ADVISORY) BASIS, OF THE COMPENSATION OF THE CORPORATION'S NAMED EXECUTIVE OFFICERS PURSUANT TO THE ABOVE RESOLUTION. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to approve this advisory proposal. All proxies will be voted "FOR" this advisory proposal unless a shareholder specifies to the contrary on such shareholder's proxy card.

PROPOSAL NO. 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The board of directors of the Corporation has appointed the firm of S.R. Snodgrass, P.C. (the "Auditors") of Wexford, Pennsylvania, as the Corporation's independent registered public accounting firm for its 2015 fiscal year. The terms of the appointment were reviewed and recommended by the Audit Committee.

Although ratification by the Corporation's shareholders is not required by our bylaws or otherwise, the board of directors is submitting the selection of the Auditors to shareholders for ratification because the Corporation values its shareholders' views on the Corporation's independent registered public accounting firm. If the Corporation's shareholders fail to ratify the selection, it will be considered as notice to the board of directors and the Audit Committee to consider the selection of a different independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

A representative from the Auditors is expected to be present at the Annual Meeting. The representative will be given an opportunity to make a statement if he or she desires to do so, and will be available to answer appropriate questions from shareholders.

The Auditors served as the Corporation's independent registered public accounting firm for the 2014 and 2013 fiscal years, provided assistance to the Corporation in connection with regulatory matters, charging the Corporation for such services at its customary hourly billing rates. The fees paid by the Corporation are summarized below. The non-audit services were approved by the Corporation's Audit Committee after due consideration of the effect of the performance thereof on the independence of the Auditors and after the conclusions by the Corporation's board of directors that there was no effect on the independence of the Auditors. The Auditors have advised the Corporation that none of its members have any financial interest in the Corporation.

Audit Fees

The fees for professional services incurred by the Corporation for services rendered by the Corporation's independent auditors in connection with the audit of the Corporation's financial statements for the years ended December 31, 2014 and December 31, 2013, and the review of the Corporation's Forms 10-Q for such fiscal years were \$157,102 and \$190,901, respectively. All such services were performed by permanent, full-time employees of S.R. Snodgrass, P.C.

Audit-Related Fees

Audit-Related fees for the performance of the audits of the Corporation's employee benefit plans' financial statements for the years ended December 31, 2014 and December 31, 2013, were \$21,165 and \$20,500, respectively.

Tax Fees

Tax fees for the years ended December 31, 2014 and December 31, 2013 resulting from services provided by the Corporation's independent registered public accounting firm totaled \$22,700 and \$21,950, respectively.

Other Fees

There were other fees billed to the Corporation by S.R. Snodgrass, P.C. for other services for the years ended December 31, 2014 and December 31, 2013 that totaled \$4,051 and \$2,500, respectively.

Pre-approval of Audit and Permissible Non-Audit Services

The Audit Committee of the Board of Directors pre-approves all audit and permissible non-audit services provided by the Corporation's independent registered public accounting firm. All of the services provided by S.R. Snodgrass, P.C. set forth above were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION FOR THE APPOINTMENT OF S.R. SNODGRASS, P.C., AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2015 FISCAL YEAR. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to ratify the appointment. All proxies will be voted "FOR" ratification of the appointment unless a shareholder specifies to the contrary on such shareholder's proxy card.

SHAREHOLDER PROPOSALS FOR 2016 ANNUAL MEETING

Applicable SEC regulations permit shareholders to submit proposals for consideration at annual meetings of shareholders. Any such proposals for Penns Woods' Annual Meeting of Shareholders to be held in 2016 must be submitted in writing to the President of Penns Woods Bancorp, Inc., at its principal executive office, 300 Market Street, Williamsport, PA 17701, on or before November 26, 2015, and must follow the procedures required by SEC Rule 14a-8 in order to be included in proxy materials relating to that meeting.

A shareholder proposal submitted after November 26, 2015, or which does not otherwise meet the requirements of the SEC, will not be included in Penns Woods' proxy statement for the annual meeting to be held in 2016, but may be presented for consideration at the annual meeting, if submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the annual meeting, which proposal must contain certain information required by the bylaws. If the shareholder intending to present such a proposal has not provided Penns Woods written notice of the matter on or before January 30, 2016, the proxy holders of the board of directors will have discretionary authority to vote on such proposal at the meeting. However, if the date of the 2016 annual meeting is changed more than 30 days from April 29, 2016, the anniversary of the 2015 annual meeting, the deadline for delivery notice to the Corporation which would restrict the proxy holders of the Board of Directors from exercising discretion would be a reasonable time before Penns Woods sends its proxy materials, assuming the notice complies with the requirements of the bylaws.

CERTAIN TRANSACTIONS

NASDAQ rules require that we conduct an appropriate review of related party transactions for potential conflict of interest situations on an ongoing basis, and all such transactions must be approved by our Audit Committee or another independent body of the Board of Directors.

Our Code of Ethics and Conflicts of Interest Policy requires all directors, officers, and employees who may have a potential or apparent conflict of interest to notify our Human Resource Director. A potential conflict exists whenever an individual has an outside interest - direct or indirect - which conflicts with the individual's duty to the Corporation or any of its affiliates or adversely affects the individual's judgment in the discharge of his or her responsibilities. Prior to consideration, full disclosure of all material facts concerning the relationship and financial interest of the relevant individuals in the transaction is required. The Code of Ethics and Conflict of Interest Policy is available for review by contacting the President.

To identify related party transactions, each year, we submit and require our directors and officers to complete Director and Officer Questionnaires identifying any transaction with us or any of our subsidiaries in which the officer or director or their family members have an interest.

There have been no material transactions between the Corporation and Banks, or any material transactions proposed, with any director or executive officer of the Corporation and Banks, or any associate of the foregoing persons. The Corporation and the Banks have had, and intend to continue to have, banking and financial transactions in the ordinary course of business with directors and officers of the Corporation and their associates on comparable terms and with similar interest rates as those prevailing from time to time for persons not related to or associated with the Corporation.

Total loans outstanding from the Banks at December 31, 2014 to the Corporation's officers and directors as a group and members of their immediate families and companies in which they had an ownership interest of 10% or more was \$8,946,000 or approximately 6.58% of the total equity capital of the Corporation. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable

transactions with persons not related to the Corporation, and did not involve more than the normal risk of collectability or present other unfavorable features.
