Item 1.01 Entry into a Material Definitive Agreement.

In Part II, Item 5 of its Form 10-Q for the quarter ended September 30, 2006, Invacare Corporation (the "Company") disclosed that it was in violation of a financial covenant contained in three Note Purchase Agreements between the

Company and various institutional lenders and that the violation also may constitute a default under the Company's credit facility with various banks and its separate trade receivables securitization facility. As disclosed on a Form 8-K dated as of November 14, 2006, the Company obtained waivers of the covenant violation from each of its lenders, effective as of November 14, 2006, which were effective through December 15, 2006.

Effective December 15, 2006, the Company obtained waivers of the covenant violation from each of its lenders, which are effective through February 15, 2007 so long as the Company executes a commitment letter for a new financing by December 22, 2006, or else the waivers extend only until January 31, 2007. The waivers limit the Company's maximum amount of debt through that date to \$521 million. The Company does not believe that this limitation will impair its ability to continue to operate its business in the ordinary course. The Company has been meeting with representatives of its existing lenders and other prospective lenders in order to arrange for the refinancing of its long term debt. While Invacare believes that it will be able to secure new financing on acceptable terms, there can be no assurance of this. Failure to obtain new financing on or before February 15, 2007 or, in the alternative, to extend the termination date of the existing waivers would have a material adverse effect on the Company's liquidity and/or its financial position.

Copies of each of the waivers $\,$ referenced in the foregoing $\,$ paragraph are filed herewith as Exhibits 10.1, $\,$ 10.2, $\,$ 10.3, $\,$ 10.4 and 10.5 to this Form 8-K and are incorporated by reference into this Item 1.01.

Item 2.04 Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The Information set forth in Item $1.01\,\mathrm{of}$ this Form $8\mathrm{-K}$ is incorporated into this Item $2.04\,\mathrm{by}$ reference.

Item 9.01 Financial Statements and Exhibits.
