Item 2.02 Results of Operations and Financial Condition

On October 13, 2005, Popular, Inc. issued a news release announcing its unaudited operational results for the quarter and nine-months ended September 30, 2005, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference. The information in this Form 8-K, included in Item 2.02 and Exhibit 99.1, shall be deemed to be filed for purposes of the Securities Exchange Act of 1934, as amended.

Item 8.01 Other Events

On January 18, 2005, the Corporation announced that it had been informed by the Antitrust Division of the U.S. Department of Justice that the Department of Justice was conducting an investigation concerning the participation by its subsidiary, GM Group, Inc. (which after a reorganization in 2004 became part of EVERTEC, Inc.), in the E-rate program, which is administered by the Federal Communications Commission (FCC) and pays for telecommunications services and related equipment for schools and libraries.

On October 13, 2005, the Corporation entered into a Settlement Agreement with the Department of Justice and the Federal Communications Commission in connection with this matter. Pursuant to the Settlement Agreement, EVERTEC, Inc., without admitting liability and denying any allegations of misconduct, agreed to make a \$4.8 million payment to the United States and agreed to voluntarily disqualify itself from bidding on or performing any work related to contracts funded by the Federal Communications Commission for a three year period. EVERTEC, Inc. also agreed to cooperate with U.S. governmental authorities in any investigation or litigation related to its participation in the E-rate program. The Settlement Agreement did not have and is not expected to have an impact on the Corporation's third or fourth quarter results of operations or the Corporation's financial condition because the full amount of the settlement payment has been previously accrued and because EVERTEC, Inc. is not engaged in work related to Federal Communications Commission contracts.
