Item 8.01 Other Events.

The following information is furnished pursuant to Item 8.01.

On March 29, 2011, Petroleum Development Corporation (dba PDC Energy) (the “Company”) announced that the Company has added to its previously published natural gas and crude oil derivative positions in its efforts to manage its exposure to future commodity price volatility. A copy of the news release is attached by reference as Exhibit 99.1.

Separately, on March 31, 2011, the Company presented a PowerPoint presentation at the Howard Weil Energy Conference. A copy of the presentation is posted on the Company’s website.

Information included in this report, and in Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in the filing.

The press release furnished as an exhibit to this report includes forward-looking statements within the meaning of the Securities Act of 1933 and the Exchange Act. Such forward-looking statements are subject to certain risks and uncertainties, as disclosed by the Company from time to time in its filings with the Securities and Exchange Commission. As a result of these factors, the Company’s actual results may differ materially from those indicated or implied by such forward-looking statements. Except as required by law, we disclaim any obligation to publicly update or revise forward looking statements after the date of this report to conform them to actual results.
