Item 1.01 Entry into a Material Definitive Agreement.

On September 7, 2018, American Woodmark Corporation, a Virginia corporation (the “Company”), and certain of its subsidiaries entered into an amendment (the “Amendment”) to the credit agreement that the Company entered into with a syndicate of lenders and Wells Fargo Bank, National Association, as administrative agent, on December 29, 2017 (as amended, the “Credit Agreement”). The Amendment, among other things, amends the restricted payments covenant to (i) permit unlimited restricted payments so long as the Total Funded Debt to EBITDA Ratio (as defined in the Credit Agreement) would be less than or equal to 2.50 to 1.00 after giving effect to any such payment and no default or event of default has occurred and is continuing or would result from any such payment and (ii) permit up to an aggregate of \$50 million in restricted payments not otherwise permitted under the Credit Agreement so long as no default or event of default has occurred and is continuing or would result from any such payment.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 8.01 Other Events.

As previously announced, on August 23, 2018, the Company’s Board of Directors reinstated the Company’s previously suspended stock repurchase program, subject to the effectiveness of the Amendment. The Company previously announced the suspension of its stock repurchase program in December 2017 in connection with its then-proposed acquisition of RSI Home Products, Inc. Approximately \$36 million remains available under the program for repurchases.
