PROXY STATEMENT

This proxy statement and form of proxy are furnished in connection with the solicitation of proxies on behalf of the Board of Directors of P.A.M. Transportation Services, Inc. (“PTSI” or the “Company”) for use at our annual meeting of stockholders to be held at the principal executive offices located at 297 West Henri De Tonti Boulevard, Tontitown, Arkansas 72770, on Thursday, June 3, 2010, at 9:00 a.m., local time, and at any or all adjournments or postponements of the meeting. The telephone number for our principal executive office is (479) 361-9111. This proxy statement and form of proxy are being mailed to stockholders on or about April 29, 2010.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDERS’ MEETING TO BE HELD ON JUNE 3, 2010

Our combined Proxy Statement and 2009 Annual Report to Stockholders, which includes our Annual Report on Form 10-K, are available at www.envisionreports.com/PTSI.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the accompanying notice of the meeting, including the election of directors and ratification of appointment of our independent public accounting firm, and consideration of such other business as may properly come before the meeting.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, April 13, 2010, are entitled to receive notice of the annual meeting and to vote their shares at the meeting. Holders of our common stock are entitled to one vote per share.

What is the difference between a “stockholder of record” and a “street name” holder?

These terms describe how your shares are held. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a “stockholder of record.” If your shares are held in the name of a broker, bank, trust or other nominee as a custodian, you are a “street name” holder.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Stockholders who are “street name” holders will need to bring a copy of a brokerage statement reflecting their ownership as of the record date in order to attend the meeting.

What is a proxy?

A proxy is your legal designation of another person, the “proxy,” to vote on your behalf. By completing and returning the enclosed proxy card, you are giving the persons appointed as proxies by our Board of Directors (the “Board”) the authority to vote your shares as indicated on the proxy card.

3

Table of Contents

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding and entitled to vote on the record date will constitute a quorum, permitting business to be conducted at the meeting. As of the record date, 9,414,607 shares of our common stock were outstanding and entitled to vote. Proxies that are received and marked as withholding authority, abstentions, and broker non-votes (where a bank, broker or nominee does not exercise discretionary authority to vote on a matter) will be included in the calculation of the number of shares considered to be represented at the meeting.

How do I vote?

You may vote by mail or follow the alternative voting procedures described on the accompanying proxy card. If you complete, sign and return the proxy card, it will be voted as you direct. If no choice is specified on a signed proxy card, the persons named as proxies will vote (1) in favor of the election of all of the nominees for director and (2) in the discretion of the persons named as proxies as to all other matters that may be properly presented at the annual meeting.

If you hold shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Under a recent amendment to the New York Stock Exchange (NYSE) rules, brokers no longer have the discretion to vote on the election of directors because director elections, even if uncontested, are no longer considered a routine matter. Even though the Company’s stock is listed on the NASDAQ Stock Market, it is expected that brokers who are members of the NYSE will follow the NYSE rules governing proxy voting with respect to all proxies for all publicly traded companies. Thus, if you do not give your broker or nominee specific instructions, including with respect to the election of directors, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum.

If, as of the record date, you are a stockholder of record and you attend the meeting, you may vote in person at the meeting. The authorized capital stock of PTSI consists of 40,000,000 shares of common stock, par value \$0.01 per share and 10,000,000 shares of preferred stock, par value \$0.01 per share. As of the close of business on April 13, 2010, there were 9,414,607 shares eligible to vote.

What are the Board’s recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board’s recommendations are set forth together with each proposal in this proxy statement. In summary, the Board recommends a vote:

- For the election of the nominated slate of directors (see pages 6–24).
- For the ratification of the appointment of Grant Thornton LLP as PTSI’s independent registered public accounting firm (see pages 25–27).

What vote is required to approve each proposal?

- Election of Directors. The affirmative vote of the holders of shares of our common stock representing a plurality of the shares of our common stock voting on the matter is required for the election of directors. Votes withheld and broker non-votes are not counted toward a nominee’s total number of votes.

- Other proposal. For any other proposals, including ratification of the appointment of PTSI's independent registered public accounting firm, the affirmative vote of a majority of the votes cast in person or by proxy at the annual meeting, assuming a quorum is present, will be required for approval.

Are there other matters to be voted on at the meeting?

As of the date of this proxy statement, our Board of Directors does not know of any other matters which may come before the meeting, other than the election of directors and ratification of the appointment of PTSI's

4

independent registered public account firm, described in this proxy statement. Should any other matter requiring a vote of the stockholders arise and be properly presented at the annual meeting, the proxy included with this proxy statement confers upon the persons named in the proxy and designated to vote the shares, discretionary authority to vote or otherwise act with respect to any such matter in accordance with their best judgment.

Can I revoke or change my proxy after I return my proxy card?

Yes. Any proxy may be revoked by a stockholder at any time before it is exercised at the annual meeting by delivering to our Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the meeting.

Who pays for this proxy solicitation?

All costs of soliciting proxies will be paid by us. Our directors, officers, and other employees may, without compensation other than their regular compensation, solicit proxies by further mailings or personal conversation, or by telephone, facsimile or electronic means. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of our common stock.

Our Board of Directors encourages stockholders to attend the annual meeting. Whether or not you plan to attend, you are urged to promptly submit your proxy.

CORPORATE GOVERNANCE

Director Independence

Applicable NASDAQ listing standards require that a majority of our Board of Directors be independent. Recently, our Board of Directors reviewed the independence of directors and determined that five of our directors, Messrs. Conner, Davis, Ellis, Sullivan and Wilkins meet the standards for independence required by applicable NASDAQ listing standards. In making this determination, our Board of Directors has concluded that none of the independent directors has a relationship that, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Currently, Mr. Matthew T. Moroun owns, in the aggregate, more than 50% of PTSI's voting stock. Therefore, PTSI meets the NASDAQ Global Market requirements to become a "controlled company." A "controlled company" is defined by NASDAQ Global Market rules as a company of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company. Under these rules, a "controlled company" is not required to comply with all of the NASDAQ Global Market corporate governance standards as they relate to director

independence. Although PTSI meets the NASDAQ requirements to be a “controlled company,” PTSI has not elected to become a “controlled company.”

Board Structure and Role in Risk Oversight

Our Board of Directors has chosen to separate the positions of Chairman and Chief Executive Officer (“CEO”). Mr. Matthew T. Moroun is the Chairman of the Board and Mr. Daniel H. Cushman is the CEO and President. This separation of Chairman and CEO allows for greater oversight of PTSI by the Board. The Board is actively involved in oversight of risks that could affect PTSI. This oversight is conducted primarily through committees of the Board, as disclosed in the description of each of the committees below and in the charters of each of the committees, but the

Table of Contents

full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within PTSI.

Board Meetings

During 2009, our Board of Directors held six meetings. During 2009, each director attended at least 83% of the total number of meetings of our Board and its committees on which he then served.

Board Committees

Our Board of Directors has, and appoints members to, three standing committees: the Audit Committee, the Compensation and Stock Option Committee, and the Executive Committee. The membership of these committees, as of April 15, 2010, was as follows:

Audit Committee	Compensation and Stock Option Committee	Executive Committee
Frank L. Conner	W. Scott Davis*	Matthew T. Moroun
Christopher L. Ellis*	Daniel C. Sullivan	Daniel H. Cushman
Charles F. Wilkins	Charles F. Wilkins	

* Committee chairman

Each of the members of the Audit Committee and the Compensation and Stock Option Committee is an independent director as defined by applicable NASDAQ listing standards. Each of these two committees has a charter that has been approved by our Board of Directors and is available on our website, www.pamtransport.com.

Audit Committee. We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee has three members and met four times in 2009. The Audit Committee assists our Board of Directors in overseeing our accounting and financial reporting process, internal controls and audit functions, and is directly responsible for the appointment, retention and compensation of our registered public accounting firm. Our Board of Directors has determined that Mr. Conner and Mr. Ellis, who are members of the Audit Committee, are each qualified as an audit committee financial expert, as that term is defined in the rules of the Securities and Exchange Commission (“SEC”). Mr. Conner and Mr. Ellis are independent, as independence for audit committee members is defined in the NASDAQ listing standards and the rules of the SEC. More information about the Audit Committee is included below under the heading “Audit Committee Report.”

Compensation and Stock Option Committee. The Compensation and Stock Option Committee has three members and met one time in 2009. The Compensation and Stock Option Committee assists our Board of Directors in carrying out its responsibilities relating to compensation and benefits for our executive officers. The Compensation and Stock Option Committee’s responsibilities and authority include:

- reviewing trends in management compensation and the competitiveness of our executive compensation programs;
- overseeing development of new compensation plans, and approving or recommending for determination by our Board of Directors revisions of existing

plans;

- evaluating the performance of our CEO;
- determining, or recommending for determination by our Board of Directors, the salaries, bonus and other compensation for our CEO and each of our other executive officers;
- reviewing and making recommendations concerning long-term incentive compensation plans, including stock option and other equity-based plans;

Table of Contents

- to the extent eligible to do so, acting as the committee of our Board of Directors that administers equity-based plans, incentive compensation plans and employee benefit plans; and
- reviewing and approving, or recommending to our Board of Directors for approval, compensation packages for new officers and severance arrangements for officers.

If a member of a committee of our Board of Directors is absent from a meeting, our bylaws give Board committees authority to unanimously appoint another member of our Board of Directors to act at the meeting in place of the absent committee member. While the Compensation and Stock Option Committee could use this authority, it has no plans to do so. The Compensation and Stock Option Committee has the authority to retain compensation consultants but does not currently use compensation consultants. Compensation for directors is determined by our Board of Directors.

Executive Committee. The Executive Committee exercises the authority of our Board of Directors in accordance with our bylaws between regular meetings of our Board. The Executive Committee did not meet during 2009.

Director Nominating Process. Our Board of Directors does not have a nominating committee that nominates candidates for election to our Board of Directors. That function is performed by our Board of Directors. Each member of our Board participates in the consideration of director nominees. Our Board of Directors believes that it can adequately fulfill the functions of a nominating committee without having to appoint an additional committee to perform that function. Our Board of Directors believes that not having a separate nominating committee saves the administrative expense that would be incurred in maintaining such a committee, and saves time for directors who would serve on a nominating committee if it were established. As there is no nominating committee, we do not have a nominating committee charter.

At least a majority of our independent directors participate in the initial consideration of director nominees. These directors are independent, as independence for nominating committee members is defined in the NASDAQ listing standards. After these independent directors discuss and evaluate potential nominees, they recommend director nominees to the full Board of Directors for selection.

Our Board of Directors will consider as potential nominees persons recommended by stockholders. Recommendations should be submitted to our Board of Directors in care of our Secretary, Larry J. Goddard, at P.O. Box 188, Tontitown, Arkansas 72770. Each recommendation should include a personal biography of the suggested nominee, a description of the background or experience that qualifies the person for consideration, and a statement that the person has agreed to serve if nominated and elected.

Our Board of Directors has used an informal process to identify potential candidates for nomination as directors. Candidates for nomination have been recommended by an executive officer or director, and considered by our Board of Directors. Generally, candidates have been known to one or more of our Board members. Our Board of Directors has not adopted specific minimum qualifications that it believes must be met by a person it recommends for nomination as a director. The Board has determined that the Board as a whole must have the right diversity, mix of characteristics and skills for the optimal functioning of the Board in its oversight of the Company. In evaluating candidates for nomination, our Board of Directors will consider the factors it believes to be appropriate, which would generally include the candidate's independence, personal and professional integrity, business judgment, relevant experience and skills, including those related to transportation services, and potential to be an effective director in conjunction with the rest of our Board of Directors in collectively serving the long-term interests of our stockholders. Although our Board of Directors has the authority to retain a search firm to assist it in identifying director candidates, there has to date been no need to employ a search firm. Our Board of Directors does not evaluate potential nominees

for director differently based on whether they are recommended to our Board of Directors by a stockholder.

Communications with Directors and Attendance at Annual Meetings

Stockholders may communicate directly with our Board of Directors as a group by writing to our Board of Directors, care of the Secretary of PTSI, P.O. Box 188, Tontitown, Arkansas 72770. Our Secretary will review all of the correspondence and regularly forward to our Board of Directors a summary of the correspondence, and copies of all of the correspondence that, in his opinion, deals with the functions of our Board of Directors or any of its

Table of Contents

committees or that our Secretary otherwise determines requires the attention of our Board of Directors. Directors may at any time review a log of all of the correspondence that is addressed to our Board of Directors, and request copies of any and all of the correspondence.

Our Board of Directors has a policy of encouraging our directors to attend the annual meetings of the stockholders. All of our directors attended last year's annual meeting.

Code of Ethics

We have adopted a written code of ethics that applies to all our directors, officers and employees, including our CEO and our chief financial and accounting officer. We have posted a copy of the code on our website, www.pamtransport.com. In addition, we intend to post on our website all disclosures that are required by law or NASDAQ listing standards concerning any amendments to, or waivers from, any provision of the code.

Compensation Committee Interlocks and Insider Participation

During 2009, Messrs. Davis, Sullivan and Wilkins served as members of the Compensation and Stock Option Committee for all of the year. No member of the Compensation and Stock Option Committee is, or was during or prior to 2009, an officer or employee of PTSI or any of its subsidiaries. None of our executive officers serves or served as a director or member of the compensation committee of another entity in a case where an executive officer of such other entity serves or served as a director or member of our Compensation and Stock Option Committee.

AUDIT COMMITTEE REPORT

Each member of the Audit Committee is independent, as independence for audit committee members is defined in the NASDAQ listing standards and the rules of the SEC. The Audit Committee's primary purpose is to assist the Board of Directors in overseeing:

- the accounting and financial reporting process;
- audits of financial statements and internal control over financial reporting; and
- internal control and audit functions.

In carrying out its responsibilities, the Audit Committee supervises the relationship between us and our independent auditor, including having direct responsibility for the auditor's appointment, compensation and retention, reviewing the scope of its audit services, and approving audit and permissible non-audit services. The Audit Committee reviews and discusses the annual and quarterly financial statements, and reviews the activities of our internal audit function.

Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls and reporting to the Audit Committee on any significant deficiencies or material weaknesses that are found.

The Audit Committee discussed with PTSI's independent registered public accounting firm, Grant Thornton LLP ("Grant Thornton"), who is responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles, its judgments as to the quality and the acceptability of our financial reporting and such other matters as are required to be discussed with the Audit Committee under standards of the

Public Company Accounting Oversight Board (United States), including the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee also reviewed with Grant Thornton management's assessment included in management's report on internal control over financial reporting, and Grant Thornton's opinion on the effectiveness of the company's internal control over financial reporting as of December 31, 2009.

The Audit Committee has discussed with Grant Thornton that firm's independence from management and us, and has received from Grant Thornton the written disclosures and letter required by the Independence Standards

Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has considered the compatibility of the provision of non-audit services with maintaining Grant Thornton's independence.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2009, with both management and our independent registered public accounting firm. The Audit Committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

Our primary goal for the compensation of our executive officers is to create long-term value for our stockholders. Our compensation program is intended to attract, motivate, reward and retain the management talent required to achieve our corporate objectives and create long-term value for our stockholders, while at the same time making efficient use of our resources. The compensation of our executive officers is designed to reward financial and operating performance, to align their interests with those of our stockholders, and to encourage them to remain with us.

Elements of Compensation

We have three key elements of compensation: annual base salary, cash incentive compensation, and stock options. Annual base salary is intended to attract and retain talented executives, and reward them for annual achievement. Cash incentive compensation is intended to motivate our executive officers to achieve specified financial results or superior performance. Stock options are intended to align the interests of our executive officers with those of our stockholders by linking compensation to stock price appreciation. In addition, when the criteria for vesting of options includes achieving specified financial results, stock options also serve the purpose of motivating our executive officers to achieve those results.

Determining Compensation

Compensation for our executive officers is primarily based upon the judgment of the Compensation and Stock Option Committee of our Board of Directors. The committee considers competitive market compensation paid by other companies, including truckload dry van carriers and other trucking companies, but it does not attempt to maintain a specified target percentile within a peer group or otherwise rely on compensation paid by other companies to determine our executive compensation.

In determining compensation for our executive officers, the committee reviews and evaluates many factors, including:

- PTSI's performance and growth;
- financial measurements such as revenue, revenue growth, net operating income and operating ratio, and trends in those measurements;
- leadership qualities;

Table of Contents

- ability to achieve strategic objectives;
- scope and performance of business responsibilities;
- management experience and effectiveness;
- individual performance, and performance as a management team;
- current compensation arrangements; and
- long-term potential to maintain and enhance value for our stockholders.

The committee generally does not adhere to rigid formulas or react to short-term changes in business performance in determining the amount and mix of compensation elements. The committee strives to achieve an appropriate mix between annual base salary, cash incentive compensation and stock options to meet our objectives.

The committee receives regular updates on our business results from management and reviews the quarterly financial statements and projections to assess whether executive compensation continues to be properly balanced with and supportive of our business objectives. The committee also regularly reviews information, including reported revenue, profit levels, market capitalization and disclosed governance practices, regarding comparably-sized companies in our industry to assess our comparative performance and organizational structure. The committee uses management updates and peer information as tools to evaluate the connection between executive compensation and our performance as a business. This information is reviewed in a subjective manner. There is no implied direct or formulaic linkage between peer information and our compensation decisions. The committee takes the view that a close connection between compensation and performance objectives encourages our executive officers to make decisions that will result in significant positive short-term and long-term returns for our business and our stockholders without providing an incentive either to take unnecessary risks or to avoid opportunities to achieve long-term benefits even though they may reduce short-term benefits for the executive officers, the business or our stockholders.

Based on these reports, the committee regularly evaluates both the short-term and long-term performance compensation for the executive officers to ensure alignment with our business objectives. The committee also works closely with management regarding long-term equity incentives, which emphasize stockholder returns while providing enhanced retention value for key executives.

Employment Agreements Include Annual Base Compensation

We have a multi-year employment agreement with each of our executive officers. On June 1, 2006, we entered into agreements with Messrs. Goddard and Lawson. On June 29, 2009, we entered into an agreement with our CEO and President, Mr. Cushman. We believe that it is useful to have employment agreements because they set forth the terms under which the executive officers are employed, include annual base salary and severance arrangements, and provide us with one year of protection from competition by our executive officers following termination of their employment with us. The employment agreements also require our executive officers to provide us with three months advance notice if they wish to resign. The annual base compensation for our executive officers set forth in the employment agreements was determined by the Compensation and Stock Option Committee and recommended to, and approved by, our Board of Directors.

Cash Incentive Compensation

The Compensation and Stock Option Committee did not establish a cash incentive compensation plan for our executive officers for 2009. The committee determined whether to pay our executive officers a bonus for 2009, and the amount of any bonus. After reviewing our business and financial performance for 2009, the committee determined not to pay a bonus related to performance to any of our executive officers for 2009. However, Mr. Cushman was paid a hiring bonus when he agreed to serve as President and CEO. This bonus is included in the Summary Compensation Table and is further explained in the accompanying footnote.

As of April 15, 2010, the Compensation and Stock Option Committee had not established a cash incentive compensation plan for Mr. Goddard and Mr. Lawson for 2010 and the committee intends to give the matter further

consideration at a later date. Mr. Cushman is eligible to earn a bonus incentive award based on the Company's audited results of operations for January 1, 2010, through December 31, 2010. The bonus will be a percentage of Mr. Cushman's annual salary based on the Company's consolidated operating ratio for the 2010 calendar year determined according to the table provided in Exhibit A to the P.A.M. Transportation Services, Inc. Incentive Compensation Plan for Calendar year 2010. In the event that a bonus is earned in accordance with this plan, 50% will be paid before March 31, 2011, 25% will be paid before March 31, 2012, and the remaining 25% will be paid prior to March 31, 2013.

Stock Options

In March of 2006, the Board of Directors adopted a new stock option plan, the 2006 Stock Option Plan. The plan provides for the issuance of stock options for up to 750,000 shares of our common stock, subject to adjustments. Our officers, directors, key employees and consultants are eligible to receive options under the plan. The plan was approved by our stockholders at their May 24, 2006 annual meeting. We did not issue any options to our executive officers or other employees under the plan during 2006, 2007, 2008 or 2009.

Our most recent grant of stock options to our executive officers was on August 28, 2002. Those options were granted under our 1995 Stock Option Plan that expired in 2005. The options covered 90,000 shares of our common stock for each of Mr. Lawson and Mr. Goddard. The options were scheduled to vest in installments. The first installment vested immediately on grant for 20% of the shares covered by each option. The remaining shares covered by the options were scheduled to vest in equal installments, on March 15 of each year, from March 15, 2003, through March 15, 2008, depending for each annual installment on whether the performance criteria for that installment was met. The primary performance criteria for each installment to vest has been whether our consolidated net income for the most recent year exceeded the consolidated net income for the immediately preceding year by at least 5%. The exercise price for all of the shares was established at the market price of our stock on the date the options were granted, \$23.22.

Other Compensation

We sponsor a retirement savings plan for all of our eligible employees, including our executive officers. The plan qualifies under section 401(k) of the Internal Revenue Code, as amended. This plan allows eligible employees to make tax deductible contributions to the plan. We make employer matching contributions to the plan for each eligible employee. The matching contributions are 50% of each participating employee's voluntary contribution, up to 3% of the participant's compensation. These matching contributions vest at the rate of 20% each year until fully vested after five years.

We offer health, vision and dental insurance to Messrs. Lawson and Goddard and pay the insurance premiums for them. While we make similar insurance available to other employees, we do not pay their insurance premiums.

We allow each of our executive officers to use a company owned automobile. With the exception of this perquisite, our policy is to provide minimal, if any, perquisites to our executive officers. This helps set an example for all employees that personal expenses are not payable from company funds and helps to control expenses.

Post-Employment Compensation

We do not provide a defined benefit pension plan or post retirement health insurance coverage for our executive officers or any of our other employees. We do not offer deferred compensation plans, and do not have agreements that provide compensation to our executive officers based upon the occurrence of a change in control of PTSI.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code, as amended, imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to the company's chief executive officer or certain of the company's other most highly compensated executive officers. This limitation does not apply to compensation that meets the requirements under Section 162(m) for "qualifying performance-based" compensation (compensation paid only if the individual's or the company's performance meets pre-established objective goals based on performance criteria approved by the stockholders). We periodically review the potential consequences of Section 162(m) and may structure some or all of the compensation for our executive officers so that it will not be subject to the

Table of Contents

deduction limitations of Section 162(m). None of the compensation paid to our executive officers for 2009 was structured to be “qualifying performance-based” compensation. For 2009, we were not precluded by Section 162(m) from deducting any compensation that we paid to any of our executive officers.

Share Ownership Guidelines

We do not have stock ownership requirements for our executive officers. However, each of our executive officers owns shares of our common stock, and options to acquire additional shares.

Overview of the Compensation Process

The elements of executive compensation are discussed at meetings of the Compensation and Stock Option Committee, with significant input from our Chairman of the Board and other directors. Annual base salary is generally determined for a multi-year period at the time that employment agreements are negotiated with our executive officers. Cash incentive compensation and other bonuses, and forms of stock-based compensation are discussed from time to time, but there is no set schedule for making determinations regarding these types of compensation, and the committee retains considerable flexibility in deciding when to address these matters. In making its compensation decisions, the committee will usually seek input from our CEO and President regarding elements of his compensation, and that of the other executive officers. However, the committee makes the final decision on executive officer compensation, or recommends compensation of our executive officers to our Board of Directors for approval. The committee is authorized to utilize compensation consultants, but does not presently confer with compensation consultants regarding executive compensation.

The following table provides information regarding the compensation earned by the executive officers for the three years ended December 31, 2009.

- (4) On August 19, 2009, Mr. Lawson became Vice President of Automotive Sales. On June 1, 2010, his employment agreement with the Company will expire. Upon expiration of the agreement, Mr. Lawson has agreed to be available for consultation for a period of six months.
- (5) The Company entered into a consulting agreement with Mr. Weaver upon the conclusion of his employment agreement on July 10, 2009. The terms of the consulting agreement state that Mr. Weaver will be paid \$9,600 per week for a period of six months and subsequent to that \$4,800 per week for a period of six months. Payments under this arrangement totaled \$230,400 during 2009.

Employment Agreements

As discussed above, we have entered into employment agreements with each of our executive officers. The initial term of our agreement with Mr. Cushman began on July 13, 2009, and extends for 36 months. The agreement provides Mr. Cushman with an annual salary of \$400,000. In addition, he is entitled to a bonus of \$55,000 to be used at his discretion toward expenses for his relocation to Tontitown, Arkansas, and the sale of his home. In the event of an earlier separation from PTSI, Mr. Cushman will be obligated to repay the bonus. PTSI has also agreed to reimburse Mr. Cushman for up to \$1,800 per month for up to eighteen months for temporary living expenses. Mr. Cushman is eligible to earn a bonus incentive award based on the Company's audited results of operations for January 1, 2010, through December 31, 2010. The bonus will be a percentage of Mr. Cushman's annual salary based on the Company's consolidated operating ratio for the 2010 calendar year determined according to the table provided in Exhibit A to the P.A.M. Transportation Services, Inc. Incentive Compensation Plan for Calendar year 2010. In the event that a bonus is earned in accordance with this plan, 50% will be paid before March 31, 2011, 25% will be paid before March 31, 2012 and the remaining 25% will be paid prior to March 31, 2013.

Our employment agreement with Mr. Lawson began on June 1, 2006, and will expire on June 1, 2010. Upon expiration of this agreement, Mr. Lawson has agreed to be available for consultation for a period of six months. Our agreement provides Mr. Lawson with an annual base salary of \$300,000 for the first year, and of \$310,000, \$335,000 and \$355,000 for the second, third and fourth years of the agreement.

The initial term of our employment agreement with Mr. Goddard is from June 1, 2006, through June 1, 2010. We have an option to extend this agreement for one additional year. The agreement provides Mr. Goddard with an annual base salary of \$225,000 for the first year, and of \$235,000, \$250,000 and \$265,000 for the second, third and fourth years of the agreement. If we exercise our option to extend our agreement with Mr. Goddard for an additional year, the agreement provides Mr. Goddard with an annual base salary of \$280,000 for the additional year.

Under the employment agreements, our executive officers may also participate in bonus and other incentive plans that are approved from time to time by our Board of Directors or Compensation and Stock Option Committee. The executive officers are also entitled to any fringe benefits that we may provide for our employees in the normal course of our business. Additional information regarding the employment agreements, including compensation payable to the executive officers on termination of employment and their non-compete, non-solicitation and confidentiality obligations, is included below under the heading "Potential Payments Upon Termination or Change in Control."

Messrs. Goddard and Lawson agreed voluntarily that beginning January 1, 2009, their base salaries would be reduced by 5% from the applicable amounts detailed in their employment agreements until such time as financial results for the Company improve. The 5% base salary reduction is not a deferral to be paid to the executive officers in future periods.

Salary and Bonus Compared to Total Compensation

We have not established a proportion that salary and bonus should be of our executive officers' total compensation. As indicated in the Summary Compensation Table, the proportion for 2009 that salary and bonus were of total compensation ranged from 98% to 100% for our executive officers.

Potential Payments Upon Termination or Change In Control

The employment agreements that we have entered into with our executive officers provide for payments that may be made to our executive officers following termination of their employment. These payments are discussed below and quantified in the table that follows. We do not have any agreements or plans that provide for payments to our executive officers based on the occurrence of a change in control of PTSL.

No Payments If There Were a Termination for Just Cause

In the event that one of our executive officers were terminated for just cause, including conviction of a crime, moral turpitude, gross negligence in the performance of duties, intentional failure to perform duties, insubordination, or dishonesty, we would have no obligation to pay base salary or benefits beyond the last day worked.

Payments Upon Death

In the event of the death of one of our executive officers, we would pay his base salary through the date of his death.

Payments Upon Disability

In the event that one of our executive officers becomes disabled and is unable to perform his duties, we may terminate his employment. If an executive officer's employment is terminated due to disability, Messrs. Goddard and Lawson are entitled to receive their base salary and benefits for 12 months and Mr. Cushman is entitled to receive his base salary and benefits for 6 months following the termination of his employment.

Payments Upon Termination Based on Our Best Interest

In the event that one of our executive officers is terminated by our Board of Directors upon a determination that such action would serve our best interest, Messrs. Goddard and Lawson are entitled to receive their base salary and benefits for a period of 12 months following the termination of their employment. Mr. Cushman is entitled to receive his base salary and benefits for a period of 6 months following the termination of his employment, unless the Board of Directors elects to extend his Covenant Not To Compete for one year, in which case he will be entitled to receive his base salary and benefits for a period of 12 months.

Table of Contents

Payments Upon Resignation, Including Retirement

Each of our executive officers has the right to resign by providing three months written notice to us. In the event that an executive officer resigns and gives us the required three months notice, we may terminate his employment before the end of the three month notice period. In such event, the executive officer is entitled to receive his base salary and benefits through the end of the three month period.

Obligations of Executive Officers

Under the employment agreements, each of the executive officers has agreed not to compete with, or solicit or retain business that is competitive with, our business, or that of specified affiliates of our directors, Mr. Manuel Moroun and Mr. Matthew Moroun, for one year after the executive officer's employment with us terminates. However, Mr. Cushman has an additional condition that in the event he is terminated because such termination is in the best interest of the Company, the duration of his covenant not to compete is for six months, unless the Board of Directors elects to extend his covenant not to compete for one year, in which case he will be entitled to receive his base salary and benefits for a period of 12 months. The executive officers have also agreed that they will not at any time encourage, solicit or otherwise attempt to persuade any of our employees or any employees of the specified affiliates to leave our employment or employment with the specified affiliates. If any of the executive officers were to hire from us one of our employees, they have agreed to pay us 30% of the employee's first year's gross compensation. Under the employment agreements, the executive officers have also agreed to maintain the confidentiality of our proprietary information.

Stock Options

Messrs. Goddard and Lawson hold an option to acquire shares of our common stock that was granted on August 28, 2002, under our 1995 Stock Option Plan. In general, stock options granted under the 1995 Stock Option Plan that are vested at the time employment terminates may be exercised by the executive officer within three months after his termination of employment. However, if his employment terminates due to death or disability, his vested stock options may be exercised within one year after the date of termination, but not later than the expiration date of the option.

Table of Payments Upon Termination of Employment

The following table provides information regarding amounts payable to the executive officers in connection with a termination of their employment, including amounts payable under their employment agreements. The amounts shown assume that termination of employment was effective as of December 31, 2009, the last business day of our 2009 fiscal year, and include estimates of the amounts that would be paid. Amounts payable under these provisions would be paid in equal installments pursuant to the Company's regularly scheduled payrolls. The actual amounts would only be determined upon an officer's termination of employment.

This calculation assumes that the Board of Directors would elect to extend Mr. Cushman's covenant not to compete for one year. If this option is not exercised the amount owed to Mr. Cushman for termination in the best interest of the Company would be \$200,000.

(2) The amounts shown represent the compensation expense that we recognized in 2009 for option awards for our non-employee directors, determined in accordance with FASB ASC Topic 718. Information regarding assumptions made for purposes of determining these amounts is in Note 12 "Share-Based Compensation" to our 2009 consolidated financial statements included in Item 8 "Financial Statements and Supplementary Data" of our Annual Report to the SEC on Form 10-K for the year ended December 31, 2009. On March 2, 2009, each of our non-employee directors was awarded an option for 2,000 shares of our common stock under our 2006 Stock Option Plan. The grant date fair value of each of these options, determined in accordance with FASB ASC Topic 718 is \$1.84 per share. As of December 31, 2009, our non-employee directors held the following option awards to acquire our common stock: Messrs. Calderone, Manuel Moroun and Matthew Moroun, options for 10,000 shares; Messrs. Conner, Ellis, Sullivan and Wilkins, options for 8,000 shares; and Mr. Davis, options for 4,000 shares.

(3) This amount was paid to Mr. Manuel Moroun for 2009 under his Consulting Agreement with PTSI. The Consulting Agreement was entered into on December 6, 2007, has an initial term of one year, and automatically renews for four additional one-year periods, unless earlier terminated due to death, disability or by mutual agreement. Pursuant to the agreement, Mr. Manuel Moroun provides us with consultation and advice as to the management and operation of PTSI, and such other consulting activities as we may reasonably request and as are reasonably acceptable to him. For the services that Mr. Manuel Moroun renders pursuant to the agreement, we pay him a consulting fee of \$100,000 per year, in quarterly installments.

Compensation Arrangements for Non-employee Directors

Director compensation is determined by our Board of Directors. For 2009, we paid our non-employee directors an annual retainer of \$10,000, and a fee of \$1,800 for each meeting of the Board or its committees that they attended in person, and \$600 for each meeting that they attended by telephone. The Chairman of the Board, which is a non-officer position, is paid an annual retainer of \$100,000; and the Chairman of the Audit Committee is paid an additional annual retainer of \$4,000. We reimburse our directors for expenses that they incur in attending Board and committee

meetings, including expenses for food, lodging and transportation. Our directors are currently paid the same amounts for retainer and meeting fees as they were paid in 2009.

Our 2006 Stock Option Plan provides for an annual grant of a stock option to each of our non-employee directors through 2016. Each option entitles the director to purchase 2,000 shares of our common stock at an

Table of Contents

exercise price equal to the fair market value of our common stock on the date of grant. Each option is exercisable from its date of grant through the fifth anniversary of that date, unless terminated earlier in accordance with the plan. The exercise prices for the options granted to our non-employee directors in 2007, 2008, and 2009 were \$22.92, \$14.98, and \$3.84 per share respectively.

Includes shares that may be acquired pursuant to stock options granted under our stock option plans that are or become exercisable within 60 days of March 31, 2010, as follows: 54,000 shares for Messrs. Table of Contents

- (2) Includes 1,633,373 shares owned directly and 3,092,000 shares held in a trust of which Mr. Matthew Moroun is a co-trustee and a beneficiary (the "Moroun Trust"). Mr. Hal M. Briand is co-trustee with Mr. Matthew Moroun of the Moroun Trust and may therefore also be deemed to beneficially own the shares held by the Moroun Trust. The business address of each of Messrs. Moroun and Briand is 12225 Stephens Road, Warren, Michigan 48091.
- (3) Mr. Matthew Moroun disclosed in a Schedule 13D amendment filed with the Securities and Exchange Commission on March 23, 2009, that from March 6, 2009, to March 20, 2009, he purchased an aggregate of 106,187 shares of our common stock, par value \$.01 per share in open market transactions or by exercising stock options he held. Mr. Moroun paid an aggregate purchase price of \$509,684 for these shares. The source of funds used to purchase these shares was Mr. Moroun's personal funds. As a result of these, and subsequent purchases, Mr. Moroun beneficially owns an aggregate of 4,725,373 shares, or 50.1% of the outstanding common stock as of March 31, 2010, including currently exercisable stock options to purchase 10,000 shares of common stock.

In a Schedule 13D amendment filed with the SEC on March 6, 2009, Mr. Moroun disclosed his intention to ask the Board of Directors of the Company, once he attains over 50% beneficial ownership interest in the Company, (i) to authorize an issuer share repurchase program for up to 1,000,000 shares of our Common Stock, to be implemented as directed by such Board of Directors, and (ii) to consider becoming a "controlled company" under current NASDAQ Global Market rules, which would not require the Company to comply with all of the NASDAQ Global Market's corporate governance standards as they relate to director independence. As of the date of this Report, no such actions have been presented to the Board of Directors for consideration.

- (4) Does not include the 4,725,373 shares shown in the table as being beneficially owned by Mr. Manuel Moroun's son, Mr. Matthew Moroun.
- (5) Includes 2,500 shares held in trusts for Mr. Davis' children, for which Mr. Davis serves as trustee.
- (6) Includes 1,500 shares held in a trust for Mr. Lawson's sister, for which Mr. Lawson is the trustee.
- (7) Based upon a Schedule 13G amendment filed by Dimensional Fund Advisors LP, a Delaware Limited Partnership, dated February 8, 2010, which indicates that as of December 31, 2009, Dimensional Fund Advisors LP had the sole power to vote and dispose of 635,142 shares as an investment advisor or manager to investment companies, trusts and separate accounts that own the 635,142 shares. The address of Dimensional Fund Advisors LP is Palisades West, Building One, 6300 Bee Cave Road, Austin, Texas 78746. We make no representation as to the accuracy or completeness of the information reported.
- (8) Based upon a Schedule 13G amendment filed by Scopus Asset Management, L.P., dated February 16, 2010, and related parties, which indicates that as of December 31, 2009, they had shared power to dispose of 676,815 shares. The Schedule 13G amendment was filed by Scopus Asset Management, L.P., which acts as an investment manager to one or more private investment funds (the "Funds") and an institutional management account (the "Managed Account").

The Schedule 13G amendment indicates that all 676,815 shares may be deemed to be owned (i) directly (in the aggregate) by the Funds and the Managed Account, none of which individually beneficially own more than 5% of the class; and (ii) indirectly by Scopus Asset Management, L.P., which as investment advisor to the Funds and Managed Account, shares the power to direct the vote or disposition of such securities. The principal business address of the reporting person is 623 5th Avenue, 31st Floor, New York, New York, 10022. We make no representation as to the accuracy or completeness of the information reported.

(9) The percentages shown are based on the 9,414,607 shares of our common stock outstanding as of March 31, 2010, plus the number of shares that the named person or group has the right to acquire within 60 days of March 31, 2010. For purposes of computing the percentage of outstanding shares of common stock held by each person or group, any shares the person or group has the right to acquire within 60 days of March 31, 2010 are deemed to be outstanding with respect to such person or group, but are not deemed to be outstanding for the purpose of computing the percentage of ownership of any other person or group.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own more than 10% of our outstanding common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock. Executive officers, directors and greater than 10% stockholders are also required to furnish us with copies of the reports that they file. To our knowledge, based solely on a review of the copies of the reports furnished to us and representations received from our directors and executive officers, we believe that all reports required to be filed under Section 16(a) for 2009 were timely filed, except as follows: Frank L. Conner failed to timely file a Form 4 relating to purchases of shares in November of 2008. Also, our 2006 Stock Option Plan provides for an annual grant of stock options for 2,000 shares of common stock to non-employee directors at an exercise price equal to fair market value. The annual grant date is March 2. The following non-employee directors did not recognize the annual grant and filed their Form 4 late: Frederick P. Calderone, Frank L. Conner, Scott W. Davis, Christopher L. Ellis, Manual J. Moroun, Matthew T. Moroun, Daniel C. Sullivan, and Charles F. Wilkins.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our consolidated financial statements as of and for the fiscal year ended December 31, 2009, were audited by Grant Thornton LLP, an independent registered public accounting firm. In 2009, the Audit Committee selected Grant Thornton LLP as our principal independent auditor for the year ending December 31, 2010.

Stockholder's ratification of the selection of Grant Thornton LLP to be our independent registered public accounting firm for fiscal year 2010 is not required by our Bylaws or otherwise. However, the Board is submitting the selection of the independent registered public accounting firm to the stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, the Audit Committee may, at its discretion, direct the appointment of a different independent registered accounting firm at any time during the year if it determines that such change is in the best interests of PTSI and our stockholders.

We are not presently expecting that representatives of Grant Thornton LLP will attend the annual meeting of stockholders.

INDEPENDENT PUBLIC ACCOUNTANTS—PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following table shows the fees for professional services of Grant Thornton for audit and other services they provided to us for 2009 and 2008.

	2009	2008
Audit Fees(1)	\$268,500	\$250,000
Audit-Related Fees	0	0
Tax Fees	9,630	0
All other fees	0	0

(1) Includes the aggregate fees billed for professional services rendered for 2009 and 2008 for the audit of our annual financial statements and review of financial statements included in our quarterly reports on Form 10-Q.

The Audit Committee pre-approves audit services and non-audit services that are to be performed for us by our independent auditor. The Audit Committee has delegated authority to its chairman, or any two of its other members acting together, to approve, between meetings of the Audit Committee, audit services and permissible non-audit services. Approvals between meetings are required to be reported to the Audit Committee at its next meeting. In addition to there being engagement letters for audit services, the Audit Committee has determined that there should be an engagement letter for any non-audit services that are to be performed by the independent auditor. All of the services described in the table above were pre-approved by the Audit Committee, and the authority delegated to members of the Audit Committee was not used.

TRANSACTIONS WITH RELATED PERSONS

We have a written policy requiring that our Audit Committee review and approve related person transactions that involve us and are of the type that are required to be disclosed in our proxy statement by SEC rules. A transaction may be a related person transaction if any of our directors, executive officers, owners of more than 5% of our common stock, or their immediate family have a material interest in the transaction and the amount involved exceeds \$120,000. The policy authorizes the Audit Committee to approve a related person transaction if it determines that the transaction is at least as favorable to us as could have been obtained if the transaction had been with a person who is not related to us, or is in our best interest.

Mr. Matthew Moroun is Chairman of our Board of Directors, which is designated as a non-officer position, a member of the Executive Committee of our Board of Directors, and our largest stockholder. He is the controlling stockholder, Vice Chairman and a director of CenTra, Inc., a transportation holding company based in Warren, Michigan. He is also the Chairman and controlling stockholder of Oakland Financial Corporation, an insurance holding company, and its subsidiaries, based in Sterling Heights, Michigan. Our director, Mr. Manuel Moroun, is the President and Chief Executive Officer of CenTra, and controls a trust that is the other major stockholder of CenTra. He is also a stockholder of Oakland Financial Corporation.

During 2009, certain subsidiaries of CenTra and other companies owned or controlled by our directors, Mr. Manuel Moroun and Mr. Matthew Moroun, paid us a total of \$1,519,063. These payments represent freight transportation charges of \$1,329,171, maintenance services performed in our maintenance facilities of \$151,379, charges paid by us to third parties on behalf of the subsidiaries and affiliates of CenTra and charged back at the amount paid of \$22,600, and real estate rent and upkeep of \$15,913.

During 2009, we made payments to certain subsidiaries of CenTra and other companies owned or controlled by our directors, Mr. Manuel Moroun and Mr. Matthew Moroun, in the aggregate amount of \$6,457,743. These payments are described below.

\$252,733 was paid for real estate leases. Properties leased include office and maintenance facilities in two states, and trailer drop yards in eleven states. The leases are generally month to month leases with automatic monthly renewal provisions.

We purchased a terminal in Laredo, Texas from an affiliate of CenTra for \$5,920,969, of which \$4,500,000 was paid as of December 31, 2008. The remaining \$1,420,969 was paid in February 2009, subsequent to the completion of an independent appraisal.

Payments in the amount of \$57,719 were made to a subsidiary of CenTra during 2009. These payments were for parts and labor charges incurred to repair our equipment.

We made payments to subsidiaries of Oakland Financial Corporation during 2009 in the amount of \$20,908 for insurance premiums paid pursuant to agreements to provide insurance coverage to certain of our independent contractors. The underlying agreements are made directly with the independent contractors. The full amount of these payments to the subsidiaries of Oakland Financial Corporation is recouped by us from the independent contractors.

We purchase physical damage insurance coverage on our tractors and trailers through an unaffiliated insurance broker, which is written by a subsidiary of Oakland Financial Corporation. In 2009, we made payments for these policies in the amount of \$1,745,453, and received \$1,076,514 in payment for claims filed.

Prior to September 2009, we purchased commercial auto and general liability insurance issued through an unaffiliated insurance company. A subsidiary of Oakland Financial Corporation served as third-party administrator for this insurance. In 2009, the subsidiary received \$50,000 from the unaffiliated insurance company for handling the claims under this program. Under the commercial auto liability policy, the subsidiary adjusts the claims (which are subject to a \$2,500 deductible) and remits the full amounts of the settlements to the claimants. The subsidiary invoiced us for the \$2,500 deductible amount, for which we paid a total of \$627,412 in 2009.

Beginning in September 2009, we secured coverage for commercial auto and general liability insurance through an unaffiliated insurance broker, which is written by a subsidiary of Oakland Financial Corporation. In 2009 we

Table of Contents

made premium payments of \$2,333,780 for commercial auto liability and \$20,100 for general liability coverage under these policies.

On December 6, 2007, we entered into a Consulting Agreement with Mr. Manuel Moroun. The agreement has an initial term of one year, and automatically renews for four additional one-year periods, unless earlier terminated due to death, disability or by mutual agreement. Pursuant to the agreement, Mr. Manuel Moroun provides us with consultation and advice as to the management and operation of PTSI, and such other consulting activities as we may reasonably request and as are reasonably acceptable to him. For the services that Mr. Manuel Moroun renders pursuant to the agreement, we pay him a consulting fee of \$100,000 per year, which is paid in quarterly installments.

We believe that substantially all of the above transactions were entered into on terms at least as favorable to us as could have been obtained from persons who were not related to us, and each of the transactions was in our best interest. We expect to continue transactions with subsidiaries of CenTra and other companies owned or controlled by our directors, Mr. Manuel Moroun and Mr. Matthew Moroun, in 2010 that are similar to those described above.

ANNUAL REPORT TO STOCKHOLDERS AND REPORT ON FORM 10-K

Additional information concerning us, including our financial statements, is provided in our 2009 Annual Report to Stockholders that accompanies this proxy statement. Our Annual Report on Form 10-K for the year ended December 31, 2009, as filed with the SEC, is available to stockholders who make a written request for it to our Secretary, Larry J. Goddard, at our principal executive office, P.O. Box 188, Tontitown, Arkansas 72770. Copies of exhibits filed with that report or referenced in it will be furnished to stockholders of record upon request and payment of our expenses in furnishing such documents.

STOCKHOLDER PROPOSALS

In order for a proposal by a stockholder to be presented at an annual meeting of our stockholders, the proposal must be included in the related proxy statement and proxy form. Any proposal to be presented at the 2011 annual meeting of stockholders must be received at our principal executive office not later than December 21, 2010, directed to the attention of the Secretary, for consideration for inclusion in our proxy statement and form of proxy relating to that meeting. Any such proposals must comply in all respects with the rules and regulations of the SEC.

In connection with our annual meeting of stockholders to be held in 2011, if we do not receive notice of a matter or proposal to be considered by March 11, 2011, then the persons appointed by our Board of Directors to act as the proxies for such annual meeting (named in the form of proxy) will be allowed to use their discretionary voting authority with respect to any such matter or proposal at the annual meeting, if such matter or proposal is properly raised at the annual meeting and put to a vote.

OTHER MATTERS

We do not know of any matters to be brought before the meeting other than those described in this proxy statement. If any other matter properly comes before the meeting, the persons designated as proxies will vote on each such matter in accordance with their best judgment.
