.

Q:

What Shares Can I Vote?

A:

You may vote any voting shares which you own as of the close of business on June 22, 2006, the record date for the Annual Meeting (the *Record Date*). These shares include shares held directly in your name as the shareowner of record, and shares held for you as the beneficial owner through a stockbroker or bank.

Q:

Do I Need An Admission Ticket To Attend The Annual Meeting?

A:

All Signalife shareholders are welcomed to attend the Annual Meeting. You may, however, be required to provide proof of identification should you desire to attend and vote your shares at the Annual Meeting.

Q:

Can I Vote My Shares In Person At The Annual Meeting?

A:

Yes, you may vote your shares in person at the Annual Meeting. If you choose to do so, please bring the enclosed proxy card and proof of identification.

Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy card as described below so that your vote will be counted if you later decide not to attend.

Q:

How Can I Vote My Shares Without Attending The Annual Meeting?

A:

To vote your shares without attending the Annual Meeting, you should submit your proxy card directly to Signalife's stock transfer and registrar, Atlas Stock Transfer Corporation, either by mail, facsimile or internet. If you sign but do not provide instructions, your shares will be voted as described below in *Q: How Are Votes Counted?* . For Atlas' contact information see *Q: How Can I Get Further Information?* below.

Q:

Can I Change My Vote?

A:

You may change your proxy instructions at any time prior to the vote at the Annual Meeting. You may accomplish this by granting a new proxy card bearing a later date (which automatically revokes the earlier proxy) or by attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

Q:

How Are Votes Counted?

A:

In the election of directors, you may vote **FOR** each or all of the director nominees, or your vote may be **WITHHELD** with respect to one or more of those nominees.

With respect to the other proposals contained in this proxy statement, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you **ABSTAIN**, it has the same effect as a vote **AGAINST**.

If you sign your proxy card with no further instructions, your shares will be voted in accordance with the recommendations of our board of directors.

Each of our director nominees has consented to his or her nomination for election. Should any director nominee no longer remain a candidate at the time of the Annual Meeting, your proxy card will be voted for the election of a replacement nominee to be designated by our board of directors to fill that vacancy.

Q:

What Is The Voting Requirement To Approve Each Of The Proposals?

A:

In the case of the election of the director positions, the seven persons receiving the highest number of FOR votes of our voting shares voting as a single class will be elected. All other proposals require the affirmative FOR vote of a majority of those shares present and entitled to vote.

Q:

What Happens If Additional Proposals Are Presented At The Annual Meeting?

A:

Other than the proposals described in this proxy statement, we do not expect any other matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders on the proxy card, namely, Ms. Pamela M. Bunes (our President and Chief Executive Officer) and Mr. Rodney Hildebrandt (our Chief Operating Officer), will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting.

Q:

How Many Votes Do I Have?

A:

Each voting share outstanding as of the Record Date is entitled to one vote for each of the seven director positions, and one vote for each of the other proposals. As of the Record Date, there were 39,176,192 voting shares issued and outstanding.

Q:

Is Cumulative Voting Permitted For The Election Of Directors?

A:

No. Cumulative voting does not apply to any of the matters to be voted upon at the Annual Meeting as we are not required under Delaware corporate law, and have not elected under our certificate of incorporation or bylaws, to provide for cumulative voting.

Q:

What Is The Quorum Requirement For The Annual Meeting?

A:

The quorum requirement for holding the Annual Meeting and transacting business is a majority of the shares entitled to vote. In determining whether a quorum is present, all shares present in person or represented by proxy with respect to the matter to be voted upon are counted as present for the purpose of determining the presence of a quorum, including shares to which the holder abstains from voting on the matter.

Q:

Who Will Count The Votes?

A:

A representative of our company, or our legal counsel, will tabulate the votes and act as the inspector of election.

Q:

Where Can I Find The Voting Results Of The Annual Meeting?

A:

We will announce preliminary voting results at the meeting and publish final results either on our website, a form 8-K filed with the SEC, or in our quarterly report on form 10-QSB for the second quarter of fiscal 2006 which we expect to file with the SEC on or before August 15, 2006.

In addition, the notice must meet all other requirements contained in our bylaws or corporate governance charters and codes. Any nomination for a director nominee must contain the following information:

Any proposal you make must also comply with SEC regulations regarding the inclusion of shareowner proposals in company-sponsored proxy materials. We suggest that any nominations or proposals be submitted by certified mail-return receipt requested. Signalife reserves the right to reject, rule out of order, or take other appropriate action with respect to any nomination or proposal that does not comply with these and other applicable requirements.

Q:

May I Propose Actions For Consideration At The Annual Meeting?

A:

Thus, since July 7, 2006 is specified as the mailing date in this year's proxy statement, in order for any such nomination notice to be timely for next year's Annual Meeting, it must be received by Signalife not later than March 9, 2007 (i.e., 120 days prior to the one year anniversary of the July 7, 2006 date).

In order for you to raise a shareowner proposal from the floor during next year's Annual Meeting, we must, pursuant to SEC rules, also receive the written proposal by no later than 45 days in advance of the day specified as the mailing date in our proxy statement for this Annual Meeting. Thus, since July 7, 2006 is specified as the mailing date in this year's proxy statement, in order for any such proposal to be made from the floor, it must be received by Universal Holdings not later than May 23, 2007 (i.e., 45 days prior to the one year anniversary of the July 7, 2006 date).

Any proposal you may make must also comply with SEC regulations regarding the inclusion of shareowner proposals in company-sponsored proxy materials. We suggest that any nominations or proposals be submitted by certified mail-return receipt requested. Signalife reserves the right to reject, rule out of order, or take other appropriate action with respect to any nomination or proposal that does not comply with these and other applicable requirements.

Q:

What happens if several shareholders reside at the same address but we only receive one set of proxy materials?

A:

In an effort to reduce printing costs and postage fees, we have adopted a practice approved by the SEC called householding. Under this practice, shareholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our

proxy materials unless one or more of these shareholders notifies us that they wish to continue receiving individual copies. Shareholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another shareholder and received only one set of proxy materials and would like to request a separate copy of these materials and/or future proxy materials, please send your request Signalife at any of the addresses previously described in *Q: How Can I Contact Signalife's Directors?*. You may also contact the company if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

**PROPOSAL NO. 1:
ELECTION OF DIRECTORS**

There are seven nominees for election to our board of directors as directors this year, namely, Ms. Pamela M. Bunes, Mr. Rodney Hildebrandt, Mr. Ellsworth Roston, Dr. Lowell T. Harmison, Ms. Jennifer Black, Ms. Norma Provencio, and Mr. Rowland Perkins. Messrs. Roston and Harmison and Ms. Black have each served as a director since our last annual meeting of shareholders, while the other director nominees have been appointed as directors in the interim.

Information regarding the business experience of each of these nominees is provided below. The directors are elected annually to serve until the next annual meeting of shareholders and until their respective successors are elected and qualified. There are no family relationships among our executive officers and directors except as described below.

The designated proxy holders will vote each proxy received by them from our voting shareholders as directed on their proxy cards or, if no direction is made, for the seven nominees named above. If any of these nominees should be unable or unwilling to serve, the discretionary authority granted to the proxy holders as provided in the proxy card will be exercised to vote for a substitute nominee designated by our board of directors. We have no reason to believe that any substitute nominee will be required. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many of the nominees named above as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders.

The seven nominees receiving the highest number of votes cast by our voting shareholders, voting as a single class, will be elected to fill the seven director positions. The proxies cannot be voted for more than seven nominees.

Our board of directors recommends to our voting shareholders that you vote FOR the election of Ms Bunes, Mr. Hildebrandt, Mr. Roston, Dr. Harmison, Ms. Black, Ms. Provencio and Mr. Perkins as our seven directors. Proxies solicited by our board of directors will be so voted unless the voting shareholder tendering the proxy specifies otherwise.

Board Of Directors

Our bylaws set the authorized number of directors on our board of directors at not less than three nor more than nine, with the actual number fixed by a resolution of our board. As noted above, there are

currently seven directors serving on our board, Mss. Bunes, Black and Provencio, and Messrs. Hildebrandt, Harmison, Roston and Perkins. All of the directors will serve until the next annual meeting of shareholders and until their successors are elected and qualified by our shareholders, both common and preferred, voting on a cumulative basis as one class, or until their earlier death, retirement, resignation or removal.

During fiscal 2005, our board of directors held six meetings. No director attended less than 75% of the total number of those meetings.

Signalife does not have a formal policy requiring directors to attend the Annual Meeting. Nevertheless, we encourage each director to, and anticipate that each director will, attend this year's Annual Meeting. At our last Annual Meeting, each of our directors as of that date attended.

Our board of directors has determined that each of our directors other than Ms. Bunes and Messrs. Hildebrandt and Harmison are independent directors as that term is defined by AMEX. Ms. Bunes and Messrs. Hildebrandt are not independent by reason of their being current executive officers, while Mr. Harmison is not independent by reason of previously serving as our interim chief executive officer.

Our board of directors has adopted a code of ethics, which applies to all of our officers, directors and employees. We will provide a copy of the code without charge to any person who sends a request for a copy to our principal executive offices.

Audit Committee

Our board of directors has established an audit committee comprised of Ms. Provencio, Ms. Black and Mr. Perkins. The function of the audit committee is to assist the board of directors in monitoring: (1) the integrity of the company's financial statements; (2) the qualifications, independence and performance of the company's independent auditors and recommending their appointment to the full board; (3) the performance of the company's internal accounting and audit personnel; and (4) the compliance by the company with legal and regulatory requirements. The audit committee held six meetings in fiscal 2005. The most recent version of our audit committee charter is attached as appendix A to this proxy statement.

Our board of directors has determined that Ms. Provencio is an audit committee financial expert, as that term is defined by the SEC, by reason of her education and experience in providing auditing and accounting services to public companies. Our board of directors has also determined that each of Ms. Provencio, Ms. Black and Mr. Perkins meet the audit committee independence standards adopted by AMEX and the SEC.

Audit Committee Report

The following is a report from of the audit committee of our board of directors concerning the audit of our financial statements and the appointment of our independent auditors:

The audit committee of the Signalife's board of directors oversees Signalife's financial reporting process on behalf of the full board. Management is responsible for Signalife's financial statements and the financial reporting process, including the system of internal controls. Signalife's independent auditors are responsible for expressing an opinion on the conformity of those

audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in Signalife's annual report on form 10-KSB for the year ended December 31, 2005. The audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the audit committee has discussed with the independent auditors the auditors' independence from the company and its management including the matters in the written disclosures provided to the audit committee as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

The audit committee recommended to Signalife's board of directors, and the board approved, the inclusion of the audited financial statements in Signalife's annual report on Form 10-KSB for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The audit committee has also recommended the selection of the company's independent auditors for the fiscal year ending December 31, 2006.

Nominations Committee

Our board of directors has established a nomination and qualifications committee (the *nominations committee*) comprised of Mss. Norma Provencio and Jennifer Black. Under our corporate governance guidelines, the nominations committee is comprised of at least two independent directors. Our board of directors has also determined that each of the members meet the nominations committee independence standards adopted by AMEX. The nominations committee did not meet in fiscal 2005.

The function of the nominations committee is to evaluate and recommend to the board of directors a slate of director-nominees for election by the shareholders at each annual meeting, or to fill any vacancies in existing or new positions on the board which may arise. There are no minimum qualifications for serving on our board of directors. Nevertheless, in evaluating the suitability of individual board members, the nominations committee and the board consider, among other factors, the prospective nominee's: (1) personal and professional integrity; (2) business judgment; (3) general understanding of marketing, finance and other disciplines relevant to the success of a development-stage publicly-traded company in today's business environment; (4) general understanding of the company's business on a technical level; (5) educational and professional background, (6) overall ability to effectively work with the other members of the board to collectively serve the long-term interests of the shareholders; and (7) commitment and ability to devote sufficient time and energy to diligently his or her duties. In determining whether to recommend a director for re-election, the nominations committee and the board consider the director's past attendance at meetings and participation in and contributions to the activities of the board. The nominations committee and the board evaluate each individual in the context of the board as a whole, with the objective of recommending a group that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. The foregoing standards and procedures are set forth in our corporate governance guidelines, a copy of which is shown on the company's website at www.signalife.com. As a practical matter, we strive to achieve an effective balance and range of experience and expertise, including operational experience and financial expertise. Notwithstanding the foregoing, our ability to attract and engage a board of directors comprised of individuals having all of the above ideal attributes is limited by our status as a development stage company with limited resources and market capitalization.

Our board of directors has the authority to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used by the board to date and, accordingly, no fees have been paid to consultants or search firms.

We do not have any formal policies in place relative to the consideration of director candidates recommended by our shareholders, or the consideration of other proposals for corporate action made by our shareholders. Nevertheless, minority shareholders are permitted to recommend nominees for election or appointment or to make other proposals pursuant to SEC guidelines, and our board in its discretion will determine whether or not to consider that candidate based upon such criteria as it deems relevant. To understand those guidelines, see *Q: May I Nominate A Director For Election At The Annual Meeting?* and *Q: May I Propose Actions For Consideration At Next Year's Annual Meeting Or Nominate Individuals To Serve As Directors?* in the *Questions And Answers* section of this proxy statement above. Given that approximately 54.8% of our voting shares are held by a single shareholder, which allows that shareholder to elect our full board of directors and to take other actions, we do not believe it to be necessary at this time to formulate formal policies to consider minority shareholder director nominations or proposals to take other corporate action.

Shareholder Communication Policies And Procedures

Under our corporate governance guidelines, we have adopted a policy pursuant to which shareholders may send communications to individual directors or the full board of directors as a whole. Any such communications may be sent by mail or courier to the Company's principal executive offices, addressed to the individual director or to the full board of directors, or by facsimile transmission at the Company's general facsimile number. These procedures are set forth in *Q: How Can I Contact Signalife's Directors?* in the *Questions And Answers* section of this proxy statement above.

Compensation Committee

Our board of directors has established a compensation, benefits and business ethics committee (referred to in this proxy statement as the *compensation committee*) comprised of Messrs. Ellsworth Roston and Rowland Perkins.

Under our corporate governance guidelines, the compensation committee is comprised of at least two independent directors who review and recommend to the full board of directors for its approval by majority vote any matter relating to (1) the administration of our various stock plans; (2) the form and amount of compensation or benefits payable or provided to any director or member of management, (3) any related party transaction between the company and any director or officer of the company, and (4) any other conflict of interest between the company and any director or officer of the company. The compensation committee met approximately one time in the year 2005.

Board Compensation

Our recent compensation policy for our directors for service on the full board has been to compensate them through stock grants pursuant to a director's compensation policy initially adopted on February 6, 2003. Upon joining our board of directors, each member is granted an option to purchase 50,000 common shares, exercisable at its then trading price. These options vest quarterly over one year, and lapse in five years if not exercised. Each director will thereafter be granted options on an annual basis entitling him to purchase an additional 28,000 common shares, which options will vest quarterly based upon

the continued provision of services as a director, and lapse in five years if not exercised. The exercise price for these options will be fixed at current market price as of the date of grant.

Our current compensation policy for our directors for serving on our various committees to the board has been to compensate them through the grant of common share purchase options. Prior to January 3, 2005, each committee member was granted an option to purchase 2,000 common shares, exercisable at its then trading price, upon his or her appointment to a committee. Commencing January 3, 2005, the amount of the grant was increased to 10,000 shares for serving on the audit committee, and 5,000 shares for serving on the compensation committee, with the first grants being made effective as of that date. All committee options vest in four quarterly installments subject to attendance at least 90% of any committee meetings during that quarter, and lapse in five years if not exercised.

The following table describes the common share purchase options granted to our directors as of the date of this proxy statement as compensation for serving on our board and, if applicable, committees of our board. The following table does not include common share purchase options principally granted for the provision of services in other capacities for the company, including as an officer or consultant.

Robert C. Scherne, Interim Chief Financial Officer

Mr. Robert C. Scherne provides his services as Interim Chief Financial Officer on a leased basis through Robert C. Budimir Drakulic, Vice President and Chief Technology Officer

On October 11, 2002, Signalife reached an agreement-in-principle with Dr. Budimir Drakulic to become our Vice President and Chief Technology Officer on a consulting basis through his consulting companies. Pursuant to that understanding, on October 15, 2002, we entered into a loan-out agreement with B World Technologies, Inc. (*B World Technologies*) B Technologies, Inc. (*B Technologies*) relative to the provision of Dr. Drakulic's services, which formally commenced as of that date. Dr. Drakulic is the president and owner of these companies. The essential terms of the loan-out agreement are as follows:

The agreement provides for a ten-year initial term. After the initial term, the agreement renews automatically for successive one year terms, unless either party delivers 90-days written notice to the other of their intent not to renew.

Dr. Drakulic's services are provided on a mutually-acceptable part-time basis.

Signalife paid B Technologies a \$10,000 bonus upon execution, and pays it a monthly service fee of \$15,000 thereafter.

B World Technologies was granted 600,000 restricted common shares (200,000 shares pre-split), to be earned over five years of continuous provision of services by Dr. Drakulic. These shares, which will be held in escrow with the company pursuant to the terms of a restricted stock agreement until they are earned, vest at the rate of 30,000 shares per quarter with the first 30,000 shares vesting on January 15, 2003. B World Technologies is entitled to all dividends which may be declared with respect to these shares, even if not vested.

The loan-out agreement provides for early termination should B World and B Technologies fail, neglect or refuse to provide Dr. Drakulic's services. In such an event, all compensation under the agreement will terminate and the unvested portion of the 600,000 restricted common share grant shall be deemed forfeit as of the effective termination date.

Since March 1, 2003, Dr. Drakulic has worked for us on a full-time basis even though the loan-out agreement only provides for the provision of part-time services. We have agreed to characterize these additional services as being provided by Dr. Drakulic as an employee, and to pay him \$7,500 annually as compensation for their provision. Since January 1, 2004, this annual compensation was increased to \$37,000.

On March 10, 2003, as additional incentive for the performance of Dr. Drakulic, we granted to B World Technologies options entitling it to purchase 750,000 common shares at \$0.95 per share. These options vest quarterly over a four year term, and lapse, if not exercised, on March 9, 2008.

Concurrent with entering into the loan-out agreement, B World Technologies, B Technologies and Dr. Drakulic signed an employment, confidential information, invention assignment and arbitration agreement under which they agreed, among other things, to assign to us all of Dr. Drakulic's right, title and interest in and to any and all inventions, discoveries, etc. which he conceives or develops while engaged by Signalife.

(2)

The dollar value provided represents the cumulative difference in the fair market value of our common stock underlying all in-the-money options as of December 31, 2005 and the exercise prices for those options. Options are considered in-the-money if the fair market value of the underlying common shares as of the last trading day in fiscal 2005 exceeds the exercise price of those options. The fair market value of Signalife common shares for purposes of this calculation is \$2.65, based upon the closing price for our common shares as quoted on AMEX on December 31, 2005.

Compliance With Section 16

Section 16(a) of the Securities and Exchange Act of 1934 requires any person who is a director or executive officer of Signalife, or who beneficially holds more than 10% of any class of our securities which have been registered with the SEC, to file reports of initial ownership and changes in ownership with the SEC. These persons are also required under SEC regulations to furnish us with copies of all Section 16(a) reports they file. The reporting obligation of Section 16(a) became applicable to our directors, executive officers and 10% shareholders upon our becoming a registered company under the Securities and Exchange Act of 1934 upon the listing of our common shares with AMEX in June 2005.

To our knowledge based solely on our review of the copies of the Section 16(a) reports furnished to us and written representations to us that no other reports were required, the following directors and executive officers were late or deficient with respect to the following filings under Section 16(a) during or relating to fiscal 2005: (1) each of our directors and executive officers (Mss. Bunes, Black and Provencio and Messrs. Hildebrandt, Harmison, Roston, Perkins and Drakulic) failed to timely file a form 4 relating to their initial holdings following our listing with AMEX or their later appointment, as the case may be, and; (2) Ms. Provencio and Messrs. Harmison and Perkins failed to timely file a form 5 with respect to fiscal 2005 reporting those delinquent filings.

Code of Ethics

Our Board of Directors adopted a code of ethics applicable to our management. We will provide a copy of the code without charge to any person who sends a request for a copy to our principal executive officers.

.

On February 14, 2003, we entered into a three-year consulting agreement with one of our directors, Dr. Lowell T. Harmison. Under this agreement, Dr. Harmison provided advice to us in the areas of technological support and strategy, product development, medical and scientific advisory board development, and FDA regulation. The compensatory terms of the agreement are as follows:

o

Signalife was obligated to pay Dr. Harmison \$36,000 per year over the term of the agreement, payable quarterly.

o

Dr. Harmison was entitled to receive upon execution of the agreement an initial grant of options entitling him to purchase 108,000 common shares (36,000 shares pre-split) at \$0.97 per share, exercisable over five years.

o

Dr. Harmison was further entitled to receive upon execution of the agreement an additional grant of options entitling him to purchase 108,000 common shares (36,000 shares pre-split) at \$0.97 per share, vesting in increments of 9,000 common shares each upon the first through twelfth quarterly anniversary dates of the agreement based upon his provision of services. These options are exercisable for a period of five years following vesting.

o

Dr. Harmison was entitled to receive grants of common share purchase options in tranches of 20,000 shares per milestone for assisting Signalife in attaining various milestones determined by our board of directors, including the preparation and filing with the FDA of a 510(k) application for our product as it relates to its incorporation into a vest, approval of that application by the FDA, and market launch of that product.

o

Dr. Harmison was entitled to receive a grant of 20,000 common shares in the event of a change in control as that term is defined in the agreement.

.

On January 21, 2005, we entered into a second consulting agreement with Dr. Harmison in connection with the provision of his services in evaluating the applicability of our technology to the EEG market. Under this agreement, we acknowledged that Dr. Harmison had previously provided services for this project for which we compensated him with the sum of \$70,000 in registered common shares, and agreed that Dr. Harmison would provide an additional \$84,000 in services,

payable at the rate of \$14,000 per month, to complete the project over a six month term. An additional payment of \$14,000 was made to cover a seventh month of service.

On April 15, 2005, we entered into a five-year employment agreement with Ms. Pamela M. Bunes with respect to the provision of services as our Chief Executive Officer and President and as a director of the company. For a description of this agreement, see *Business Employment And Consulting Agreements With Executive Management* .

On April 18, 2005, we entered into a four-year employment agreement with Mr. Rodney Hildebrandt with respect to the provision of services as our Chief Operating Officer and Secretary and as a director of the company. During fiscal 2005, Fulwider Patton Lee & Utecht, LLP provided services to Signalife in the amount of \$162,603.

Parent Corporation

ARC Finance Group, LLC, is the beneficial holder of approximately 54.8% of our common shares outstanding as of June 22, 2006. ARC Finance Group is principally owned and controlled by Ms. Tracey Hampton. By reason of its holdings, ARC Finance Group has the ability to elect a majority of our board of directors, and thereby control our management. ARC Finance Group also has the ability to control the outcome of corporate actions requiring shareholder approval, including mergers and other changes of corporate control, going private transactions, and other extraordinary transactions.

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Appointment Of Independent Auditors

The audit committee of our board of directors has recommended, and our board has approved, the appointment of Elliott Davis, LLC (*Elliott Davis*), as our independent auditors for our 2006 fiscal year. Elliott Davis also served as our independent auditors for our 2005 fiscal year. Since we believe it is important for Signalife to receive your input on our selection of independent auditors for our company, that appointment is being presented to you for ratification. We expect a representative of Elliott Davis will attend the annual meeting, and we will extend the opportunity to the representative to make a statement if he or she desires to do so. This representative will also be available to answer any questions you may have.

You should note that your ratification of our selection of Elliott Davis as our independent auditors for our 2006 fiscal year is advisory only and not binding upon Signalife, although our audit committee will seriously consider your objections in not ratifying the appointment. Even if our audit committee were to

seek other independent auditors as a consequence of your objections, it is likely, because of the difficulty and expense of making any change in independent auditors, that the appointment of Elliott Davis would stand unless the audit committee were to find other good reason to make a change. Our audit committee also reserves the right to engage any other independent auditors at any time, notwithstanding your ratification of Elliott Davis as our independent auditors for fiscal 2006, should it deem it to be in the best interests of Signalife and its shareholders.

Our board of directors recommends that you vote FOR the ratification of the appointment of Elliott Davis as our independent auditors for our 2006 fiscal year. Proxies solicited by our board of directors will be so voted unless the holder of voting shares tendering the proxy specifies otherwise.

Audit and Accounting Fees

Summarized below is the aggregate amount of various audit and other professional fees billed by our principal auditors and accountants with respect to our last two fiscal years:

	2005	2004
Audit fees	\$ 82,500	\$ 190,000
Audit-related fees	\$	\$
Tax fees	\$ 9,000	\$
All other fees	\$	\$
All other fees, including tax consultation and preparation	\$	\$

Under our corporate governance guidelines and audit committee charter, our audit committee approves the engagement of our auditors, the scope of their work, and monitors their performance. In performing its duties, our audit committee has determined our auditors to be independent as that term is defined under the federal securities laws.

Replacement Of Prior Independent Auditors

On September 29, 2005, we formally terminated the engagement of Stonefield Josephson, Inc. (*Stonefield Josephson*) as our independent registered public accounting firm for purposes of auditing our financial statements for the fiscal year ended December 31, 2005. The decision to dismiss Stonefield Josephson was recommended and approved by the audit committee of our board of directors and also approved by our board of directors. The reason for the change was that the company had relocated its executive offices from California to South Carolina, and the determination that it would be best to have a locally-established firm in that geographical area as our independent registered public accounting firm in order to simplify the audit process.

Stonefield Josephson audited our financial statements for two fiscal years ended December 31, 2004. Stonefield Josephson's reports on the financial statements for those fiscal years did not contain an adverse opinion or disclaimer of opinion and was not otherwise qualified or modified as to any other uncertainty, audit scope or accounting principles. Except as discussed below, during those two fiscal years and also during the subsequent period through the date of Stonefield Josephson's replacement as indicated above: (1) there were no disagreements between Signalife and Stonefield Josephson on any matter of

accounting principles or practices, financial statement disclosure, or auditing scope or procedure; and (2) Stonefield Josephson provided no advice to Signalife that (i) internal controls necessary to develop reliable financial statements did not exist, (ii) information had come to the attention of Stonefield Josephson which made it unwilling to rely on management's representations, or unwilling to be associated with the financial statements prepared by management, or (iii) the scope of the audit should be expanded significantly, or information had come to the attention of Stonefield Josephson that it concluded will, or if further investigated might, materially impact the fairness or reliability of a previously issued audit report or the underlying financial statements, or the financial statements issued or to be issued covering the fiscal periods subsequent to the date of the most recent audited financial statements.

As previously disclosed on our form 10-KSB for our year ended December 31, 2004, in connection with audit of our financial statements for the fiscal year ended December 31, 2004, Stonefield Josephson identified that our accounting for the beneficial conversion feature of a convertible promissory note issued on December 28, 2004, which feature we had originally recognized and amortized commencing February 14, 2005 based upon management's interpretation of the application of existing accounting principles to the underlying contract documents, should have instead been recognized and amortized commencing December 28, 2004. Stonefield Josephson discussed this matter with our Chief Financial Officer and other members of management, and we subsequently reevaluated the transaction and recorded an adjustment. Stonefield Josephson believed that this adjustment reflected a significant deficiency in our internal controls over the application of existing accounting principles to new transactions and financial reporting. This deficiency would have resulted in a material misstatement to the financial statements for the year ended December 31, 2004.

As previously disclosed on our form 10-KSB for the year ended December 31, 2004, in connection with the audit of Signalife's financial statements for the year ended December 31, 2004, Stonefield Josephson made several observations relating to our disclosure controls and procedures or internal controls. First, Stonefield Josephson observed that Signalife did not have adequate segregation of duties due to the size of the company, and that management had the ability to override any existing controls. Secondly, Stonefield Josephson observed that Signalife did not have a comprehensive accounting procedures manual including information as to customized internal control structure, documentation and transaction flow. Additionally, Stonefield Josephson observed that none of the members of our audit committee demonstrated an in-depth understanding of generally accepted accounting principles.

With respect to the deficiency identified by Stonefield Josephson in the third paragraph above, we took corrective action during the three-month interim period ended March 31, 2005 to enhance our internal controls as they relate to addressing complex accounting issues by resolving to forward our proposed treatment of these complex accounting issues to outside professionals (other than our independent auditors) for review in situations where the accounting treatment is unclear or extremely complex.

We also took corrective action with respect to Stonefield Josephson's observations in the fourth paragraph above. First, we developed procedures to facilitate the adequate segregation of duties within the limited size of our management team. Second, we are developing a comprehensive accounting procedures manual. Finally, in order to ensure that our audit committee has an in-depth understanding of generally accepted accounting principles, we appointed Ms. Norma Provencio to serve on our board of directors and the audit committee of the board. Ms. Provencio is a certified public accountant with over 26 years of accounting experience, including significant audit and public company experience that qualify her as being financially sophisticated for SEC and AMEX audit committee purposes.

**PROPOSAL NO. 3:
OTHER MATTERS**

The enclosed proxy card gives the proxy holder discretionary authority to vote the shares held by the voting shareholder tendering the proxy in accordance with the proxy holder's best judgment with respect to all additional matters which might come before the Annual Meeting. In addition to the scheduled items of business, the Annual Meeting may consider shareholder proposals omitted from this proxy statement pursuant to the SEC's proxy rules and matters related to the conduct of the Annual Meeting. At the date of printing of this proxy statement, we are not aware of any other matter which would be presented for action before the Annual Meeting.

the Board. In so doing, the Committee will maintain free and open communications with the Company's internal and independent outside auditors and management. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the

power to retain outside counsel, or other experts, for this purpose with the approval of the Board.

The Committee, in carrying out its responsibilities, believes that its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. The Committee will endeavor to help direct, where necessary ~ the overall corporate goals of maintaining quality financial reporting, sound business risk practices and ethical behavior.
