Item 8.01.            Other Events.

On July 30, 2007, Marathon Electric Manufacturing Corporation (“Marathon”), a subsidiary of Regal Beloit Corporation (the “Company”), entered into a settlement agreement with Enron Wind Energy Systems, LLC, Enron Wind Contractors, LLC and Zond Minnesota Construction Company, LLC (collectively, “Enron Wind”) to resolve all matters alleged by Enron Wind in the litigation it filed in 2004 against Marathon involving certain generators sold by Marathon to Enron Wind from 1997 to 1999 (the “Action”). The settlement agreement is subject to approval by the United States Bankruptcy Court for the Southern District of New York (the “Court”) where each of the Enron Wind entities has consolidated its Chapter 11 bankruptcy petition as part of the Enron Corporation bankruptcy proceedings. Marathon expects that a motion to approve the settlement agreement will be filed by Enron Wind with the Court in the near future and that, subject to scheduling, the Court will take action on the motion during the third quarter of 2007.

Under the terms of the settlement agreement, Enron Wind will fully release and discharge Marathon from all claims relating to the Action and, in exchange, Enron Wind will receive a monetary payment. After contributions from other involved parties, the after-tax impact of Marathon’s portion of the payment under the settlement agreement would be approximately \$1.15 million.

Marathon has denied and continues to deny all the allegations asserted in the Action. If the settlement agreement is not approved by the Court, then Marathon will continue to defend vigorously all of the claims asserted in the Action.
