Item 2. Acquisition or Disposition of Assets

On July 17, 2003, Innovo Group Inc. (the "Company" or "IGI") through its subsidiary Innovo Azteca Apparel, Inc. ("IAA") entered into an asset purchase agreement ("APA") with Azteca Production International, Inc. ("Azteca"), Hubert Guez ("Hubert Guez") and Paul Guez ("Paul Guez"), whereby IAA acquired the Blue Concepts division (the "Division") of Azteca. The Division sells primarily denim jeans to American Eagle Outfitters, Inc. ("AEO"), a national retailer. Hubert Guez and Paul Guez are substantial stockholders of the Company, together have a controlling interest in Azteca. As of March 25, 2003, Hubert Guez and his affiliates beneficially own approximately 35% of the Company's common stock on a fully diluted basis.

Pursuant to the terms of the agreement, the purchase price to be paid by IAA for the Division is \$21.8 million, subject to adjustment, as noted below. Additionally, IAA will employ the existing employees of the Division but will not assume any of the Division's or Azteca's existing liabilities. The purchase price has been funded through the issuance of a seven-year promissory note (the "Note"). The Note bears interest at a rate of 6% and requires payment of interest only during the first 24 months and then is fully amortizing over the remaining five-year period. The terms of the transaction further allow the Company, upon shareholder approval, to convert a portion of the Note into

Edgar Filing: INNOVO GROUP INC - Form 8-K

equity through the issuance of 3,125,000 shares of Company common stock valued at the greater of \$4 per share or the market value of the Company's common stock at the date shareholder approval is obtained. In the event shareholder approval is obtained, the Note will be reduced to \$9.3 million and the shares issued pursuant to the conversion will be subject to certain lock-up periods. In the event the market value of the Company's common stock is greater than \$4.00 per share on the date of shareholder approval the purchase price.

In the event that sales of the Division fall below \$70 million during the first 17 month period ("Period I") following the closing of the acquisition, or \$65 million during the 12 month period ("Period II") following Period I, certain terms of the APA allow for a reduction in the purchase price through a decrease in the principal balance of the Note and/or the return of certain locked-up shares of the Company's common stock. In the event the Note is reduced during Period I and the sales of the Division in Period II are greater than \$65 million, the Note shall be increased by half of the amount greater than \$65 million but in no event shall the Note be increased by an amount greater than the decrease in Period I.

In the event the principal amount of the Note needs to be reduced beyond the outstanding principal balance of such Note, then an amount of the locked-up shares equal to the balance of the required reduction shall be returned to the Company. For these purposes, the locked-up shares shall be valued at \$4.00 per share. Additionally, if during the 12 month period following the closing, AEO is no longer a customer of IAA, the locked-up shares will be returned to the Company, and any amount remaining on the balance of the Note will be forgiven.

If the revenues of the Division decrease to \$35 million or less during Period I or Period II, IAA shall have the right to sell the purchased assets back to Azteca, and Azteca shall have the right to buy back the purchased assets for the remaining balance of the Note and any and all locked-up shares shall be returned to the Company.

As part of the transaction, IAA entered into a non-exclusive supply agreement ("Supply Agreement") with AZT International SA DE CV, a Mexico corporation and a wholly owned affiliate of Azteca, for products to be sold by the Division. In addition, IAA will pay to Sweet Sportswear, LLC, an entity owned 50% by Huber Guez and 50% by Paul Guez, an amount equal to 2.5% of IAA's revenues generated as a result of sales to AEO. While Paul Guez will not become an employee or officer of IAA, he will continue to serve as a liaison between IAA and Azteca for the purpose of facilitating the transaction of the Division from Azteca to IAA, and will continue to maintain a working relationship on a going forward basis with Azteca, its subsidiary AZT, and IAA as an interested party to these entities.

On July 18, 2003, the Company issued the press release attached hereto as Exhibit 99.1 and incorporated herein by reference announcing the acquisition of the Blue Concepts division from Azteca.

3.4 Partial Conversion of Buyer Note; Converted Shares; Lock-ups; Share Registration

(a) As soon as reasonably practicable following the Closing Date, Innovo shall, in accordance with Nasdaq Marketplace Rule 4350(i), hold a shareholder meeting for the purpose of seeking

All adjustments contemplated by Section 3.5 shall be made prior to the calculation of Shortage Shares.

(d) In the event the Converted Shares are issued pursuant to Section 3.4(b), Innovo shall, as soon as reasonably practicable but in no event later than twelve (12) months thereafter, use its commercially reasonable efforts (i) to file with the Securities and Exchange Commission a shelf registration statement on Form S-3 relating to the resale by Seller of all of the Converted Shares and (ii) to cause such registration statement referred to in subclause (i) to become and remain effective at least for a period ending with the first to occur of (A) the sale of all of the Converted Shares, (B) the availability of Rule 144 for Seller to immediately, freely resell without restriction all of the Converted Shares, and (C)

Edgar Filing: INNOVO GROUP INC - Form 8-K

one year following the expiration of the Lock-up Period; provided, that Innovo shall not be obligated to effect any such registration, qualification or compliance, or keep such registration effective, (1) in any particular jurisdiction in which Innovo would be required to qualify to do business as a foreign corporation or as a dealer in securities under the securities or blue sky laws of such jurisdiction or to execute a general consent to service of process in effecting such registration, qualification or compliance, in each case where it has not already done so, (2) during any S-3 Blackout Period, (3) or if the Converted Shares have been returned to Innovo pursuant to Section 3.5(f) or 3.5(g); further, provided, that if Innovo is obligated to register the Converted Shares and the Converted Shares have not been registered prior to the expiration of Calculation Period II, then Buyer shall pay to Seller the amount of one hundred thousand dollars (\$100,000) for each successive three (3) month period thereafter until such time as Innovo registers the Converted Shares in accordance with this Section 3.4(d).

(e) In the event that any Shortage Shares are issued pursuant to Section 3.4(c), Innovo shall, no later than one hundred twenty (120) days following such issuance, use its commercially reasonable efforts (i) to file with the Securities and Exchange Commission a shelf registration statement on Form S-3 relating to the resale by Seller of all of the Shortage Shares and (ii) to cause such registration statement referred to in subclause (i) to become and remain effective at least for a period ending with the first to occur of (A) the sale of all of the Shortage Shares, (B) the availability of Rule 144 for Seller to immediately, freely resell without restriction all of the Shortage Shares, and (C) one year following the expiration of the Lock-up Period; provided, that Innovo shall not be obligated to effect any such registration, qualification or compliance, or keep such registration effective, (1) in any particular jurisdiction in which Innovo would be required to qualify to do business as a foreign corporation or as a dealer in securities under the securities or blue sky laws of such jurisdiction to execute a general consent to service of process in effecting such registration, qualification or compliance, in each case where it has not already done so, or (2) during any S-3 Blackout Period; further, provided, that if Innovo is obligated to register the Shortage Shares and the Shortage Shares have not been registered prior to the expiration of the period set forth above, then Buyer shall pay to Seller the amount of twenty-five thousand dollars (\$25,000) for each successive three (3) month period thereafter until such time as Innovo registers the Shortage Shares in accordance with this Section 3.4(e).

(f) In the event of a registration of Converted Shares or shortage Shares pursuant to Section 3.4(d) or (e), respectively, Innovo will immediately notify the Seller Parties at any time when a prospectus relating to such Converted Shares or Shortage Shares is required to be delivered under the Securities Act of 1933, as amended, of the happening of any event which comes to Innovo's attention if, as a result of such event, the prospectus included in such registration statement contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements

Edgar Filing: INNOVO GROUP INC - Form 8-K

therein not misleading and Innovo shall promptly prepare and furnish to the Seller Parties a supplement or amendment to such prospectus (or prepare and file appropriate reports under the Securities Exchange Act of 1934, as amended) so that, as thereafter delivered to the purchasers of such Converted Shares or Shortage Shares, as the case may be, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, unless suspension of the use of such prospectus is authorized in the event of an S-3 Blackout Period, in which case no supplement or amendment need be furnished (or Securities Exchange Act of 1934, as amended, filing made) until the termination of such S-3 Blackout Period. The Seller Parties agree that, upon receipt of any notice from Innovo of the happening of any event of the kind described in this Section 3.4(f) or of the commencement of an S-3 Blackout Period, the Seller Parties shall discontinue disposition of Converted Shares and Shortage Shares pursuant to the registration statement(s) covering such securities until the Seller Parties' receipt of the copies of the supplemented or amended prospectus contemplated above or notice of the end of the S-3 Blackout Period, and, if so directed by Innovo, the Seller Parties shall deliver to Innovo (at Innovo's expense) all copies (including, without limitation, any and all drafts), other than permanent file copies, then in the Seller Parties' possession, of the prospectus covering such securities current at the time of receipt of such notice. In the event Innovo shall give any such notice, the period mentioned in Sections 3.4(d) and (e) hereof shall be extended by the greater of (i) ten business days or (ii) the number of days during the period from and including the date of the giving of such notice pursuant to this Section 3.4(f) to and including the date when the Seller Parties shall have received the copies of the supplemented or amended prospectus contemplated by this Section 3.4(f).

3.5 Sales Guarantee; Loss of Account

(a) In the event the AGR does not equal at least \$70,000,000 during the period from the Closing Date through and including December 31, 2004 ("Calculation Period I"), the principal balance of the Buyer Note shall be reduced by an amount computed as follows: (i) \$70,000,000 minus the AGR for Calculation Period I, multiplied by (ii) 50%.

(b) In the event the AGR does not equal at least \$65,000,000 during the twelve (12) month period from January 1, 2005 through and including December 12, 2005 ("Calculation Period II"), the principal balance of the Buyer Note shall be reduced by an amount computed as follows: (i) \$65,000,000 minus the AGR for Calculation Period II, multiplied by (ii) 50%; provided, however, if (x) the principal balance of the Buyer Note is reduced pursuant to Section 3.5(a), (y) the AGR for Calculation Period II is less than the AGR for Calculation Period I and (z) the AGR for Calculation Period II is less than \$65,000,000, then the resulting principal balance of the Buyer Note shall be reduced with respect to Calculation Period II by an amount computed as follows: (A) the AGR for Calculation Period I minus the AGR for Calculation Period II, multiplied by (B) 50%.

(c) In the event that the principal balance of the Buyer

Edgar Filing: INNOVO GROUP INC - Form 8-K

Note is reduced pursuant to Section 3.5(a) and the AGR for Calculation Period II is greater than \$65,000,000, the resulting principal balance of the Buyer Note shall be increased with respect to Calculation Period II by an amount computed as follows: (i) the AGR for Calculation Period II minus \$65,000,000, multiplied by (ii) 50%; provided, however, that the principal balance of the Buyer Note shall not be increased by more than the amount of the decrease of the principal balance of the Buyer Note as calculated pursuant to Section 3.5(a).

(d) Within twenty (20) days of the end of each Calculation Period Buyer will deliver to Seller a schedule setting forth in reasonable detail Buyer's calculation of the AGR for such period and the proposed reduction (or increase, as the case may be) in the principal amount of the Buyer Note (the "Proposed Note Adjustment Amount"). The Proposed Note Adjustment Amount will be subject to Seller's review. In reviewing the Proposed Note Adjustment Amount, Seller will have the right to communicate with, and to review the work papers, schedules and other documents Buyer prepared or reviewed in determining the Proposed Note Adjustment Amount for such period and thereafter will have access to all relevant books and records, all to the extent Seller reasonably requires to complete its review of Buyer's calculation of the Proposed Note Adjustment Amount. Within ten (10) calendar days after its receipt of Buyer's calculation of the Proposed Note Adjustment Amount, Seller will advise Buyer whether, based on such review, it has any exceptions to such calculation. Unless Seller delivers to Buyer within such ten (10) calendar day period a letter describing its exceptions to Buyer's calculation of the applicable Proposed Note Adjustment Amount as set forth in the schedule delivered by Buyer described in this Section 3.5(d), the Proposed Note Adjustment Amount for the applicable Calculation Period will be conclusive and binding on Buyer and Seller as the Note Adjustment Amount. If Buyer and Seller are unable to agree on the Note Adjustment Amount (the "Disputed Note Adjustment Amount"), then (A) for ten (10) days after the date Buyer receives the letter describing Seller's exceptions to Buyer's calculation of the Proposed Note Adjustment Amount, Seller and Buyer will use their Best Efforts to agree on the calculation of the Note Adjustment Amount and (B) lacking such agreement, the matter will be referred to an independent accounting firm acceptable to Buyer and Seller, who will determine the correct Disputed Note Adjustment Amount within fifteen (15) calendar days of such referral, which determination will be final and binding on Buyer and Seller for all purposes.

(e) In the event the Converted Shares are issued as contemplated in Section 3.4(a), if the application of the principal balance adjustment formulas described in Sections 3.5(a), (b) and (c) results in a reduction of the principal balance of the Buyer Note greater than the principal balance of the Buyer Note then outstanding (such amount exceeding the principal balance, the "Negative Balance"), Locked-up Shares shall be returned to the Buyer in an amount sufficient to equal the Negative Balance, provided, that for such purpose each Locked-up Share shall be valued at \$4.00.

(f) In the event (i) the Converted Shares are issued as contemplated in Section 3.4(a), (ii) the AGR for Calculation Period I is at least \$70,000,000 and (iii) the AGR for Calculation Period II as of the end of any fiscal quarter during

Edgar Filing: INNOVO GROUP INC - Form 8-K

Calculation Period II is at least \$35,000,000 (as determined pursuant to the unaudited financial statements of Buyer for such quarter), then that number of Locked-up Shares determined in accordance with the Locked-up Shares Release Formula (such Locked-up Shares, the "Released Locked-up Shares") shall no longer be subject to the restriction on transferability set forth in Section 3.4(b).

(g) In the event the AGR decreases to \$35,000,000 or less in either Calculation Period I or Calculation Period II, Buyer shall have the right to resell the Purchased Assets to the Seller Parties, and the Seller Parties shall have the right to repurchase the Purchased Assets from Buyer, exercisable upon written notice to the other party given within the 90-day period after the end of Calculation Period II. Upon the exercise of such rights by either party, the remaining principal balance outstanding on the Buyer Note shall be deemed forgiven and the Buyer Note cancelled without further action by either party and all outstanding Converted Shares shall be returned to Buyer.

(h) If at any time during Calculation Period I AEO ceases to be a customer of Buyer, as determined in the reasonable judgment of the Board of Directors of Buyer, all Locked-up Shares shall be returned to the Buyer and the remaining principal balance outstanding on the Buyer Note shall be deemed forgiven and the Buyer Note shall be cancelled without further action by either party. Upon such return of Locked-up Shares and the cancellation of the Buyer Note, Buyer will, at the request of Seller, return to Seller any or all Purchased Assets.

(i) Notwithstanding any other provision of this Section 3.5, aggregate Note Adjustment Amounts shall not be exceed \$16,800,000, unless (i) AEO is no longer a customer of Buyer as contemplated in Section 3.5(h) or (ii) the Purchased Assets are resold to or repurchased by Seller as contemplated in Section 3.5(i).

4.3 Obtaining Further Consents

Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any of the Purchased Assets or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assign thereof, without the consent of a third Person, would constitute a breach or other contravention thereof or in any way adversely affect the rights of Buyer thereunder. The Seller Parties will use their Best Efforts to obtain the consent of any such Person for the assignment to Buyer of any such Contract or Permit. If such consent is not obtained prior to Closing, or if an attempted assignment thereof would be ineffective or would adversely affect the rights of Seller thereunder so that Buyer would not in fact receive all such rights, then Buyer, its sole discretion, may elect to waive the closing condition and in such event the Seller Parties and Buyer agree to cooperate in devising and implementing a mutually satisfactory arrangement under which Buyer would obtain substantially all of the benefits from and after the Closing Date in accordance with this Agreement.

The Seller Parties, jointly and severally, represent and warrant to Buyer that the statements contained in this Article 6 are correct and complete as of the Execution Date and will be correct and complete as of the Closing Date (as

Edgar Filing: INNOVO GROUP INC - Form 8-K

though made then and, except as expressly provided in a representation or warranty, as though the Closing Date were substituted for the Execution Date throughout this ARTICLE 6), except as set forth in the Schedules Seller has delivered to Buyer on the Execution Date.

6.1 Entity Status

Seller is a corporation duly organized, validly existing, and in good standing under the Laws of the State of California. Seller is duly authorized to conduct the Business and is in good standing under the laws of each jurisdiction where the nature or operation of the Business makes such qualification necessary. Seller has the requisite corporate power and authority necessary to own, lease and operate the Business as currently conducted and as proposed to be conducted. Seller has delivered to Buyer correct and complete copies of Seller's Organizational Documents, as amended to date. Seller is not in Breach of any provision of its Organizational Documents. There is no pending or Threatened Action (or Basis therefor) for the dissolution, liquidation, insolvency, or rehabilitation of Seller.

6.2 Power and Authority; Enforceability

Seller has the relevant corporate power and authority, and each Shareholder has the capacity and authority, necessary to execute and deliver each Transaction Document to which it is a party and to perform and consummate the Transactions. Each Seller Party has taken all action necessary to authorize the execution and delivery of each Transaction Document to which it is a party, the performance of its respective obligations thereunder, and the consummation of the Transactions. Each Transaction Document to which each Seller Party is a party has been duly authorized, executed, and delivered by, and is enforceable against such Seller Party.

6.3 No Violation

Except as listed on Schedule 6.3, the execution and the delivery of the applicable Transaction Documents by each Seller Party and the performance of its respective obligations hereunder and thereunder, and consummation of the Transactions by each Seller Party will not (a) Breach any Law or Order to which such Seller Party is subject or any provision of the Organizational Documents of Seller; (b) Breach any Contract, Order, or Permit to which such Seller Party is a party or by which it is bound or to which any of the Purchased Assets are subject (or result in the imposition of any Encumbrance upon the Purchased Assets); (c) require any Consent; (d) Breach any other material note, instrument, agreement, mortgage, base, license, franchise, permit or other authorization, rights, restriction or obligation to which such Seller Party is a party or any of the Purchased Assets is subject or by which such Seller Party is bound.

Edgar Filing: INNOVO GROUP INC - Form 8-K

No Seller Party has any Liability to pay any compensation to any broker, finder, or agent with respect to the Transactions for which Buyer could become directly or indirectly Liable.

6.5 Financial Statements

Set forth on Schedule 6.5 are the following financial statements for the Business (collectively the "Financial Statements"):

(a) Unaudited statements of revenues, direct expenses and identified corporate expenses before interest and taxes as of and for each of the fiscal years ended January 31, 2001, January 31, 2002, and January 31, 2003 for the Business. The fiscal year ended January 31, 2003 is referred to herein as the "Most Recent Fiscal Year."

(b) Unaudited balance sheet as of January 31, 2003 (the "Most Recent Balance Sheet Date") for the Business.

(c) The Financial Statements, which have been extracted from the books and records of Seller (which books and records are the basis for Seller's audited consolidated financial statements), have been prepared in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, present fairly the financial condition of the Business as of such dates and the results of operations of the Business for such periods, are correct and complete, and are consistent with the books and records of Seller. Since the Most Recent Balance Sheet Date, Seller has not effected any change in any method of accounting or accounting practice, except for any such change required because of a concurrent change in GAAP.

6.6 Subsequent Events

Except as set forth in Schedule 6.6, since the Most Recent Balance Sheet Date, Seller has operated the Business in the Ordinary Course of Business and there have been no events, series of events or the lack of occurrence thereof which, singularly or in the aggregate, could reasonably be expected to have a Material Adverse Effect on the Business.

6.7 No Undisclosed Liabilities

To any Seller Party's Knowledge, the Business has no Liability (and there is no Basis for any present or future Action or Order against the Business giving rise to any Liability), except for (a) Liabilities quantified on the face of the Financial Statements (rather than in any notes thereto) and not heretofore paid or discharged, and (b) Liabilities which have arisen after the Most Recent Balance Sheet Date in the Ordinary Course of Business which, individually or in the aggregate, are not material and are of the same character and nature as the Liabilities

Edgar Filing: INNOVO GROUP INC - Form 8-K

quantified on the face of the Financial Statements (rather than any notes thereto) none of which results from or relates to any Breach of Contract, Breach of warranty, tort, infringement, or Breach of Law or arose out of any Action or Order.

6.8 Legal Compliance

Seller and its respective predecessors and Affiliates have conducted the Business in compliance with all applicable Laws, and no Action is pending or Threatened (and there is no Basis therefor) against them alleging any failure to so comply. No material expenditures are, or based on applicable Law, will be required of any Seller Party or Buyer for the Business to remain in compliance with applicable Law.

6.9 Tax Matters

There are no Liabilities for Taxes relating to the Business, including Taxes relating to prior periods, other than those set forth or adequately reserved against in the Most Recent Balance Sheet or those incurred since the Most Recent Balance Sheet Date in the Ordinary Course of Business. Each Seller Party has duly filed when due all Tax reports and returns in connection with and in respect of the Business and the assets and employees related thereto, and has timely paid and discharged all amounts shown as due thereon. Each Seller Party has made available to Buyer accurate and complete copies of all of its Tax reports and Tax Returns relating to the Business for all periods, except those periods for which returns are not yet due. No Seller Party has received any notice of any Tax deficiency outstanding, proposed or assessed against or allocable to it in respect of the Business, its assets or employees, and has not executed any waiver of any statute of limitations on the assessment or collection of any Tax or executed or filed with any Governmental Body any Contract now in effect extending the period for assessment or collection of any Taxes against it in respect of the Business, its assets or employees. There are no Encumbrances for Taxes upon, or pending or Threatened against, any Purchased Asset. Seller is not subject to any Tax allocation or sharing Contract relating to the Business. Seller (i) has not been a member of an Affiliated Group filing a consolidated federal income Tax Return (other than a group the common parent of which was Seller) or (ii) has no Liability for the Taxes of any Person under Treas. Reg. Section 1.1502-6 or similar Law, as a transferee or successor, by Contract, or otherwise.

6.10 Title to Purchased Assets

Seller has good, marketable, and indefeasible title to all of the Purchased Assets, in each case free and clear of all Encumbrances. Upon and following the Closing, Buyer will have good, marketable, and indefeasible title to all of the Purchased Assets, in each case free and clear of all Encumbrances.

6.11 Intellectual Property

- (a) With respect to each Trade Secret constituting

Edgar Filing: INNOVO GROUP INC - Form 8-K

Purchased Assets, the documentation relating to such Trade Secret is current, accurate, and sufficient in detail and content to identify and explain it and to allow its full and proper use without reliance on any individual's knowledge or memory. Seller has taken all reasonable precautions to protect such Trade Secret's secrecy, confidentiality, and value. No such Trade Secret is part of the public knowledge or literature or, to any Seller Party's Knowledge, has been used, divulged, or appropriated either for the benefit of any third person or the detriment of the Business. No such Trade Secret required is subject to any adverse claim nor has any adverse claim been threatened with respect to any such Trade Secret and there is no basis therefore.

(b) Seller owns or has the right to use pursuant to an Enforceable Contract all Intellectual Property necessary or desirable to operate the Business. Each item of Intellectual Property used by Seller in the operation of the Business immediately prior to the Closing will be owned or available for use by Buyer on identical terms and conditions immediately subsequent to the Closing. Seller has taken all necessary and desirable action to maintain and protect each item of Intellectual Property that it owns or uses.

(c) Seller has delivered to Buyer correct and complete copies of all written documentation evidencing ownership and prosecution (if applicable) of each item of Intellectual Property used by Seller in the operation of the Business. With respect to each such item of Intellectual Property:

(i) Seller possesses all right, title, and interest in and to the item, free and clear of any Encumbrance;

(ii) the item is not subject to any outstanding Order;

(iii) no Action is pending or Threatened (and there is no Basis therefor) which challenges the Enforceability, use, or ownership of the item; and

(iv) Seller has never agreed to indemnify any person for or against any interference, infringement, misappropriation, or other conflict with respect to the item.

(d) In respect of the Business, Seller has not interfered with, infringed upon, misappropriated, or otherwise come into conflict with any other person's Intellectual Property, and Seller has never received any notice alleging any such interference, infringement, misappropriation, violation or conflict (including any claim that Seller must license or refrain from using any other person's Intellectual Property). No third Person has any Intellectual Property that interferes or

Edgar Filing: INNOVO GROUP INC - Form 8-K

would be likely to interfere with Buyer's use of any of its Intellectual Property. To any Seller Party's Knowledge, Buyer will not interfere with, infringe upon, misappropriate, or otherwise come into conflict with, any Intellectual Property rights of any other Person as a result of the continued operation of the Business as currently conducted and as currently proposed to be conducted. To any Seller Party's Knowledge, no other Person has interfered with, infringed upon, misappropriated, or otherwise come into conflict with the Intellectual Property used in the operation of the Business.

(e) No former and current employees engaged in the Business have executed written Contracts with Seller that assign to Seller all rights to any inventions, improvements, discoveries, or information relating to the Business. No employee engaged in the Business has entered into any Contract that restricts or limits in any way the scope or type of work in which the employee may be engaged or requires the employee to transfer, assign, or disclose information concerning his work or her work to any person other than Seller.

6.12 Contracts

Each material Contract (as amended to date) related to the Business is listed in Schedule 6.12 (the "Material Contracts"). Seller has delivered to Buyer a correct and complete copy of each such contract. With respect to each such Material Contract:

(i) the Contract is Enforceable;

(ii) the Contract will continue to be Enforceable on identical terms following the consummation of the Transactions;

(iii) Seller (and, to any Seller Party's Knowledge, no counter-party) is not in Breach of such Contract, and no event has occurred that, with notice or lapse of time, would constitute a Breach under the Contract; and

(iv) no party to the Contract has repudiated any provision of the Contract.

6.13 Purchase Commitments

As of the Execution Date, the aggregate of all accepted and unfulfilled orders for the sale of merchandise relating to the Business entered into by Seller is at least \$4,000,000, all of which orders and commitments were made in the Ordinary Course of Business. As of the Execution Date, there are no claims against Seller to return merchandise relating to the Business by reason of alleged overshipments, defective merchandise or otherwise, or of merchandise in the hands of customers under an understanding that such merchandise would be returnable. No ordinary purchase or outstanding lease commitment of Seller relating to the Business presently is in excess of the normal, ordinary and usual requirements of the Business or was made at any price

Edgar Filing: INNOVO GROUP INC - Form 8-K

in excess of the now current market price or contains terms and conditions more onerous than those usual and customary in the Business.

6.14 Litigation

Schedule 6.14 sets forth each instance in which any Seller Party (a) is subject to any outstanding Order or (b) is a party, the subject of, or is Threatened to be made a party to or the subject of any Action. No Action required to be set forth in Schedule 6.14 questions the Enforceability of this Agreement or the Transactions, or could result in any Material Adverse Change with respect to Seller, and no Seller Party has any Basis to believe that any such Action may be brought or Threatened against any Seller Party.

6.15 Product Warranty

Each product manufactured, sold, leased, or delivered by Seller for the Business has been in conformity with all applicable Law, Contracts, and all express and implied warranties, and neither Seller nor the Business has any Liability (and there is no Basis for any present or future Action against Seller or the Business giving rise to any Liability) for replacement or repair thereof or other damages in connection therewith. No product designed, manufactured, sold, leased, or delivered by Seller for the Business is subject to any guaranty, warranty, or other indemnity or similar Liability beyond the applicable standard terms and conditions of sale or lease. Schedule 6.15 includes copies of the standard terms and conditions of sale or lease for products and services offered by the Business.

6.16 Employees

(a) Schedule 6.16(a) contains a complete and accurate list of the following information for each employee, director, independent contractor, consultant and agent of Seller primarily engaged in the Business, including each employee on leave of absence or layoff status: employer; name; job title; date of hiring or engagement; date of commencement of employment or engagement; current compensation paid or payable and any change in compensation since January 1, 2003; sick and vacation leave that is accrued but unused; and service credited for purposes of vesting and eligibility to participate under any Employee Benefit Plan, or any other employee or director benefit plan.

(b) Schedule 6.16(b) states the number of employees engaged in the Business terminated by Seller since January 1, 2003, and contains a complete and accurate list of the following information for each employee engaged in the Business who has been terminated or laid off, or whose hours of work have been reduced by more than fifty percent (50%) in the six (6) months prior to the Execution Date: (i) the date of such termination, layoff or reduction in hours; (ii) the reason for such termination, layoff or reduction in hours; and (iii) the location to which the employee was assigned.

Edgar Filing: INNOVO GROUP INC - Form 8-K

(c) Seller has not violated the Worker Adjustment and Retraining Notification Act (the "WARN Act") or any similar state or local Law.

(d) To any Seller Party's Knowledge, no employee, consultant, or contractor engaged in the Business is bound by any Contract that purports to limit the ability of such employee, consultant, or contractor (i) to engage in or continue or perform any conduct, activity, duties or practice relating to the Business or (ii) to assign to Seller or to any other Person any rights to any invention, improvement, or discovery. No former or current employee of the Business is a party to, or is otherwise bound by, any Contract that in any way adversely affected, affects, or will affect the ability of Buyer to conduct the Business as heretofore carried on by Seller.

(e) Seller is not a party to or bound by any collective bargaining Contract relating to the Business, nor has it experienced any strikes, grievances, claims of unfair labor practices, or other collective bargaining disputes relating to the Business. Seller has not committed any unfair labor practice (as determined under any Law) relating to the Business. No Seller Party has any Knowledge of any organizational effort currently being made or Threatened by or on behalf of any labor union with respect to any persons employed for the Business.

6.17 Employee Benefits

Schedule 6.17 lists each non-qualified deferred compensation plan, qualified defined contribution retirement plan, qualified defined benefit retirement plan or other material fringe benefit plan or program that Seller maintains for the Business or to which Seller contributes in respect of the Business. With respect to any employee benefit plan, within the meaning of Section 3(3) of ERISA, which is subject to ERISA and which is sponsored, maintained or contributed to, or has been sponsored, maintained or contributed to, within six years prior to the Closing Date, by Seller or any ERISA Affiliate for the Business, (a) no withdrawal Liability, within the meaning of Section 4201 of ERISA, has been incurred, which withdrawal Liability has not been satisfied, (b) no Liability to the PBGC has been incurred by Seller or any ERISA Affiliate, which Liability has not been satisfied, (c) no accumulated funding deficiency, whether or not waived, within the meaning of Section 302 of ERISA or Section 412 of the Code has been incurred, and (d) all contributions (including installments) to such plan required by Section 302 of ERISA and Section 412 of the Code have been timely made. With respect to any kind of employee benefit plan for the Business, such plan has been funded and maintained in compliance with all Laws applicable thereto and the requirements of such plan's governing documents.

6.18 Environmental, Health, and Safety Matters

Edgar Filing: INNOVO GROUP INC - Form 8-K

6.19 Customers and Suppliers

Schedule 6.19 lists the Business's two (2) largest suppliers during the 12 month period ended as of the Most Recent Year End and the three (3) month period ended as of the Most Recent Balance Sheet Date. Except as set forth in Schedule 6.19, no Seller Party has received notice of termination or an intention to terminate the relationship with the Business from AEO or any supplier.

6.20 Permits

Seller possesses all Permits required to be obtained for operation of the Business. Schedule 6.20 sets forth a list of all such Permits. Except as set forth in Schedule 6.20, with respect to each such Permit:

- (a) it is valid, subsisting and in full force and effect;
- (b) there are no violations of such Permit that would result in a termination of such Permit;
- (c) no Seller Party has received notice that such Permit will not be renewed; and
- (d) the Transactions will not adversely affect the validity of such Permit or cause a cancellation of or otherwise adversely affect such Permit.

6.21 Solvency

(a) Seller is not now insolvent, nor will Seller be rendered insolvent by any of the Transactions. As used herein, "insolvent" means that the sum of the Liabilities of Seller exceeds the fair present value of its assets.

(b) Immediately after giving effect to the consummation of the Transactions:

(i) Seller will be able to pay its Liabilities as they become due in the Ordinary Course of Business of Seller;

(ii) Seller will not have unreasonably small capital with which to conduct its present or proposed business;

Edgar Filing: INNOVO GROUP INC - Form 8-K

(iii) Seller will have assets (calculated at fair market value) that exceed its Liabilities; and

(iv) Taking into account all pending and Threatened Actions, final judgments against Seller in Actions for money damages are not reasonably anticipated to be rendered at a time when, or in amounts such that, Seller will be unable to satisfy any such judgments promptly in accordance with their terms (taking into account the maximum probable amount of such judgments in any such Actions and the earliest reasonable time at which such judgments might be rendered) as well as all other obligations of Seller.

6.22 Accuracy of Information Furnished

No representation, statement, or information contained in this Agreement (including the Schedules) or any Contract or document executed in connection herewith or delivered pursuant hereto or thereto or made available or furnished to Buyer or its representatives by Seller contains or will contain any untrue statement of a material fact or omits or will omit any material fact necessary to make the information contained therein not misleading. Seller has provided Buyer with correct and complete copies of all documents listed or described in the Schedules. Notwithstanding the foregoing, (a) except as otherwise provided in Section 7.6, Buyer may only rely on the most recent version of any information Seller furnishes to Buyer that supersedes previous information provided to Buyer and (b) subject to the next sentence, Seller will not be Liable with respect to financial projections or estimates of the Business's future performance. All projections and estimates that have been provided to Buyer at the time of creation were reasonably made in good faith based on reasonable assumptions, given the circumstances at the time such assumptions were made.

6.23 Representations Complete

Except as and to the extent set forth in this Agreement, no Seller Party makes any representations or warranties whatsoever (INCLUDING ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR CONFORMITY TO MODELS OR SAMPLES OF MATERIALS) to Buyer and each Seller Party hereby disclaims all Liability and responsibility for any representation, warranty, statement, or information not included herein that was made, communicated, or furnished (orally or in writing) to Buyer or its representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any director, officer, employee, agent, consultant, or representative of any Seller Party).

6.24 Review of Buyer and Innovo

Seller:

(a) Has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of Seller's investment in the

Edgar Filing: INNOVO GROUP INC - Form 8-K

Buyer Note contemplated hereby, and that Seller is able to bear the economic risk of such investment indefinitely.

(b) Has (i) had the opportunity to meet with representative officers and other representatives of Innovo, to discuss its business, assets, liabilities, financial condition, cash flow, and operations, and (ii) received all materials, documents and other information that it deems necessary or advisable to evaluate the Buyer Note and the Transactions.

(c) Has made its own independent examination, investigation, analysis and evaluation of the Buyer Note, including its own estimate of the value of the Buyer Note.

(d) Has undertaken such due diligence as it deems adequate, including that described above.

Nothing in Section 6.24 will preclude Seller from relying on the representations, warranties, covenants, and agreements of Buyer herein or from pursuing its remedies with respect to a Breach thereof.

ARTICLE 7. PRE-CLOSING COVENANTS

The Parties agree as follows with respect to the period between the Execution Date and the earlier of the Closing and the Termination Date:

7.1 General

Each Party will use its Best Efforts to take all actions and do all things necessary, proper, or advisable to consummate, make effective, and comply with all of the terms of this Agreement and the Transactions applicable to it (including satisfaction, but not waiver, of the Closing conditions for which it is responsible or otherwise in control, as set forth in ARTICLE 9).

7.2 Notices and Consents

(a) The Seller Parties will give any notices to third parties, and will use their respective Best Efforts to obtain any third party Consents listed on Schedule 6.3, or that Buyer reasonably may otherwise request in connection with the matters referred to in Section 6.3. The Seller Parties will give any notices to, make any filings with, and use their respective Best Efforts to obtain any Consents of Governmental Authorities, if any, required or reasonably deemed advisable by Buyer pursuant to any applicable Law in connection with the Transactions including in connection with the matters referred to in Section 6.3.

(b) Buyer will give any notices to third parties, and will use its Best Efforts to obtain any third party

Edgar Filing: INNOVO GROUP INC - Form 8-K

Consents listed on Schedule 5.3, that Seller reasonably may otherwise request in connection with the matters referred to in Section 5.3. Buyer will give any notices to, make any filings with, and use its Best Efforts to obtain any Consents of Governmental Bodies, if any, required or reasonably deemed advisable by the Company pursuant to any applicable Law in connection with the Transactions including in connection with the matters referred to in Section 5.3.

(c) Nothing in this Section 7.2 will require that (i) Buyer or its Affiliates divest, sell, or hold separately any of its assets or properties, or (ii) Buyer, its Affiliates, or any Seller Party (the determination with respect to which Buyer will make) take any actions that could affect the normal and regular operations of Buyer, its Affiliates, or the operation of the Business after the Closing.

7.3 Operation of Business

Seller shall not engage in any practice, take any action, or enter into any transaction outside the Ordinary Course of Business of the Business or engage in any practice, take any action, or enter into any transaction of the sort described in Section 6.6. Subject to compliance with applicable Law, the Seller Parties will confer on a regular and frequent basis with one or more representatives of Buyer to report on operational matters and the general status of the Business and its operations and finances and will promptly provide to Buyer or its representatives copies of all filings made with any Governmental Body during such period on behalf of the Business.

7.4 Preservation of Business

The Seller Parties will use their respective Best Efforts to keep the Business and its properties substantially intact, including its present operations, working conditions, and relationships with lessors, licensors, suppliers, customers, and employees.

7.5 Full Access

The Seller Parties will permit representatives of Buyer (including financing providers) to have full access at all reasonable times, and in a manner so as not to interfere with the normal business operations of the Business, to all premises, properties, personnel, books, records, Contracts, and documents pertaining to the Business and will furnish copies of all such books, records, Contracts and documents and all financial, operating and other data, and other information as Buyer may reasonably request; provided, however, that no investigation pursuant to this Section 7.5 will affect any representations or warranties made herein or the conditions to the Parties' obligations to consummate the Transactions.

7.6 Notice of Developments

Edgar Filing: INNOVO GROUP INC - Form 8-K

Seller will give prompt written notice to Buyer of any development occurring after the Execution Date which causes or reasonably could be expected to cause a Breach of any of the representations and warranties in ARTICLE 6. Buyer will give prompt written notice to Seller of any development occurring after the Execution Date which causes or reasonably could be expected to cause a Breach of any of the representations and warranties in ARTICLE 5. Except as set forth in Section 11.2(a) or Section 11.3(a), no disclosure by any Party pursuant to this Section 7.6 or otherwise will be deemed to amend or supplement the Schedules or to prevent or cure any misrepresentation or Breach of any representation, warranty, or covenant.

7.7 Exclusivity

No Seller Party will (a) solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to the acquisition of any Equity Interests of Seller or any portion of the assets used in the Business (including any acquisition structured as a merger, consolidation, or share exchange) or (b) participate in any discussions or negotiations regarding, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing. The Seller Parties will notify Buyer immediately if any Person makes any proposal, offer, inquiry, or contact with respect to any of the foregoing and the terms of any such proposal, offer, inquiry, or contact.

7.8 Confidentiality; Publicity

Except as may be required by Law, stock exchange or as otherwise expressly contemplated herein, no Party or their respective Affiliates, employees, agents, and representatives will disclose to any third party the existence of this Agreement, the subject matter or terms hereof or any Confidential Information concerning the business or affairs of any other Party (including, in respect of Seller, the Business) that it may have acquired from such Party in the course of pursuing the Transactions without the prior written consent of Seller (on behalf of the Seller Parties) or Buyer, as the case may be; provided, however, any Party may disclose any such Confidential Information as follows: (a) to such Party's Affiliates and its or its Affiliates' employees, lenders, counsel, or accountants, the actions for which the applicable Party will be responsible; (b) to comply with any applicable Law or Order, provided that prior to making any such disclosure the Party making the disclosure notifies the other Party of any Action of which it is aware which may result in disclosure and uses its Best Efforts to limit or prevent such disclosure; (c) to the extent that the Confidential Information is or becomes generally available to the public through no fault of the Party or its Affiliates making such disclosure; (d) to the extent that the same information is in the possession (on a non-confidential basis) of the Party making such disclosure prior to receipt of such Confidential Information; (e) to the extent that the Party that received the Confidential Information independently develops the same information without in any way relying on any Confidential

Information; or (f) to the extent that the same information becomes available to the Party making such disclosure on a nonconfidential basis from a source other than a Party or its Affiliates, which source, to the disclosing Party's Knowledge, is not prohibited from disclosing such information by a legal, Contractual, or fiduciary obligation to the other Party. If the Transactions are not consummated, each Party will return or destroy as much of the Confidential Information concerning the other Party as the Parties that have provided such information may reasonably request. Whether or not the Closing takes place, each Seller Party waives any cause of Action arising out of the access of Buyer or its representatives to any Confidential Information of Seller or the Business. Notwithstanding the foregoing, Buyer may make such public disclosure of the existence of this Agreement, the principal economic terms thereof, and the status with respect to achieving the Closing as it desires; provided, that Buyer will consult with Seller prior to releasing any such public disclosure so that the Seller may notify its employees of the Transactions. No Seller Party will, nor will it permit any of its Affiliates to, issue any press release or other public announcement related to this Agreement or the Transactions without Buyer's prior written approval.

7.9 Charges and Fees

The Seller Parties will, prior to the Closing, take such steps as are necessary to ensure that no sums are owed or payable by Buyer to any Person in the nature of a transfer charge or processing fee with respect to any of the Purchased Assets.

ARTICLE 8. ADDITIONAL COVENANTS

The Parties agree as follows:

8.1 General

In case at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement, each Party will take such further action (including executing and delivering such further instruments and documents) as any other Party reasonably may request, all at the requesting Party's sole cost and expense (unless the requesting Party is entitled to indemnification therefor under ARTICLE 11). After the Closing, Buyer will be entitled to possession of all documents, books, records, agreements, and financial data of any sort relating to the Business.

8.2 Litigation Support

So long as any Party actively is contesting or defending against any Action in connection with (a) the Transactions or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving the Business, each

Edgar Filing: INNOVO GROUP INC - Form 8-K

other Party will cooperate with such Party and such Party's counsel in the contest or defense, make available their personnel, and provide such testimony and access to their books and records as will be necessary in connection with the contest or defense, at the sole cost and expense of the contesting or defending Party (unless the contesting or defending Party or one of its Affiliates is entitled to indemnification therefor under ARTICLE 11).

8.3 Transition

No Seller Party will take any action that is designed or intended to have the effect of discouraging any lessor, licensor, customer, supplier, or other business associate of Seller from maintaining at least as favorable business relationships with Buyer after the Closing as it maintained with Seller prior to the Closing. Each Seller Party will, and will cause its Affiliates to, refer all customer, supplier, and other inquiries relating to the Business to Buyer or an Affiliate thereof.

8.4 Confidentiality

Each Seller Party will treat and hold as such all of the Confidential Information, refrain from using any of the Confidential Information except in connection with this Agreement, and deliver promptly to Buyer or destroy, at the request and option of Buyer, all tangible embodiments (and all copies) of the Confidential Information which are in such Seller Party's possession in each case, forever. If any Seller Party is ever requested or required (by oral question or request for information or documents in any Action) to disclose any Confidential Information, such Seller Party will notify Buyer promptly of the request or requirement so that Buyer may seek an appropriate protective Order or waive compliance with this Section 8.4. If, in the absence of a protective Order or the receipt of a waiver hereunder, any Seller Party, on the written advice of counsel, is compelled to disclose any Confidential Information to any Governmental Body, arbitrator, or mediator or else stand liable for contempt, then such Seller Party may disclose the Confidential Information to the Governmental Body, arbitrator, or mediator; provided, however; that Seller Party will use its Best Efforts to obtain, at the request of Buyer, an Order or other assurance that confidential treatment will be accorded to such portion of the Confidential Information required to be disclosed as Buyer may designate.

8.5 Restrictive Covenants

To assure that Buyer will realize the benefits of the Transactions, each Seller Party hereby agrees with Buyer that such Seller Party shall not, and such Seller Party shall cause its Affiliates to not:

- (a) From the Closing Date until four (4) years after the Closing Date, directly or indirectly, alone or as a partner, joint venturer, officer, director,

Edgar Filing: INNOVO GROUP INC - Form 8-K

member, employee, consultant, agent, independent contractor or Equity Interest holder of, or lender to, any Person or business, engage in, induce, canvass, solicit or accept any business or commercial arrangements with AEO or its Affiliates.

(b) From the Closing Date until two (2) years after the Closing Date, directly or indirectly employ or knowingly permit any Affiliate of such Seller Party to employ or solicit for employment or other similar relationship with Seller, any employee or independent contractor of Buyer or any of its Affiliates if such Person had been employed by Seller in connection with the Business (including employed as an independent contractor) on June 11, 2003, except for any employees or independent contractors of the Business as of such date that were not hired by Buyer at any time during such two (2) year period.

Notwithstanding the foregoing, the beneficial ownership of less than 3% of the Equity Interests of any Person having a class of Equity Interest actively traded on a national securities exchange or over-the-counter market will not be deemed, in and of itself, to Breach the prohibitions of this Section 8.5. Each Seller Party agrees and acknowledges that the restrictions in this Section 8.5 are reasonable in scope and duration and are necessary to protect Buyer after the Closing. If any Seller Party or any Affiliate thereof is found to have Breached this Section 8.5, then, in addition to all other remedies that may be available to the applicable Person, an amount of time equal to the period such Seller Party or such Affiliate was found to be in Breach of this Section 8.5 will be added to the time periods contemplated by this Section 8.5. If any provision of this Section 8.5, as applied to any Party or to any circumstance, is adjudged by a Governmental Body, arbitrator, or mediator not to be enforceable in accordance with its terms, the same will in no way affect any other circumstance or the enforceability of the remainder of this Agreement. If any such provision, or any part thereof, is held not to be enforceable in accordance with its terms because of the duration of such provision, the area covered thereby, or the scope of the activities covered, the Parties agree that the Governmental Body, arbitrator, or mediator making such determination will have the power to reduce the duration, area, and/or scope of activities of such provision, and/or to delete specific words or phrases, and in its reduced form, such provision will then be enforceable in accordance with its terms and will be enforced. The Parties agree and acknowledge that the Breach of this Section 8.5 will cause irreparable damage to Buyer and the Business, and upon Breach of any provision of this Section 8.5, Buyer will be entitled to injunctive relief, specific performance, or other equitable relief without bond or other security; provided, however, that the foregoing remedies will in no way limit any other remedies which Buyer may have.

8.6 Use of Names

From and after the Closing Date Buyer and its Affiliates will have the royalty-free right to refer to the Business as "formerly "the Blue Concepts Division of Azteca

Edgar Filing: INNOVO GROUP INC - Form 8-K

Products International" "and to use such reference in advertising or in the description or name of any service or product from time to time purchased, processed, manufactured, or sold by Buyer and its Affiliates in continuation of the Business.

8.7 Taxes

(a) The Seller Parties will be Liable for and will pay all Taxes (whether assessed or unassessed) applicable to the Business and the Purchased Assets, in each case attributable to periods (or portions thereof) ending on or prior to the Closing Date. Buyer will be Liable for and will pay all Taxes (whether assessed or unassessed) applicable to the Business and the Purchased Assets, in each case attributable to periods (or portions thereof) beginning after the Closing Date. For purposes of this Section 8.7(a), any period beginning before and ending after the Closing Date will be treated as two partial periods, one ending on the Closing Date and the other beginning after the Closing Date, except that Taxes (such as property Taxes) imposed on a periodic basis will be allocated on a daily basis.

(b) Notwithstanding Section 8.7(a), any sales Tax, use Tax, real property transfer or gains Tax, documentary stamp Tax, or similar Tax attributable to the sale or transfer of the Purchased Assets will be paid by the Seller Parties. Buyer agrees to timely sign and deliver such certificates or forms as may be necessary or appropriate to establish an exemption from (or otherwise reduce), or make a report with respect to, such Taxes.

(c) The Seller Parties, on the one hand, and Buyer, on the other hand, will provide reimbursement for any Tax paid by one Party all or a portion of which is the responsibility of the other Party in accordance with the terms of this Section 8.7. Within a reasonable time prior to the payment of any said Tax, the Party paying such Tax will give notice to the other Party of the Tax payable and the portion which is the Liability of each Party, although failure to do so will not relieve the other Party from its Liability hereunder.

(d) Any payments made pursuant to this Section 8.7 will be treated by Buyer and Seller as an adjustment to the Purchase Price.

(e) The Seller Parties will promptly after the Closing prepare and file all Tax Returns and other reports required by Law, relating to the operation of the Business prior to the Closing Date.

8.8 Employees and Employee Benefit Plans

(a) Information on Active Employees. For the purpose of this Agreement, the term "Active Employees" will mean all employees employed on the Closing Date by Seller primarily for the operation of the Business and

Edgar Filing: INNOVO GROUP INC - Form 8-K

listed as "employees" on Schedule 6.16(a).

(b) Employment of Active Employees by Buyer.

(i) Buyer shall make Qualifying Offers to all Active Employees. Buyer will provide Seller with a list of Active Employees to whom Buyer has made an offer of employment that has been accepted to be effective as of the Closing Date (the "Hired Active Employees"). The Seller Parties will provide Buyer with reasonable access to the Seller's facilities and personnel records (including performance appraisals, disciplinary actions, grievances, and medical records) for the purpose of preparing Qualifying Offers to the Active Employees. Effective immediately before the Closing, Seller will terminate the employment of all of its Active Employees. Seller, with respect to the Active Employees, shall timely give all notices required to be given under the WARN ACT or similar statutes or regulation of any jurisdiction relating to any plant closing or mass lay-off or as otherwise required by law. Notwithstanding any other provision contained herein, the Seller Parties, jointly and severally, agree to fully indemnify Buyer for any and all liability incurred by Buyer under the WARN Act with respect to Active Employees as a result of the transaction contemplated by this Agreement.

(ii) For a period of ninety (90) days following the Closing Date, Buyer may not terminate the employment of any Hired Active Employee, except in the case of any such termination for cause. Following such ninety (90) day period, each Hired Active Employee shall be employed at will by Buyer as employees of Buyer (subject to any applicable probation period not prohibited by law) to occupy positions designated by Buyer and pursuant to the terms and conditions determined by Buyer in its sole discretion.

(c) Salaries and Benefits.

(i) Seller will be responsible for (A) the payment of all wages and other remuneration liabilities and obligations due to Active Employees with respect to their services as employees of Seller, including pro rata bonus payments and all vacation pay earned prior to the Closing Date, (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of Sections 601 through 608 of ERISA, and (C) any and all payments to employees required under the WARN Act.

(ii) Seller will be liable for any claims made or incurred by Active Employees and their beneficiaries through the Closing Date under the Employee Benefit Plans. For purposes of the

Edgar Filing: INNOVO GROUP INC - Form 8-K

immediately preceding sentence, a charge will be deemed incurred, in the case of hospital, medical or dental benefits when the services that are the subject of the charge are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

(iii) Buyer assumes no obligation to continue or assume any Employee Benefit Plans, compensation arrangements or liabilities of Seller (including, but not without being limited to, any salary, bonuses, vacation, sick leave, fringe benefits, insurance plans, or pension or retirement benefits under any compensation or retirement plan or policy maintained by Seller) to any Active Employee.

(d) Employee Benefit Plans. All Hired Active Employees who are participants in Seller's Employee Benefit Plans will retain their accrued benefits under such plans as of the Closing Date, and Seller will retain sole liability for the payment of such benefits as and when such Hired Active Employees become eligible therefor under such plans. All Hired Active Employees will become fully vested in their accrued benefits under Seller's Employee Benefit Plans as of the Closing Date, and Seller will so amend such plans if necessary to achieve this result. Neither Seller nor any ERISA Affiliate of Seller will make any transfer of any Employee Benefit Plan assets to Buyer. Seller also agrees to retain responsibility for disability payments to Active Employees on medical or disability leave at the Closing Date until such time as such Active Employee is, if ever, offered employment by Buyer, in its sole discretion, or as otherwise required under applicable law or regulation. Any Active Employee or qualified beneficiary thereof and who is covered, or who is eligible to elect to continue his or her coverage, as of or following the Closing Date, under any Employee Benefit Plan that constitutes a "group health plan," pursuant to the provision of Part 6 of Title I, Substitute B or ERISA or Section 4980B of the Code, shall be eligible to continue such coverage under the Seller's plan for the remainder of the applicable continuation coverage period and Seller shall not terminate any such plan prior to the end of the applicable coverage period. The Seller Parties, jointly and severally, agree to indemnify Buyer for all losses incurred by Buyer or Buyer's group health plan resulting from any claim for COBRA continuation coverage made by or on behalf of any Active Employee or a qualified beneficiary of such an employee under any plan maintained by Buyer or its Affiliates except to the extent that such Active Employee is a Hired Active Employee and has become an active participant in Buyer's "group health plan."

(e) General Employee Provisions.

(i) Seller will provide Buyer with completed I-9 forms and attachments with respect to all Active

Edgar Filing: INNOVO GROUP INC - Form 8-K

Employees, except for such employees as Seller certifies in writing to Buyer are exempt from such requirement. The Parties intend that the Buyer qualify as a "successor employer" for purposes of receiving credit for the payment of taxes under the Federal Insurance Contribution Act and Federal Unemployment Tax Act by Seller with respect to the Hired Active Employees within the meaning of Section 3121 and 3306 of the Code. Accordingly, the Parties shall cooperate with each other to effectuate the foregoing.

(ii) Buyer will not have any Liability or obligation, whether to Active Employees, former employees, their beneficiaries or any other Person, with respect to any Employee Benefit Plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

8.9 Payment of Non-Assumed Liabilities

In addition to payment of Taxes pursuant to Section 8.7, the Seller Parties will pay, or make adequate provision for the payment, in full of all Liabilities of Seller relating to the Business as of the Closing Date. If any such Liabilities are not so paid or provided for, or if Buyer reasonably determines that failure to make any payments will impair Buyer's use or enjoyment of the Purchased Assets or conduct of the Business, Buyer may, at any time after the Closing, elect to pay any or all of such Liabilities directly (but will have no obligation to do so) and treat such payment as damages under this Agreement so that Buyer will be entitled to exercise the remedies available to it under ARTICLE 11 of this Agreement (without regard to the limitations in Section 11.5).

8.10 No Liability

The Seller Parties, jointly and severally, shall protect and indemnify Buyer from and Buyer shall not assume, acquiesce, accede to or otherwise become Liable for or with respect to, any Liabilities or obligations of any kind or nature of Seller or of the Business which exist as of the Closing Date or arise from, accrue by reason of, or relate in any material way to, any Contract, account, event or occurrence before the Closing Date. Without limiting the generality of the foregoing, Buyer shall have no Liability of any kind with respect to returns, warranty claims, charge-backs product liability claims or other adjustments, charges or claims with respect to goods or services sold or delivered by Seller or the Business before the Closing Date.

8.11 Buyer Earn Out

(a) Following the Closing, until the earlier of (i) such time as AEO is no longer purchasing apparel products from Buyer and (ii) such time as Buyer has resold the Purchased Assets to the Seller Parties pursuant to Section 3.5(d), Buyer will pay to Sweet Sportswear on a quarterly basis, as additional consideration for the Purchased Assets, an amount equal to two and one half percent (2.5%) of the AGR derived

Edgar Filing: INNOVO GROUP INC - Form 8-K

solely from sales to AEO (the "Earn Out Amount"). That portion of the Earn Out Amount that is due will be paid in cash.

(b) Within forty-five (45) business days of the end of each quarter, Buyer will deliver to Seller a schedule setting forth in reasonable detail Buyer's calculation of the Earn Out Amount for such period (the "Earn Out Proposed Amount"). The Earn Out Proposed Amount will be subject to Seller's review. In reviewing the Earn Out Proposed Amount, Seller will have the right to communicate with, and to review the work papers, schedules, memoranda and other documents Buyer prepared or reviewed in determining the Earn Out Proposed Amount for such period and thereafter will have access to all relevant books and records, all to the extent Seller reasonably requires to complete its review of Buyer's calculation of the Earn Out Proposed Amount. Within ten (10) business days after its receipt of Buyer's calculation of the Earn Out Proposed Amount, Seller will advise Buyer whether, based on such review, it has any exceptions to such calculation. Unless Seller delivers to Buyer within such ten (10) business day period a letter describing its exceptions to Buyer's calculation of the applicable Earn Out Amount as set forth in the schedule delivered by Buyer described in this Section 8.11(b), the Earn Out Proposed Amount for the applicable quarter will be conclusive and binding on Buyer and Seller as the Earn Out Amount. If Seller delivers such letter, the Parties will follow the procedures for resolution of disputes set forth in Section 8.11(c).

(c) If Buyer and Seller are unable to agree on the Earn Out Amount (the "Earn Out Disputed Amount"), then (i) for ten (10) days after the date Buyer receives the letter describing Seller's exceptions to Buyer's calculation of the Proposed Earn Out Amount, Seller and Buyer will use their Best Efforts to agree on the calculation of the Earn Out Amount and (ii) lacking such agreement, the matter will be referred to an independent accounting firm acceptable to Buyer and Seller, who will determine the correct Earn Out Disputed Amount within fifteen (15) days of such referral, which determination will be final and binding on Buyer and Seller for all purposes.

(d) Within two (2) business days of the determination of the applicable Earn Out Amount under this Section 8.11, Buyer will pay to Sweet Sportswear an amount equal to such amount.

8.12 Shareholder Appointment Rights

During the period following the Closing Date until the expiration of Calculation Period II, in the event that Samuel J. Furrow, Jr., for any reason, shall no longer serve as Chief Executive Officer or Chairman of Innovo, or in any similar executive capacity, the Shareholders shall have the right to appoint a general manager for the operation of the Business, which general manager must be reasonably acceptable to Buyer in its sole discretion.

Unless expressly waived pursuant to this Agreement, no representation, warranty, covenant, right, or remedy available to Buyer in connection with the Transactions contemplated hereby will be deemed waived by any of the following actions or inactions by or on behalf of Buyer (regardless of whether any Seller Party is given notice of any such matter): (i) consummation by Buyer of the Transactions, (ii) any inspection or investigation, if any, of the Purchased Assets, (iii) the awareness of any fact or matter acquired (or capable or reasonably capable of being acquired) with respect to the Purchased Assets or the Business, or (iv) any other action, in each case at any time, whether before, on, or after the Closing Date.

flood, casualty, act of God or the public enemy or other cause (regardless of insurance coverage for such damage) which event could reasonably be expected to have a Material Adverse Effect on the Purchased Assets or the Business (including as proposed to be conducted).

(d) No Adverse Litigation. There must not be pending or Threatened any Action by or before any Governmental Body, arbitrator, or mediator which seeks to restrain, prohibit, invalidate, or collect damages arising out of the Transactions, or which, in the judgment of Buyer, makes it inadvisable to proceed with the Transactions.

(e) Consents. Seller and Buyer must have received Consents to the Transactions and waivers of rights to terminate or modify any rights or obligations of Seller from any Person (i) from whom such Consent is required, including under any Contract listed or required to be listed in Schedules 6.11, 6.12, and 6.17 or any Law, or (ii) who, as a result of the Transactions, would have such rights to terminate or modify such Contracts, either by their terms or as a matter of Law (the "Material Consents").

(f) Release of Encumbrances. There must have been received by Seller and Buyer releases of all Encumbrances on the Purchased Assets.

(g) Buyer Approvals. Buyer and Innovo must have received all necessary corporate and shareholder approvals for Buyer's entering into the Transactions.

9.2 Conditions Precedent to Obligations of the Seller Parties

The Seller Parties' obligation to consummate the sale of the Purchase Assets and the other transactions contemplated to occur in connection with the Closing is subject to the satisfaction of each condition precedent listed below. Unless expressly waived pursuant to this Agreement, no representation, warranty, covenant, right, or remedy available to a Seller Party in connection with the Transactions will be deemed waived by any of the following actions or inactions by or on behalf of such Seller Party (regardless of whether Buyer is given notice of any such matter): (i) consummation by the Seller Parties of the Transactions, (ii) any inspection or investigation, if any, of Buyer, (iii) the awareness of any fact or matter acquired (or capable or reasonably capable of being acquired) with respect to Buyer, or (iv) any other action, in each case at any time, whether before, on, or after the Closing Date.

Edgar Filing: INNOVO GROUP INC - Form 8-K

any provisions including the word "material" or words of similar import, with respect to which such representations and warranties must have been accurate and complete) as of the Closing Date, as if made on the Closing Date.

(b) Compliance with Obligations. Buyer must have performed and complied with all its covenants and obligations required by this Agreement to be performed or complied with at or prior to Closing (singularly and in the aggregate).

(c) No Order or Injunction. There must not be issued and in effect any Order restraining or prohibiting the Transactions.

ARTICLE 10. TERMINATION

10.1 Termination of Agreement

The Parties may terminate this Agreement as provided below:

(a) Buyer and Seller may terminate this Agreement as to all Parties by mutual written consent at any time prior to the Closing.

(b) Buyer or Seller may terminate this Agreement upon delivery of notice if the Closing has not occurred prior to the Expiration Date, provided that the Party delivering such notice will not have caused such failure to close (and, if the Party delivering such notice is Seller, no Shareholder will have caused such failure to close).

(c) Buyer may terminate this Agreement by giving written notice to Seller at any time prior to the Closing if any Seller Party has Breached any representation, warranty, or covenant contained in this Agreement in any material respect (except with respect to materiality for any provisions including the word "material" or words of similar import and Section 6.5, in which case such termination rights will arise upon any Breach).

(d) Seller may terminate this Agreement by giving notice to Buyer at any time prior to the Closing if Buyer has Breached any representation, warranty, or covenant contained in this Agreement in any material respect (except with respect to materiality for any provisions including the word "material" or words of similar import, in which case such termination rights will arise upon any Breach).

(e) Buyer may terminate this Agreement by giving notice to Seller on or before the Expiration Date if Buyer is not satisfied in its sole discretion with the results of, and its due diligence investigations with respect to, the operations, affairs, prospects, properties, assets, existing and potential Liabilities, obligations, profits or condition (financial or otherwise) of the Business and the Purchased Assets.

Edgar Filing: INNOVO GROUP INC - Form 8-K

10.2 Effect of Termination

(a) Except for the obligations under Section 7.8, this ARTICLE 10 and ARTICLE 12, if this Agreement is terminated under Section 10.1, then, except as provided in this Section 10.2, all further obligations of the Parties under this Agreement will terminate.

(b) If Buyer or Seller terminate this Agreement pursuant to Section 10.1(c) or 10.1(d), as the case may be, then the rights of the non-breaching Party to pursue all legal remedies for damages such Party suffer will survive such termination unimpaired and no election of remedies will have been deemed to have been made.

ARTICLE 11. INDEMNIFICATION

11.1 Survival of Representations and Warranties

(a) Each representation and warranty of the Seller Parties contained in ARTICLE 6 and any certificate related to such representations and warranties will survive the Closing and continue in full force and effect for three (3) years thereafter, except (i) the representations and warranties set forth in Sections 6.4, 6.5, 6.17, and 6.18, which will survive the Closing and continue in full force and effect until the applicable statute of limitations expires (or for three (3) years if there is no applicable statute of limitations) and (ii) the representations and warranties set forth in Sections 6.1 and 6.2, which will survive the Closing and will continue in full force and effect forever.

(b) Each representation and warranty of Buyer contained in ARTICLE 5 and any certificate related to such representations and warranties will survive the Closing and continue in full force and effect for three (3) years thereafter, except the representations and warranties set forth in Sections 6.1 and 6.2, which will survive the Closing and will continue in full force and effect forever.

(c) Each other provision in this Agreement or any certificate or document delivered pursuant hereto will survive for the relevant statute of limitations period, unless a different period is expressly contemplated herein or thereby.

11.2 Indemnification Provisions for Buyer's Benefit

The Seller Parties, jointly and severally, will indemnify and hold Indemnified Buyer Parties harmless from and pay any and all damages, directly or indirectly, resulting from, relating to, arising out of, or attributable to any one of the following:

(a) Any Breach of any representation or warranty any Seller Party has made in this Agreement as if such representation or warranty were made on and as of the Closing Date without giving effect to any supplement to the Schedules, other than (in the event the Transactions are consummated) any such Breach that is disclosed in a supplement to the Schedules delivered under Section 7.6 that contains an express written admission by such Seller Party that such Breach has caused a

Edgar Filing: INNOVO GROUP INC - Form 8-K

condition specified in Section 9.1 not to be satisfied.

(b) Any Breach by any Seller Party of any covenant or obligation of Seller or the Shareholders in this Agreement.

(c) Any event arising from the operation or ownership of, or conditions occurring with respect to, the Business or any of the Purchased Assets prior to 11:59 p.m. on the Closing Date.

11.3 Indemnification Provisions for Seller Parties' Benefit

Buyer will indemnify and hold the Indemnified Seller Parties harmless from and pay any and all damages, directly or indirectly, resulting from, relating to, arising out of, or attributable to any of the following:

(a) Any Breach of any representation or warranty Buyer has made in this Agreement as if such representation or warranty were made on and as of the Closing Date without giving effect to any supplement to the Schedules, other than (in the event the Transactions are consummated) any such Breach that is disclosed in a supplement to the Schedules (delivered under Section 7.6) that contains an express written admission by Buyer that such Breach has caused a condition specified in Section 9.2 not to be satisfied.

(b) Any Breach by Buyer of any covenant or obligation of Buyer in this Agreement.

(c) Any event arising from the operation and ownership of, or conditions first occurring with respect to, the Business or any of the Purchased Assets after 11:59 p.m. on the Closing Date.

11.4 Indemnification Claim Procedures

(a) If any Action is commenced in which any Indemnified Party is a party that may give rise to a claim for indemnification against any Indemnitor (an "Indemnification Claim") then such Indemnified Party will promptly give notice to the Indemnitor. Failure to notify the Indemnitor will not relieve the Indemnitor of any Liability that it may have to the Indemnified Party, except to the extent the defense of such Action is materially and irrevocably prejudiced by the Indemnified Party's failure to give such notice.

(b) An Indemnitor will have the right to defend against an Indemnification Claim, other than a Indemnification Claim related to Taxes, with counsel of its choice reasonably satisfactory to the Indemnified Party if (i) within 15 days following the receipt of notice of the Indemnification Claim the Indemnitor notifies the Indemnified Party in writing that the Indemnitor will indemnify the Indemnified Party from and against the entirety of any damages the Indemnified Party may suffer resulting from, relating to, arising out of, or attributable to the Indemnification Claim, (ii) the Indemnitor provides the Indemnified Party with evidence reasonably acceptable to the Indemnified Party that the

Edgar Filing: INNOVO GROUP INC - Form 8-K

Indemnitor will have the financial resources to defend against the Indemnification Claim and pay, in cash, all damages the Indemnified Party may suffer resulting from, relating to, arising out of, or attributable to the Indemnification Claim, (iii) the Indemnification Claim involves only money damages and does not seek an injunction or other equitable relief, (iv) settlement of, or an adverse judgment with respect to, the Indemnification Claim is not in the good faith judgment of the Indemnified Party likely to establish a precedential custom or practice materially adverse to the continuing business interests of the Indemnified Party, and (v) the Indemnitor continuously conducts the defense of the Indemnification Claim actively and diligently.

(c) So long as the Indemnitor is conducting the defense of the Indemnification Claim in accordance with Section 11.4(b), (i) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Indemnification Claim, (ii) the Indemnified Party will not consent to the entry of any Order with respect to the Indemnification Claim without the prior written Consent of the Indemnitor (not to be withheld unreasonably), and (iii) the Indemnitor will not consent to the entry of any Order with respect to the Indemnification Claim without the prior written Consent of the Indemnified Party (not to be withheld unreasonably, provided that it will not be deemed to be unreasonable for an Indemnified Party to withhold its Consent (A) with respect to any finding of or admission (1) of any Breach of any Law, Order or Permit, (2) of any violation of the rights of any Person, or (3) which Indemnified Party believes could have a Material Adverse Effect on any other Actions to which the Indemnified Party or its Affiliates are party or to which Indemnified Party has a good faith belief it may become party, or (B) if any portion of such Order would not remain sealed).

(d) In connection with any Indemnification Claim for Taxes, or if any condition in Section 11.4(b) is or becomes unsatisfied, (i) the Indemnified Party may defend against, and consent to the entry of any Order with respect to an Indemnification Claim in any manner it may deem appropriate (and the Indemnified Party need not consult with, or obtain any Consent from, any Indemnitor in connection therewith), (ii) each Indemnitor will jointly and severally be obligated to reimburse the Indemnified Party promptly and periodically for the damages relating to defending against the Indemnification Claim, and (iii) each Indemnitor will remain jointly and severally Liable for any damages the Indemnified Party may suffer relating to the Indemnification Claim to the fullest extent provided in this ARTICLE 11.

(e) Each Party hereby consents to the non-exclusive jurisdiction of any Governmental Body, arbitrator, or mediator in which an Action is brought against any Indemnified Party for purposes of any Indemnification Claim that an Indemnified Party may have under this Agreement with respect to such Action or the matters alleged therein, and agrees that process may be served on such Party with respect to such claim anywhere in the world.

11.5 Limitations on Indemnification Liability

(a) With Respect to Claims by the Indemnified Buyer Parties. The Seller Parties' aggregate Liability for money damages under this Agreement related to Breaches of the representations, warranties, and covenants herein will not exceed an amount equal to the Purchase Price as adjusted pursuant to ARTICLE 3, provided that the limitation contemplated hereby will not be applicable with respect to Breaches of Sections 6.1 and 6.2 or instances of fraud by a Seller Party.

(b) With Respect to Claims by the Indemnified Seller Parties. Buyer's aggregate Liability for money damages under this Agreement related to Breaches of the representations, warranties, and covenants herein will not exceed the principal amount of the Buyer Note as adjusted pursuant to ARTICLE 3, provided that the limitation contemplated hereby will not be applicable with respect to Breaches of Sections 5.1 and 5.2 or instances of fraud by Buyer.

(c) With Respect to Claims by any Indemnified Party. Any claims any Indemnified Party makes under this ARTICLE 11 will be limited as follows:

(i) Exclusion of Certain Types of Damages. All indemnification obligations will be limited to actual damages and will exclude incidental, consequential, lost profits, indirect, punitive, or exemplary damages.

(ii) Knowledge Qualifiers. In determining whether a representation, warranty, or covenant in this Agreement has been breached where such covenant is modified by the concept of "Knowledge," such concept will be disregarded in determining whether there has been a Breach of such representation, warranty, or covenant.

11.6 Set Off Rights

Buyer will have the option of setting off all or any part of any damages Buyer suffers by notifying Seller that Buyer is reducing the principal amount outstanding under the Buyer Note by the amount of such damages. This will affect the timing and amount of payments required under Buyer Note in the same manner as if Buyer had made a permitted prepayment (without premium or penalty) thereunder. Buyer's exercise, if in good faith, of its set off rights will not constitute an event of default under the Buyer Note or any related security documents.

11.7 Option to Require Seller to Pay in Buyer Common Stock

If any Seller Party has an obligation to pay damages to Buyer under this ARTICLE 11, Buyer may require such Seller Party to satisfy the obligation by surrendering for redemption that quantity of shares of common stock of Buyer

Edgar Filing: INNOVO GROUP INC - Form 8-K

or any Affiliate of Buyer then held by such Seller Party equal in value to the damages. For purposes of this Section 11.7, the value of Buyer Common Stock will be the lesser of the closing price of such common stock on the NASDAQ Stock Market's National Market as of (a) the business day immediately preceding the Closing Date, and (b) the date the amount of damages is finally determined in accordance with this Agreement. If Buyer elects to redeem stock, it will do so by providing notice to the transfer agent with respect to such common stock and providing a copy of such notice to such Seller Party. Each Seller Party hereby authorizes such transfer agent to transfer title to such common stock on Buyer's stock ledger and will hold such transfer agent harmless from and indemnify such transfer agent for any Liabilities of the transfer agent (INCLUDING LIABILITIES ARISING FROM ITS OWN NEGLIGENCE) arising as a result of such transfer. Any certificates representing such common stock issued in connection herewith will bear a legend reflecting the obligations contemplated by this Section 11.7.

11.8 No Waiver of Rights or Remedies

Each Indemnified Party's rights and remedies set forth in this Agreement will survive the Closing and will not be deemed waived by such Indemnified Party's consummation of the Transactions and will be effective regardless of any inspection or investigation conducted, or the awareness of any matters acquired (or capable or reasonably capable of being acquired), by or on behalf of such Indemnified Party or by its directors, officers, employees, or representatives or at any time (regardless of whether notice of such knowledge has been given to Indemnitor), whether before or after the Execution Date or the Closing Date with respect to any circumstances constituting a condition under this Agreement, unless any waiver specifically so states.

11.9 Other Indemnification Provisions

(a) The foregoing indemnification provisions are in addition to, and not in derogation of, any remedy at law or in equity that any Party may have with respect to the Transactions.

(b) A claim for any matter not involving a third party may be asserted by notice to the Party from whom indemnification is sought.

ARTICLE 12. MISCELLANEOUS

12.1 Schedules

(a) The disclosures in any Schedule, and those in any supplement thereto, relate only to the representations and warranties in the Section or paragraph of the Agreement to which such Schedule expressly relates and not to any other representation or warranty in this Agreement.

(b) If there is any inconsistency between the statements in the body of this Agreement and those in the Schedules (other than an exception expressly set forth as in the Schedules with respect to a specifically identified representation or

Edgar Filing: INNOVO GROUP INC - Form 8-K

warranty), the statements in the body of this Agreement will control.

(c) Nothing in the Schedules will be deemed adequate to disclose an exception to a representation or warranty made herein, unless the Schedules identify the exception with particularity and describes the relevant facts in reasonable detail.

(d) The mere listing (or inclusion of a copy) of a document or other item in a Schedule will not be deemed adequate to disclose an exception to a representation or warranty made in this Agreement (unless the representation or warranty pertains to the existence of the document or other item itself).

12.2 Entire Agreement

This Agreement, together with the Exhibits and Schedules hereto and the certificates, documents, instruments and writings that are delivered pursuant hereto, constitutes the entire agreement and understanding of the Parties in respect of its subject matters and supersedes all prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they relate in any way to the subject matter hereof or the Transactions, including the letter of intent, dated June 11, 2003, between Seller and Buyer. Except as expressly contemplated by ARTICLE 11, there are no third party beneficiaries having rights under or with respect to this Agreement.

12.3 Successors

All of the terms, agreements, covenants, representations, warranties, and conditions of this Agreement are binding upon, and inure to the benefit of and are enforceable by, the Parties and their respective successors and, to the extent of any assignment permitted under Section 12.4, the assigns of Buyer.

12.4 Assignments

No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of Buyer and the Seller Parties; provided, however, that Buyer may (a) assign any or all of its rights and interests hereunder to one or more of its Affiliates and (b) designate one or more of its Affiliates to perform its obligations hereunder (in any or all of which cases Buyer nonetheless will remain responsible for the performance of all of its obligations hereunder), (c) make a collateral assignment of its rights hereunder to its lender(s) and (d) in connection with any sale or transfer by Buyer of all or substantially all of its assets to another Person, (i) Buyer may, by written notice to the Seller Parties, assign any or all of its rights and interests under this Agreement to such other Person; and (ii) to the extent such other Person expressly assumes by a written instrument any or all of the obligations of Buyer under this Agreement,

Edgar Filing: INNOVO GROUP INC - Form 8-K

Buyer shall be discharged and released from such obligations so assumed. In the event of an assignment or designation pursuant to clauses (a) or (b) or (d) of the prior sentence prior to the Closing Date, any documents to be delivered by any Seller Party or Buyer pursuant hereto the forms of which are attached hereto shall be appropriately modified to give effect to such assignment or designation.

12.5 Notices

All notices, requests, demands, claims, and other communications hereunder will be in writing. Any Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties notice in the manner herein set forth.

12.6 Specific Performance

Each Party acknowledges and agrees that the other Parties would be damaged irreparably if any provision of this Agreement is not performed in accordance with its specific terms or is otherwise Breached. Accordingly, each Party agrees that the other Parties will be entitled to an injunction or injunctions to prevent Breaches of the provisions of this Agreement and to enforce specifically this Agreement and its terms and provisions in any Action instituted in any court of the United States or any state thereof having jurisdiction over the Parties and the matter, subject to Sections 12.7 and 12.11, in addition to any other remedy to which they may be entitled, at law or in equity.

12.7 Submission to Jurisdiction; Process Agent; No Jury Trial

(a) Submission to Jurisdiction. Each Party submits to the jurisdiction of any state or federal court sitting in Los Angeles, California, in any action arising out of or relating to this Agreement and agrees that all claims in respect of the action may be heard and determined in any such court. Nothing in this Section 12.7(a) will affect the right of any Party to bring any action arising out of or relating to this Agreement in any other court. Each Party agrees that a final judgment in any action so brought will be conclusive and may be enforced by action on the judgment or in any other manner provided at law or in equity. Each Party waives any defense of inconvenient forum to the maintenance of any action so brought and waives any bond, surety, or other security that might be required of any other Party with respect thereto.

(b) Waiver of Jury Trial. THE PARTIES EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO JURY TRIAL OF ANY DISPUTE BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENTS RELATING HERETO OR ANY DEALINGS AMONG THEM RELATING TO THE TRANSACTIONS. The scope of this waiver is intended to be all encompassing of any and all actions that may be filed in any court and that relate to the subject matter of the transactions, including, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. The Parties each acknowledges that this waiver is a material inducement to enter into a business relationship and that they will continue to rely on the waiver in their related future dealings. Each Party further represents and warrants that it has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, THIS WAIVER IS IRREVOCABLE, MEANING

Edgar Filing: INNOVO GROUP INC - Form 8-K

THAT IT MAY NOT BE MODIFIED ORALLY OR IN WRITING, AND THE WAIVER WILL APPLY TO ANY AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING HERETO. In the event of an action, this Agreement may be filed as a written consent to trial by a court.

(c) Service of Process. The Parties agree that any Party may make service on any other Party by sending or delivering a copy of the process to the Party to be served at the address and in the manner provided for the giving of notices in Section 12.5. Nothing in this Section 12.7(c) will affect any Party's right to bring any action arising out of or relating to this Agreement in any other court or to serve legal process in any other manner permitted at law or in equity.

12.8 Time

Time is of the essence in the performance of this Agreement.

12.9 Counterparts

This Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same instrument.

12.10 Headings

The article and section headings contained in this Agreement are inserted for convenience only and will not affect in any way the meaning or interpretation of this Agreement.

12.11 Governing Law

This Agreement and the performance of the Transactions and obligations of the Parties hereunder will be governed by and construed in accordance with the laws of the State of California, without giving effect to any choice of Law principles that may require application of any other Laws.

12.12 Amendments and Waivers

No amendment, modification, waiver, replacement, termination or cancellation of any provision of this Agreement will be valid, unless the same will be in writing and signed by Buyer and each Seller Party. No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, may be deemed to extend to any prior or subsequent default, misrepresentation, or Breach of warranty or covenant hereunder or affect in any way any rights arising because of any prior or subsequent such occurrence.

12.13 Severability

The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision will not affect the validity or enforceability of the other provisions hereof; provided that if any provision of this Agreement, as applied to any Party or to any circumstance, is adjudged by a Governmental Body, arbitrator, or mediator not to be enforceable in accordance with its terms, the Parties agree that the Governmental Body, arbitrator, or mediator making such determination will have the power to modify the provision in a manner consistent with its objectives such that it is enforceable, and/or to delete specific words or phrases, and in its reduced form, such provision will then be enforceable and will be enforced.

12.14 Expenses

Except as otherwise expressly provided in this Agreement, the Seller Parties, on the one hand, and the Buyer, on the other hand, will each bear its own costs and expenses incurred in connection with the preparation, execution and performance of this Agreement and the Transactions including all fees and expenses of agents, representatives, financial advisors, legal counsel and accountants.

12.15 Construction

The Parties have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties and no presumption or burden of proof will arise favoring or disfavoring any Party because of the authorship of any provision of this Agreement. Any reference to any federal, state, local, or foreign Law will be deemed also to refer to Law as amended and all rules and regulations promulgated thereunder, unless the context requires otherwise. The words "include," "includes," and "including" will be deemed to be followed by "without limitation." Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words "this Agreement," "herein," "hereof," "hereby," "hereunder," and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The Parties intend that each representation, warranty, covenant, and condition contained herein will have independent significance. If any Party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same or similar subject matter (regardless of the relative levels of specificity) which the Party has not breached will not detract from or mitigate the fact that the Party is in breach of the first representation, warranty, or covenant. If any condition to Closing contained herein has not been satisfied in any respect, the fact that there exists another condition relating to the same or similar subject matter

Edgar Filing: INNOVO GROUP INC - Form 8-K

(regardless of the relative levels of specificity) which has been satisfied shall not detract from or mitigate the fact that the first condition has not been satisfied.

12.16 Incorporation of Exhibits and Schedules

The Exhibits, Schedules, and other attachments identified in this Agreement are incorporated herein by reference and made a part hereof.

12.17 Remedies

Except as expressly provided herein, the rights, obligations and remedies created by this Agreement are cumulative and in addition to any other rights, obligations, or remedies otherwise available at law or in equity. Except as expressly provided herein, nothing herein will be considered an election of remedies.

12.18 Joint and Several Obligations

Notwithstanding anything to the contrary in this Agreement, the covenants and obligations of, and the representations and warranties made by or attributable to, any Seller Party pursuant to this Agreement will be deemed to be made by and attributable to each Seller Party, jointly and severally, and Buyer will have the right to pursue remedies against any one or more Seller Parties without any obligation to give notice to or to pursue all Seller Parties, or to give notice to or pursue any individual Seller Party, before pursuing any other Seller Party.

BILL OF SALE AND ASSIGNMENT OF CONTRACT RIGHTS

For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and pursuant to the Asset Purchase Agreement dated July 17, 2003 by and among Azteca Production International, Inc., a California corporation ("Seller"), Hubert Guez, an individual, Paul Guez, an individual, and Innovo Azteca Apparel, Inc., a California corporation ("Buyer") (the "Asset Purchase Agreement"), Seller hereby unconditionally and irrevocably grants, bargains, transfers, sells, assigns, conveys, and delivers to Buyer, its successors and assigns forever, all right, title, and interest, legal or equitable, in and to the Purchased Assets (as defined in the Asset Purchase Agreement) (the "Purchased Assets").

TO HAVE AND TO HOLD the Purchased Assets unto Buyer and its successors and assigns forever.

Undefined capitalized terms herein are defined in the Asset Purchase Agreement.

Seller, for itself, its successors, and assigns, hereby covenants and agrees (i) to and with Buyer, to warrant and defend the grant, bargain, transfer, sale, assignment, conveyance, and delivery of the Purchased Assets to Buyer and its successors and assigns against all Persons, to the extent set forth in the Asset Purchase Agreement and (ii) that, at any time and from time to time after the date hereof, promptly upon the written request of Buyer, it will do, execute, acknowledge, and deliver, or cause to be done, executed, acknowledged, and delivered, each and all of such further acts, deeds, assignments, transfers, conveyances, powers of attorney, and assurances as may reasonably be

Edgar Filing: INNOVO GROUP INC - Form 8-K

required by Buyer in order to assign, transfer, set over, convey, assure, and confirm unto and vest in Buyer, its successors, and assigns the Purchased Assets and title thereto and to put Buyer in possession and operating control of the Purchased Assets. To the extent that any of the Purchased Assets are not actually delivered and turned over by Seller to Buyer at the Closing, such Purchased Assets will be held in trust by Seller for Buyer and will be turned over and delivered to Buyer at any time and from time to time upon demand therefor. Buyer will maintain the sole and exclusive title thereto and all right, title, and interest therein, and Seller will have no right, title, or interest in or to any such Purchased Assets, nor will Seller have any retaining possessory or other lien thereon.

Without limiting the foregoing, Seller hereby constitutes Buyer the true and lawful agent and attorney-in-fact of Seller, with full power of substitution and resubstitution, in whole or in part, in the name and stead of Seller but on behalf and for the benefit of Buyer and its successors and assigns, from time to time:

1. To demand, receive, and collect any and all of the Purchased Assets, and to give receipts and releases for and with respect to same, or any part thereof.
2. To institute and prosecute, in the name of Seller or otherwise, all proceedings, at law, in equity, or otherwise, that Buyer or its successors and assigns may deem proper in order to collect or enforce any claim or right of any kind included in the Purchased Assets.
3. To do all things legally permissible or required, or reasonably deemed by Buyer to be required, to recover and collect the Purchased Assets and to use Seller's name in such manner as Buyer may reasonably deem necessary for the collection and recovery of same.

Seller hereby declares that the foregoing powers are coupled with an interest and are irrevocable by Seller or by its dissolution or in any other manner or for any reason whatsoever. Buyer expressly does not, and should not be deemed to, assume under this instrument any liabilities, obligations, or commitments of Seller.

The scope, nature and extent of the Purchased Assets are expressly set forth in the Asset Purchase Agreement. Nothing herein contained will itself change, amend, extend, or alter (nor should it be deemed or construed as changing, amending, extending, or altering) the terms or conditions of the Asset Purchase Agreement in any manner whatsoever. This instrument does not create or establish rights, liabilities, or obligations not otherwise created or existing under or pursuant to the Asset Purchase Agreement. Seller acknowledges and agrees that the representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement will not be superseded hereby but will remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase

Edgar Filing: INNOVO GROUP INC - Form 8-K

Agreement and the terms of this instrument, the terms of the Asset Purchase Agreement will govern.

Nothing in this instrument, express or implied, is intended or shall be construed to confer upon or give to, any person, firm or corporation other than Buyer and its successors and assigns any remedy or claim under or by reason of this instrument or any term, covenant or condition hereof, and all of the terms, covenants, conditions, promises, and agreements in this instrument shall be for the sole and exclusive benefit of Buyer and its successors and assigns.

This instrument will be binding upon Seller and its successors and assigns, and inure to the benefit of and is enforceable by Buyer and its successors and assigns.

14.3 Renewal Term This Agreement will automatically renew for consecutive two (2) year terms under the same terms and conditions set forth herein ("Renewal Term") unless terminated by either party upon delivering written notice to the other party at least ninety (90) days prior to the end of the then existing term.

FOR IMMEDIATE RELEASE

Innovo Group Acquires Azteca Productions International's Blue Concepts Division

LOS ANGELES, July 18, 2003 -- Innovo Group Inc. (NASDAQ: INNO), a sales and marketing organization designing and selling branded and private label apparel and accessory products to the retail and private label markets, announced today that its wholly owned subsidiary, Innovo Azteca Apparel, Inc. ("IAA") has completed the acquisition of the Blue Concepts division ("Blue Concepts") of Azteca Productions International, Inc. ("Azteca").

Azteca's Blue Concepts division, which sells primarily denim jeans to American Eagle Outfitters, Inc. ("AEO"), had revenues of approximately \$75 million for the fiscal year ending January 2003.

Pursuant to the terms of the agreement, IAA has purchased certain assets of Blue Concepts for \$21.8 million. Additionally, IAA will employ the existing employees of Blue Concepts but will not assume any of Blue Concept's or Azteca's existing liabilities.

The purchase price has been funded through the issuance of a seven-year promissory note (the "Note"). The Note bears an interest rate of 6% and is an interest only note during the first 24 months and then is fully amortizing over the remaining five-year period.

"The addition of Blue Concepts will complement our existing private label business extremely well and we look forward to capitalizing on the existing operations and expertise within Blue Concepts. The acquisition will significantly increase the revenues of the Company and we believe it will also greatly increase the overall financial strength of the Company," said Innovo Group CEO Jay Furrow.

After the transaction is completed, the Company will as soon as reasonably possible call a shareholder meeting at which the Company's shareholders shall vote upon the conversion of a portion of the Note into equity through the issuance of 3,125,000 shares of Company common stock valued at the greater of \$4 per share or the market value of the Company's common stock at the date shareholder approval is obtained.

In the event shareholder approval is obtained, the Note will be reduced to \$9.3 million and the shares issued pursuant to the conversion will be non-transferable and "locked up" during Period I (defined below) and locked up during Period II (defined below) in such quantities necessary to protect the Company against any revenue shortfalls by Innovo Blue Concepts ("IBC") during Period II as discussed in more detail below (the "Locked Up Shares").

In the event that the sales by the newly formed IBC division fall below \$70 million during the first 17 month period ("Period I") following the closing of the acquisition or \$65 million during the 12 month period ("Period II") following Period I, the Company has negotiated certain provisions

Edgar Filing: INNOVO GROUP INC - Form 8-K

which will allow for a reduction in the purchase price through a decrease in the principal balance of the Note and/or the return of Locked Up Shares. In the event the Note is reduced during Period I and the sales of IBC in Period II are greater than \$65 million, the Note shall be increased by half of the amount greater than \$65 million but in no event shall the Note be increased by an amount greater than the decrease in Period I.

In the event the principal amount of the Note needs to be reduced beyond the outstanding principal balance of such Note, then an amount of the Locked Up Shares equal to the balance of the required reduction shall be returned to the Company. For these purposes, the Locked Up Shares shall be valued at \$4.00 per share. Additionally, if during the 12 month period following the closing, AEO is no longer a customer of IAA, the Locked Up Shares will be returned to the Company, and any amount remaining on the balance of the Note will be forgiven.

If the revenues of IBC decrease to \$35 million or less during Period I or Period II, IAA shall have the right to sell the purchased assets back to Azteca, and Azteca shall have the right to buy back the purchased assets for the remaining balance of the Note and any and all Locked Up Shares shall be returned to the Company.

As part of the transaction, IAA has entered into a non-exclusive supply agreement with an affiliate of Azteca for products to be sold by IBC. In addition, IAA will pay to Sweet Sportswear, LLC, an Azteca affiliate, an amount equal to 2.5% of IAA's revenues generated as a result of sales to AEO.
