Farmer Mac Reports 3rd Quarter 10-Q Filing

## Edgar Filing: FEDERAL AGRICULTURAL MORTGAGE CORP - Form 8-K

### And Officers' Adoption of 10b5-1 Trading Plans

Washington, D.C. -- The Federal Agricultural Mortgage Corporation (Farmer Mac, NYSE: AGM and AGM.A) reported that today it filed its Quarterly Report on Form 10-Q for the quarter ended September 30, 2003 with the Securities and Exchange Commission. The Corporation also reported today that four of its officers each have adopted a prearranged trading plan in accordance with Securities and Exchange Commission Rule 10b5-1 and Farmer Mac's policy on securities trades by company personnel. The plans were entered into by the officers for personal financial planning purposes.

Farmer Mac is the stockholder-owned instrumentality of the United States chartered by Congress to establish a secondary market for agricultural real estate and rural housing mortgage loans.

Under Rule 10b5-1, directors and officers of a company may adopt a prearranged plan or contract for the sale of the company's securities under specified conditions and times if the person has no material non-public information about the company. The plans adopted by the officers relate to Farmer Mac Class C Non-Voting Common Stock (NYSE: AGM). The plans adopted by Henry D. Edelman, President and CEO, and Nancy E. Corsiglia, Vice President and CFO, were entered into with respect to options to purchase shares of Class C Stock that will expire by their terms in 2006. The plans entered into by Jerome G. Oslick, Vice President - General Counsel, and Tom D. Stenson, Vice President - Agricultural Finance, were entered into with respect to options to purchase shares of Class C Stock that will expire by their terms between 2007 and 2010.

Each plan provides for sales to commence no earlier than November 20, 2003 and directs Bear Stearns to exercise the options from time to time, as market conditions warrant, not later than October 1, 2004, and to execute the sale of a certain number of shares of Class C Stock with time, price and amount discretion in the sale of the Class C Stock vested in Bear Stearns. Mr. Edelman's plan provides for the exercise of options to purchase 119,340 shares with not more than 20,000 shares to be sold on any day; Ms. Corsiglia's plan provides for the exercise of options to purchase 45,747 shares with not more than 10,000 shares to be sold on any day; Mr. Stenson's plan provides for the exercise of options to purchase 65,000 shares with not more than 10,000 shares to be sold on any day; and Mr. Oslick's plan provides for the exercise of options to purchase 24,804 shares with not more than 5,000 shares to be sold on any day.
