Item 1.01. Entry into a Material Definitive Agreement.

(a) On July 31, 2015, the Federal Agricultural Mortgage Corporation ("Farmer Mac") entered into a series of agreements relating to a \$300 million credit facility with the National Rural Utilities Cooperative Finance Corporation ("CFC"), which has a "related party" relationship with Farmer Mac as the result of CFC's ownership of Farmer Mac common stock. The new credit facility is evidenced by a Master Note Purchase Agreement (between Farmer Mac, CFC, and Farmer Mac Mortgage Securities Corporation, a subsidiary of Farmer Mac ("FMMS")), a First Supplemental Note Purchase Agreement (between Farmer Mac, CFC, and FMMS), and a Second Amended, Restated and Consolidated Pledge Agreement (the "Pledge Agreement") (between Farmer Mac, CFC, FMMS, and U.S. Bank National Association, as collateral agent), each dated as of July 31, 2015.

## Edgar Filing: FEDERAL AGRICULTURAL MORTGAGE CORP - Form 8-K

The Master Note Purchase Agreement provides CFC the ability to borrow money evidenced by general obligation notes sold to FMMSMC and secured by eligible rural utilities loans. Farmer Mac will guarantee the timely payment of interest and principal on any notes issued and sold by CFC under the Master Note Purchase Agreement. The Master Note Purchase Agreement, together with the First Supplemental Note Purchase Agreement, is structured as a revolving borrowing facility with an initial draw period of three years and a maximum principal amount of notes outstanding at any time of \$300 million. Each note will accrue interest at a floating rate and will mature, in each case, as determined at the time of issuance. The Pledge Agreement, which amends and restates in its entirety the Amended, Restated and Consolidated Pledge Agreement (between Farmer Mac, CFC, FMMSMC, and U.S. Bank National Association, as collateral agent) dated as of March 24, 2011, provides for the pledge by CFC to the collateral agent, for the benefit of Farmer Mac and FMMSMC, of eligible rural utilities loans made by CFC to its members to secure CFC's obligations under the Master Note Purchase Agreement, as well under the Amended and Restated Note Purchase Agreement (between Farmer Mac, CFC, and FMMSMC) dated as of March 24, 2011, in an amount equal to at least 100% of the outstanding principal amount of notes issued and sold by CFC under both Note Purchase Agreements.

CFC is the second-largest owner of Farmer Mac's Class A voting common stock, and is named as a holder of more than 5% of Farmer Mac's Class A voting common stock in Farmer Mac's Proxy Statement dated April 24, 2015 and filed with the SEC on that same date. The Agreements described above were entered into on an arms-length basis in the ordinary course of business, with terms and conditions comparable to those available to other program participants that do not have a related party relationship with Farmer Mac.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) On August 5, 2015, Farmer Mac issued a press release to announce the retirement of Tom Stenson, Farmer Mac's Executive Vice President – Chief Operating Officer, which will be effective as of August 7, 2015.

A copy of the press release is attached to this report as Exhibit 99.
