(1) This registration statement on Form S-8 (this "Registration Statement") represents an aggregate of 4,500,000 shares of common stock, par value \$0.01 per share (the "Common Stock") of Sonic Corp. (the "Registrant") available for issuance under the Sonic Corp. 2006 Long-Term Incentive Plan (the "Plan"). Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement shall also cover any additional shares of Common Stock that become issuable under the plan to which this Registration Statement relates by reason of any stock dividend, stock split, recapitalization or any other similar transaction effected without the receipt of consideration which results in an increase in the number of the Registrant's outstanding shares of Common Stock.

(2) Pursuant to Rule 457(c) and 457(h) under the Securities Act, the Proposed Maximum Offering Price Per Share as to the 4,500,000 shares of Common Stock of the Registrant registered with respect to future awards granted under the Plan is based on the average of the high and low prices of the Registrant's Common Stock reported on the Nasdaq National Market on January 31, 2006 and is estimated solely for the purpose of calculating the registration fee.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Registrant incorporates by reference in this Registration Statement the following documents filed by the Registrant with the Securities and Exchange Commission (the "Commission"):

- (a) The Registrant's annual report on Form 10-K filed for the period ended August 31, 2005 (filed November 14, 2005).
- (b) The Registrant's quarterly report on Form 10-Q for the quarterly period ended November 30, 2005 (filed January 6, 2006).
- (c) The description of the Registrant's Common Stock, contained in the Registrant's Form S-1 Registration Statement (File No. 33-37158), including any amendments or reports filed for the purpose of updating such description.

In addition, all reports and other documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") after the date of this Registration Statement, but prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities

Not required.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's bylaws provide for the indemnification of the Registrant's officers and directors against certain liabilities. The Registrant's Certificate of Incorporation also limits, to the fullest extent permitted by Delaware law, a director's liability for monetary damages for breach of fiduciary duty, including gross negligence. Under Delaware law, however, a director's liability cannot be limited for (i) breach of the director's duty of loyalty; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (iii) the unlawful payment of a dividend or unlawful stock purchase redemption; or (iv) any transaction from which the director derives an improper personal benefit. Delaware law does not eliminate a director's duty of care and this provision has no effect on the availability of equitable remedies such as injunction or rescission based upon a director's breach of the duty of care.

The Registrant has entered into indemnification agreements with each of its current directors which provide for the indemnification of and the advancement of expenses to such persons in instances where such persons are named in any suit resulting from their tenure as a director of the Registrant.

Finally, the Registrant has obtained a directors and officers liability insurance policy which provides for the indemnification of the Registrant's directors and officers against liability which they incur in their capacities as directors and officers of the Registrant.

Insofar as the foregoing documents permit indemnification for liabilities arising under the Securities Act, the Commission has informed the Company that, in the opinion of the Commission, indemnification is against public policy as expressed in the Securities Act and, therefore, is unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See attached Exhibit Index.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(1) To include any prospectus required by section 10(a)(3) of the Securities Act;

(2) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement.

(3) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1) and (a)(2) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such

liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
