## **TASEKO RE-ACQUIRES FARMOUT INTERESTS**

**June 11, 2004, Vancouver, BC** - Ronald W. Thiessen, President and CEO of Taseko Mines Limited (TSX Venture: TKO; OTCBB: TKOCF) announces that Taseko has elected to exercise its call rights under a Farmout and Joint Venture Agreement ("the Farmout Agreement") between Taseko and Northern Dynasty Minerals Ltd. ("Northern Dynasty") and Rockwell Ventures Inc. ("Rockwell"), whereby Northern Dynasty and Rockwell were granted the right to earn a working interest in certain exploration properties held by the Company's wholly owned subsidiary Gibraltar Mines Ltd. and located adjacent to its Gibraltar Mine property in south-central British Columbia. Pursuant to the Farmout Agreement, Northern Dynasty expended \$650,000 on exploration and Rockwell incurred \$200,000 in exploration expenditures to earn interests in the properties.

The Farmout Agreement provided Taseko with a call right, whereby the Company could acquire the working interest held by each of Northern Dynasty and Rockwell in consideration of the issuance of common shares valued at 110% of the exploration expenditures incurred. Taseko elected to exercise this call right on March 12, 2004, and to reacquire the earn interest will issue 256,272 common shares to Northern Dynasty and 78,853 common shares to Rockwell. These Taseko shares have a deemed value of \$2.79 per share.

The closing date of the transaction is June 4, 2004. There is four-month hold period applicable to these shares.

ON BEHALF OF THE BOARD OF DIRECTORS

/s/ Ronald W. Thiessen

Ronald W. Thiessen  
President & CEO

No regulatory authority has approved or disapproved the information contained in this news release.

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continuing availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements. For more information on the Company, Investors should review the Company's Annual Information Form in Canada and its annual filing on Form 20-F with the United States Securities Commission.
