DIRECTOR RESIGNATION

September 9, 2005, Vancouver, BC - Taseko Mines Limited (TSX Venture: TKO; AMEX: TGB) announces the resignation of Tom Milner as Chief Operating Officer and Director of the Company, effective September 13, 2005. Mr. Milner will continue to be available on a part time basis for consulting to Taseko and the Hunter Dickinson group.

Mr. Milner has been involved with the Gibraltar operation for nearly 16 years. He led the team that maintained the Gibraltar facilities during the five years that the operation was on standby due to low copper prices. He was also instrumental in the plans and negotiations that lead to resumption of copper production at Gibraltar in October 2004; and supervising other activities such as revamping the molybdenum circuit that began full operation earlier this year. The Board and Management acknowledge his contribution and express their appreciation for his guidance of the successful re-start that lead to the Company's recently released positive financial results.
