Controls and Procedures

Disclosure Controls and Procedures. Intertape Polymer Group Inc. (Intertape Polymer Group or the Company) maintains disclosure controls and procedures designed to ensure not only that information required to be disclosed in its reports filed under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms, but also that information required to be disclosed by Intertape Polymer Group is accumulated and communicated to management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure. The Executive Director and Chief Financial Officer of Intertape Polymer Group conducted an evaluation of the effectiveness of the Company's disclosure controls and procedures and internal control over financial reporting as of December 31, 2009. They concluded based on such evaluation that the Company's disclosure controls and procedures were effective.

Management's Annual Report on Internal Control Over Financial Reporting. Management is responsible for establishing and maintaining adequate internal control over financial reporting for the Company. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of the Company's financial reporting as well as the preparation of financial statements for external reporting purposes in accordance with Canadian generally accepted accounting principles, including a reconciliation of accounting principles generally accepted in the United States of America.

Internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the Company's consolidated financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements, and even when determined to be effective, can only provide reasonable assurance with respect to financial statements preparation and presentation. Also projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of completeness with policies or procedures may deteriorate.

Management conducted an assessment of the effectiveness of the Company's internal control over financial reporting as at December 31, 2009 based on the criteria established in *Internal Control - Integrated Framework* issued by the

Committee of Sponsoring Organizations of the Treadway Commission. Management has concluded that the Company's internal control over financial reporting was effective as at December 31, 2009 based on those criteria.

Changes in Internal Control Over Financial Reporting. There have been no changes in Intertape Polymer Group's internal controls over financial reporting that occurred during 2009 that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Blackout Period Notices

During 2009, Intertape Polymer Group was not required to send its directors and executive officers notices pursuant to Rule 104 of Regulation BTR concerning any equity security subject to a blackout period under Rule 101 of Regulation BTR. Intertape Polymer Group's blackout periods are regularly scheduled and a description of such periods, including their frequency and duration and plan transactions to be suspended or affected are included in the documents under which Intertape Polymer Group's plans operate and is disclosed to employees before enrollment or within thirty (30) days thereafter.

Audit Committee Financial Expert

The Board of Directors of Intertape Polymer Group has determined that it has at least one audit committee financial expert serving on its audit committee. Mr. George J. Bunze, having been the Chief Financial Officer of Kruger Inc., and having the attributes set forth in Paragraph 8(b) of General Instruction B to Form 40-F, has been determined to be an audit committee financial expert. Further, Mr. Bunze is independent as that term is defined in Canadian National Instrument 52-110 *Audit Committees*.

The Securities and Exchange Commission has stated that the designation of Mr. Bunze as an audit committee financial expert does not make him an expert for any purpose, including, without limitation, for purposes of Section 11 of the Securities Act of 1933. Further, such designation does not impose any duties, obligations or liability on Mr. Bunze greater than those imposed on members of the audit committee and Board of Directors not designated as an audit committee financial expert, nor does it affect the duties, obligations or liability of any other member of the audit committee or Board of Directors.

Code of Ethics

Intertape Polymer Group has adopted a code of ethics entitled Intertape Polymer Group Inc. Code of Business Conduct and Ethics , which is applicable to all of its employees, including its principal executive officer, principal financial officer, principal accounting officer or controller, and all persons performing similar functions. During the 2009 fiscal year, Intertape Polymer Group did not amend its Code of Business Conduct and Ethics and did not grant a waiver from any provision of its Code of Business Conduct and Ethics. Intertape Polymer Group will provide, without charge, to any person upon written or oral request, a copy of its Code of Business Conduct and Ethics. Requests should be directed to Burgess H. Hildreth, Intertape Polymer Group Inc., 3647 Cortez Road West, Bradenton, Florida 34210. Mr. Hildreth may be reached by telephone at (941) 739-7500.
