OMNICOM GROUP INC.
Zero Coupon Zero Yield Convertible Notes due 2032

This prospectus supplement relates to the resale by the selling securityholders of Zero Coupon Zero Yield Convertible Notes due 2032 of Omnicom Group Inc. and the shares of common stock issuable upon the conversion and/or redemption of the notes.

This prospectus supplement should be read in conjunction with the prospectus dated June 3, 2002, which is to be delivered with this prospectus supplement. All capitalized terms used but not defined in the prospectus supplement shall have the meanings given to them in the prospectus.

The following information replaces in its entirety the information provided in the prospectus under the caption "Selling Securityholders."

SELLING SECURITYHOLDERS

The notes were originally issued by us and sold to J.P. Morgan Securities Inc., Goldman Sachs & Co. and Salomon Smith Barney Inc., to whom we refer elsewhere as the "initial purchasers," in a transaction exempt from the registration requirements of the federal securities laws. The initial purchasers resold the notes to persons reasonably believed by them to be "qualified institutional buyers" as defined by Rule 144A under the Securities Act. The selling securityholders, which term includes their transferees, pledgees, donees or successors, may from time to time offer and sell pursuant to this prospectus, as amended or supplemented, any and all of the notes and the shares of common stock issuable upon conversion and/or redemption of the notes.

Set forth below are the names of each selling securityholder, the principal amount of notes that may be offered by such selling securityholder pursuant to this prospectus, as amended or supplemented, and the number of shares of common stock into which such notes are convertible, each to the extent known to us as of the date of this prospectus. Unless set forth below, none of the selling securityholders has had a material relationship with us or any of our predecessors or affiliates within the past three years.

The following table sets forth certain information received by us on or prior to June 13, 2002. However, any or all of the notes or common stock listed below may be offered for sale pursuant to this prospectus, as amended or supplemented, by the selling securityholders from time to time. Accordingly, no estimate can be given as to the amounts of notes or common stock that will be held by the selling securityholders upon consummation of any such sales. In addition, the selling securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes since the date on which the information regarding their notes was provided, in transactions exempt from the registration requirements of the Securities Act.
