For the three months ended March 31, 2008 and 2007, we had net income of approximately \$128.2 million and \$14.4 million, respectively. Net income for the three months ended March 31, 2008 was mainly comprised of approximately \$7.8 million of net interest income and approximately \$135.2 million of net gains on instruments carried at fair value mainly due to the decrease in the fair value of borrowings. Due to our adoption of SFAS No. 159 as of January 1, 2008, all gains and losses in the fair value of our investment assets and financing liabilities are now recognized in our statement of operations.
