PRESS RELEASE
 FOR IMMEDIATE RELEASE

GRUPO TELEVIS A TO PARTICIPATE IN VUELA

Mexico City, July 25, 2005--Grupo Televisa, S.A. ("Televisa"; NYSE:TV; BMV:TLEVIS A CPO), today announced that it has signed a letter of intent to participate in Vuela Compania de Aviacion, S.A. de C.V. ("Vuela"), a new low-cost carrier airline ("LCC") that Televisa is forming together with three partners. Under the letter of intent, Televisa will own a 25% interest in the carrier.

Vuela will benefit from a strong partnership formed by Televisa; SINCA Inbursa; Discovery Americas I, a private equity fund managed by Protego and Discovery Capital; and Grupo TACA, one of the leading airline operators in Latin America. Vuela has already obtained a concession to own, manage, and operate an LCC in Mexico and plans to begin operations during the first half of 2006.

Edgar Filing: GRUPO TELEVISIA S A - Form 6-K

The Mexican domestic civil aviation market, which transports over 30 million passengers per year, is the second largest in Latin America after Brazil. LCCs have become a global phenomenon and have revolutionized the airline industry in recent years. Mexico presents an attractive opportunity for Vuela because it is a large market with good growth potential.

Televisa expects Vuela to become a large customer given the importance of advertising for the establishment of its brand and marketing strategies. Televisa also contemplates providing the in-flight entertainment for this airline.

Grupo Televisa, S.A., is the largest media company in the Spanish-speaking world and a major participant in the international entertainment business. It has interests in television production and broadcasting, production of pay television networks, international distribution of television programming, direct-to-home satellite services, publishing and publishing distribution, cable television, radio production and broadcasting, professional sports and live entertainment, feature film production and distribution, and the operation of a horizontal internet portal. Grupo Televisa also owns an unconsolidated equity stake in Univision, the leading Spanish-language media company in the United States.
