FREQUENTLY ASKED QUESTIONS

These questions and answers have been written to provide you with the information requested in employee meetings and on the Employee Resource Site. Employee questions that are similar in nature are grouped together, rephrased and answered by a team from Human Resources. Please note: If a conflict is discovered between these Q&As and the Plan Documents, the Plan Documents will prevail. For specific individual questions, you are encouraged to seek assistance from your Human Resources representative for answers related to your personal circumstances.

CHANGE IN CONTROL / SEVERANCE

Q: WOULD A LONGER COMMUTE TIME FROM MY HOME TO A NEW WORK LOCATION BE CONSIDERED WHEN MAKING A SEVERANCE ELIGIBILITY DETERMINATION?

A: No, the 35-mile distance stated in the Employee Change in Control Severance Plan refers to the distance between the current work location and the proposed new work location. It does not refer to the commuting distance from an employee's home.

Q: WILL EMPLOYEES WHO RECEIVE SEVERANCE BENEFITS FROM BR ALSO BE ELIGIBLE FOR GOVERNMENT UNEMPLOYMENT COMPENSATION?

A: Terminated employees may file for unemployment benefits with the relevant governmental agency. If an employee is deemed eligible by that agency, he or she may then receive unemployment benefits. Although information on layoffs will not be available until later in the integration planning process, for reference purposes the relevant government agencies are listed below for key geographic areas:

FOR CANADA: Dept. of Human Resources and Skills Development (HRSDC)

To determine eligibility for Canada's Employment Insurance (EI) benefits, individuals must apply through the HRSDC Web site or in person at a Service Canada Centre office. Although severance and vacation pay received may affect the date of eligibility, it is important to apply for EI benefits as soon as unemployment begins.

BENEFITS

- Q: CAN EMPLOYEES TAKE NEW LOANS FROM THE BR SAVINGS PLAN PRIOR TO THE MERGER AND DURING THE TRANSITION PERIOD?
- A: Yes. Active employees may continue to take out loans from the BR Savings Plan, if they are otherwise eligible under the rules of the Plan. It is important to note, however, that if employment is terminated, any outstanding loans become due. If these loans are not repaid the outstanding amounts would be reported as taxable income to the employee.
- Q: CAN U.S. EMPLOYEES ACCELERATE THEIR 2006 CONTRIBUTIONS TO THE BR SAVINGS PLAN TO FULLY UTILIZE THE FEDERAL GOVERNMENT'S 401(K) "CATCH-UP" PROVISION?
- A: We will investigate this request and respond once we obtain an answer.
- Q: WHAT ARE CONOCOPHILLIPS' BENEFITS?
- A: Summaries of ConocoPhillips' benefits plans are available on their Web site <http://hr.conocophillips.com>. ConocoPhillips is expected to provide more detailed information shortly.

RETIREMENT/PENSION

- Q: UNDER BR'S U.S. FINAL AVERAGE EARNINGS PENSION PLAN, IF I AM NOT VESTED UPON THE CHANGE IN CONTROL DATE, MIGHT I ACHIEVE VESTING LATER?
- A: Unvested employees who are hired by ConocoPhillips, or who remain in a transitional status after the closing date, would achieve vesting in the plan when their BR service and ConocoPhillips service together total five years.
- Q: WHAT WILL HAPPEN TO BR'S U.S. PENSION PLANS FOLLOWING THE CLOSING DATE?
- A: After the closing date, under the terms of the merger agreement, ConocoPhillips has agreed to continue offering BR's U.S. Final Average Earnings Pension formula to those employees covered by it prior to the merger's closing. The U.S. Cash Balance Pension Plan will continue for a period of time, after which ConocoPhillips will evaluate whether to merge it into their existing cash balance plan.
- Q: WHAT OBLIGATION DOES CONOCOPHILLIPS HAVE TO FUND AND MANAGE THE U.S. FINAL AVERAGE EARNINGS PENSION PLAN?
- A: ConocoPhillips has agreed to manage and administer BR's U.S. Final Average Earnings Pension formula, and in fact already administers five legacy plans from past acquisitions. The merger agreement provides that participants will continue to accrue benefits under the plan's final average pay formula, whether or not the plan is ultimately merged into another plan.

Q: HOW CAN I DETERMINE THE VALUE OF MY PENSION PLAN?

A: The Human Resources Department is accelerating the delivery date of the annual pension benefits calculation provided to eligible employees. Our plans are to produce and mail the 2006 Annual Benefits Statements during February 2006. In the interim, you can consult your 2005 and earlier statements for data current on the dates they were issued.

OTHER

Q: WHY IS BR STOCK NOT TRADING AT THE \$92-PER-SHARE FIGURE CITED IN THE MERGER ANNOUNCEMENT PRESS RELEASE?

A: The \$92 figure was based on closing stock prices of BR and ConocoPhillips on December 9, the last day of unaffected trading before news of the merger entered the market. The difference between BR's actual stock price on any given day and the calculated value of the deal will vary as a result of arbitrage activity, as well as the market's usual upturns and downturns in response to company financial and operational results and commodity price changes. BR's stock will also trade in relation to upturns and downturns in ConocoPhillips' stock price.
