Item 1.01 Entry into a Material Definitive Agreement.

On June 22, 2005, the Company established an unfunded supplemental executive retirement plan for William L. Mansfield (SERP), the Company's President and Chief Executive Officer. The SERP was designed to provide additional benefits upon retirement of Mr. Mansfield at or after age 60 tied to a fixed percentage of the highest average base salary and annual cash incentive bonus for a five year period. Mr. Mansfield will be entitled to receive the benefits under the SERP if his employment terminates due to death, disability, change in control of the Company, normal retirement at or after age 60 or involuntary termination by the Company other than for cause. Valspar's obligation to pay the SERP benefit is unfunded and unsecured.

The SERP benefit will consist of a lump sum payment following termination of employment, equal to the actuarial equivalent of a monthly annuity for Mr. Mansfield's life expectancy based on the following percentages of Mr. Mansfield's five-year average compensation:

Age at Separation From Service	Percentage of Average Monthly Compensation
60 or less	25%
61	28%
62	31%
63	34%
64	37%
65	40%

Certain other Valspar retirement plan benefits will be offset against the SERP benefit.
