Mexico City, Mexico, April 30, 2009. Grupo Casa Saba ("Saba", "GCS", "the Company" or "the Group"), one of the leading Mexican distributors of pharmaceutical products, beauty aids, personal care and consumer goods, general merchandise, publications and other products announces its consolidated financial and operating results for the first quarter of 2009.

QUARTERLY EARNINGS

NET SALES

During the first quarter of 2009, GCS's sales were \$7,426.30 million, an increase of 7.10%.

SALES BY DIVISION

PRIVATE PHARMA

Sales in our Private Pharma division rose 8.51% during the first quarter of 2009, as a result of the consolidation of investments that were made within the sector. This includes the acquisition of *Drogasmil Medicamento e Perfumeria, S.A.*, a Brazilian pharmacy chain, in May 2008.

Sales for this division reached \$6,640.45 million and represented 86.99% of the Group's total sales.

GOVERNMENT PHARMA

Edgar Filing: GRUPO CASA SABA SA DE CV - Form 6-K

Sales in our Government Pharma division decreased 10.54% due to changes in the bidding processes of Petróleos Mexicanos (PEMEX) and the Secretary of Health (SSA by its Spanish acronym), which resulted in a reduction in consumption during the period.

As a percentage of total sales, this division went from representing 2.70% in 1Q08 to 2.26% during the first quarter of 2009.

HEALTH, BEAUTY, CONSUMER GOODS, GENERAL MERCHANDISE AND OTHER

Sales in our Health, Beauty, Consumer Goods, General Merchandise and Other division reached \$618.23 million, an increase of 2.31% versus the first quarter of 2008. This was due to commercial agreements that enabled us to increase promotions and discounts which, in turn, increased our sales.

This division represented 8.33% of GCS's total sales in 1T09, a decrease of 38 b.p. compared to the same period of the previous year. This decrease was due to the significant increase in the participation of the Private Pharma division as a percentage of total sales.

PUBLICATIONS

Publication sales decreased 4.66% during the quarter, primarily as a result of lower unit sales. This decrease was mainly due to the fact that Citem stopped distributing some publications that no longer met our minimal profitability requirements.

This division's participation as a percentage of total sales went from 2.72% in 1Q08 to 2.42% in the first quarter of 2009.

The sales mix did not change significantly this quarter. Private Pharma sales represented 86.99% of total sales (compared to 85.86% during the first quarter of 2008), while Government Pharma accounted for 2.26% (versus 2.70% during the first quarter of 2008). Health, Beauty, Consumer Goods, General Merchandise and Other represented 8.33% (compared to 8.71% in the first quarter of 2008) and Publications made up the remaining 2.42% (versus 2.72% during the first quarter of 2008).

Division	% of sales
Private Pharma	86.99%
Government Pharma	2.26%

GROSS INCOME

During the first quarter of the year, Grupo Casa Saba's gross income increased 26.84% to reach \$829.64 million. The company's gross margin improved as a result of the growth in sales derived from recent investments and a reduction in the Sales Costs as a percentage of total sales, from 9.43% in 1Q08 to 11.17% during the current period.

OPERATING EXPENSES

Operating expenses reached \$558.58 million, an increase of 41.72% compared to the first quarter of 2008. This was due to the investments that were made in the Private Pharma division. Operating expenses represented 7.52% of our total sales.

OPERATING INCOME

Operating income rose 4.27%, as a result of the increase in sales which offset the increase in operating expenses. The operating margin was 3.65%, 10 b.p. lower than the 3.75% margin registered in the first quarter of 2008.

OPERATING INCOME PLUS DEPRECIATION AND AMORTIZATION

COMPREHENSIVE COST OF FINANCING

During the period, GCS's comprehensive cost of financing (CCF) was \$62.59 million, due primarily due to an increase in the amount of interest income paid.

OTHER EXPENSES (INCOME)

During the first quarter of 2009, the Company registered an income of \$25.09 million in other expenses (income). The expenses (income) from this line item were derived from activities that are distinct from the company's everyday business operations.
