Annual Meeting of Shareholders

April 24, 2019

PROXY STATEMENT

GENERAL

The Annual Meeting of Shareholders of Winmark Corporation will be held on Wednesday, April 24, 2019, at 3:00 p.m., Central Daylight Time, at our corporate offices, 605 Highway 169 N, Suite 100, Minneapolis, Minnesota 55441, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by our Board of Directors. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of Winmark personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying us in writing at the above address, attention: Corporate Secretary, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in accordance with the Board's recommendations: FOR Proposal #1 to set the number of members of the Board of Directors at eight, FOR each of the eight nominees set forth in Proposal #2 to serve for a one year term, FOR Proposal # 3 in favor of the advisory vote to approve executive compensation, FOR Proposal #4 in favor of the advisory vote to set the frequency of advisory votes on executive compensation at three years, FOR Proposal #5 ratifying the appointment of GRANT THORNTON LLP as our independent registered public accounting firm for the 2019 fiscal year. With respect to any other matter that properly comes before the Annual Meeting, John L. Morgan and Brett D. Heffes will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

Shares voted as abstentions on any matter (or a "withhold authority" vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a "non-vote" proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the determination of the size of the Board, the election of eight directors, the advisory vote on executive compensation and the advisory vote on the frequency of advisory votes on executive compensation (Proposals 1, 2, 3 and 4 of this Proxy Statement). Your bank or broker is not permitted to vote your uninstructed shares in determining the size of the board, the election of directors, approval of executive compensation or the frequency of an advisory vote on executive compensation on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors or in the advisory votes relating to executive compensation, no votes will be cast on your behalf on Proposals 1, 2, 3 and 4. Your bank or broker does have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 5 of this Proxy Statement). If you are a shareholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by Winmark. Winmark may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. This proxy statement and accompanying form of proxy are first being mailed to shareholders on or about March 27, 2019.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors has fixed March 4, 2019, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on March 4, 2019, 3,909,186 shares of our Common Stock were issued and outstanding. Common Stock is the only outstanding class of capital stock entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Shareholders are not entitled to cumulative voting rights.

Under applicable Minnesota law, approval of each of the proposals to be voted on at the meeting except the election of the nominees requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. The election of the nominees requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at a meeting at which a quorum is present.

ELECTION OF DIRECTORS

(Proposals #1 and #2)

At the meeting, the Board of Directors is to be elected to hold office until the 2020 Annual Meeting or until successors are elected and are qualified to serve. Our Bylaws provide that the number of directors on our Board shall be fixed by the shareholders, subject to increase by the Board of Directors in an interim period between shareholder votes. The Nominating Committee recommended to the Board of Directors that the shareholders set the number of directors at eight. The Nominating Committee also recommended to the Board of Directors that the shareholders re-elect the nominees named below.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, to set the number of directors at eight and for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. Each person nominated has agreed to serve if elected, and we know of no reason why any of the listed nominees would be unavailable to serve.

Board Recommendation

The Board of Directors recommends that the shareholders vote FOR Proposal #1 to set the number of members of the Board of Directors at eight. The Board of Directors recommends that the shareholders vote FOR each of the eight nominees set forth in Proposal #2 to serve for a one year term.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

We have adopted the Winmark Corporation Code of Ethics and Business Conduct (the “Code of Conduct”), that applies to our directors, officers and employees. The Code of Conduct is publicly available on our web site at www.winmarkcorporation.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendments or waiver on our web site or in a report on Form 8-K.

Leadership Structure of the Board

In accordance with Winmark’s bylaws, our Board of Directors elects our Chief Executive Officer and our Chairman, and each of these positions may be held by the same person or may be held by two persons. The

Board does not have a policy regarding whether the role of the Chairman and Chief Executive Officer should be separate.

Mr. Morgan currently serves as our Executive Chairman and Mr. Heffes currently serves as our Chief Executive Officer. Prior to Mr. Heffes being named to this position in February 2016, Mr. Morgan served as our Chairman and Chief Executive Officer. Mr. Heffes also serves on our Board of Directors. As Chief Executive Officer, Mr. Heffes is responsible for the active management, day-to-day leadership and performance of the Company, while Mr. Morgan, as Executive Chairman, presides over meetings of the full Board of Directors, provides guidance to the Chief Executive Officer on a variety of key issues and is responsible for long range strategic planning for the Company. Our Board of Directors has determined that Mr. Morgan's involvement as Executive Chairman while Mr. Heffes serves as Chief Executive Officer and a director benefits the Company as a result of Mr. Morgan's deep understanding of the Company's operations and extensive knowledge of the leasing industry.

Winmark has a Lead Director as well as a Vice Chairman, both of whom are nominated by the Governance and Nominating Committee and are elected by a majority of the independent directors. Our Lead Director presides over meetings of our independent directors and is an additional resource to the Board with respect to governance and financial matters. Our current Vice Chairman provides the board with expertise relating to equipment leasing.

After careful consideration, the Corporate Governance and Nominating Committee has determined that Winmark's current Board structure is the most appropriate leadership structure for Winmark and its shareholders given its ownership and operating structure.

Majority of Independent Directors; Committees of Independent Directors

The Board of Directors has determined that all of our non-executive director nominees (Ms. Grassle and Messrs. Barbetta, MacKenzie, Reyelts, and Wilson), collectively constituting a majority of the Board of Directors, are independent directors in accordance with rules of the NASDAQ since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Messrs. Morgan, Heffes and Zola are precluded from being considered independent by NASDAQ rules since they currently serve as executive officers of Winmark.

Each member of the Audit Committee, Compensation Committee and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with NASDAQ rules.

Standing Committees

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating Committee. Each of these Committees' duties are set forth in a charter, which are available on our website at www.winmarkcorporation.com under the "Investor Relations" heading.

Audit Committee

The Audit Committee provides oversight by reviewing financial reports and other financial information of Winmark, reviewing our systems of internal control regarding finance, accounting, legal compliance and ethics, and reviewing our auditing, accounting and financial reporting process. The Audit Committee monitors our financial reporting process and internal control system. The Audit Committee coordinates, reviews and appraises the audit efforts of our independent registered public accounting firm. Further, the Audit Committee communicates directly with the independent accountants, financial and senior management and Board of Directors regarding the matters related to the Committee's responsibilities and duties. The Board has determined that Paul C. Reyelts, an independent director, is the Audit Committee financial expert given, among other factors, his prior experience as a chief financial officer of a NYSE-listed public company. The current

Audit Committee members are Paul C. Reyelts (Chair), Lawrence A. Barbetta, Kirk A. MacKenzie and Mark L. Wilson. The Audit Committee held four (4) meetings during fiscal 2018.

Compensation Committee

The Compensation Committee's purpose is to assist the Board of Directors in the discharge of its responsibilities relating to (a) fair, reasonable, and competitive compensation practices for our executive officers and other key employees which are consistent with our objectives; (b) oversight of broad-based employee compensation policies and programs; and (c) fair, reasonable and competitive compensation and benefit programs for our nonemployee directors. The current Compensation Committee members are Mark L. Wilson (Chair), Jenele C. Grassle and Paul C. Reyelts. The Compensation Committee held one (1) meeting during fiscal 2018.

The Compensation Committee's responsibilities, which are discussed in detail in its charter, include, among other duties, the responsibility to:

- Review and approve annually appropriate incentive compensation goals and objectives for the CEO and other executive officers.
- Consider and approve the base salary, incentive and equity-based compensation awards and other compensation actions for the CEO based upon an evaluation of the CEO's performance, effectiveness and other relevant considerations.
- Review and approve base salaries, incentive and equity-based compensation awards and other compensation actions for all other executive officers, based upon an evaluation of such officer's performance, effectiveness, the recommendations of the CEO and other relevant considerations.

Compensation decisions for nonemployee members of the Board of Directors, including equity awards, are made by the Compensation Committee. The Compensation Committee also makes decisions regarding the equity compensation of any other Winmark employees. The Compensation Committee has not elected to utilize the services of a compensation consultant in determining executive compensation, though they have the discretion to utilize the services of a consultant as outlined in the Compensation Committee's Charter. To the extent the Committee determines to expend in excess of \$5,000 during any fiscal year on consultants, it shall advise the Board of such excess expenditures.

Our Executive Chairman and our Chief Executive Officer, with the input of other officers at their discretion, provide the Compensation Committee with recommendations for the compensation of all executive officers and nonemployee

directors.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee had no interlocks.

Nominating Committee

The purpose of the Nominating Committee is to advise the Board of Directors and provide oversight on matters related to (a) the size of the Board, the selection and nomination of Board Members; and (b) the appointment of Board Committee Members. The current Nominating Committee members are Jenele C. Grassle (Chair), Paul C. Reyelts and Mark L. Wilson. The Nominating Committee held one (1) meeting during fiscal 2018.

Winmark does not have a formal policy with regard to the consideration of director candidates recommended by shareholders since it is our practice to consider director recommendations from any source. The Board is comprised of a majority of independent directors, which ensures consideration of director candidates from any source based on the criteria set forth below. Each Nominating Committee member is independent. The Board will consider director candidates recommended by shareholders according to the following membership criteria.

Board Membership Criteria

In selecting the new directors, the Nominating Committee shall consider any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of

expertise, factors relating to composition of the Board, principles of diversity and such other factors as the Committee shall deem important.

The Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation.

Shareholder Nomination of Directors

A shareholder who wishes to recommend one or more directors must provide a written recommendation to our Corporate Secretary at the address below. Notice of a recommendation must include:

with respect to the shareholder:

- name, address, the class and number of shares such shareholder owns;

with respect to the nominee:

- name, age, business address, residence address,
- current principal occupation,
- five year employment history with employer names and a description of the employer's business,
- the number of shares beneficially owned by the nominee,
- whether such nominee can read and understand basic financial statements, and
- membership on other boards, if any.

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. We may require any nominee to furnish additional information that may be needed, or interview a prospective candidate, to determine the eligibility of the nominee.

Risk Oversight

Our Board is charged with providing oversight of Winmark's risk management processes. Specifically, the Audit Committee is primarily responsible for overseeing the risk management function. In carrying out its responsibilities, the Audit Committee works closely with Winmark's Chief Financial Officer. The Audit Committee meets quarterly to discuss the financial affairs of the Company, and such other times as circumstances dictate. In addition, at least annually, the Audit Committee reviews a risk assessment and an overview of the risk management processes of the Company.

Meeting Attendance

During fiscal 2018, the Board of Directors held four (4) meetings. All directors attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they served.

We have not adopted a formal policy with regard to Board Members' attendance at annual meetings of shareholders; however, all directors are encouraged to attend such meetings. All of the directors attended the Annual Meeting last year.

Shareholder Communications

Shareholders may communicate directly with the Board of Directors. All communications should be directed to our Corporate Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. Shareholder communications to the Board should be sent to:

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Structure

The Compensation Committee of the Board of Directors has the responsibility for approving, monitoring and generally overseeing compensation of each of the executive officers named in the Summary Compensation Table on page 12. We refer to these executive officers as our Named Executive Officers or NEOs. Our management team, particularly our Executive Chairman, John Morgan, and our Chief Executive Officer, Brett Heffes, provides the Compensation Committee with the information necessary to evaluate NEO compensation.

Compensation Philosophy

We believe that our success depends upon a team of senior officers working together to promote the growth and financial success of the Company rather than upon the individual performance of any one member of that team. As such, our compensation structure for NEOs emphasizes the collective accountability to our shareholders, employees, and to one another by examining the performance of the NEOs as a group. The NEOs' compensation structure is intended to provide each team member with the appropriate incentives to work towards the achievement of goals by the Company as a whole, and to encourage each NEO to remain a long-term contributor to our success.

We examine the overall success of our business and the effectiveness of the NEOs as a group to determine salary, bonus, and incentive compensation. Consistent with this philosophy, our policy is to examine a variety of financial and nonfinancial factors in their totality to determine NEO compensation, including the overall performance of the company against long-term financial and strategic objectives, cash flow, human resources management, and earnings

per share. We do not tie any of the elements of NEO compensation to the attainment of a specific goal related to these or any other factors. Instead, we retain the flexibility to consider all compensation factors in their totality when awarding compensation.

Although our philosophy is to compensate NEOs as a group, we believe it is important to retain the flexibility and discretion to modify all elements of compensation awarded to individuals based upon their general business and company experience, leadership, potential future contribution, and the performance of the businesses for which they are responsible.

Our primary objectives in regard to executive compensation are to recruit and retain talented individuals using a compensation structure that rewards individuals for the overall success of our businesses while also maximizing shareholder value. Our compensation structure is designed to provide accountability among the NEOs, because the success of each business segment impacts the compensation received by all of the NEOs.

We receive feedback from shareholders on our compensation programs through the advisory vote on the compensation paid to our NEOs, which we held for the first time at the 2013 Annual Meeting of Shareholders and currently hold every three years. At the 2013 Annual Meeting of Shareholders, the advisory vote on the compensation paid to our NEOs received over 80% approval of shares voted on the proposal. At the 2016 Annual Meeting of Shareholders, the Advisory Vote on the compensation paid to our NEO's received over 99% approval of shares voted on the proposal. We will continue to take this feedback into account when making decisions regarding NEO compensation.

Summary of Compensation Components

The primary components of compensation for NEOs are:

- Base Pay
- Annual Incentive Bonus
- Equity-Based Compensation

Base Pay. Base pay levels are typically considered by the Compensation Committee annually, and may also be considered upon a promotion or other change in job responsibility. Base pay provides the NEOs with regular compensation for services performed during the fiscal year, and is used to establish a pay range for the annual incentive bonus. The NEOs' base pay is designed to be regionally competitive, but is not specifically compared to a peer group. The NEOs' base pay is determined in part by examining awards from past years, both for NEOs as a group and for each individual NEO. Operating within the framework of compensating the NEOs as a team based upon the overall achievement of our long-term and short term goals, we have the discretion to adjust each NEO's salary based upon their individual performance, leadership and potential future contribution.

Annual Incentive Bonus. In addition to base pay, each NEO is eligible to receive an annual incentive bonus. The annual bonus for each NEO, awarded at the discretion of the Compensation Committee, may range in amount from 0% to 100% of that NEO's salary. The annual incentive bonus is designed to motivate and reward the NEOs as a group for furthering the achievement of the Company's short and long-term objectives during the fiscal year. This component of compensation also emphasizes the accountability each NEO has to contribute to the growth and financial success of the Company, and motivates the NEOs to achieve individual and group expectations. Ultimately, the performance of all the NEOs as a group and the performance of the Company determine the annual incentive bonus. Similar to base pay, at our discretion each individual NEO may have their bonus increased or decreased based upon the individual's performance, leadership and potential future contribution.

Long-Term, Equity-Based Incentive Compensation. The third primary component of compensation is long-term incentive compensation in the form of stock options. We use equity-based compensation in the form of stock option grants to align the interests of the NEOs with those of shareholders. Options granted to the NEOs by the Compensation Committee under our current employee stock option plan vest over time and such vesting is contingent upon the continued employment of the NEO, creating an incentive for the executive to remain an employee for an extended period. Typically, equity-based incentive compensation is awarded to NEOs by the Compensation Committee semi-annually on or about the first of June and during the Compensation Committee's December meeting, although the Compensation Committee retains the discretion to award options at any time. We restrict the number of individuals receiving stock options to NEOs and a small number of other key employees. Although previous awards are considered, the amount of options a NEO receives depends primarily upon the NEOs performance as a group, the total number of option shares recommended for issuance, and the total number of people included in the annual stock option grants. As with the other elements of compensation, we maintain the discretion to adjust each NEO's option award based upon their individual performance, leadership and potential future contribution.

Change of Control Payments, At-Will Employment and Payments Under Non-Competition Agreements. Our NEOs are at-will employees operating without employment contracts, with the exception of John Morgan, our Executive Chairman. None of our NEOs are awarded change-of-control payments, pension agreements, or pre-determined severance arrangements other than the potential acceleration of option vesting as a result of a “Transaction” as described on page 15. Management believes that such guaranteed payments and agreements are not beneficial to the Company. Instead, by not committing to base salary, annual incentive bonuses or stock options over a long term, we preserve the flexibility to make a change if any NEO is underperforming expectations. Although we have in the past, and at our discretion may in the future, negotiate severance agreements with our NEOs upon their termination, we are under no obligation to do so. On January 23, 2015, Winmark entered into a Non-Competition Agreement (the “Agreement”) with Steven C. Zola, a member of the Board of Directors of Winmark and President of Winmark Capital Corporation. The Agreement provides for a five year non-competition and non-solicitation period, as defined within the Agreement, for Mr. Zola and

entitles Mr. Zola to additional compensation of \$370,000 per year in addition to his regular cash, incentive and equity compensation.

Consideration of Risk Related to Compensation Policies

We believe that our compensation policies, practices and programs work together to minimize exposure to excessive risk while appropriately pursuing strategies that emphasize maximizing shareholder value. The balance of the compensation components and the importance placed on the achievement of long-term financial and strategic objectives do not encourage risk-taking that is reasonably likely to have a material adverse effect on the Company.

Compensation Approval Process

Role of Executive Officers

Mr. Morgan, our Executive Chairman, has a unique perspective regarding the compensation of NEOs. As our largest individual shareholder, Mr. Morgan has a strong interest in maximizing shareholder value. Mr. Morgan, along with Mr. Heffes, our Chief Executive Officer, have access to and make decisions regarding all facets of our businesses, and have the ability to evaluate the performance of each NEO. They provide information to the Compensation Committee, who ultimately approves the compensation of our NEOs. Mr. Morgan has requested that he not be awarded stock options by the Compensation Committee.

Mr. Morgan and Mr. Heffes review the overall performance of all of our business segments and each individual NEO's performance, taking into account our compensation philosophy and the compensation factors described above. After receiving input from other NEOs at their discretion, Mr. Morgan and Mr. Heffes make an initial assessment regarding each element of compensation for the NEOs, including themselves. Their assessment is submitted to the Compensation Committee for discussion at its annual meeting in December. The final approval of all NEOs' compensation, including that of Mr. Morgan and Mr. Heffes, is at the sole discretion of the Compensation Committee.

Compensation Committee Process

The Compensation Committee meets annually to review and approve the compensation of our executive officers and non-employee directors, as well as to oversee broad-based employee compensation policies. The Compensation Committee reviews the recommendations of the Executive Chairman and the Chief Executive Officer regarding NEO

annual incentive bonus compensation for the current year, NEO option grants for the current year, and NEO salaries for the following year, with the power to approve, modify or reject the proposed awards. The Compensation Committee is also responsible for determining compensation and annually evaluating the performance of the Chief Executive Officer.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Executive Compensation Tables

The table below summarizes the total compensation paid or earned by each of the Named Executive Officers (“NEOs”) for the fiscal year ended December 29, 2018.

We entered into an employment agreement with John L. Morgan, our Executive Chairman, in March 2000, which has been subsequently amended three times. The most recent amendment, in 2006, clarified that Mr. Morgan’s base salary will be set annually by the Compensation Committee or a similar body of independent directors in its discretion. Pursuant to the agreement, Mr. Morgan may also receive a bonus determined by the Compensation Committee in its discretion. The agreement is terminable for any reason by either party upon 30 days written notice.

(1) The amounts included under the Option Awards column reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for awards granted in fiscal 2018, 2017 and 2016 under the 2010 Stock Option Plan. A discussion of the assumptions made in the valuation of our stock options is located in footnote 5 “Shareholders’ Equity (Deficit)” in the Annual Report on Form 10-K, and is incorporated herein by reference.

(2) All Other Compensation paid by Winmark is comprised of 401(k) matching contributions, an optional annual contribution to each employee’s retirement account, and life insurance premium

payments. NEOs receive the same 401(k) matching benefits and the same optional annual contribution to employee retirement accounts as all active and eligible employees. The maximum life insurance payout for executive officers (\$250,000), including NEOs, is higher than the maximum payout for salaried exempt (\$150,000) and non-exempt office employees (\$75,000).

- (3) Included in All Other Compensation for Mr. Zola for 2018, 2017 and 2016 is \$370,000 in payments under a Non-Competition Agreement as outlined in the Summary of Compensation Components on pages 10-11.

CEO Pay Ratio

The annual total compensation for fiscal year 2018 for our CEO, as noted on page 12 in the Summary Compensation Table, was \$949,700. The annual total compensation for fiscal year 2018 for our median employee was \$77,701. The resulting ratio of our CEO's pay to the pay of our median employee for fiscal year 2018 was 12.2 to 1.

In determining the median employee, a listing was prepared of all employees as of December 29, 2018, the last day of our fiscal year, with their corresponding annual total compensation determined in the same manner as the Total Compensation shown for our CEO in the Summary Compensation Table on page 12. For those employees that were not employed for the full fiscal year, their annual salary was used to compute their annual total compensation. The listing was then ranked from lowest to highest in annual total compensation, which excluding the CEO, totaled 106 employees. Since the number of employees excluding the CEO was an even number, the median employee was determined using the average of the annual total compensation of the two employees ranked 53rd and 54th on the list.

2018 Grants of Plan-Based Awards

All stock options granted to each of the NEOs during 2018 were made under the Company's 2010 Stock Option Plan. The stock options vest in equal installments on the first, second, third and fourth anniversaries of the grant date and expire ten years from the date of grant.

(1) All of the above-listed option awards were granted pursuant to the 2001 Stock Option Plan and the 2010 Stock Option Plan. Unless otherwise indicated, the option awards vest 25% per year for four years, beginning on the first anniversary of the option grant. Each option award was granted on the date 10 years prior to the expiration date, and expires on the indicated date, or earlier in the case of an employee's termination, disability or death.

Potential Payments Upon Termination or Change-in-Control

We have not entered into contracts or agreements with the NEOs, individually or as a group, guaranteeing payments to them upon any termination or a change of control of Winmark. However, our 2001 Stock Option Plan (“2001 Plan”) and 2010 Stock Option Plan (“2010 Plan”), which provide option awards to our NEOs, provide that optionees are eligible for certain benefits when a “Transaction” occurs, as defined therein. A “Transaction” includes the acquisition of the Company through the sale of substantially all of our assets or through a merger, consolidation, exchange, reorganization, reclassification, extraordinary dividend, divestiture or liquidation. Generally speaking, all of the outstanding and unvested stock options granted under the 2001 Plan and 2010 Plan become immediately exercisable upon the occurrence of a Transaction unless the Board selects to either: (a) terminate the 2001 Plan and 2010 Plan and cancel outstanding options not exercised prior to reasonable exercise period; (b) pay optionees, either in cash or shares of the surviving corporation’s stock, the difference between the fair market value of the stock price and the stock option exercise price; or (c) continue the 2001 Plan and 2010 Plan and allow optionees the right to exercise their respective options for an equivalent number of shares of stock of the succeeding corporation.

As of December 29, 2018, the NEOs had the following outstanding and unvested options to purchase shares of our Common Stock that could accelerate upon a change in control:

2018 Director Compensation

Cash Compensation Paid to Board Members

For the fiscal year ended December 29, 2018, nonemployee members of the Board of Directors were entitled to receive an annual cash retainer of \$30,000 and an attendance fee of \$1,000 for each Board, Compensation Committee or Nominating Committee meeting. Members of the Audit Committee were entitled to receive an attendance fee of \$2,000 for each Audit Committee meeting. The Lead Director received an additional annual retainer of \$5,000.

Stock Option Award

Pursuant to the terms of our Stock Option Plan for Nonemployee Directors, nonemployee directors are automatically granted an option to purchase 25,000 common shares upon the initial election as a director. In addition to an initial award under the Nonemployee Director Stock Option Plan, each nonemployee director is eligible to receive stock option grants as determined by the Compensation Committee. In June and December 2018, each current nonemployee director received a stock option grant of 800 shares pursuant to the Nonemployee Director Stock Option Plan. These options vest 25% per year for four years, beginning one year from the date of the grant, and expire at the end of 10 years. All of the outstanding and unvested stock options granted under the Nonemployee Director Stock Option Plan become immediately exercisable upon the occurrence of a change in control of the Company.

The following table sets out the fiscal 2018 compensation for each of our current nonemployee directors.

There were no reportable related party transactions in fiscal 2018.

Review, Approval or Ratification of Transactions with Related Persons

The Board of Directors has a formal written related party transaction statement of policy, which sets forth Winmark's policies and procedures for the review, approval or ratification of any transaction with a related party required to be reported in our company's filings with the Securities and Exchange Commission. The Audit Committee of the Board of Directors must approve any related party transaction subject to this policy before commencement of the related party transaction. The audit committee may, in its sole discretion, approve or deny any related party transaction. In the event Winmark's management becomes aware of a related party transaction that has not been previously approved by the Audit Committee, such transaction will be submitted to the Audit Committee, which has the authority to ratify, amend, terminate or rescind the transaction as deemed appropriate in its discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers, and persons who own more than ten percent of our Common Stock to file with the Securities and Exchange Commission (“Commission”) initial reports of beneficial ownership and reports of changes in beneficial ownership of common shares. Directors, officers and greater than ten percent shareholders are required by the regulations of the Commission to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 29, 2018, all Form 3, Form 4 and Form 5 filing requirements of our directors, executive officers and persons who own more than ten percent of our Common Stock were met.

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

(Proposal #3)

General

Section 14A of the Securities Exchange Act requires that Winmark seek a non-binding advisory vote from its shareholders to approve executive compensation. At the 2013 Annual Meeting of Shareholders, the majority of shareholders, in an advisory capacity, voted to set the frequency of advisory votes on executive compensation at three years. Following that meeting, the Board of Directors adopted a resolution providing that an advisory vote on executive compensation would be held every three years until the next required vote on the frequency of such votes (see Proposal #4 on the following page).

The Corporation has designed its executive compensation program to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and to increase long-term shareholder value. As previously discussed, there are three primary components to NEO compensation: (1) base pay, (2) annual incentive bonus and (3) equity based compensation (see discussion in EXECUTIVE COMPENSATION, pp. 9-11.)

Board Recommendation

The Board recommends that the shareholders approve the compensation awarded by the Company to the NEOs, as described in the tabular disclosures and other narrative executive compensation disclosures in this Proxy Statement (pp. 9-13) as required by the rules of the Securities and Exchange Commission. We believe that our compensation policies and practices are centered on a pay-for-performance philosophy and are strongly aligned with the long-term

interests of our shareholders. This is particularly true, in light of the ownership of the NEOs as a group. As of December 29, 2018, the NEOs of Winmark owned 20% of the outstanding common stock, including a 13% ownership stake by our Executive Chairman.

The advisory vote to approve executive compensation is non-binding. The approval or disapproval of this proposal by shareholders will not require the Board or the Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of our NEOs remains with the Board of Directors.

ADVISORY VOTE TO APPROVE THE FREQUENCY OF

ADVISORY VOTES ON EXECUTIVE COMPENSATION

(Proposal #4)

General

Pursuant to Section 14A of the Securities Exchange Act, at least once every six years, the Company is required to submit for shareholder vote a non-binding resolution to determine whether the advisory vote on executive compensation described in Proposal #3 shall occur every one, two or three years. At the 2013 Annual Meeting of Shareholders, 87% of shares voted on the frequency of advisory votes on executive compensation were for a frequency of three years.

Board Recommendation

After careful consideration of the various arguments supporting each frequency level, as well as the results of the last frequency vote, the Board continues to believe that submitting the advisory vote on executive compensation every three years is appropriate for Winmark and its shareholders. The Board believes three years provides sufficient time for shareholders to evaluate the effectiveness of the Company's executive compensation program. The frequency vote is non-binding. Shareholder approval of a one, two, or three-year frequency vote will not require the Company to implement an advisory vote on executive compensation every one, two or three years. The final decision on the frequency of the advisory vote on approval of executive compensation remains with the Board of Directors.

RATIFICATION OF INDEPENDENT AUDITORS

(Proposal #5)

General

The Audit Committee has the authority to appoint and discharge the independent registered public accounting firm and has chosen to retain GRANT THORNTON LLP to serve as independent registered public accounting firm for fiscal year 2019. The Board is submitting such appointment of GRANT THORNTON LLP to the shareholders for

ratification. If the appointment of GRANT THORNTON LLP is not ratified, the Board of Directors will require the Audit Committee to reconsider its selection. Representatives from GRANT THORNTON LLP expect to be present at the meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

The following is a summary of the fees billed by GRANT THORNTON LLP for professional services rendered as our independent registered public accounting firm during the 2018 and 2017 fiscal years.

All Other Fees	44,000	—

Pursuant to its Audit Committee Charter, the Audit Committee is responsible for pre-approving all audit and permitted non-audit services to be performed for Winmark by its independent auditors or any other auditing or accounting firm.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of four of Winmark’s independent directors. The Board of Directors and the Audit Committee believe that the Audit Committee’s current member composition satisfies the rule of the NASDAQ OMX Group, Inc. (“NASDAQ”) that governs audit committee composition, Rule IM-5605-4, including the requirement that audit committee members all be “independent directors” as that term is defined by NASDAQ Rule 5605(a)(2).

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Winmark. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed with management Winmark’s consolidated audited financial statements as of and for the year ended December 29, 2018; and
- (2) discussed with the independent auditors the matters required to be discussed under applicable standards as periodically amended, including Auditing Standard No. 1301, Communications with Audit Committees; and
- (3) received and reviewed the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence, and discussed with the independent auditors the independent auditor’s independence.

Edgar Filing: WINMARK CORP - Form DEF 14A

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Winmark's Annual Report on Form 10-K for the fiscal year ended December 29, 2018, as filed with the Securities and Exchange Commission.

Members of the Audit Committee:

Paul C. Reyelts, Chairman

Lawrence A. Barbetta

Kirk A. MacKenzie

Mark L. Wilson

Board Recommendation

The Board of Directors recommends that the shareholders vote FOR Proposal #5 to ratify the appointment of GRANT THORNTON LLP as the independent registered public accounting firm for Winmark. Under applicable Minnesota law, approval of the proposal to be voted on at the meeting requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

The Winmark Corporation 2020 Annual Meeting of Shareholders is expected to be held on or about April 29, 2020. Proxy materials for that meeting are expected to be mailed on or about March 25, 2020. Additionally, if Winmark Corporation receives notice of a shareholder proposal after February 9, 2020, the proposal will be considered untimely pursuant to SEC Rules 14a-4 and 14a-5(e) and the persons named in proxies solicited by the Board of Directors of Winmark Corporation, Inc. for its 2020 Annual Meeting of Shareholders may exercise discretionary voting power with respect to the proposal.
