## Edgar Filing: MAGELLAN HEALTH SERVICES INC - Form 8-K

Co. I, Inc. (a wholly-owned subsidiary of Magellan) merged with and into NIA (the "Merger"). As a result of the Merger, Magellan became the owner of all outstanding shares of NIA, which will now operate as a wholly-owned subsidiary of Magellan.

As consideration for its acquisition of NIA in the Merger, Magellan paid approximately \$122 million in cash for NIA's shares, which was paid for the benefit of NIA's stockholders, after giving effect to cash acquired in the transaction. A portion of the purchase price will be held in escrow for a period after the closing of the Merger so as to be available to fund valid claims of indemnity Magellan may have against NIA for losses sustained as a result of any breach that may be found to have occurred of a representation, warranty or covenant made by NIA in or pursuant to the Merger Agreement, subject to certain limitations of time and amount on such indemnity claims.

NIA is a radiology benefits management firm headquartered in Hackensack, New Jersey, which manages diagnostic imaging services on a non-risk basis for its customers to ensure that such services are clinically appropriate and cost effective.

The Merger Agreement is filed as Exhibit 2.1 hereto and is incorporated herein by reference. On January 31, 2006, Magellan issued a press release announcing the completion of the Merger. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
