INDEX TO FINANCIAL STATEMENTS AND
PRO FORMA FINANCIAL INFORMATION

The following historical financial statements and pro forma financial information are presented in accordance with Rule 3-14 and Article 11, respectively, of Regulation S-X of the Securities and Exchange Commission. The historical financial statements have been audited only for certain properties acquired. With respect to Volusia Mall and Honey Creek Mall, the historical combined financial statement has been audited only for the most recent fiscal year preceding the acquisition as these transactions did not involve a related party and the registrant, after reasonable inquiry, is not aware of any material factors related to the acquired properties not otherwise disclosed that would cause the reported financial information to not be necessarily indicative of future operating results. Previously, the Company filed a Form 8-K dated September 2, 2004, which included audited financial statements for Greenbrier Mall and Monroeville Mall that were acquired during the year ended December 31, 2004. In addition, as the properties will be directly or indirectly owned by entities that will elect or have elected to be treated as real estate investment trusts (as specified under sections 856-860 of the Internal Revenue Code of 1986) for Federal income tax purposes, a presentation of estimated taxable operating results is not applicable.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders
CBL & Associates Properties, Inc.:

We have audited the accompanying combined statement of certain revenues and certain operating expenses of Volusia Mall and Honey Creek Mall (the "Properties"), both of which are under common ownership and common management, for the year ended December 31, 2003. This financial statement is the responsibility of the Properties' management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement of certain revenues and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the filing of a Form 8-K by CBL & Associates Properties, Inc. as a result of the acquisition of the Properties). Material amounts, described in Note 1 to the combined statement of certain revenues and certain operating expenses that would not be directly attributable to those resulting from future operations of the Properties are excluded, and the financial statement is not intended to be a complete presentation of the Properties' revenues and expenses.

In our opinion, such combined financial statement presents fairly, in all material respects, certain revenues and certain operating expenses of the Properties for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America.

VOLUSIA MALL AND HONEY CREEK MALL

NOTES TO COMBINED STATEMENT
OF CERTAIN REVENUES AND CERTAIN OPERATING EXPENSES
FOR THE YEAR ENDED DECEMBER 31, 2003

NOTE 1. ORGANIZATION AND BASIS FOR PRESENTATION

The accompanying combined statement of certain revenues and certain operating expenses (the "Statement") relates to Volusia Mall, a regional mall in Daytona Beach, Florida and Honey Creek Mall, a regional mall in Terre Haute, Indiana. Volusia Mall and Honey Creek Mall are collectively referred to as the "Properties."

The Statement is prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended, as a result of the acquisitions of the Properties by CBL & Associates Properties, Inc. Accordingly, the Statements are not representative of the actual combined operations of the Properties for the period presented as certain revenues and certain operating expenses have been excluded. Such items include depreciation, amortization, interest expense, management fees, leasing commissions and interest income.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form 8-K

Revenue Recognition - Rental income comprises minimum rents, expense reimbursements and percentage rent payments. Minimum rents with fixed increases are recognized on a straight-line basis over the initial terms of the related leases. Tenant reimbursements are recognized in the period that the related costs are incurred. The Properties account for these leases as operating leases as they have retained substantially all risks and benefits of property ownership. Percentage rent is recognized when the tenant's reported sales have reached certain levels specified in the respective lease.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

8

NOTE 3. LEASING ACTIVITIES

The Properties have non-cancelable operating leases with tenants requiring monthly payments of specified minimum rent. The leases generally provide for minimum rentals, plus percentage rentals based upon the retail stores' sales volume. A majority of the leases require reimbursement by the tenant of their proportionate share of real estate taxes and common area expenses. Future minimum rental commitments under the non-cancelable operating leases at December 31, 2003 are as follows:

Year Ending December 31:

2004	\$ 12,765,357
