Item 1.01 Entry Into a Material Definitive Agreement.

On November 26, 2013, CBL & Associates Limited Partnership (the “Operating Partnership”), the majority-owned operating partnership subsidiary of CBL & Associates Properties, Inc. (the “Company”), completed its previously announced public offering of \$450.0 million aggregate principal amount of 5.250% Senior Notes Due 2023 (the “Notes”) pursuant to an underwriting agreement dated November 21, 2013, by and among the Operating Partnership and the Company and J.P. Morgan Securities LLC, U.S. Bancorp Investments, Inc. and Wells Fargo Securities, LLC, as representatives of the underwriters set forth on schedule A thereto (the “Underwriters”). The terms of the Notes are governed by an indenture, dated as of November 26, 2013 (the “Base Indenture”), among the Operating Partnership, as issuer, the Company, as limited guarantor, and U.S. Bank National Association, as trustee, as amended and supplemented by a first supplemental indenture, dated as of November 26, 2013 (the “First Supplemental Indenture”), among the Operating Partnership, as issuer, the Company, as limited guarantor, and U.S. Bank National Association, as trustee. For a description of the material terms of the Notes, the Base Indenture and the First Supplemental Indenture, see the information set forth below under Item 2.03, which is incorporated into this Item 1.01.

The First Supplemental Indenture contains various restrictive covenants relating to the Operating Partnership’s and the Company’s aggregate unsecured debt, aggregate secured debt, maintenance of unencumbered assets and debt service coverage.

The Company provided a limited guarantee with respect to the Notes (the “Limited Guarantee”) for losses suffered solely by reason of fraud or willful misrepresentation by the Operating Partnership or its affiliates.

The Notes and the Limited Guarantee were issued pursuant to the Company’s and the Operating Partnership’s Registration Statement on Form S-3 (Registration Nos. 333-182515 and 333-182515-01).

The descriptions herein of the Notes, Base Indenture, First Supplemental Indenture and Limited Guarantee are summary in nature and are qualified in their entirety by the full text of the Base Indenture, First Supplemental Indenture, Limited Guarantee and global note evidencing the Notes, which are being filed as Exhibits 4.14.1, 4.14.2, 4.14.3 and 4.14.4, respectively, to this Current Report on Form 8-K and are incorporated herein, by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off Balance Sheet Arrangement of a Registrant.

The Operating Partnership issued and sold the Notes in the aggregate principal amount of \$450.0 million, which mature on December 1, 2023 and bear interest at a rate of 5.250% per annum, payable semi-annually in arrears on June 1 and December 1, beginning on June 1, 2014. The interest rate is subject to increase under certain circumstances as provided for in the Notes.

The Notes and the Limited Guarantee rank equal in right of payment to all other current and future unsecured and unsubordinated obligations of the Operating Partnership and the Company, respectively.

The Notes are redeemable, at the Operating Partnership’s option, in whole or in part from time to time, on not less than 30 days and not more than 60 days prior written notice to the holders of the Notes to be redeemed. The Notes are redeemable for cash, at a price equal to the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest to, but not including, the redemption date and a “make-whole” premium calculated in accordance with the First Supplemental Indenture, unless the Notes are redeemed on or after September 1, 2023, in which case no “make-whole” premium will be applicable.

The Base Indenture provides for customary events of default, including, among other things, nonpayment, failure to comply with the Base Indenture, the First Supplemental Indenture, the Limited Guarantee or the Notes, and certain events of bankruptcy, insolvency and reorganization.

After deducting underwriting discounts and other offering expenses, the net proceeds from the sale of the Notes was approximately \$441.9 million. The Operating Partnership intends to use the net proceeds to reduce amounts outstanding under its unsecured revolving credit facilities and for general business purposes. Affiliates of certain of the Underwriters are lenders under the Operating Partnership’s revolving credit facilities and term loans and will receive their pro rata portions of any amounts repaid under these loans. In addition, the Underwriters and certain of their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company, the Operating Partnership and their affiliates. They have received

or will continue to receive customary fees and commissions for these transactions.

The description set forth above is qualified in its entirety by the Base Indenture, First Supplemental Indenture and global note evidencing the Notes.
