ITEM 5 OTHER EVENTS

On July 3, 2002 Specialty Laboratories, Inc., (the "Registrant") announced that the California Department of Health Services ("CDHS") found the Registrant to be in substantial compliance with California clinical laboratory law. The ruling is based on a recent onsite inspection as well as the review and acceptance of a plan of correction and other documents submitted by the Registrant to CDHS.

The Registrant continues to actively pursue resolution of substantially similar compliance issues with the Centers for Medicare & Medicaid Services ("CMS").

Edgar Filing: SPECIALTY LABORATORIES - Form 8-K

During the second quarter of 2002, the Registrant incurred increased costs in laboratory operations, primarily from outsourced tests. In addition, revenue was impacted by a reduction in accession volumes and by not billing Medicare and Medicaid for services performed. As a result, the Registrant expects to report a significant net loss for the quarter. The Registrant also expects to incur one-time charges, estimated at \$3.5 to \$3.8 million, that are associated with the previously announced restructuring plan.

A copy of CDHS' letter dated June 28, 2002 is filed herewith as Exhibit 10.1. A copy of the press release issued by the Registrant on July 3, 2002 concerning the foregoing matter is filed herewith as Exhibit 99.1 and is incorporated herein by reference.
