- (ii) any material fact which has arisen or been discovered that would have been required to have been stated in the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements or the Registration Statement had such fact arisen or been discovered on, or prior to, the date of such document; and
- (iii) any change in any material fact (which for the purposes of this Agreement shall be deemed to include the disclosure of any previously undisclosed material fact) contained in the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements or the Registration Statement, including all Documents Incorporated by Reference, which fact or change is, or may be, of such a nature as to render any statement in the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements or the Registration Statement misleading or untrue or which would result in a misrepresentation in the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements or the Registration Statement or which would result in the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements or the Registration Statement not complying (to the extent that such compliance is required) with Applicable Securities Laws.

The Corporation will in good faith discuss with the Underwriters any event described in clauses (i), (ii) or (iii) above that occurs or is discovered during the period from the date of this Agreement to the completion of distribution of the Underwritten Shares which is of such a nature that there may be reasonable doubt as to whether notice need be given to the Underwriters pursuant to this subsection 4(a). If at any time

during the period from the date of this Agreement to the completion of distribution of the Underwritten Shares, any event described in clauses (i), (ii) or (iii) above occurs or any condition exists as a result of which it is necessary, in the reasonable opinion of counsel for the Corporation or the Underwriters, to amend the Registration Statement or amend or supplement the Disclosure Package or the Shelf Prospectuses as supplemented by the Prospectus Supplements, as the case may be, in order that the Disclosure Package or the Prospectus Supplements will not include any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of any such counsel, at any such time to amend the Registration Statement or amend or supplement the Disclosure Package, the Shelf Prospectuses as supplemented by the Prospectus Supplements, as the case may be, in order to comply with the requirements under Applicable Securities Laws or other applicable laws, the Corporation will promptly prepare and file such Prospectus Amendment as may be necessary to correct such statement or omission or to make the Registration Statement, the Disclosure Package or the Shelf Prospectuses as supplemented by the Prospectus Supplements, as the case may be, comply with such laws, and the Corporation will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request.

The Corporation shall not file any Prospectus Amendment or other document, however, without first obtaining approval from the Underwriters, after consultation with the Underwriters with respect to the form and content thereof, which approval shall not be unreasonably withheld or delayed. The Corporation further covenants with the Underwriters (i) to furnish to it a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Corporation and not to use or refer to any proposed free writing prospectus to which the Underwriters reasonably object; and (ii) not to take any action that would result in the Underwriters or the Corporation being required to file with the SEC pursuant to Rule 433(d) under the 1933 Act a free writing prospectus prepared by or on behalf of the Underwriters that the Underwriters otherwise would not have been required to file thereunder.

(b) Change in Applicable Securities Laws

If during the period of distribution of the Underwritten Shares, there shall be any change in the Applicable Securities Laws which, in the opinion of any Underwriter, acting reasonably, requires the filing of a Prospectus Amendment, the Corporation shall, to the satisfaction of the Underwriters, acting reasonably, promptly prepare and file such Prospectus Amendment with the appropriate securities regulatory authority in each jurisdiction where such filing is required.

-12-

(c) Change in Closing Date

If a material change occurs or an undisclosed material fact has arisen or been discovered prior to the Closing Date, then, subject to paragraph 9, the Closing Date shall be, unless the Corporation and the Underwriters otherwise agree in writing or unless otherwise required under the Applicable Securities Laws, the later of:

9. Termination Rights

(a) Litigation

If any inquiry, action, suit, investigation or other proceeding, whether formal or informal is instituted, threatened or announced or any order is made by any federal, provincial or other governmental authority in relation to the Corporation, including without limitation, any Stock Exchange, Canadian Securities Regulator or the SEC, which, in the reasonable opinion of an Underwriter, operates to prevent or restrict the distribution or trading of the Underwritten Shares or any other securities of the Corporation, each Underwriter shall be entitled, at its sole option, in accordance with subparagraph 9(e), to terminate its obligations under this Agreement by notice to that effect given to the Corporation at any time prior to the Closing Time.

-24-

(b) Disaster Out

Any Underwriter shall be entitled, at its sole option, in accordance with subparagraph 9(e), to terminate this Agreement, by notice to the Corporation, at any time at or prior to Closing Time (i) if there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence, or any law or regulation, which in the opinion of the Underwriter seriously adversely affects, or involves, or will seriously adversely affect, or involve, the financial markets or the operations or affairs of the Corporation, in each case the effect of which is such as to make it, in such Underwriter's opinion, impracticable to market the Underwritten Shares or to enforce contracts for the sale of the Underwritten Shares, or (ii) trading in any securities of the Corporation has been suspended or materially limited by the SEC, any Canadian Securities Regulator or either of the Stock Exchanges or if trading generally on either of the Stock Exchanges has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of any Canadian Securities Regulator, the SEC, FINRA or any other governmental authority, or (iii) if a banking moratorium has been declared by Canadian, U.S. Federal or New York authorities.

(c) Material Change

If, prior to the Closing Time, there occurs or is announced or discovered any material change or a change in any material fact or there arises or is discovered any undisclosed material fact, such as is contemplated in subparagraph 4(a), which results in or in such Underwriter's reasonable opinion, is reasonably expected to have a significant adverse effect on the market price or value of the Underwritten Shares, each Underwriter shall be entitled, at its sole option, in accordance with subparagraph 9(e), to terminate its obligations under this Agreement by written notice to that effect given to the Corporation at any time prior to the Closing Time.

(d) Conditions

The Corporation agrees that that all terms and conditions of Section 8 shall be construed as conditions and complied with so far as they relate to acts to be performed or caused to be performed by it, that it will use all reasonable commercial efforts to cause such conditions to be complied with, and that any breach or failure by the Corporation to comply with any such conditions shall entitle each Underwriter to terminate its obligations to purchase the Underwritten Shares by notice to that effect given to the Corporation at or prior to the Closing Time, unless otherwise expressly provided in this Agreement. Each Underwriter may waive, in whole or in part, or extend the time for compliance with, any terms and conditions without prejudice to its rights in respect of any other of such terms and conditions or any other or subsequent breach or non-compliance, provided that any such waiver or extension shall be binding upon such Underwriter only if such waiver or extension is in writing and signed by such Underwriter.

-25-

(e) Exercise of Termination Rights

The rights of termination contained in subparagraphs 9(a), (b), (c) and (d) are in addition to any other rights or remedies such Underwriter may have in respect of any default, act or failure to act or non-compliance by the Corporation in respect of any of the matters contemplated by this Agreement or otherwise. In the event that an Underwriter exercises such rights of termination, there shall be no further liability on the part of such Underwriter to the Corporation or on the part of the Corporation to such Underwriter except in respect of any liability that may have arisen or may later arise under paragraphs 10, 11 and 13.

10. Indemnity

(a) Indemnity

The Corporation will indemnify and save harmless the Underwriters and their affiliates (which shall include, without limitation, the U.S. Dealers) and each of their respective directors, officers, employees and agents from and against all liabilities, claims, losses (other than loss of profits), reasonable costs, damages and reasonable expenses (including, without limitation any legal fees or other expenses reasonably incurred by the Underwriters in connection with defending or investigating any such action or claim) (a "Claim") in any way caused by, or arising directly or indirectly from, or in consequence of:

- (i) any information or statement (except any statement relating solely to any of the Underwriters and provided by the Underwriters for use therein) contained in this Agreement, the Shelf Prospectuses, the Disclosure Package, any issuer free writing prospectus as defined in Rule 433(h) under the 1933 Act, any Corporation information that the Corporation has filed, or is required to file, pursuant to Rule 433(d) of the 1933 Act, the Prospectus Supplements or the Registration Statement, including the Documents Incorporated by Reference, or any Prospectus Amendments thereto or supplements which, at the time and in the light of the circumstances under which it was made, contains or is alleged to contain a misrepresentation;
 - (ii) any omission or alleged omission to state in the Shelf Prospectuses, the Disclosure Package, any issuer free writing prospectus as defined in Rule 433(h) under the 1933 Act, any Corporation information that the Corporation has filed, or is required to file, pursuant to Rule 433(d) of the 1933 Act, the Prospectus Supplements or the Registration Statement, including the Documents Incorporated by Reference, or any Prospectus Amendments or supplements thereto, any fact (except facts relating solely to any of the Underwriters and provided by the Underwriters
-

expressly for use therein), whether material or not, regarding the Corporation and its operations and affairs that is necessary to make any statement therein not misleading (in the case of the Shelf Prospectuses, the Disclosure Package and Prospectus Supplements) in light of the circumstances in which it was made;

- (iii) any order made or enquiry, investigation or proceedings commenced or threatened by any securities commission or other competent authority based upon any untrue statement or omission or alleged untrue statement or alleged omission or any misrepresentation or alleged misrepresentation (except a statement or omission or alleged statement or omission regarding facts relating solely to any of the Underwriters and provided by the Underwriters expressly for use therein) in the Shelf Prospectuses, the Disclosure Package, any issuer free writing prospectus as defined in Rule 433(h) under the 1933 Act, any Corporation information that the Corporation has filed, or is required to file, pursuant to Rule 433(d) of the 1933 Act, the Prospectus Supplements or the Registration Statement, including the Documents Incorporated by Reference, or any Prospectus Amendments or supplements thereto or based upon any failure to comply with the Applicable Securities Laws (other than any failure or alleged failure to comply by any of the Underwriters), preventing or restricting the trading in or the sale or distribution of the Underwritten Shares in any of the Qualifying Canadian Jurisdictions or the United States;
- (iv) the non-compliance or alleged noncompliance by the Corporation with any of the Applicable Securities Laws, including, in the case of the Corporation, the Corporation's non-compliance with any statutory requirement to make any document available for inspection; or
- (v) any breach by the Corporation of its representations, warranties, covenants or obligations to be complied with under this Agreement.

In no event shall this indemnity enure to the benefit of the Underwriters, if (i) a court of competent jurisdiction in a final judgment determines that the Claim in respect of which indemnification is sought is a result of or arises out of the recklessness, gross negligence or willful misconduct of the Underwriters; or (ii) a copy of the Prospectus Supplements (as then amended or supplemented, if the Corporation shall have furnished any amendments or supplements thereto) was not sent or given by or on behalf of the Underwriters to a person asserting any such losses, claims, damages or liabilities, but only (x) if required by law so to have been delivered by the Underwriters to such person, at or prior to the written confirmation of the sale of the Underwritten Shares to such person, and (y) if the Disclosure Package or the Prospectus

-27-

Supplements (as so amended or supplemented) delivered to the Underwriters a reasonable amount of time in advance of such confirmation would have cured the defect giving rise to such losses, claims, damages or liabilities.

(b) Notification of Claims

If any Claim is asserted against any person or company in respect of which indemnification is or might reasonably be considered to be provided, such person or company (the "Indemnified Party") will notify the Corporation as soon as possible of the nature of such Claim (but the omission so to notify the Corporation of any potential Claim shall not relieve the Corporation from any liability which it may have to any Indemnified Party and any omission so to notify the Corporation of any actual Claim shall affect the Corporation's liability only to the extent that it is materially prejudiced by that failure). Subject to subparagraph 10(d), the Corporation shall be entitled to participate in and, to the extent that it shall wish, to assume the defense of any suit brought to enforce such Claim; provided, however, that the defense shall be conducted through legal counsel acceptable to the Indemnified Party, acting reasonably, that no settlement of any such Claim or admission of liability may be made by the Corporation or the Indemnified Party without the prior written consent of the other parties, acting reasonably, and the Corporation shall not be liable for any settlement of any such Claim unless it has consented in writing to such settlement. The Corporation shall not settle any Claim, or compromise a consent to any judgment unless such settlement, compromise or judgment (i) includes an unconditional release of the Indemnified Party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any Indemnified Party.

(c) Right of Indemnity in Favour of Others

With respect to any Indemnified Party who is not a party to this Agreement, the Indemnified Parties who are party to this Agreement shall obtain and hold the rights and benefits of this paragraph in trust for and on behalf of such Indemnified Party.

(d) Retaining Counsel

In any Claim, the Indemnified Party shall have the right to retain other counsel to act on its behalf, provided that the reasonable fees and disbursements of such counsel shall be paid by the Indemnified Party unless (i) the Corporation fails to assume the defense of such suit on behalf of the Indemnified Party within 10 days of receiving written notice of such suit; (ii) the Corporation and the Indemnified Party shall have mutually agreed to the retention of the other counsel; or (iii) the named parties to any such Claim (including any added third or impleaded party) include the Indemnified Party and the Corporation and the Indemnified Party shall have been advised by counsel that the representation of all parties by the same counsel would be inappropriate due to the actual or potential differing interests between them. In no event shall the Corporation be liable to pay the fees and disbursements of more than one firm of separate counsel for

all Indemnified Parties and, in addition, one firm of local counsel in each applicable jurisdiction.

11. Contribution

(a) Contribution by the Corporation

In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in paragraph 10 is unavailable, in whole or in part, for any reason to an Indemnified Party in respect of any Claim, the Corporation (the "Indemnifier") and the Underwriters shall contribute to the amount paid or payable (or, if such indemnity is unavailable only in respect of a portion of the amount so paid or payable, such portion of the amount so paid or payable) by the Corporation as a result of such Claim in such proportion as is appropriate to reflect the relative benefits received by the Corporation on the one hand and the Underwriters on the other hand from the offering of the Underwritten Shares; or if this allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of the Corporation on the one hand and the Underwriters on the other hand in connection with the information, statement, omission, misrepresentation, order, inquiry, investigation or other matter or thing referred to in paragraph 10 which resulted in such Claim, as well as any other relevant equitable considerations.

The relative benefits received by the Corporation on the one hand and the Underwriters on the other hand shall be deemed to be in the same proportion as the total proceeds (net of the fee payable to the Underwriters but before deducting expenses (to the extent that such expenses are payable by the Corporation pursuant to paragraph 13)) received by the Corporation from the issue and sale of the Underwritten Shares bears to the fee received by the Underwriters, in each case, as set out in the table on the face page of the Prospectus Supplements. The relative fault of the Corporation on the one hand and of the Underwriters on the other shall be determined by reference to, among other things, whether the information, statement, omission, misrepresentation, order, inquiry, investigation or other matter or thing referred to in paragraph 10 which resulted in such Claim relates to information supplied by or steps or actions taken or done by or on behalf of the Corporation or to information supplied by or steps or actions taken or done by or on behalf of the Underwriters and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission, misrepresentation, order, inquiry, investigation or other matter or thing referred to in paragraph 10. The amount paid or payable by an Indemnified Party as a result of the Claim referred to above shall include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such Claim, whether or not resulting in any such action, suit, proceeding or claim. The Corporation and the Underwriters agree that it would not be just and equitable if contribution pursuant to this paragraph 11 were determined by any method of allocation which does not take into account the equitable considerations referred to immediately above.

A person who is engaged in any fraud, fraudulent misrepresentation, recklessness or gross negligence shall not, to the extent that a court of competent jurisdiction in a final judgment determines that the Claim was caused by that activity, be entitled to claim contribution therefor from any person who is not engaged in that fraud, fraudulent misrepresentation, recklessness or gross negligence.

(b) Right of Contribution in Addition to Other Rights

The rights to contribution provided in this paragraph 11 shall be in addition to and not in derogation of any other right to contribution which the Underwriters may have by statute or otherwise at law.

(c) Calculation of Contribution

In the event that a court of competent jurisdiction in a final judgment determines that an Indemnifier is entitled to contribution from the Underwriters under the provisions of any statute or at law, the Indemnifier shall be limited to contribution in an amount not exceeding the lesser of:

- (i) the portion of the full amount of the loss or liability giving rise to such contribution for which the Underwriters are responsible, as determined in subparagraph 11(a), and
- (ii) the amount of the fee actually received by the Underwriters from the Corporation under this Agreement.

(d) Notice of Claim for Contribution

Notification to the Corporation of a Claim pursuant to subparagraph 10(b) shall be deemed to also constitute notice to the Corporation that a claim for contribution by the Underwriters may arise and omission to so notify shall have similar effect.

(e) Right of Contribution in Favour of Others

The Corporation hereby acknowledges and agrees that, with respect to paragraphs 10 and 11 hereof, the Underwriters are contracting on their own behalf and as agents for their affiliates and for their affiliates' directors, officers, employees and agents (collectively, the "Beneficiaries"). In this regard the Underwriters shall act as trustees for the Beneficiaries of the Corporation's covenants under paragraphs 10 and 11 hereof with respect to the Beneficiaries and accept these trusts and shall hold and enforce the covenants on behalf of the Beneficiaries. The Underwriters' respective obligations to contribute pursuant to this paragraph 11 are several in proportion to the percentages set forth opposite their names in paragraph 19 hereof and not joint.
