PART I

Item 1. Description of Business

General

AmREIT, formerly AmREIT, Inc. or American Asset Advisers Trust, Inc. (the "Company"), was organized in the state of Texas on December 22, 2002, and is structured as a Real Estate Investment Trust for federal income tax purposes. Prior to the re-organization, AmREIT's predecessor was incorporated in the state of Maryland in August 1993. AmREIT, like its predecessors, has been an entrepreneurial real estate company with a primary focus on growing its portfolio of national and regional tenant leased freestanding commercial properties and frontage shopping centers, as well as growing its sponsorship of high quality real estate investment products for the NASD independent financial planning community within the United States. Through a wholly owned subsidiary, the Company provides advisory and management services to ten real estate limited partnerships.

The Company focuses on acquiring single tenant commercial properties and frontage shopping centers that are located on irreplaceable corners or out-parcel locations throughout the United States in strong commercial corridors near traffic generators, such as major regional malls, power centers and discount retailers. These properties, which attract a wide array of established commercial tenants, offer attractive opportunities for dependable monthly income and potential capital appreciation. In addition, management believes that the location and design of its properties in this niche provide flexibility in use and tenant selection and an increased likelihood of advantageous re-lease terms.

The Company's revenues are substantially generated by corporate tenants such as Washington Mutual, International House of Pancakes ("IHOP"), Chili's, TGI Friday's, Texas Children's Pediatric Associates, Memorial Herman Hospital System, Blockbuster, and Radio Shack. The Company operates in four primary sectors: financial institutions and banks, restaurants, medical and general retail.

AmREIT owns a real estate portfolio consisting of 46 properties located in 18 states. Its single tenant properties are located throughout the United States and are primarily on lease to corporate tenants where the lease is the direct obligation of the parent company, not just the local operator. In so doing, the dependability of the lease payments is based on the strength and viability of the entire company, not just the owned location. Properties that are acquired by the Company are generally newly constructed or recently constructed as of

Edgar Filing: AMREIT INC - Form 10KSB

the time of acquisition. The multi-tenant shopping centers are primarily located throughout Texas and are leased to national, regional and local tenants. Supporting the real estate portfolio is an operating company subsidiary of AmREIT that provides a complete range of services including development, construction management, property management, brokerage and leasing.

The Company's single tenant leases typically provide that the tenant bear responsibility for substantially all property costs and expenses associated with ongoing maintenance and operation of the property such as utilities, property taxes and insurance. Some of the leases require that the Company be responsible for roof and structural repairs. In these instances, the Company normally requires warranties and/or guarantees from the related vendors, suppliers and/or contractors to mitigate the potential costs of repairs during the primary terms of the leases.

Because the Company's leases are entered into with the corporate, parent tenant, they typically do not limit the Company's recourse against the tenant and any guarantor in the event of a default, and for this reason are considered by AmREIT to be "full-credit" leases, because they are supported by the assets of the entire company, not just the individual store location.

3

AmREIT's investment sponsorship activities are conducted through created entities for which AmREIT or a wholly-owned subsidiary of AmREIT is the general partner, that buy and develop commercial real estate with proceeds raised from third-party investors through the independent financial planning community. AmREIT has an seventeen year track record of experience and long-term relationships in the commercial real estate market - the basis of its ability to sponsor real estate investment opportunities while creating fee income and carried interests for AmREIT and its shareholders.

On July 23, 2002, the Company completed a merger of three of its affiliated partnerships, AAA Net Realty Fund IX, Ltd., AAA Net Realty Fund X, Ltd., and AAA Net Realty Fund XI, Ltd. (the "Affiliated Partnerships") into AmREIT. With the merger of the Affiliated Partnerships, AmREIT increased its real estate assets by approximately \$24.3 million and issued approximately 2.6 million Class B common shares to the limited partners in the Affiliated Partnerships. Approximately \$760 thousand in 8 year, interest only, subordinated notes were issued to limited partners of the Affiliated Partnerships who dissented from the merger. The acquired properties are unencumbered, single tenant, free standing properties on lease to national and regional tenants, where the lease is the direct obligation of the parent company. A deferred merger expense was incurred by AmREIT in connection with the merger of the affiliated partnerships, resulting in the issuance of shares to H. Kerr Taylor, President and Chief Executive Officer of AmREIT, of 302,800 class A common shares as constituting a portion of the deferred consideration owed to Mr. Taylor for the acquisition of his advisory company to AmREIT in 1998.

A further description of the Company's business is included in Management's Discussion and Analysis of Financial Condition and Results of Operations included in Item 6 of this Form 10-KSB.

The primary objectives of the Company are:

- (1) To provide dependable, increasing monthly dividends to our shareholders;

Edgar Filing: AMREIT INC - Form 10KSB

- (2) To provide long-term stockholder value through increased earnings and share price;
- (3) To be the partner of choice to America's finest companies in solving their corporate real estate problems;
- (4) To be the highest quality real estate investment product sponsor within the U.S. serving the National Association of Securities Dealers ("NASD") independent financial planning community. Creating balanced funds that maximize growth and income to our partners by using a conservative, actively managed, entrepreneurial approach to real estate investing. This investment sponsorship approach further enhances our ability to generate dependable, increasing monthly income and long-term stockholder value to our shareholders; and
- (5) To enhance our employees' lives by providing a career that calls them to a higher plane of using their gifts, a corporate environment that allows attainment of their individual needs of physical, mental and spiritual well-being and a clear system of measurement that allows the Company to attract and retain quality employees.

There is no assurance that these objectives can be achieved.

Although the specific terms of each lease vary, a summary of the terms of the leases is as follows:

The primary term of the leases ranges from ten to twenty-five years. All of the leases also provide for one to four five-year renewal options. The leases are primarily "triple-net" leases under which the tenants are responsible for the property taxes, insurance and operating costs. Annual rental income ranges from \$41 thousand to \$419 thousand. All of the leases provide for either percentage rents based on sales in excess of certain amounts, periodic escalations in the annual rental rates or both.

As of December 31, 2002, no single property accounted for more than 10% of the Company's total assets. As of December 31, 2002, the following tenants accounted for more than 10% of the Company's rental and property income:

International House of Pancakes was founded in July 1958 and operates over 1,100 restaurants in three countries and forty-five states. IHOP is a family restaurant, serving breakfast, lunch and dinner. IHOP is a New York Stock Exchange, publicly-held company with a current market capitalization over \$460 million. For the twelve months ended December 31, 2002, system-wide sales were up 9.9% to \$1.5 billion, same store sales increased 0.7% over 2001 and reported net income of \$40.8 million which is a 1.4% increase over 2001.

Item 5. Market for Common Equity and Related Stockholder Matters

As of March 6, 2003, there were approximately 863 record holders of 2,772,340 of the Company's class A common shares, net of 65,379 shares held in treasury, AmREIT's class A common shares are listed on the American Stock Exchange ("AMEX") and traded under the symbol "AMY." The following table sets forth for the calendar periods indicated high and low sale prices per class A common share as reported on the AMEX and the dividends paid per share for the corresponding period since the commencement of trading on July 23, 2002.

Calendar Period	High	Low
2002		
Third Quarter (from July 23, 2002).....	\$7.50	\$6.20
Fourth Quarter.....	\$6.55	\$6.15
2003		
First Quarter (through March 6, 2003).....	\$6.65	\$6.05

The payment of any future dividends by AmREIT is dependent upon applicable legal and contractual restrictions, including the provisions of the class B common shares, as well as its earnings and financial needs.

As of March 6, 2003, there were approximately 1,222 record holders of 2,464,207 of the Company's class B common shares. The class B common shares are not listed on an exchange and there is currently no available trading market for the class B common shares. The class B common shares do not have voting rights, receive a fixed 8% cumulative and preferred dividend, and are convertible into the class A common shares on a one-for-one basis at any time, at the holder's option.

In October 2002, the Company changed from paying dividends quarterly to paying dividends monthly on its class A common shares. The class B common shares were issued in conjunction with the merger with the Affiliated Partnerships in July 2002 and pays dividends quarterly. For the years ended December 31, 2002 and 2001, the Company paid dividends of \$865,023 and \$604,742, respectively on its class A common shares and \$865,293 for the year ended December 31, 2002 on its class B common shares. A summary of the dividends by period on the class A common shares are as follows:

Period Ended	2002	2001
-----	-----	-----
March 29	\$ 161,541	\$ 100,000
June 28	\$ 169,637	\$ 117,717
September 30	\$ 257,166	\$ 137,025
October 31	\$ 81,747*	
November 29	\$ 93,533*	
December 31	\$ 101,399*	\$ 250,000 **
	-----	-----
	\$ 865,023	\$ 604,742

Edgar Filing: AMREIT INC - Form 10KSB

- * Amount indicated reflects the monthly amount due to the change from quarterly dividends.
- ** Includes a special, fifth dividend included with the December 31, 2001 dividend. The regular quarterly dividend was \$150,000 and the special dividend was \$100,000.

The change during 2002 from quarterly dividends to monthly dividends was a change made to better align our dividends with our corporate objective of dependable, increasing, monthly income. The dividends paid on its class A common shares in 2002 represent an increase of approximately 28 percent per share.

8

For the year, the Company repurchased primarily through open market transactions, a total of 46,069 class A common shares at an average price of \$6.38 per share. These shares were repurchased through the share repurchase program authorized by the board of trust managers.

Item 6. Management's Discussion and Analysis of Financial Condition and Results of Operations.

Forward-Looking Statements

Certain information presented in this Form 10-KSB constitutes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, the Company's actual results could differ materially from those set forth in the forward-looking statements. Certain factors that might cause such a difference include the following: changes in general economic conditions, changes in real estate market conditions, continued availability of proceeds from the Company's debt or equity capital, the ability of the Company to locate suitable tenants for its properties and the ability of tenants to make payments under their respective leases.

The following discussion should be read in conjunction with the consolidated financial statements and notes thereto and the comparative summary of selected financial data appearing elsewhere in this report. Historical results and trends which might appear should not be taken as indicative of future operations. The results of operations and financial condition of the Company, as reflected in the accompanying statements and related footnotes, are subject to management's evaluation and interpretation of business conditions, retailer performance, changing capital market conditions and other factors, which could affect the ongoing viability of the Company's tenants. Management believes the most critical accounting policies in this regard are the accounting for lease revenues (including the straight-line rent), the regular evaluation of whether the value of a real estate asset has been impaired and the allowance for doubtful accounts. Each of these issues requires management to make judgments that are subjective in nature. Management relies on its experience, collects historical data and current market data, and analyzes these assumptions in order to arrive at what it believes to be reasonable estimates.

AmREIT, a real estate investment trust, is listed on the American Stock Exchange (AMY) and is a pre-eminent sponsor of high quality real estate investment opportunities to the financial planning community. The Company researches, identifies and participates in real estate opportunities and works

Edgar Filing: AMREIT INC - Form 10KSB

hand in hand with the broker-dealer community to sponsor real estate investment products and services.

For more than 17 years we have established a track record of investing in commercial real estate leased primarily to corporate tenants in the retail, financial services and banking, medical and restaurant sectors. AmREIT's real estate team focuses on development, management, brokerage and ownership of freestanding credit tenant leased ("CTL") and frontage shopping centers ("FSC") that are located contiguous to major thoroughfares and traffic generators. AmREIT's real estate customer list includes national and regional tenants such as: Walgreen's, Goodyear Tire, Washington Mutual, IHOP, McDonald's, Herman Hospital, Radio Shack, Sprint, Coldwell Banker, Guaranty Federal, Bennigan's, Chili's, Texas Children's Hospital, Discount Tire, etc.

Liquidity and Capital Resources

Cash flow from operations has been the principal source of capital to fund the Company's ongoing operations. The Company's issuance of common stock and the use of the Company's credit facility have been the principal sources of capital to fund its growth.

9

Net cash provided by operating activities increased from \$1.64 million in 2001 to \$3.73 million in 2002. The increase in cash provided by operating activities was due primarily to the following components: (1) an increase in deferred merger costs of \$1.9 million in 2002, compared to \$0 in 2001. The deferred merger costs represent a charge to earnings taken for class A common shares issued to H. Kerr Taylor as deferred consideration as a result of the sale of his advisory company to AmREIT in June 1998. The merger of the Affiliated Partnerships triggered a payment under the deferred consideration agreement, and 302,281 class A common shares of AmREIT were issued and the charge taken to earnings, which is the primary cause of the \$659 thousand loss in 2002, (2) a decrease in accounts receivable from during 2002 of \$1.53 million compared to an increase in accounts receivable during 2001 of \$388 thousand, and (3) an increase in deferred compensation of \$0 in 2001 to \$48 thousand in 2002. The increase in deferred compensation was due to restricted shares issued to employees and the board of trust managers as compensation in 2002. The above changes are offset by the operating loss of \$659 thousand in 2002 compared to an operating profit of \$790 thousand in 2001. The primary cause for the loss in 2002 is the \$1.9 million charge to earnings for the deferred acquisition costs.

Net cash used in investing activities increased by \$12.94 million to \$15.27 million in 2002 when compared to 2001. The increase was primarily due to an increase in property acquisitions of \$15.51 million to \$18.95 million in 2002. This increase is related to the purchase of seventeen IHOP properties purchased during 2002 through a majority owned subsidiary. Eighty-three percent of the \$17.96 million aggregate purchase price was financed with 83% non-recourse debt. This increase in net cash was partially offset by the proceeds from the sale of the Office Max property located in Lake Jackson, Texas, which increased \$1.17 million from \$2.52 million in 2001 to \$3.69 million in 2002.

Net cash provided by financing activities increased \$13.84 million in 2002 to \$13.82 million in 2002 when compared to 2001. The increase was primarily due to: (1) proceeds from notes payable, which totaled \$19.25 million in 2002 compared to \$8.04 million in 2001, the proceeds of which were primarily used to

Edgar Filing: AMREIT INC - Form 10KSB

fund the acquisition of the seventeen IHOP properties purchased during 2002, (2) a decrease in payments of notes payables from \$6.54 million in 2001 to \$3.40 million in 2002, and (3) an increase in dividends paid from \$605 thousand in 2001 to \$1.73 million in 2002. The increase in dividends paid is a result of a 28% increase in the dividends per share paid to holders of class A shares, the issuance of additional class A common shares, and the dividends paid on the issuance of class B shares in July 2002 pursuant to the merger described below.

In order to continue to expand and develop its portfolio of properties and other investments, the Company intends to finance future acquisitions and growth through the most advantageous sources of capital available at the time. Such capital sources may include proceeds from public or private offerings of the Company's debt or equity securities, secured or unsecured borrowings from banks or other lenders, acquisitions of the Company's affiliated entities or other unrelated companies, or the disposition of assets, as well as undistributed funds from operations.

On July 23, 2002, the Company completed a merger with the Affiliated Partnerships, which increased the Company's real estate assets by approximately \$24.3 million. Pursuant to the merger, the Company issued approximately 2.6 million Class B common shares to the limited partners in the Affiliated Partnerships. Approximately \$760 thousand in 8 year, interest only, subordinated notes were issued to limited partners of the Affiliated Partnerships who dissented against the merger. The acquired properties are unencumbered, single tenant, free standing properties on lease to national and regional tenants, where the lease is the direct obligation of the parent company. A deferred merger expense stemmed from stock issued to H. Kerr Taylor, President and Chief Executive Officer, based on deferred consideration that was approved by the stockholders in 1998 as a result of the sale of his advisory company to AmREIT. Mr. Taylor was issued 302,281 Class A common shares, which resulted in a charge to earnings in the third quarter 2002.

10

The Company's leases typically provide that the tenant bear responsibility for substantially all property costs and expenses associated with ongoing maintenance and operation, including utilities, property taxes and insurance. In addition, the Company's leases generally provide that the tenant be responsible for roof and structural repairs. Some of the tenants' leases require the Company to be responsible for roof and structural repairs. In these instances, the Company normally requires warranties and/or guarantees from the related vendors, suppliers and/or contractors, to mitigate the potential costs of repairs during the primary terms of the leases. Because many of the properties which are subject to leases that place these responsibilities on the Company are recently constructed, management anticipates that capital demands to meet obligations with respect to these properties will be minimal for the foreseeable future and can be met with funds from operations and working capital. The Company may be required to use bank borrowing or other sources of capital in the event of unforeseen significant capital expenditures.

In November 1998, the Company entered into an unsecured credit facility (the "Credit Facility"), which is being used to provide funds for the acquisition of properties and working capital, and repaid all amounts outstanding under the Company's prior credit facility. Under the Credit Facility, which had an original term of one year, and has been extended through April 2003, the Company may borrow up to \$20 million subject to the value of unencumbered assets. The Company is working on a modification of the Credit Facility, and

Edgar Filing: AMREIT INC - Form 10KSB

the lender has agreed to extend the term by a period of fifteen months under comparable terms and conditions. The Credit Facility contains covenants which, among other restrictions, require the Company to maintain a minimum net worth, a maximum leverage ratio, and specified interest coverage and fixed charge coverage ratios. At December 31, 2002, the Lender waived these financial covenant. The Credit Facility bears interest at an annual rate of LIBOR plus a spread of 2.00%, which resulted in an effective interest rate of 3.4375% at December 31, 2002. As of December 31, 2002, \$11.76 million was outstanding under the Credit Facility. The Company has approximately \$8.24 million availability under its line of credit, subject to use of proceeds approval by the lender.

As of December 31, 2002, the Company owned 46 properties directly and, since its inception, had invested \$70.83 million, exclusive of any minority interests, including certain acquisition expenses related to the Company's investment in these properties. These expenditures resulted in a corresponding decrease in the Company's liquidity.

Until properties are acquired by the Company, the Company's funds are held in short-term, highly liquid investments which the Company believes to have appropriate safety of principal. This investment strategy has allowed, and continues to allow, high liquidity to facilitate the Company's use of these funds to acquire properties at such time as properties suitable for acquisition are located. At December 31, 2002, the Company's cash and cash equivalents totaled \$2.51 million.

The Company paid aggregate cash dividends to the holders of its class A and class B common shares, as applicable, during 2002 and 2001, distributing a total of \$1.73 million and \$605 thousand, respectively, for each such fiscal year.

Inflation has had very little effect on income from operations. Management expects that increases in store sales volumes due to inflation as well as increases in the Consumer Price Index, may contribute to capital appreciation of the Company properties. These factors, however, also may have an adverse impact on the operating margins of the tenants of the properties.

Funds From Operations

Funds from operations (FFO) decreased \$973 thousand to \$6 thousand in 2002 from \$979 thousand in 2001. The decrease in FFO is primarily due to the \$1.90 million charge to earnings in the third quarter 2002 resulting from 302,281 class A common shares issued to Mr. Taylor, resulting from the merger of the

Affiliated Partnerships. The Company has adopted the National Association of Real Estate Investment Trusts (NAREIT) definition of FFO. FFO is calculated as net income (computed in accordance with generally accepted accounting principles) excluding gains or losses from sales of depreciable operating property, depreciation and amortization of real estate assets, and excluding results defined as "extraordinary items" under generally accepted accounting principles ("GAAP"). FFO should not be considered an alternative to cash flows from operating, investing and financing activities in accordance with generally accepted accounting principles and is not necessarily indicative of cash available to meet cash needs. The Company's computation of FFO may differ from the methodology for calculating FFO utilized by other equity REIT's and, therefore, may not be comparable to such other REIT's. FFO is not defined by GAAP and should not be considered an alternative to net income as an indication

Edgar Filing: AMREIT INC - Form 10KSB

of the Company's performance.

Below is the reconciliation of net income, which the Company believes is the most comparable GAAP financial measure, to FFO in thousands:

	2002
Net (loss) income	\$ (659)
Plus depreciation of real estate assets	617
Less loss (gain) on sale of real estate assets	48
Total Funds From Operations *	\$ 6
Cash dividends paid	\$ 1,730
Dividends in excess of (less than) FFO *	\$ 1,724

* Based on the adherence to the NAREIT definition of FFO, we have not added back the \$1.90 million charge to earnings in the third quarter 2002 resulting from shares issued to Mr. Taylor. Adding this \$1.90 million charge to earnings back to earnings would result in \$1.90 million adjusted funds from operations, and dividends paid less than adjusted FFO of \$170 thousand.

Cash flows from operating activities, investing activities, and financing activities are presented below in thousands:

	2002
Operating activities	\$ 3,729
Investing activities	(15,268)
Financing activities	13,819

Results of Operations

Years Ended December 31, 2002 and 2001:

As of December 31, 2002 and 2001, the Company owned and leased 46 and 19 properties, respectively. During the years ended December 31, 2002 and 2001, the Company had revenues of: (1) \$5.49 million and \$3.29 million, respectively, in rental income from operating leases and earned income from direct financing leases, (2) \$2.04 million and \$2.03 million, respectively, in service fee and other income, (3) \$280 thousand and \$342 thousand, respectively, in management fee income, (4) \$417 thousand and \$20 thousand, respectively, in income from non-consolidated affiliates and (5) \$(48) thousand and \$254 thousand, respectively, in (loss) gain on sale of property.

The increase in gross revenue is primarily attributed to the merger of the Affiliated Partnerships in July 2002 and the acquisition of the 17 IHOP properties during 2002, which generated increases in both rental income from operating leases and earned income from direct financing leases.

Edgar Filing: AMREIT INC - Form 10KSB

The Company sold an OfficeMax in Lake Jackson, Texas during 2002. The Company recorded a loss on the sale of this property primarily due to the write-off of accrued rental income.

The decrease in management fee income is primarily due to the merger of the Affiliated Partnerships in July 2002, which resulted in a decrease in management fees that had historically been paid from the Affiliated Partnerships. The increase in income from non-consolidated affiliates is primarily due to Company's interest in AmREIT Opportunity Fund and AmREIT Income & Growth Fund. The Company is the general partner of AmREIT Opportunity Fund and AmREIT Income & Growth Fund, and receives a profit interest in these funds as certain investment objectives and returns are met for the third party limited partners.

Service fees and other income increased based on: (1) additional asset management and advisory fee income and commissions generated by an increase in capital raised through the Company's direct participation investment funds and (2) income earned in our non-consolidated affiliates, which are a result of the Company's general partner interest's in its direct participation investment funds.

General and administrative costs were \$2.80 million in 2002 compared to \$1.95 million in 2001. The increased general and administrative costs are primarily related to: (1) property costs incurred due to a vacancy and required maintenance at Copper Plaza, and (2) increase in the number of employees during 2002 as we built the management and facilitation teams, resulting in an increase in personnel and benefit costs.

Legal and professional fees increased from \$1.00 million in 2001 to \$1.33 million in 2002. The primary increase was an increase in commission expense to third party broker dealers as a result of an increase in capital raised through the Company's direct participation investment funds and an increase in transfer agent costs due to the issuance of 2.6 million class B common shares as a result of the merger of the Affiliated Partnerships.

Interest expense was \$1.77 million in 2002 compared to \$1.06 million in 2001. The increase in interest expense is due to the acquisition of seventeen IHOP properties, which were purchased utilizing approximately \$14.76 million in non-recourse debt with an average interest rate of 7.85%. Included in interest expense is \$131 thousand and \$8 thousand, respectively for 2002 and 2001, for amortized loan acquisition costs.

Item 8. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On December 12, 2002, the Registrant dismissed Deloitte & Touche LLP as its independent public accountants, effective immediately. The change was made by the Audit Committee of the board of trust managers of the Registrant. Management sought and received proposals from three other independent public accounting firms. These proposals were submitted from three other independent public accounting firms. These proposals were submitted to the Registrant's Audit Committee, which selected KPMG LLP as the Registrant's new auditors.

Deloitte & Touche's reports on the Registrant's consolidated financial statements for the latest two fiscal years ended December 31, 2001 and December 31, 2000 did not contain an adverse opinion or disclaimer of opinion and were not qualified as to uncertainty, audit scope or accounting principles. During the Registrant's fiscal years ended December 31, 2001 and December 31, 2000 and subsequent interim periods preceding the dismissal, there were no disagreements with Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Deloitte & Touche, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. During the two most recent fiscal years and the subsequent interim period through December 12, 2002, there were no reportable events (as described in Regulation S-K Item 304 (a) (1) (v)).

On December 12, 2002, the Registrant engaged KPMG LLP to audit the Registrant's financial statements for the year ending December 31, 2002. During the Registrant's two most recent fiscal years ended December 31, 2001 and December 31, 2000, and the subsequent interim period through December 12, 2002, the Registrant did not consult with KPMG LLP regarding any of the matters or events set forth in Item 304(a) (2) (i) or (ii) of Regulation S-K.

AmREIT:

We have audited the accompanying consolidated balance sheet of AmREIT and subsidiaries (the "Company") as of December 31, 2002, and the related consolidated statements of operations, shareholders' equity and cash flows for the year ended December 31, 2002. In connection with our audit of the consolidated financial statements, we have also audited the related financial statement schedule. These financial statements and the financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements and financial statement schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of AmREIT and subsidiaries as of December 31, 2002, and the results of their operations and their cash flows for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, the related financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly in all material respects the information set forth therein.

AMREIT AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2002 AND 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DESCRIPTION OF BUSINESS AND NATURE OF OPERATIONS

AmREIT, ("AmREIT" or the "Company") formally AmREIT, Inc., which was incorporated in the state of Maryland in August 1993, is a real estate investment trust ("REIT") based in Houston, Texas and is listed on the American Stock Exchange (AMEX). AmREIT was organized in the state of Texas on December 22, 2002 and is a pre-eminent sponsor of real estate direct participation programs to the financial planning community. For more than 17 years, the Company has established a track record of investing in commercial real estate leased to parent companies in the retail, financial services and banking, medical and restaurant sectors. AmREIT's real estate team focuses on development, management, brokerage and ownership of freestanding credit tenant leased ("CTL") and frontage shopping centers ("FSC") that are located contiguous to major thoroughfares and traffic generators. AmREIT's customer list includes national and regional tenants such as: Walgreens, Goodyear Tire, Washington Mutual, IHOP, McDonald's, Herman Hospital, Radio Shack, Coldwell Banker, Guaranty Federal, Bennigan's, Chili's, Texas Children's Pediatric Associates, Discount Tire, etc.

AmREIT owns a real estate portfolio that consists of over 46 properties located in 18 states. Its properties include single-tenant; free standing credit tenant leased projects and multi-tenant frontage projects. The single tenant projects are located from coast to coast and are primarily leased to corporate tenants where the lease is the direct obligation of the parent companies. In so doing, the dependability of the lease payments are based on the strength and viability of the entire company, not just that location. The multi-tenant projects are situated primarily throughout Texas. Supporting the real estate portfolio is an operating company subsidiary of AmREIT that provides a complete range of services including development, construction management, property management, brokerage and leasing.

Through AmREIT's direct participation programs, it creates new investment entities that buy and develop commercial real estate with proceeds raised from third-party investors. AmREIT has extensive experience and long-term relationships in the commercial real estate market - the basis of its ability to sponsor real estate investment opportunities while creating fee income and carried interests for AmREIT and its shareholders.

On July 23, 2002, the Company completed a merger with three of its affiliated partnerships, AAA Net Realty Fund IX, Ltd., AAA Net Realty Fund X, Ltd., and AAA Net Realty Fund XI, Ltd. With the merger of the affiliated partnerships, AmREIT increased its real estate assets by approximately \$24.3 million and issued approximately 2.6 million Class B common shares to the limited partners in the affiliated partnerships. Approximately \$760 thousand in 8 year, interest only, subordinated notes were issued to limited partners of the affiliated partnerships who dissented against the merger. The acquired properties are unencumbered, single tenant, free standing properties on lease to national and regional tenants, where the lease is the direct obligation of the parent company. This merger transaction triggered a payment under the deferred consideration agreement between AmREIT and H. Kerr Taylor, President and Chief Executive Officer. The deferred consideration agreement was approved by the shareholders in 1998 as part of the sale of Mr. Taylor's advisory company to AmREIT. In the agreement, Mr. Taylor would receive additional class A common shares, in exchange for the sale of his advisory company, as AmREIT

issued additional capital. Mr. Taylor was issued approximately 302 thousand Class A common shares, which resulted in a deferred merger expense of \$1.9 million in the third quarter 2002. Under the deferred consideration agreement, approximately 384 thousand shares remain to be issued to Mr. Taylor in the event the Company issues additional shares prior to June 4, 2004, the expiration date of the agreement.

BASIS OF CONSOLIDATION

The consolidated financial statements include the accounts of AmREIT, and its wholly or majority owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

BASIS OF ACCOUNTING

The financial records of the Company are maintained on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recorded when incurred.

CASH AND CASH EQUIVALENTS

For purposes of the consolidated statements of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents consist of demand deposits at commercial banks and money market funds.

PROPERTY

Property is leased to others, primarily on a net lease basis, whereby the operating expenses related to the properties, including property taxes, insurance and common area maintenance are the responsibility of the tenant. The leases are accounted for under the operating method or the direct financing method in accordance with generally accepted accounting principles. Under the operating lease method, the properties are recorded at cost. Rental income is recognized ratably over the life of the lease and depreciation is charged based upon the estimated useful life of the property. Under the direct financing lease method, properties are recorded at their net investment. Unearned income is deferred and amortized to income over the life of the lease so as to produce a constant periodic rate of return.

Expenditures related to the development of real estate are carried at cost plus capitalized carrying charges, acquisition costs and development costs. Carrying charges, primarily interest and loan acquisition costs, and direct and indirect development costs related to buildings under construction are capitalized as part of construction in progress. The Company capitalizes acquisition costs once the acquisition of the property becomes probable. Prior to that time, the Company expenses these costs as acquisition expense.

Management reviews its properties for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets, including accrued rental income, may not be recoverable through operations. Management determines whether an impairment in value occurred by comparing the estimated

Edgar Filing: AMREIT INC - Form 10KSB

future cash flows (undiscounted and without interest charges), including the residual value of the property, with the carrying cost of the individual property. If impairment is indicated, a loss will be recorded for the amount by which the carrying value of the asset exceeds its fair value.

F-10

DEPRECIATION

Buildings are depreciated using the straight-line method over an estimated useful life of 39 years. Leasehold estate properties, where the Company owns the building and improvements but not the related ground, therefore there is no residual value beyond the lease, are depreciated over the life of the lease.

INVESTMENT IN NON-CONSOLIDATED AFFILIATES

AmREIT invested \$250 thousand as a limited partner and \$1,000 as a general partner in AmREIT Opportunity Fund, Ltd. ("AOF"), which is accounted for using the equity method. The limited partners have the right to remove and replace the general partner by a vote of the limited partners owning two-thirds of the outstanding units. AmREIT currently owns a 10.5% limited partner interest in AOF. AOF was formed to develop, own, manage, and hold for investment and, or resell property and to make or invest in loans for the development or construction of property. Liquidation of AOF commenced in July of 2002. Based on the general partner's analysis of owned real estate as of December 31, 2002, none of the assets owned or in liquidation by AOF are impaired.

AmREIT invested \$200 thousand as a limited partner and \$1,000 as a general partner in AmREIT Income & Growth Fund, Ltd. ("AIG") that is accounted for using the equity method. The limited partners have the right to remove and replace the general partner by a vote of the limited partners owning a majority of the outstanding units. AmREIT currently owns an approximately 3.9% limited partner interest in AIG. AIG was formed to develop, own, manage, and hold for investment and, or resell property and to make or invest in loans for the development or construction of property.

AmREIT invested \$70 thousand as a limited partner in AmREIT CDP #27, LP that is accounted for using the equity method. AmREIT CDP #27, LP was formed to acquire commercial real property and to develop, operate, lease, manage, and or sell real property. AmREIT CDP #27, LP purchased two IHOP properties in 2001 located in Memphis, Tennessee and Tupelo, Mississippi. The Memphis, Tennessee property was sold for a profit in the first quarter of 2002.

ARIC invested \$122 thousand as a limited partner in AmREIT CDP SPE #33, Ltd. that is accounted for using the equity method. AmREIT CDP SPE #33, Ltd. was formed to acquire commercial real property and to develop, operate, lease, manage, and or sell real property. In December 2001, AmREIT CDP #33, Ltd. purchased three IHOP leasehold estate properties located in Houston, Texas, Orem, Utah, and Hagerstown, Maryland.

AmREIT invested \$330 thousand as a member in AmREIT CDP #31, LLC ("CDP 31") that is accounted for using the equity method. CDP 31 was formed to acquire commercial real property and to develop, operate, lease, manage, and or sell real property. CDP 31 purchased two IHOP properties in 2001 located in Cookeville, Tennessee and Scottsdale, Arizona. Both properties were sold during the first quarter 2002, and CDP 31 does not own any real property as of December 31, 2002.

Edgar Filing: AMREIT INC - Form 10KSB

OTHER ASSETS

Other assets include loan acquisition costs, net of accumulated amortization, of \$250 thousand. Loan acquisitions costs are incurred in obtaining property financing and are amortized to interest expense on the effective interest method over the term of the debt agreements. Accumulated amortization related to loan acquisition costs as of December 31, 2002 totaled \$86 thousand.

F-11

DEFERRED COMPENSATION

Deferred compensation includes stock grants to employees as a form of long term compensation. The stock grants vest over a period of time not to exceed four years. This allows the Company to align the interest of its employees with the interest of our shareholders. As the stock grants vest, the Company will amortize the vested portion to compensation expense. The expense will be calculated by taking the number of shares vested multiplied by the market price per share as determined on the vesting dates.

Effective January 1, 2003, AmREIT will adopt SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure - an Amendment of FASB Statement No. 123".

STOCK ISSUANCE COSTS

Issuance costs incurred in the raising of capital through the sale of common stock are treated as a reduction of shareholders' equity.

REVENUE RECOGNITION

Properties are primarily leased on a net lease basis. Revenue is recognized on a straight-line basis over the terms of the individual leases. Service fees are recognized when earned.

FEDERAL INCOME TAXES

AmREIT is qualified as a real estate investment trust ("REIT") under the Internal Revenue Code of 1986, and is, therefore, not subject to Federal income taxes to the extent of dividends paid, provided it meets all conditions specified by the Internal Revenue Code for retaining its REIT status, including the requirement that at least 90% of its real estate investment trust taxable income is distributed by March 15 of the following year.

AmREIT Realty Investment Corporation ("ARIC"), a wholly owned subsidiary of AmREIT, is treated as a taxable REIT subsidiary for Federal income tax purposes. As such, ARIC and its consolidated subsidiaries have recorded a Federal income tax expense at December 31, 2002 of \$61 thousand, which represents the Federal income tax obligations on the consolidated taxable REIT subsidiary's taxable net income. Additionally, in 2002, a deferred tax liability of \$28 thousand was established to record the taxes on certain real estate assets of ARIC.

EARNINGS PER SHARE

Basic earnings per share has been computed by dividing net income to class A common shareholders by the weighted average number of class A common shares outstanding. Diluted earnings per share has been computed by dividing net

Edgar Filing: AMREIT INC - Form 10KSB

income (as adjusted) by the weighted average number of common shares outstanding plus the weighted average number of dilutive potential common shares.

The following table presents information necessary to calculate basic and diluted earnings per share for the periods indicated:

	For the Years
BASIC AND DILUTED EARNINGS PER SHARE	2002
Weighted average common shares outstanding (in thousands)	2,470
Basic and diluted (loss)/earnings per share *	\$ (0.62) -----
EARNINGS FOR BASIC AND DILUTED COMPUTATION	
(Loss) earnings to Class A common shareholders (in thousands) *	\$ (1,524) =====

* For 2002, the loss of \$1.524 million includes the charge taken against earnings during the third quarter of \$1.9 million, which was the market value of the Class A common shares issued to H. Kerr Taylor, President & CEO, related to the sale of his advisory company to AmREIT in 1998. The charge was for the deferred merger cost due from this sale that was triggered by the issuance of additional common stock as part of the merger with AmREIT's affiliated partnerships during the third quarter of 2002.

F-12

USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company's consolidated financial instruments consist primarily of cash, cash equivalents, accounts receivable and accounts and notes payable. The carrying value of cash, cash equivalents, accounts receivable and accounts payable are representative of their respective fair values due to the short-term maturity of these instruments. The Company's total debt obligations are \$33.6 million, of which \$13.42 million has variable rate terms and therefore, the fair value is representative of its carry value. Approximately \$20.18 million has fixed rate terms, of which approximately \$15.5 million was entered into during 2002. Based on the dates that the debt obligations were entered into and the pricing on current debt obligations, the Company believes that the fair value of its fixed rate debt obligations is materially representative of its carry value.

NEW ACCOUNTING STANDARDS

On June 29, 2001, SFAS No. 141, "Business Combinations" was approved by the Financial Accounting Standards Board ("FASB"). SFAS No. 141 requires that the purchase method of accounting be used for all business combinations initiated after June 30, 2001. Goodwill and certain intangible assets will remain on the balance sheet and not be amortized. On an annual basis, and when there is reason to suspect that their values have been diminished or impaired, these assets must be tested for impairment, and write-downs may be necessary. The Company implemented SFAS No. 141 on July 1, 2001. The adoption of this Statement had no effect on the Company's consolidated financial position or results of operations.

On June 29, 2001, SFAS No. 142, "Goodwill and Other Intangible Assets" was approved by the FASB. SFAS No. 142 changes the accounting for goodwill from an amortization method to an impairment-only approach. Amortization of goodwill, including goodwill recorded in past business combinations, will cease upon adoption of this statement. The Company implemented SFAS No. 142 on January 1, 2002. The adoption of SFAS No. 142 did not have a material impact on our consolidated financial position, results of operations, or cash flows.

F-13

In June 2001, FASB issued SFAS No. 143, "Accounting for Asset Retirement Obligations", which is effective for fiscal years beginning after June 15, 2002. SFAS No. 143 addresses financial accounting and reporting for obligations associated with the retirement of tangible long-lived assets and the associated asset retirement costs. The adoption of SFAS No. 143 did not have a material impact on our consolidated financial position, results of operations, or cash flows.

On January 1, 2002, the company adopted SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets". SFAS No. 144 addresses accounting and reporting for the impairment or disposal of a segment of a business. More specifically, this statement broadens the presentation of discontinued operations to include a component of an entity whose operations and cash flows can be clearly distinguished, operationally and for financial reporting purposes, from the rest of the entity. The adoption of SFAS No. 144 did not have a material impact on our consolidated financial position, results of operations, or cash flows.

In November 2002, the FASB issued Interpretation No. 45, Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness to Others, an interpretation of FASB Statements No. 5, 57 and 107 and a rescission of FASB Interpretation No. 34. This Interpretation elaborates on the disclosures to be made by a guarantor in its interim and annual financial statements about its obligations under guarantees issued. The Interpretation also clarifies that a guarantor is required to recognize, at inception of a guarantee, a liability for the fair value of the obligation undertaken. The disclosure requirements are effective for financial statements of interim or annual periods ending after December 15, 2002. The initial recognition and measurement provisions of the Interpretation are applicable to guarantees issued or modified after December 31, 2002 and are not expected to have a material effect on the Company's consolidated financial statements.

In December 2002, the FASB issued SFAS No. 148, Accounting for Stock-Based Compensation - Transition and Disclosure, an amendment of FASB Statement No.

Edgar Filing: AMREIT INC - Form 10KSB

123. This Statement amends FASB Statement No. 123, Accounting for Stock-Based Compensation, to provide alternative methods of transition for a voluntary change to the fair value method of accounting for stock-based employee compensation. In addition, this Statement amends the disclosure requirements of Statement No. 123 to require prominent disclosures in both annual and interim financial statements. Certain of the disclosure modifications are required for fiscal years ending after December 15, 2002, however, these disclosure modifications are not applicable to the Company and adoption of SFAS 148 is not anticipated to have a material impact on our consolidated financial position, results of operations, or cash flows.

In January 2003, the FASB issued Interpretation No. 46, Consolidation of Variable Interest Entities, an interpretation of ARB No. 51. This Interpretation addresses the consolidation by business enterprises of variable interest entities as defined in the Interpretation. The Interpretation applies immediately to variable interests in variable interest entities created after January 31, 2003, and to variable interests in variable interest entities obtained after January 31, 2003. The application of this Interpretation is not expected to have a material effect on the Company's financial statements. The Interpretation requires certain disclosures in financial statements issued after January 31, 2003 if it is reasonably possible that the Company will consolidate or disclose information about variable interest entities when the Interpretation becomes effective.

Reclassification

Certain amounts in the 2001 consolidated financial statements have been reclassified to conform to the presentation used in the 2002 consolidated financial statements.

5. NOTES PAYABLE

In November 1998, the Company entered into an unsecured credit facility (the "Credit Facility"), which is being used to provide funds for the acquisition of properties and working capital, and repaid all amounts outstanding under the Company's prior credit facility. Under the Credit Facility, which had an original term of one year, and has been extended through April 2003, the Company may borrow up to \$20 million subject to the value of unencumbered assets. The Company is negotiating with the Lender for an extension of the Credit Facility, which would extend the maturity of the Credit Facility beyond December 31, 2003. The Credit Facility contains covenants, which among other restrictions, require the Company to maintain a minimum net worth and a maximum leverage ratio. As of December 31, 2002, the Lender had waived these financial covenants. The Credit Facility bears interest at an annual rate of LIBOR plus a spread of 2.0% (3.4375% as of December 31, 2002). On December 31, 2002, \$11.76 million was outstanding under the Credit Facility. Thus the Company has approximately \$8.24 million available under its line of credit subject to use of proceeds by the lender.

In March 1999, the Company entered into a ten-year mortgage note, amortized over 30 years, for \$1 million with \$968 thousand being outstanding at December 31, 2002. The interest rate is fixed at 8.375% with payments of principal and interest due monthly. The note matures April 1, 2009 and as of December 31, 2002 the Company is in compliance with all terms of the agreement. The note is collateralized by a first lien mortgage on property with an aggregate carrying value of \$1.179 million, net of \$107 thousand of accumulated depreciation.

Edgar Filing: AMREIT INC - Form 10KSB

In February 2001, the Company entered into a ten-year mortgage note, amortized over 20 years, for \$1.35 million with \$1.3 million being outstanding at December 31, 2002. The interest rate is fixed at 8.25% with payments of principal and interest due monthly. The note matures February 28, 2011 and as of December 31, 2002 the Company is in compliance with all terms of the agreement. The note is collateralized by a first lien mortgage on property, which is accounted for as a direct financing lease with a net investment in direct financing lease of \$1 million and land of \$741 thousand.

In October 2001, the Company entered into a ten-year mortgage note amortized over 30 years, for \$2.4 million with \$2.378 million being outstanding at December 31, 2002. The interest rate is fixed at 7.60% with payments of principal and interest due monthly. The note matures November 1, 2011 and as of December 31, 2002 the Company is in compliance with all terms of the agreement. The note is collateralized by a first lien mortgage on property with an aggregate carrying value of \$3.967 million, net of \$330 thousand of accumulated depreciation.

In October 2001, the Company entered into a note payable for \$1.658 million with \$1.658 million being outstanding at December 31, 2002. The interest rate is equal to the thirty day LIBOR rate plus 280 basis points, but in no event lower than 6.75%, which equated to 6.75% at December 31, 2002. The note matures November 1, 2004 and as of December 31, 2002 the Company is in compliance with all terms of the agreement. The note is collateralized by a first lien mortgage on property, which is accounted for as a direct financing lease with a net investment in direct financing lease of \$1.33 million and land of \$564 thousand.

Beginning in April 2002, AAA CTL Notes, Ltd., a majority owned subsidiary of AmREIT, began entering into non-recourse ten-year mortgages, amortized over 20 years, related to the purchase of seventeen IHOP properties. The following table summarizes the terms of loan agreements and the property collateralizing the non-recourse notes. As of December 31, 2002 the Company is in compliance with all terms of the agreement. The non-recourse notes have cross-collateralization and default provisions with each other.

8. RELATED PARTY TRANSACTIONS

See Note 4 regarding investments in non-consolidated affiliates.

On July 23, 2002, the Company completed a merger with three of its affiliated partnerships, AAA Net Realty Fund IX, Ltd., AAA Net Realty Fund X, Ltd., and AAA Net Realty Fund XI, Ltd. AmREIT accounted for this merger as a purchase, whereby the assets of the partnerships have been recorded at fair market value. AmREIT increased its real estate assets by approximately \$24.3 million and issued approximately 2.6 million shares of Class B common stock to the limited partners in the affiliated partnerships as a result of the merger. Approximately \$760 thousand in 8 year, 5.47% interest only, subordinated notes were issued to limited partners of the affiliated partnerships who dissented to the merger. The acquired properties are unencumbered, single tenant, free standing properties on lease to national and regional tenants, where the lease is the direct obligation of the parent company. A deferred merger expense stemmed from stock issued to H. Kerr Taylor, President and Chief Executive Officer, based on a deferred consideration that was approved by the stockholders in 1998. Mr. Taylor was issued 302 thousand shares of Class A common stock, which resulted in a \$1.9 million charge to earnings in the third quarter 2002. As the Company raises additional equity, Mr. Taylor is eligible to receive up to an additional 384 thousand shares of Class A common stock pursuant to the deferred consideration agreement approved by the stockholders in 1998 related to the sale of Mr. Taylor's advisory company to AmREIT.

The Company provides property acquisition, leasing, administrative and management services for ten affiliated real estate limited partnerships that are under common management (the "Partnerships"). The president and director of the Company owns between 45% and 100% of the stock of the companies that serve as the general partner of the Partnerships. Service fees of \$245 thousand and \$335 thousand were paid by the Partnerships to the Company for 2002 and 2001 respectively.

As a sponsor of real estate investment opportunities to the NASD financial planning broker dealer community, the Company maintains a 1% general partner interest in the investment funds that it sponsors. The funds are typically structured such that the limited partners receive 99% of the available cash flow until 100% of their original invested capital has been returned and a preferred return has been met. Once this has happened, then the general partner begins sharing in the available cash flow at various promoted levels. The Company also assigns a portion of this general partner interest in these investment funds to its employees as long term, contingent compensation. In so doing, the Company believes that it will align the interest of management with that of the shareholders, while at the same time allowing for a competitive compensation structure in order to attract and retain key management positions without increasing the overhead burden.

On March 20, 2002, the Company formed AAA CTL Notes, Ltd. ("AAA"), a majority owned subsidiary which is consolidated in the financial statements of AmREIT, through which the Company purchased fifteen IHOP leasehold estate properties and two IHOP fee simple properties.

Edgar Filing: AMREIT INC - Form 10KSB

Locke Liddell and Sapp, LLP acts as the Company's corporate attorneys. Bryan Goolsby is the managing director of Locke Liddell and Sapp LLP and is a member of the Company's board of trust managers. During 2002 and 2001, the Company paid Locke Liddell and Sapp LLP approximately \$777 thousand and \$133 thousand, respectively, for legal services rendered.

9. PROPERTY ACQUISITIONS AND DISPOSITIONS

During the third quarter, the Company purchased seventeen IHOP restaurant properties. Fifteen of the properties are leasehold estate properties, whereby the Company owns the physical improvements, but does not own the underlying land. Two of the properties were purchased in fee simple. The total purchase price was \$17.25 million. The properties were purchased utilizing \$2.34 million cash and \$14.91 million non-recourse, 10-year debt with an average interest rate of 7.85%. Each lease agreement extends for a period of 18-25 years, however, the tenant has the ability to extend the primary term of the lease for two to three additional terms of five years each. Additionally, each lease is subject to a corresponding ground lease with the same term of 18-25 years and two to three additional terms of five years each. The Company recorded \$1.18 million in rental income during 2002 from properties acquired in this transaction.

On July 23, 2002, the Company completed a merger with three of its affiliated partnerships, AAA Net Realty Fund IX, Ltd., AAA Net Realty Fund X, Ltd., and AAA Net Realty Fund XI, Ltd., which was accounted for as an acquisition. With the merger of the affiliated partnerships, AmREIT increased its real estate assets by approximately \$24.3 million and issued approximately 2.6 million shares of Class B common stock to the limited partners in the affiliated partnerships. The class B common shares are not listed on an exchange and there is currently no available trading market for the class B common shares. The class B common shares do not have voting rights, receive a fixed 8% cumulative and preferred dividend, and are convertible into the class A common shares on a one-for-one basis at any time, at the holder's option. Approximately \$760 thousand in 8 year, interest only, subordinated notes were issued to limited partners of the affiliated partnerships who dissented against the merger. The acquired properties are unencumbered, single tenant, free standing properties on lease to national and regional tenants, where the lease is the direct obligation of the parent company.

The following selected unaudited pro forma consolidated statement of operations for AmREIT and subsidiaries gives effect to the merger with its three affiliated partnerships, which assumes that the merger occurred on January 1, 2002 and January 1, 2001, respectively. Additionally, we have presented a summary of assets acquired and liabilities assumed as of the date of the merger, July 23, 2002.

Section 3. Class A Common Shares.

A. Common Shares Subject to Terms of Preferred Shares. The Class A Common Shares shall be subject to the express terms of any series of Preferred Shares.

B. Dividend Rights. The holders of Class A Common Shares shall be entitled to receive such dividends as may be declared by the Board out of funds legally available therefore.

C. Liquidation Rights and Other Provisions. In the event of any voluntary or involuntary liquidation, dissolution or winding up, or any distribution of the assets, of the Trust, the aggregate assets available for distribution to holders of Class A Common Shares shall be determined in accordance with applicable law. Each holder of Class A Common Shares shall be entitled to receive, ratably with each other holder of Class A Common Shares that portion of such aggregate assets available for distribution as the number of outstanding Class A Common Shares held by such holder bears to the total number of (x) Class A Common Shares then outstanding, (y) the Class B Common Shares then outstanding and (z) any other series of Common Shares then outstanding that rank on a parity with the Class A Common Shares as to the distribution of assets upon liquidation. Any amount available for distribution in excess of the foregoing limitations shall be paid ratably to the holders of Class A Common Shares.

D. Voting Rights. Except as may be provided in this Declaration of Trust, and subject to the express terms of any series of Preferred Shares, the holders of Class A Common Shares shall have the exclusive right to vote on all matters (as to which a common shareholder shall be entitled to vote pursuant to applicable law) at all meetings of the shareholders of the Trust, and shall be entitled to one (1) vote for each Class A Common Share entitled to vote at such meeting.

4

Section 4. Class B Common Shares.

A. Dividends. Subject to the preferential rights of any series of Preferred Shares, holders of Class B Common Shares will be entitled to receive, when and as declared by the Board of Trust Managers, out of funds legally available for the payment of dividends, cumulative cash dividends in an amount per Class B Common Share equal to \$0.74 per annum. Dividends with respect to the Class B Common Shares will be cumulative from the date of original issuance (the "Issue Date") and will be payable quarterly in arrears

Edgar Filing: AMREIT INC - Form 10KSB

on March 31, June 30, September 30 and December 31 (each, a "Dividend Payment Date"), beginning with a partial dividend payable on September 30, 2002, with respect to the period from the Issue Date to such initial Dividend Payment Date. Any dividend payable on the Class B Common Shares for any partial dividend period after the initial dividend period will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable on the Class B Common Shares for each full dividend period will be computed by dividing the annual dividend rate by four. Such dividends shall be cumulative from the Issue Date, whether or not in any dividend period or periods such dividends shall be declared or there shall be funds of the Trust legally available for the payment of such dividends, and shall be payable quarterly in arrears on the Dividend Payment Dates, commencing on the first Dividend Payment Date after the Issue Date. Dividends will be payable to holders of record as they appear in the shares records of the Trust at the close of business on the applicable record date, which will be the fifteenth day of the calendar month in which the applicable Dividend Payment Date falls or such other date designated by the Board of Trust Managers for the payment of dividends that is no more than thirty (30) nor less than ten (10) days prior to the Dividend Payment Date. Holders of Series B Common Shares shall not be entitled to any dividends, whether payable in cash, property or shares, in excess of cumulative dividends, as herein provided, on the Class B Common Shares. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Class B Common Shares that may be in arrears.

If any Class B Common Shares are outstanding, no full dividends will be declared or paid or set apart for payment on the Class A Common Shares for any period unless full cumulative dividends have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for such payment on the Class B Common Shares for all past dividend periods and the then current dividend period. No interest, or sum of money in lieu of interest, will be payable in respect of any dividend payment or payments on Class B Common Shares which may be in arrears. Any dividend payment made on Class B Common Shares will first be credited against the earliest accrued but unpaid dividend due with respect to Class B Common Shares which remains payable.

B. Liquidation Rights. In the event of any liquidation, dissolution or winding up of the Trust, subject to the prior rights of any series of Preferred Shares, the holders of Class B Common Shares will share pro rata, with the holders of the Class A Common Shares and the holders of any other series of Common Shares that rank on a parity with the Class A Common Shares as to the distribution of assets upon liquidation, the assets of the Trust remaining following the payment of all liquidating distributions payable to holders of capital shares of the Trust with liquidation rights senior to those of the common shares.

5

C. Redemption. The Class B Common Shares will not be redeemable prior to July 16, 2005. On and after July 16, 2005, the Trust, at its option (to the extent the Trust has funds legally available therefor) upon not less than 30 nor more than 60 days' written notice, may redeem Class B Common Shares, in whole or in part, at any time or from time to time, for, at the option of the holder thereof, either cash at the redemption price per share of \$10.18, plus all accrued and unpaid dividends, if any, thereon (whether or not earned or declared) to the date fixed for redemption or one Class A Common Share.

Edgar Filing: AMREIT INC - Form 10KSB

Notwithstanding the foregoing, unless full cumulative dividends on all Class B Common Shares have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period, no Class B Common Shares will be redeemed unless all outstanding Class B Common Shares are simultaneously redeemed. The foregoing, however, will not prevent the purchase or acquisition of shares of the Class B Common Shares pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding Class B Common Shares. Unless full cumulative dividends on all outstanding Class B Common Shares have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period, the Trust will not purchase or otherwise acquire directly or indirectly through a subsidiary or otherwise, any Class B Common Shares.

If fewer than all of the outstanding Class B Common Shares are to be redeemed, the number of shares to be redeemed will be determined by the Trust and those shares may be redeemed pro rata from the holders of record of those shares in proportion to the number of those shares held by the holders (as nearly as may be practicable without creating fractional Class B Common Shares) or any other equitable method determined by the Trust.

Class B Common Shares shall be redeemed by the Trust on the date specified in a notice to the holders of the Class B Common Shares (the "Call Date"). Notice of redemption will be given by publication in a newspaper of general circulation in the City of New York, such publication to be made once a week for two successive weeks commencing not less than 30 nor more than 60 days' prior to the redemption date. A similar notice will be mailed by the Trust, postage prepaid, not less than 30 nor more than 60 days' prior to the redemption date, addressed to the respective holders of record of Class B Common Shares to be redeemed at their respective addresses as they appear on the shares transfer records of the Trust. No failure to give notice or any defect therein or in the mailing thereof will affect the validity of the proceeding for the redemption of any Class B Common Shares except as to the holder to whom notice was defective or not given. Each notice will state: (1) the Call Date; (2) the redemption price; (3) the number of Class B Common Shares to be redeemed; (4) the place or places where the Class B Common Shares are to be surrendered for payment of the redemption price; (5) that dividends on the shares to be redeemed will cease to accrue on the Call Date; and (6) that any conversion rights will terminate at the close of business on the third business day immediately preceding the Call Date. If fewer than all the Class B Common Shares held by any holder are to be redeemed, the notice mailed to that holder will also specify the number of Class B Common Shares to be redeemed from that holder. Notice having been given as aforesaid, from and after the Call Date (unless the Trust shall fail to issue and make available the number of Class A Common Shares and/or amount of cash necessary to effect such redemption, including all accumulated, accrued and unpaid dividends to the Call Date, whether or not earned or declared), (i) except as otherwise provided

6

herein, dividends on the Class B Common Shares so called for redemption shall cease to accumulate or accrue on the Class B Common Shares called for redemption (except that, in the case of a Call Date after a dividend record date and prior to the related Dividend Payment Date, holders of Class B Common Shares on the dividend record date will be entitled on such Dividend Payment Date to receive the dividend payable on such shares), (ii) said shares shall no longer be deemed to be outstanding, and (iii) all rights of the holders thereof as holders of Class B Common Shares shall cease (except the rights to receive

Edgar Filing: AMREIT INC - Form 10KSB

the Class A Common Shares and/or cash payable upon such redemption, without interest thereon, upon surrender and endorsement of their certificates if so required and to receive any dividends payable thereon). As promptly as practicable after the surrender in accordance with said notice of the certificates for any such shares so redeemed (properly endorsed or assigned for transfer, if the Trust shall so require and if the notice shall so state), such certificates shall be exchanged for certificates representing Class A Common Shares and/or any cash (without interest thereon) for which such shares have been redeemed in accordance with such notice.

Upon any redemption of Class B Common Shares, the Trust shall pay in cash to the holder of such shares an amount equal to all accumulated, accrued and unpaid dividends, if any, to the Call Date, whether or not earned or declared. Immediately prior to authorizing any redemption of the Class B Common Shares, and as a condition precedent for such redemption, the Trust, by resolution of the Board of Trust Managers, shall declare a mandatory dividend on the Class B Common Shares payable in cash on the Call Date in an amount equal to all accumulated, accrued and unpaid dividends as of the Call Date on the Class B Common Shares to be redeemed, which amount shall be added to the redemption price. If the Call Date falls after a dividend payment record date and prior to the corresponding Dividend Payment Date, then each holder of Class B Common Shares at the close of business on such dividend payment record date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares prior to such Dividend Payment Date. Except as provided above, the Trust shall make no payment or allowance for accumulated or accrued dividends on Class B Common Shares called for redemption.

D. Voting Rights. Holders of the Class B Common Shares will not have any voting rights, except as set forth below or as otherwise from time to time required by law. In any matter in which the Class B Common Shares may vote, including any action by written consent, each Class B Common Share will be entitled to one vote. The holders of Class B Common Shares may separately designate a proxy for the vote to which the Class B Common Shares are entitled.

(1) If and whenever six (6) consecutive quarterly dividends payable on the Class B Common Shares shall be in arrears (which shall, with respect to any such quarterly dividend, mean that any such dividend has not been paid in full), whether or not earned or declared, the number of Trust Managers then constituting the Board of Trust Managers shall be increased by two (2) and the holders of the Class B Common Shares shall be entitled to elect the two (2) additional Trust Managers to serve on the Board of Trust Managers, by the vote of a plurality of the votes by the holders of the Class B Common Shares, at an annual meeting of shareholders or special meeting held in place thereof, or at special meeting of the holders of the Class B Common Shares called as hereinafter provided. Whenever all arrears in dividends on the Class B Common Shares then outstanding shall have been paid and dividends thereon for the current quarterly dividend period shall have been paid or declared and set apart for payment, then the right of the holders of the Class B Common Shares to elect such additional two (2) Trust Managers shall cease

7

(but subject always to the same provision of the vesting of such voting rights in the case of any similar future arrearages in six (6) consecutive quarterly dividends), and the terms of office of all persons elected as Trust Managers by the holders of the Class B Common Shares shall forthwith terminate and the number of the Board of Trust Managers shall be reduced accordingly. At any time after such voting power shall have been so vested in the holders of Class B

Edgar Filing: AMREIT INC - Form 10KSB

Common Shares, the Secretary of the Trust may, and upon the written request of any holder of Class B Common Shares (addressed to the Secretary at the principal office of the Trust) shall call a special meeting of the holders of the Class B Common Shares for the election of the two (2) Trust Managers to be elected by them as herein provided, such call to be made by notice similar to that provided in the Bylaws of the Trust for a special meeting of the shareholders or as required by law. If any such special meeting required to be called as above provided, shall not be called by the Secretary within twenty (20) days after receipt of any such request, then any holder of Class B Common Shares may call such meeting, upon the notice above provided, and for that purpose shall have access to the share records of the Trust. The Trust Managers elected at any such special meeting shall hold office until the next annual meeting of the shareholders or special meeting held in lieu thereof if such office shall not have previously terminated as above provided. If any vacancy shall occur among the Trust Managers elected by the holders of the Class B Common Shares, a successor shall be elected by the Board of Trust Managers, upon the nomination of the then remaining Trust Managers elected by the holders of the Class B Common Shares or the successor of such remaining Trust Manager, to serve until the next annual meeting of the shareholders or special meeting held in place thereof if such office shall not have previously terminated as above provided.

So long as any Class B Common Shares are outstanding, the number of Trust Managers shall at all times be such that the exercise, by the holders of Class B Common Shares, of the right to elect Trust Managers under the circumstance provided herein will not contravene any provisions of the Texas REIT Act or the Declaration of Trust.

(2) So long as any Class B Common Shares are outstanding, in addition to any other vote or consent of shareholders required by law or by the Declaration of Trust, the affirmative vote of at least 66 2/3% of the votes entitled to be cast by the holders of the Class B Common Shares, at the time outstanding, acting as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(a) Any sale of all or substantially all of the assets of the Trust, any liquidation of the Trust or any amendment, alteration or repeal of any of the provisions of the Declaration of Trust or the Bylaws of the Trust that materially and adversely affects the voting powers, rights or preferences of the holders of the Class B Common Shares; provided, however, that the amendment of the provisions of the Declaration of Trust so as to authorize or create, or to increase the authorized amount of, any shares of any class or series ranking on a parity with the Class B Common Shares in the distribution of assets on any liquidation, dissolution or winding up of the Trust or in the payment of dividends shall not be deemed to materially adversely affect the voting powers, rights or preferences of the holders of Class B Common Shares; or

8

(b) The authorization or creation of, or the increase in the authorized amount of, any shares of any class or series or any security convertible into shares of any class or series ranking prior or senior to the Class B Common Shares in the distribution of assets on any liquidation, dissolution or winding up of the Trust or in the payment of dividends;

provided, however, that no such vote of the holders of Class B Common Shares shall be required if, at or prior to the time when such amendment, alteration

Edgar Filing: AMREIT INC - Form 10KSB

or repeal is to take effect, or when the issuance of any such prior shares or convertible security is to be made, as the case may be, provision is made for the redemption of all Class B Common Shares at the time outstanding.

E. Conversion.

Holders of Class B Common Shares shall have the right to convert all or a portion of such shares into Class A Common Shares, as follows:

(1) Subject to and upon compliance with the provisions of this Section 4.E, a holder of Class B Common Shares shall have the right, at such holder's option, at any time to convert such shares, in whole or in part, into the number of fully-paid and non-assessable shares of authorized but unissued Class A Common Shares obtained by dividing \$9.25 by the Conversion Price then in effect by surrendering such shares to be converted in the manner provided herein; provided, however, that the right to convert Class B Common Shares called for redemption shall terminate at the close of business on the Call Date fixed for such redemption, unless the Trust shall default in making payment upon such redemption. The initial Conversion Price shall be \$9.25, subject to adjustment as hereafter provided.

(2) In order to exercise the conversion right, the holder of each Class B Common Share to be converted shall surrender the certificate representing such share duly endorsed or assigned to the Trust or in blank, at the office of the Trust, accompanied by written notice to the Trust that the holder thereof elects to convert such share. Each share surrendered for conversion shall be accompanied by instruments of transfer, in form satisfactory to the Trust, duly executed by the holder or such holder's duly authorized attorney and an amount sufficient to pay any transfer or similar tax (or evidence reasonably satisfactory to the Trust demonstrating that such taxes have been paid).

Holders of Class B Common Shares at the close of business on a dividend payment record date shall be entitled to receive the dividend payable on such shares of the corresponding Dividend Payment Date notwithstanding the conversion thereof following such dividend payment record date and prior to such Dividend Payment Date. However, Class B Common Shares surrendered for conversion during the period between the close of business on any dividend payment record date and the opening of business on the corresponding Dividend Payment Date (except shares converted after the issuance of notice of redemption with respect to a Call Date during such period, such shares being entitled to such dividend on the Dividend Payment Date) must be accompanied by payment of an amount equal to the dividend payable on such shares on such Dividend Payment Date. Except as provided above, the Trust shall make not payment or allowance for unpaid dividends, whether or not in arrears, on converted shares or for dividends on the Class A Common Shares issued upon such conversion.

9

Each conversion shall be deemed to have been effected immediately prior to the close of business on the date on which the certificates for Class B Common Shares shall have been surrendered and such notice shall have been received by the Trust as aforesaid (and, if applicable, payment of an amount equal to the dividend payable on such shares shall have been received by the Trust as above-described) and the person or persons in whose name or names any certificate or certificates for Class A Common Shares shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of the shares represented thereby at such time on such date.

Edgar Filing: AMREIT INC - Form 10KSB

(3) No fractional Class A Common Share shall be issued upon conversion. Instead any fractional share that would otherwise be deliverable upon the conversion of Class B Common Shares, the Trust shall pay to the holder of such share an amount in cash based upon the Market Price (as defined in Section 5 of this Article VI) of the Class A Common Shares.

(4) The Conversion Price shall be adjusted from time to time as follows:

(i) If the Trust shall after the Issue Date (A) pay a dividend or make a distribution on any class or series of its capital stock in Class A Common Shares, (B) subdivide its outstanding Class A Common Shares into a greater number of shares, (C) combine its outstanding Class A Common Shares into a smaller number of shares or (D) issue any shares of capital stock by reclassification of its Class A Common Shares, the Conversion Price in effect at the opening of business on the date following the date fixed for the determination of a shareholder entitled to receive such dividend or distribution or at the opening of business on the date following the day on which such subdivision, combination or reclassification becomes effective, as the case may be, shall be adjusted so that the holder of any Class B Common Shares thereafter surrendered for conversion shall be entitled to receive the number of Class A Common Shares (or fraction of a share) that such holder would have owned or have been entitled to receive after the happening of any of the events described above had such Class B Common Shares been converted immediately prior to the record date in the case of a dividend or distribution or the effective date in the case of a subdivision, combination or reclassification. An adjustment made pursuant to this paragraph 4(i) shall become effective immediately after the opening of business on the day next following the record date (except as provided in paragraph 4(viii) below) in the case of a dividend or distribution and shall become effective immediately after the opening of business on the date next following the effective date in the case of a subdivision, combination or reclassification.

(ii) If the Trust shall issue after the Issue Date rights, options or warrants to all holders of Class A Common Shares entitling them (for a period expiring within 45 days after the record date described below in this paragraph 4(ii)) to subscribe for or purchase Class A Common Shares at a price per share less than the Market Value per Class A Common Share on the record date for the determination of shareholders entitled to receive such rights or warrants, then the Conversion Price in effect at the opening of business on the day next following such record date shall be adjusted to equal the price determined by multiplying (A) the Conversion Price in effect immediately prior to the opening of business on the day following the date fixed for such determination by (B) a fraction, the numerator of which

10

shall be the sum of (x) the number of Class A Common Shares outstanding on the close of business on the date fixed for such determination and (y) the number of Class A Common Shares that the aggregate proceeds to the Trust from the exercise of such rights or warrants for Class A Common Shares would purchase at such Market Value, and the denominator of which shall be the sum of (xx) the number of Class A Common Shares outstanding on the close of business on the date fixed for such determination and (yy) the number of additional Class A Common Shares offered for subscription or purchase pursuant to such rights or warrants. Such adjustment shall become effective immediately after the opening of business on the day next following such record date (except as provided in paragraph 4(viii) below). In determining whether any rights or

Edgar Filing: AMREIT INC - Form 10KSB

warrants entitle the holders of Class A Common Shares to subscribe for or purchase Class A Common Shares at less than such Market Value, there shall be taken into account any consideration received by the Trust upon issuance and upon exercise of such rights or warrants, the value of such consideration, if other than cash, to be determined in good faith by the Board of Trust Managers.

(iii) If the Trust shall distribute to all holders of its Class A Common Shares any shares of capital stock of the Trust (other than Class A Common Shares), evidence of its indebtedness or assets (including cash, but excluding regularly scheduled cash dividends) or rights or warrants to subscribe for or purchase any of its securities (excluding those rights and warrants issued to all holders of Class A Common Shares entitling them for a period expiring within forty-five (45) days after the record date referred to in paragraph 4(ii) above to subscribe for or purchase Class A Common Shares, which rights and warrants are referred to in and treated under such paragraph 4(ii) above) (any of the foregoing being hereinafter in this paragraph 4(iii) called the "Distribution"), then in each such case the Conversion Price shall be adjusted so that it shall equal the price determined by multiplying (A) the Conversion Price in effect immediately prior to the close of business on the date fixed for the determination of shareholders entitled to receive such Distribution by (B) a fraction, the numerator of which shall be the Market Value per Class A Common Share on the record date mentioned below less the then fair market value (as determined by the Board, whose determination shall be conclusive and described in a Board of Trust Managers resolution), of the portion of the capital stock or assets or evidences of indebtedness so distributed or of such rights or warrants applicable to one (1) Class A Common Share and the denominator of which shall be the Market Value per Class A Common Share on the record date mentioned below. Such adjustment shall become effective immediately at the opening of business on the business day next following (except as provided in paragraph 4(viii) below) the record date for the determination of shareholders entitled to receive such Distribution. For the purposes of this paragraph 4(iii), the distribution of a right or warrant to subscribe or purchase any of the Trust's securities, which is distributed not only to the holders of the Class A Common Shares on the date fixed for the determination of shareholders entitled to such Distribution of such right or warrant, but also is distributed with Class A Common Shares delivered to a person converting Class B Common Shares after such determination date, shall not require an adjustment of the Conversion Price pursuant to this paragraph 4(iii); provided that if on the date, if any, on which a person converting Class B Common Shares such person would no longer be entitled to receive such right or warrant with Class A Common Shares (other than as a result of the termination of all such rights or warrants), a distribution of such rights or warrants shall be deemed to have occurred and the Conversion Price shall be adjusted as provided in this paragraph 4(iii) and such day shall be deemed to be "the date fixed for the determination of the shareholders entitled to receive such distribution" and "the record date" within the meaning of the two preceding sentences.

11

(iv) No adjustment in the Conversion Price shall be required unless such adjustment would require a cumulative increase or decrease of at least 1% in such price; provided, however, that any adjustments that by reason of this paragraph 4(iv) are not required to be made shall be carried forward and taken into account in any subsequent adjustment until made. Notwithstanding any other provisions of this Section 4.E, the Trust shall not be required to make any adjustment of the Conversion Price for the issuance of any Class A Common Shares pursuant to any plan providing for the

Edgar Filing: AMREIT INC - Form 10KSB

reinvestment of dividends or interest payable on securities of the Trust and the investment of additional optional amounts in Class A Common Shares under such plan. Anything in this paragraph 4(iv) to the contrary notwithstanding, the Trust shall be entitled, to the extent permitted by law, to make such reductions in the Conversion Price, in addition to those required by this paragraph 4(iv)), as it in its discretion shall determine to be advisable in order that any share dividends, subdivision of shares, reclassification or combination of shares, distribution of rights or warrants to purchase shares or securities, or a distribution of other assets (other than cash dividends) hereafter made by the Trust to its shareholders shall not be taxable, or if that is not possible, to diminish any income taxes that are otherwise payable because of such event.

(v) If the Trust shall be a party to any transaction (including, without limitation, a merger, consolidation, statutory share exchange, issuer or self tender offer for all or a substantial portion of the Class A Common Shares outstanding, sale of all or substantially all of the Trust's assets or recapitalization of the Class A Common Shares, but excluding any transaction as to which paragraph 4(i) of this Section 4.E applies) (each of the foregoing being referred to herein as a "Transaction"), in each case as a result of which Class A Common Shares shall be converted into the right to receive stock, securities or other property (including cash or any combination thereof), each Class B Common Share which is not converted into the right to receive stock, securities or other property in connection with such Transaction shall thereupon be convertible into the kind and amount of shares of stock, securities and other property (including cash or any combination thereof) receivable upon consummation of such Transaction by a holder of that number of Class A Common Shares, or fraction thereof, into which one (1) Class A Common Share was convertible immediately prior to such Transaction. The Trust shall not be a party to any Transaction unless the terms of such Transaction are consistent with the provisions of this paragraph 4(v), and it shall not consent or agree to the occurrence of any Transaction until the Trust has entered into an agreement with the successor or purchasing entity, as the case may be, for the benefit of the holders of the Class B Common Shares that will contain provisions enabling the holders of the Class B Common Shares that remain outstanding after such Transaction to convert into the consideration received by holders of Class A Common Shares at the Conversion Price in effect immediately prior to such Transaction. The provisions of this paragraph 4(v) shall similarly apply to successive Transactions.

12

(vi) If:

(1) the Trust shall authorize the granting to the holders of the Class A Common Shares of rights or warrants to subscribe for or purchase any shares of any class or series of capital stock or any other rights or warrants; or

(2) the Trust shall authorize the granting to the holders of the Class A Common Shares of rights or warrants to subscribe for or purchase any shares of any class or series of capital stock or any other rights or warrants; or

(3) there shall be any reclassification of the Class A Common Shares or any consolidation or merger to which the Trust is a party and for which approval of any shares of the Trust is required, or a statutory share exchange, or an issuer or self tender offer by the Trust for all or a substantial portion of its outstanding Class A Common

Edgar Filing: AMREIT INC - Form 10KSB

Shares (or an amendment thereto changing the maximum number of shares sought or the amount or type of consideration being offered therefor) or the sale or transfer of all or substantially all of the assets of the Trust as an entirety; or

(4) there shall occur the voluntary or involuntary liquidation, dissolution or winding up of the Trust, then the Trust shall cause to be mailed to each holder of Class B Common Shares at such holder's address as shown on the stock records of the Trust, as promptly as possible, but at least fifteen (15) days prior to the applicable date hereinafter specified, a notice stating (A) the record date for the payment of such dividend, distribution or rights or warrants, or, if a record date is not established, the date as of which the holders of Class A Common Shares of record to be entitled to such dividend, distribution or rights or warrants are to be determined or (B) the date on which such reclassification, consolidation, merger, statutory share exchange, sale, transfer, liquidation, dissolution or winding up is expected to become effective, and the date as of which it is expected that holders of Class A Common Shares of record shall be entitled to exchange their Class A Common Shares for securities or other property, if any, deliverable upon such reclassification, consolidation, merger, statutory share exchange, sale, transfer, liquidation, dissolution or winding up or (C) the date on which such tender offer commenced, the date on which such tender offer is scheduled to expire unless extended, the consideration offered and the other material terms thereof (or the material terms of any amendment thereto). Failure to give or receive such notice or any defect therein shall not affect the legality or validity of the proceedings described in this Section 4.E.

(vii) Whenever the Conversion Price is adjusted as herein provided, the Trust shall promptly prepare a notice of such adjustment of the Conversion Price setting forth the adjusted Conversion Price and the effective date such adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Price to each holder of Class B Common Shares at such holder's last address as shown on the stock records of the Trust.

(viii) In any case in which paragraph 4 of this Section 4.E provides that an adjustment shall become effective on the day next following the record date for an event, the Trust may defer until the occurrence of such event (A) issuing to the holder of any Class B Common Shares converted after such record date and before the occurrence of such event the additional Class A Common Shares issuable upon such conversion by reason of the adjustment required by such event over and above the Class A Common Shares issuable upon such conversion before giving effect to such adjustment and (B) paying to such holder any amount of cash in lieu of any fraction pursuant to paragraph 3 of this Section 4.E.

13

(ix) There shall be no adjustment of the Conversion Price in case of the issuance of any capital stock of the Trust in a reorganization, acquisition or other similar transaction except as specifically set forth in this Section 4.E. If any action or transaction would require adjustment of the Conversion Price pursuant to more than one paragraph of this Section 4.E, only one adjustment shall be made and such adjustment shall be the amount of adjustment that has the highest absolute value.

(x) If the Trust shall take any action affecting the Class A Common Shares, other than action described in this

Edgar Filing: AMREIT INC - Form 10KSB

Section 4.E, that in the opinion of the Board of Trust Managers would materially adversely affect the conversion rights of the holders of Class B Common Shares, the Conversion Price for the Class B Common Shares may be adjusted, to the extent permitted by law, in such manner, if any, and at such time as the Board of Trust Managers, in its sole discretion, may determine to be equitable under the circumstances.

(xi) The Trust shall at all times reserve and keep available, free from preemptive rights, out of the aggregate of its authorized but unissued Class A Common Shares solely for the purpose of effecting conversion of the Class B Common Shares, the full number of Class A Common Shares deliverable upon the conversion of all outstanding Class B Common Shares not theretofore converted into Class A Common Shares. For purposes of this paragraph 4(xi), the number of Class A Common Shares that shall be deliverable upon the conversion of all outstanding Class B Common Shares shall be computed as if at the time of computation all such outstanding shares were held by a single holder.

The Trust covenants that any Class A Common Shares issued upon conversion of the Class B Common Shares shall be validly issued, fully-paid and non-assessable.

Section 5. Restrictions on Ownership, Transfer, Acquisition and Redemption of Shares.

A. Definitions. For purposes of Sections 4, 5 and 6 of this Article VI, the following terms shall have the following meanings:

"Acquire" shall mean the acquisition of Beneficial or Constructive Ownership of Equity Shares by any means, including, without limitation, the exercise of any rights under any option, warrant, convertible security, pledge or other security interest or similar right to acquire shares, but shall not include the acquisition of any such rights unless, as a result, the acquiror would be considered a Beneficial Owner or Constructive Owner. The terms "Acquires" and "Acquisition" shall have correlative meanings.

"Beneficial Ownership" shall mean ownership of Equity Shares by an individual who would be treated as an owner of such shares under Section 542(a)(2) of the Code, either directly or constructively through the application of Section 544, as modified by Section 856(h)(1)(B). For purposes of this definition, the term "individual," also shall include any organization, trust or other entity that is treated as an individual for purposes of Section 542(a)(2) of the Code. The terms "Beneficial Owner," "Beneficially Own," "Beneficially Owns" and "Beneficially Owned" shall have correlative meanings.

14

"Board of Trust Managers" shall mean the Board of Trust Managers of the Trust.

"Bylaws" shall mean the Bylaws of the Trust, as the same are in effect from time to time.

"Charitable Beneficiary" shall mean one (1) or more beneficiaries of the Charitable Trust, provided that each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(i)(A), 2055 and 2522 of the Code.

(1) If, notwithstanding the other provisions contained in this Article VI, at any time from and after the date hereof and prior to the Restriction Termination Date, there is a purported Transfer, Acquisition, change in the capital structure of the Trust, or other purported change in the Beneficial or Constructive Ownership of Equity Shares or other event or transaction such that (i) any Person (other than the Existing Holder) would Beneficially or Constructively Own Equity Shares in excess of the applicable Ownership Limit or (ii) the Existing Holder would Beneficially or Constructively Own Common Shares in excess of the Existing Holder Limit or any series of Preferred Shares in excess of the Preferred Shares Ownership Limit, then, except as otherwise provided in paragraph I of this Section 5, such number of Equity Shares (rounded up to the next whole number of shares) in excess of the applicable Ownership Limit or the Existing Holder Limit, as the case may be, automatically shall be, without any further action on the part of any Person, deemed to be Transferred to a Charitable Trust for the benefit of a Charitable Beneficiary. If the Transfer to the Charitable Trust described in this subparagraph (2) of this paragraph C(2), would not be effective for any reason to prevent the violation of any of the restrictions described in subparagraphs (2), (3), (4), (5) and (6) of paragraph B of this Section 5, then the purported Transfer, Acquisition, change in capital structure, or other purported change in Beneficial or Constructive Ownership or other event or transaction in violation of any of the restrictions described in subparagraphs (2), (3), (4), (5) and (6) of paragraph B of this Section 5, shall be void ab initio, and none of the Purported Beneficial Transferee, the Purported Record Transferee, the Purported Beneficial Holder or the Purported Record Holder shall acquire any rights in that number of Equity Shares.

D. Remedies for Breach. If the Board of Trust Managers or its designee shall at any time determine in good faith that a Transfer, Acquisition, or change in the capital structure of the Trust or other purported change in Beneficial or Constructive Ownership or other event or transaction has taken place in violation of paragraph B of this Section 5 or that a Person intends to Acquire or has attempted to Acquire Beneficial or Constructive Ownership of any Equity Shares in violation of paragraph B of this Section 5, the Board of Trust Managers or its designee shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer, Acquisition, or change in the capital structure of the Trust, or other attempt to Acquire Beneficial or Constructive Ownership of any Equity Shares or other event or transaction, including, but not limited to, causing the Trust to redeem the Equity Shares, refusing to give effect to such Transfer on the books of the Trust or instituting injunctive proceedings with respect thereto; provided, however, that any Transfer, Acquisition, change in the capital structure of the Trust, attempted Transfer, or other attempt to Acquire Beneficial or Constructive Ownership of any Equity Shares or event or transaction in violation of subparagraphs (2), (3), (4), (5) or (6) of paragraph B of this Section 5 (as applicable) shall be void ab initio and, where applicable, automatically shall result in the Transfer to the Charitable Trust described in paragraph C of this Section 5, irrespective of any action (or inaction) by the Board of Trust Managers or its designee.

21

E. Notice of Restricted Transfer. Any Person who Acquires or attempts to Acquire Beneficial or Constructive Ownership of Equity Shares in violation of paragraph B of this Section 5 and any Person who would have Beneficially or Constructively Owned Equity Shares that resulted in a Transfer to the Charitable Trust pursuant to the provisions of Paragraph C of this Section 5, immediately shall give written notice to the Trust, or, in the event of a proposed or attempted Transfer or Acquisition or purported change in Beneficial or Constructive Ownership, shall give at least fifteen (15) days prior written notice to the Trust, of such event and shall promptly provide to the Trust such other information as the Trust, in its sole discretion, may request in order to determine the effect, if any, of such Transfer, attempted Transfer, Acquisition, attempted Acquisition or other purported change in Beneficial or Constructive Ownership on the Trust's status as a REIT.

23

(2) Prior to any modification of the Ownership Limit or the Existing Holder Limit with respect to any Person, the Board of Trust Managers may require such opinions of counsel, affidavits, undertakings or agreements as it may deem necessary, advisable or prudent, in its sole discretion, in order to determine or ensure the Trust's status as a REIT.

Except as otherwise provided pursuant to the Declaration of Trust of the Trust, no Person may Beneficially or Constructively Own Common Shares of the Trust in excess of 9.0 percent (or such greater percent as may be determined by the Board of Trust Managers of the Trust) of the outstanding Common Shares (except in such circumstances as the Existing Holder Limit shall apply); (ii) Beneficially or Constructively Own shares of any series of Preferred Shares of the Trust in excess of 9.9 percent of the outstanding shares of such series of Preferred Shares; or (iii) Beneficially or Constructively Own Common Shares or Preferred Shares (of any class or series) which would result in the Trust being "closely held" under Section 856(h) of the Code or which otherwise would cause the Trust to fail to qualify as a REIT. Any Person who has Beneficial or Constructive Ownership, or who Acquires or attempts to Acquire Beneficial or Constructive Ownership of Common Shares and/or Preferred Shares in excess or in violation of the above limitations and any Person who would have Beneficially or Constructively Owned Equity Shares that resulted in a deemed Transfer to the Charitable Trust (as described below), immediately must notify the Trust in writing or, in the event of a proposed or attempted Transfer or Acquisition or purported change in the Beneficial or Constructive Ownership, must give written notice to the Trust at least fifteen (15) days prior to the proposed or attempted transfer, transaction or other event. Any dividends or distributions so paid over to the Trustee shall be held in trust for the benefit of the Charitable Beneficiary for distribution at such times as may be determined by the Trustee. The Prohibited Owner shall have no voting rights with respect to Equity Shares held in the Charitable Trust and, subject to Texas law, effective as of the date that Equity Shares have been deemed Transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole discretion) (i) to rescind as void any vote cast, to the extent such Equity Shares are entitled to vote, by a Prohibited Owner prior to the discovery by the Trust that Equity Shares have been deemed Transferred to the Trustee and (ii) to recast such vote, to the extent such Equity Shares are entitled to vote, in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary. Notwithstanding the provisions of this Section 6, until the Trust has received notification that Equity Shares have been deemed Transferred into a Charitable Trust, the Trust shall be entitled to rely on its Equity Share Transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

25

D. Disposition of Excess Shares. Within twenty (20) days of receiving notice from the Trust that Equity Shares have been deemed Transferred to the Charitable Trust, the Trustee of the Charitable Trust shall sell the Equity Shares held in the Charitable Trust to a Person, designated by the Trustee, whose ownership of the Equity Shares will not violate the restrictions described in subparagraphs (2), (3), (4), (5) and (6) of paragraph B of Section 5 of this Article VI or otherwise cause the Trust to fail to qualify as a REIT. Upon such sale, the interest of the Charitable Beneficiary in the Equity Shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this paragraph D of Section 6. The Prohibited Owner shall receive the lesser of (i) the price paid by the Prohibited Owner for the Equity Shares or, if the Prohibited Owner did not give value for the Equity

Shares in connection with the event causing the Equity Shares to be held in the Charitable Trust (e.g., in the case of a gift, devise or other such transaction), the Market Price of the Equity Shares on the day of the event causing the Equity Shares to be held in the Charitable Trust and (ii) the price per Equity Share (net of costs of sales) received by the Trustee from the sale or other disposition of the shares held in the Charitable Trust. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Trust that Equity Shares have been deemed Transferred to the Trustee, such Equity Shares are sold by a Prohibited Owner, then (i) such Equity Shares shall be deemed to have been sold on behalf of the Charitable Trust and (ii) to the extent that the Prohibited Owner received an amount for such Equity Shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this paragraph (d), such excess shall be paid to the Trustee upon demand.

E. Purchase Right in Excess Shares. Excess Shares shall be deemed to have been offered for sale to the Trust or its designee at a price per share equal to the lesser of (i) the price per share in the transaction that created such Excess Shares (or, in the case of a devise or gift or event other than a Transfer or Acquisition which results in the Transfer of Excess Shares to the Charitable Trust, the Market Price at the time of such devise or gift or event other than a Transfer or Acquisition which results in the Transfer of Excess Shares to the Charitable Trust) or (ii) the Market Price of the Equity Shares exchanged for such Excess Shares on the date the Trust or its designee accepts such offer. The Trust shall have the right to accept such offer until the Trustee has sold the Equity Shares held in the Charitable Trust pursuant to paragraph D of this Section 6. Upon such a sale to the Trust, the interest of the Charitable Beneficiary in the Equity Shares sold shall terminate and the Trustee shall distribute all net sales proceeds of the sale to the Prohibited Owner.

F. Charitable Beneficiary Designation. By written notice to the Trustee, the Trust shall designate one (1) or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Charitable Trust such that (i) Equity Shares held in the Charitable Trust would not violate the restrictions described in subparagraphs (2), (3), (4), (5) and (6) of paragraph B of Section 5 of this Article VI, or otherwise cause the Trust to fail to qualify as a REIT, and (ii) each such organization must fit within the definition of a Charitable Beneficiary set forth in paragraph A of Section 5.

26

G. Remedies Not Limited. Nothing contained in this Article VI except Section 7 hereof shall limit the scope or application of the provisions of this Section 6, the ability of the Trust to implement or enforce compliance with the terms hereof or the authority of the Board of Trust Managers to take any such other action or actions as it may deem necessary or advisable to protect the Trust and the interests of its shareholders by preservation of the Trust's status as a REIT and to ensure compliance with the applicable Ownership Limits and the other restrictions set forth herein, including, without limitation, refusal to give effect to a transaction on the books of the Trust. Further, the Trust is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VI. No delay or failure on the part of the Trust or the Board of Trust Managers in exercising any right hereunder shall operate as a waiver of any right of the Trust or the Board of Trust Managers as the case may be, except to the extent specifically waived in writing.

Edgar Filing: AMREIT INC - Form 10KSB

Section 7. Settlements.

Nothing in Sections 5 and 6 of this Article VI shall preclude the settlement of any transaction with respect to the Common Shares entered into through the facilities of the American Stock Exchange.

Section 8. Issuance of Rights to Purchase Securities and Other Property.

Subject to the rights of the holders of any series of Preferred Shares, the Board of Trust Managers is hereby authorized to create and to authorize and direct the issuance (on either a pro rata or non-pro rata basis) by the Trust of rights, options or warrants for the purchase of Equity Shares of the Trust as that term is defined in paragraph A of Section 5 of this Article VI, other securities of the Trust, or shares or other securities of any successor in interest of the Trust (a "Successor"), at such times, in such amounts, to such persons, for such consideration (if any), with such form and content (including without limitation the consideration for which any Equity Shares of the Trust, other securities of the Trust, or shares or other securities of any Successor are to be issued) and upon such terms and conditions as it may, from time to time, determine, subject only to the restrictions, limitations, conditions and requirements imposed by the Texas REIT Act, other applicable laws and this Declaration of Trust. Without limiting the generality of the foregoing, the authority granted hereby includes the authority to adopt a "rights plan" or similar plan that treats shareholders in a discriminatory or non pro rata manner, based upon the number of shares owned thereby or otherwise.

Section 9. Severability.

If any provision of this Article VI or any application of any such provision is determined to be void, invalid or unenforceable by any court having jurisdiction over the issue, the validity and enforceability of the remainder of this Article VI shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

27

Section 10. Waiver.

The Trust shall have authority at any time to waive the requirements that Excess Shares be deemed issued and outstanding in accordance with the provisions of this Article VI if the Trust determines, based on an opinion of nationally recognized tax counsel, that the fact that such Excess Shares are deemed to be issued and outstanding, would jeopardize the status of the Trust as a REIT (as that term is defined in paragraph A of Section 5 of this Article VI).

Section 11. Management of Money and Property Received for Shares.

The Trust Managers shall manage all money and property received for the issuance of shares for the benefit of the shareholders of the Trust.

Section 12. Commencement of Business.

The Trust will not commence business until it has received for the issuance of shares of beneficial interest consideration of at least \$1,000

Edgar Filing: AMREIT INC - Form 10KSB

value, consisting of any tangible or intangible benefit to the Trust, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the Trust.

ARTICLE VII MATTERS RELATING TO THE POWERS OF THE TRUST AND ITS TRUST MANAGERS AND SHAREHOLDERS

The following provisions are hereby adopted for the purpose of defining, limiting and regulating the powers of the Trust and of the trust managers and shareholders thereof:

Section 1. Matters Relating to the Board of Trust Managers.

A. Authority as to Bylaws. Except as provided in Section 2.E of this Article VII, the Trust Managers of the Trust shall have exclusive authority to amend or repeal the Bylaws of the Trust, or to adopt new Bylaws.

B. Authority as to Share Issuances. The Board of Trust Managers of the Trust may authorize the issuance, from time to time, of its shares of beneficial interest of any class or series, whether now or hereafter authorized, or securities convertible into shares now or hereafter authorized, for such consideration as the Board of Trust Managers may deem advisable, subject to such restrictions or limitations, if any, as may be set forth in this Declaration of Trust or the Bylaws of the Trust or in the laws of the State of Texas. The Board of Trust Managers may classify or reclassify any unissued shares from time to time by setting or changing the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, or terms or conditions of redemption of the shares.

C. Manner of Election. Unless and except to the extent that the Bylaws of the Trust shall so require, the election of trust managers of the Trust need not be by written ballot.

D. Removal of Trust Managers. Subject to the rights of the holders of any series of Equity Shares to elect additional trust managers (or remove such additional trust managers, once elected) under specified circumstances, any trust manager may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of 80 percent of the then-outstanding Equity Shares entitled to vote generally in the election of trust managers (the "Voting Shares"), voting together as a single class.

28

E. Permissible Criteria for Consideration of Best Interests. In determining what is in the best interest of the Trust, a trust manager of the Trust shall consider all of the relevant factors, which may include (i) the immediate and long-term effects of the transaction on the Trust's shareholders, including shareholders, if any, who do not participate in the transaction; (ii) the social and economic effects of the transaction on the Trust's employees, suppliers, creditors and customers and others dealing with the Trust and on the communities in which the Trust operates and is located; (iii) whether the transaction is acceptable, based on the historical and current operating results and financial condition of the Trust; (iv) whether a more favorable price could be obtained for the Trust's shares or other securities in the future; (v) the future value of the Trust's securities; (vii) any legal or regulatory issues raised by the transaction; and (viii) the business and financial condition and earnings prospects of the other party or

Edgar Filing: AMREIT INC - Form 10KSB

parties to the proposed transaction including, without limitation, debt service and other existing financial obligations, financial obligations to be incurred in connection with the transaction, and other foreseeable financial objections of such other party or parties.

F. Determination by Board. The determination as to any of the following matters, made in good faith by or pursuant to the direction of the Board of Trust Managers consistent with the Declaration of Trust of the Trust and in the absence of actual receipt of an improper benefit in money, property or services or active and deliberate dishonesty established by a court, shall be final and conclusive and shall be binding upon the Trust and every holder of its shares: (i) the amount of the net income of the Trust for any period and the amount of assets at any time legally available for the payment of dividends, redemption of its shares or the payment of other distributions on its shares; (ii) the amount of paid-in surplus, net assets, other surplus, annual or other net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves shall have been created shall have been paid or discharged); (iii) the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Trust; and (iv) any matters relating to the acquisition, holding and disposition of any assets by the Trust.

G. Reserved Powers of Board. The enumeration and definition of particular powers of the Board of Trust Managers included in this Article VII shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other provision of the Declaration of Trust of the Trust, or construed or deemed by inference or otherwise in any manner to exclude or limit the powers conferred upon the Board of Trust Managers under the laws of the State of Texas as now or hereafter in force.

H. Alteration of Authority Granted to the Board of Trust Managers. The affirmative vote of that proportion of the then-outstanding Voting Shares necessary to approve an amendment to this Declaration of Trust pursuant to the Texas REIT Act, voting together as a single class, shall be required to amend, repeal or adopt any provision inconsistent with this Section 1.

29

I. REIT Qualification. The Board of Trust Managers shall use its best efforts to cause the Trust and its shareholders to qualify for U.S. federal income tax treatment in accordance with the provisions of the Code applicable to REITs (as those terms are defined in paragraph A of Section 5 of Article VI hereof). In furtherance of the foregoing, the Board of Trust Managers shall use its best efforts to take such actions as are necessary, and may take such actions as it deems desirable (in its sole discretion) to preserve the status of the Trust as a REIT; provided, however, that in the event that the Board of Trust Managers determines, in its sole discretion, that it no longer is in the best interests of the Trust to qualify as a REIT, the Board of Trust Managers shall take such actions as are required by the Code, the Texas REIT Act and other applicable law, to cause the matter of termination of qualification as a REIT (as that term is defined in paragraph A of Section 5 of Article VI) to be submitted to a vote of the shareholders of the Trust pursuant to paragraph B of Section 2 of this Section VII.

Section 2. Matters Relating to the Shareholders.

A. Liability of Shareholders. A holder of Equity Shares, or an owner of any beneficial interest in Equity Shares, of the Trust is not under an, and shall not have any, obligation or liability of any nature whatsoever to the Trust or to its obligees with respect to: (i) the Equity Shares other than the obligation to pay to the Trust the full amount of the consideration, fixed in compliance with the Texas REIT Act, for which the Equity Shares were issued; (ii) any contractual obligation of the Trust on the basis that the holder or owner is or was the alter ego of the Trust, or on the basis of actual fraud or constructive fraud, a sham to perpetrate a fraud, or other similar theory; or (iii) any obligation of the Trust on the basis of the failure of the Trust to observe any formality, including the failure to (1) comply with any requirement of the Texas REIT Act or of this Declaration of Trust or of the Bylaws of the Trust; or (2) observe any requirement prescribed by the Texas REIT Act or by this Declaration of Trust or the Bylaws of the Trust for acts taken by the Trust, its Trust Managers, or its shareholders.

B. Termination of REIT Status. Anything contained in this Declaration of Trust to the contrary notwithstanding, the affirmative vote of the holders of a majority of the then-outstanding Voting Shares, voting as a single class, and the approval of the Board of Trust Managers, shall be required to terminate voluntarily the Trust's status as a REIT (as that term is defined in paragraph A of Section 5 of Article VI).

C. No Cumulative Rights. Except as may be expressly provided with respect to any class or series of Preferred Shares, shareholders of the Trust shall not have cumulative voting rights in the election of trust managers.

D. No Preemptive Rights. Except as may be expressly provided with respect to any class or series of Preferred Shares, no holders of shares of the Trust, of whatever class or series, shall have any preferential right of subscription for the purchase of any shares of any class or series or for the purchase of any securities convertible into shares of any class or series of the Trust other than such rights, if any, as the Board of Trust Managers, in its sole discretion, may determine, and for such consideration as the Board of Trust Managers, in its sole discretion, may fix; and except as may be expressly provided with respect to any class or series of Preferred Shares, any shares of any class or series of convertible securities which the Board of Trust Managers may determine to offer for subscription to the holders of shares may, as the Board of Trust Managers shall determine in its sole discretion, be offered to holders of any then-existing class, classes or series of shares or other securities to the exclusion of holders of any or all other then-existing classes or series of securities.

30

E. Authority as to Bylaws. The shareholders of the Trust shall have no authority to amend or repeal the Bylaws of the Trust, or to adopt new Bylaws unless (i) specifically authorized to do so by a resolution duly adopted by the Board of Trust Managers, or (ii) any Bylaw duly adopted as herein provided expressly vests authority in the shareholders of the Trust to amend or repeal any such Bylaw, or provides that any such Bylaw may not be amended or repealed without such approval of the shareholders of the Trust as may be therein provided.

ARTICLE VIII LIMITATION OF LIABILITY OF TRUST MANAGERS

Edgar Filing: AMREIT INC - Form 10KSB

No Trust Manager of the Trust shall be liable to the Trust for any act, omission, loss, damage, or expense arising from the performance of his duty under the Trust save only for his own willful misfeasance or willful malfeasance or gross negligence.

In addition to, and in no respect whatsoever in limitation of, the foregoing, the liability of each Trust Manager of the Trust for monetary damages shall be eliminated to the fullest extent permitted under the laws of the State of Texas, as the same exist or may be hereafter amended (but, in the case of any such amendment, only to the extent that such amendment permits broader elimination or limitation of liability of a Trust Manager than said law permitted prior to such amendment), and no Trust Manager of the Trust shall be liable to the Trust or its shareholders for monetary damages except to the extent, and only to the extent, such elimination or limitation of liability is expressly prohibited under the laws of the State of Texas, as the same exist or may be hereafter amended (but, in the case of any such amendment, only to the extent that such amendment permits broader elimination or limitation of liability of a Trust Manager than said law permitted prior to such amendment). If after the date hereof the laws of the State of Texas are amended to authorize broader elimination or limitation of liability of a Trust Manager, upon the effective date of such amendment the liability of a Trust Manager shall without further act also be eliminated and limited to such broader extent to the fullest extent not prohibited by the laws of the State of Texas as so amended. The provisions of this Article VIII shall be deemed to be a contract with each Trust Manager of the Trust who serves as such at any time while such provisions are in effect, and each such Trust Manager shall be deemed to be serving as such in reliance on the provisions of this Article VIII. No repeal or amendment of this Declaration of Trust shall adversely affect any right or any elimination or limitation of liability of a Trust Manager existing at the time of the repeal or amendment.

ARTICLE IX INDEMNIFICATION

Each person who is or was or who agrees to become a Trust Manager or officer of the Trust, or each person who, while a Trust manager of the Trust, is or was serving or who agrees to serve, at the request of the Trust, as a Trust manager, director, officer, partner, joint venturer, employee or trustee of another corporation, partnership, joint venture, trust, employee benefit

The Trust shall have the power, with the approval of the Board of Trust Managers, to provide such indemnification and advancement of expenses to any employee or agent of the Trust, in accordance with the Bylaws of the Trust. Without limiting the generality or the effect of the foregoing, the Trust may enter into one or more agreements with any person which provide for indemnification greater or different than that provided in this Article IX. Any amendment or repeal of this Article IX shall not adversely affect any right or protection existing hereunder immediately prior to such amendment or repeal and

Edgar Filing: AMREIT INC - Form 10KSB

shall not adversely affect any right or protection then existing pursuant to any such indemnification agreement.

ARTICLE X AMENDMENT

The Trust reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in its Declaration of Trust and any other provisions authorized by the laws of the State of Texas at the time in force may be added or inserted in the manner now or hereafter prescribed herein or by applicable law, and all rights, preferences and privileges of whatsoever nature conferred upon shareholders, trust managers or any other persons whomsoever by and pursuant to this Declaration of Trust in its present form or as hereafter amended are granted subject to the rights reserved in this Article X; provided, however, that any amendment or repeal of Articles VIII, IX or this Article X of this Declaration of Trust shall not adversely affect any right or protection existing hereunder immediately prior to such amendment or repeal.

SECTION 2.1 ANNUAL MEETING. An annual meeting of the shareholders of the Company shall be held each year on such date and at such time as may be fixed by resolution of the Board of Trust Managers.

SECTION 2.2 SPECIAL MEETINGS. Subject to the rights of the holders of

Edgar Filing: AMREIT INC - Form 10KSB

any class or series of preferred shares of the Company ("Preferred Shares") to elect additional trust managers under specified circumstances, special meetings of the shareholders may be called only by the Chairman of the Board, the Vice Chairman of the Board, the Chief Executive Officer, the President, the Board of Trust Managers pursuant to a resolution adopted by a majority of the total number of trust managers constituting the whole Board of Trust Managers (the "Whole Board"), or by written request to the Secretary by the holders of not less than 25 percent of all of the shares then outstanding and entitled to vote at such meeting (the "Voting Shares"); provided that (i) the Secretary shall inform the shareholders requesting such meeting of the reasonably estimated cost of preparing and disseminating notice thereof and shall not be required to give such notice until the Company has received payment in such amount from such shareholders and (ii) unless requested by holders of a majority of the Voting Shares, the Secretary shall not be required to call a special meeting to consider any matter which is substantially the same as a matter voted on at any special meeting of the shareholders held during the twelve (12) months preceding the request to call such new special meeting.

SECTION 2.3 PLACE OF MEETING. Meetings shall be held at the principal office of the Company or at such other place, within or without the State of Texas, as the Board of Trust Managers from time to time by resolution may designate.

SECTION 2.4 NOTICE OF MEETING. Written or printed notice, stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be prepared and delivered by the Company, not less than ten (10) days nor more than sixty (60) days before the date of the meeting, personally or by mail, to each shareholder of record entitled to vote at such meeting and to each shareholder or other person, if any, entitled to notice of the meeting. Any previously scheduled meeting of the shareholders may be postponed by resolution of the Board of Trust Managers upon public notice given prior to the date scheduled for such meeting.

SECTION 2.5 MEETING WITHOUT NOTICE; WAIVER OF NOTICE. Either before or after a shareholders' meeting, a shareholder may waive notice thereof by executing a waiver of notice to be filed with the Company's records of shareholder meetings. Any such written notice shall be deemed to be the equivalent of notice pursuant to Section 2.4 hereof. Attendance at a shareholders' meeting, either in person or by proxy, by a person entitled to notice thereof shall constitute a waiver of notice of the meeting unless such person attends for the sole and express purpose of objecting to the transaction of business on the ground that the meeting was not lawfully called or convened.

SECTION 2.7 ADJOURNMENT. A meeting of shareholders convened on the date for which it was called may be adjourned prior to the completion of business thereat to a date not more than one hundred twenty (120) days after the record date of the original meeting. Notice of a subsequent meeting held as a result of an adjournment, other than by announcement at the meeting at which the adjournment was taken, shall not be necessary. If a quorum is present or represented at such subsequent meeting, any business may be transacted thereat which could have been transacted at the meeting which was adjourned.

SECTION 2.8 PROXIES. At all meetings of shareholders, a shareholder entitled to vote may vote in person or by proxy executed in writing thereby or by his duly authorized attorney-in-fact. A proxy shall not be valid after eleven (11) months from the date of its execution unless a longer period is expressly stated therein. A proxy shall be revocable unless the proxy form states conspicuously that the proxy is irrevocable and the proxy is coupled with an interest. Each proxy must be filed with the Secretary of the Company or his representative at or before the time of the meeting to which it relates.

SECTION 2.9 NOTICE OF SHAREHOLDER BUSINESS AND NOMINATIONS.

A. ANNUAL MEETING OF SHAREHOLDERS.

(1) Nominations of persons for election to the Board of Trust Managers of the Company and the proposal of business to be considered by the shareholders may be made at an annual meeting of shareholders (i) pursuant to the Company's notice of meeting delivered pursuant to Section 2.4 of these Bylaws; (ii) by or at the direction of the Chairman of the Board of Trust Managers; or (iii) by any shareholder of the Company who is entitled to vote at the meeting, who has complied with the notice procedures set forth in clauses (2) and (3) of this Paragraph A and who was a shareholder of record at the time such notice is delivered to the Secretary of the Company.

(2) For nominations or other business to be properly brought before an annual meeting by a shareholder pursuant to clause (iii) of Paragraph A(1) of this Section 2.9, the shareholder must have given timely notice thereof in writing to the Secretary of the Company. To be timely, a shareholder's notice shall be delivered to the Secretary at the principal office of the Company not less than seventy (70) days nor more than ninety (90) days prior to the anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of an annual meeting is advanced by more than thirty (30) days or delayed by more than sixty (60) days from such anniversary date, to be timely notice by the shareholder must be so delivered not earlier than the ninetieth (90th) day prior to such annual meeting and not later than the close of business on the later of the seventieth (70th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. Such shareholder's notice shall set forth (i) as to each person whom the shareholder proposes to nominate for election or reelection as a trust manager, all information relating to such person that is required to be disclosed in solicitations of proxies for election of trust managers, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor statute thereto (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a trust manager if elected; (ii) as to any other

Edgar Filing: AMREIT INC - Form 10KSB

business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such shareholder and the beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (a) the name and address of such shareholder, as they appear on the Company's share transfer books, and the name and address of such beneficial owner; (b) the class or series and number of shares of beneficial interest of the Company which are owned beneficially and of record by such shareholder and such beneficial owner; and (c) the date or dates upon which the shareholder acquired ownership of such shares.

3

(3) Notwithstanding anything in the second sentence of Paragraph A(2) of this Section 2.9 to the contrary, in the event that the number of trust managers to be elected to the Board of Trust Managers of the Company is increased and there is no public announcement naming all of the nominees for trust manager or specifying the size of the increased Board of Trust Managers made by the Company at least seventy (70) days prior to the first anniversary of the preceding year's annual meeting, a shareholder's notice required by Paragraph A of this Section 2.9 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

B. SPECIAL MEETINGS OF SHAREHOLDERS. Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Company's notice of meeting pursuant to Section 2.4 of these Bylaws. Nominations of persons for election to the Board of Trust Managers may be made at a special meeting of shareholders at which trust managers are to be elected pursuant to the Company's notice of meeting (i) by or at the direction of the Board of Trust Managers or (ii) by any shareholder of the Company who is entitled to vote at the meeting, who complies with the notice procedures set forth in this Section 2.9 and who is a shareholder of record at the time such notice is delivered to the Secretary of the Company. Nominations by shareholders of persons for election to the Board of Trust Managers may be made at such a special meeting of shareholders if the shareholder's notice as required by Paragraph A(2) of this Section 2.9 shall be delivered to the Secretary at the principal office of the Company not earlier than the ninetieth (90th) day prior to such special meeting and not later than the close of business on the later of the seventieth (70th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Trust Managers to be elected at such meeting.

C. GENERAL.

(1) Only persons who are nominated in accordance with the procedures set forth in this Section 2.9 shall be eligible to serve as trust managers, and only such business shall be conducted at a meeting of shareholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section. Except as otherwise provided by law, the Declaration of Trust or these Bylaws, the chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or brought in accordance

Edgar Filing: AMREIT INC - Form 10KSB

with the procedures set forth in this Section 2.9 and, if any proposed nomination or business is determined not to be in compliance herewith, to declare that such defective nomination or proposal shall be disregarded.

(2) For purposes of this Section 2.9, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Company with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

4

(3) Notwithstanding the foregoing provisions of this Section 2.9, a shareholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Bylaw shall be deemed to affect any rights of shareholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act or to create any additional rights with respect to any such inclusion.

SECTION 2.10 PROCEDURE FOR ELECTION OF TRUST MANAGERS. Subject to the rights of the holders of any class or series of Preferred Shares to elect trust managers under specified circumstances, and to the laws of the State of Texas, each shareholder having the right to vote for the election of trust managers shall, unless otherwise provided in the Declaration of Trust or by applicable law, have the right to vote, in person or by proxy, the number of shares owned by such shareholder for as many persons as there are to be elected and for whose election such shareholder has the right to vote. Unless otherwise provided by the Declaration of Trust, no shareholder shall have the right or be permitted to cumulate his or her votes on any basis. Election of trust managers at all meetings of the shareholders at which trust managers are to be elected may be by voice vote, unless the chairman of the meeting shall order, or any shareholder shall demand, that voting be by written ballot, and, except as otherwise expressly provided with respect to the right of the holders of any series of Preferred Shares to elect additional trust managers under specified circumstances, a majority of the votes cast thereat shall elect the trust managers. Voting on any other question or election may be by voice vote, unless the chairman of the meeting shall order, or any shareholder shall demand, that voting be by written ballot.

SECTION 2.11 VOTE OF SHAREHOLDERS. Subject to the rights of the holders of any class or series of Preferred Shares to elect trust managers under specified circumstances, and to the laws of the State of Texas, each shareholder having the right to vote shall be entitled at every meeting of shareholders to one (1) vote for every share standing in his or her name on the record date fixed by the Board of Trust Managers pursuant to Section 5.2 of these Bylaws. Except as otherwise provided by law, the Declaration of Trust, these Bylaws, any resolution adopted by the Board of Trust Managers authorizing a series of Preferred Shares, or any resolution adopted by a majority of the Whole Board, all matters submitted to the shareholders at any meeting (other than the election of trust managers) shall be decided by a majority of the votes cast with respect thereto.

SECTION 2.12 OPENING AND CLOSING THE POLLS. The chairman of the meeting shall fix, and announce at the meeting, the date and time of the opening and the closing of the polls for each matter upon which the shareholders are to vote at the meeting.

Edgar Filing: AMREIT INC - Form 10KSB

SECTION 2.13 INSPECTORS. At any meeting of shareholders, the chairman of such meeting may, and upon the request of any shareholder shall, appoint one or more persons as inspectors for such meeting. Such inspector or inspectors shall ascertain and report the number of shares represented at such meeting in person or by proxy, based upon the determination of such inspector or inspectors of the validity and effect of proxies, count all votes, report the results and perform such other acts as are proper to conduct voting with impartiality and fairness to all shareholders. Each report of inspectors shall be in writing and signed by the inspector or, if there is more than one, by a majority of inspectors acting at such meeting, in which event the report of the majority shall be the report of the inspectors. The report of the inspector or inspectors on the number of shares represented at a meeting and the results of voting thereat shall be prima facie evidence thereof.

5

SECTION 2.14 INFORMAL ACTION. Any action required or permitted to be taken at a meeting of shareholders may be taken without a meeting if the following are filed with the Company's records of shareholder meetings:

(1) a unanimous written consent which sets forth the action and is signed by each shareholder entitled to vote thereon; and

(2) a written waiver of any right to dissent signed by each shareholder, if any, entitled to notice of the meeting but not entitled to vote thereat.

ARTICLE III

BOARD OF TRUST MANAGERS

SECTION 3.1 GENERAL POWERS. The business and affairs of the Company shall be managed by, or under the direction of, its Board of Trust Managers. In addition to the powers and authorities expressly conferred by these Bylaws, the Board of Trust Managers may exercise all such powers of the Company and do all such lawful acts and things as are not by law or by the Declaration of Trust or these Bylaws required to be exercised or done by the shareholders.

SECTION 3.2 NUMBER, TENURE AND QUALIFICATIONS. Subject to the rights of the holders of any class or series of Preferred Shares to elect trust managers under specified circumstances, the number of trust managers shall be fixed from time to time pursuant to a resolution adopted by a majority of the Whole Board, but shall consist of not more than nine (9) nor less than three (3) trust managers who need not be residents of the State of Texas and need not hold shares in the Company; provided that if, at any time, the Company has fewer than three (3) shareholders, the number of trust managers may be less than three (3), but not less than the number of shareholders. At all times as the Board of Trust Managers shall consist of three (3) or more trust managers, the trust managers, other than those who may be elected by the holders of any class or series of Preferred Shares, shall be divided, with respect to the time for which they severally hold office, into three (3) classes, as nearly equal in number as possible, with the term of office of the first class to expire at the first annual meeting of shareholders held after such division into classes, the term of office of the second class to expire at the second annual meeting of shareholders held after such division into classes and the term of office of the third class to expire at the third annual meeting of shareholders held after such division into classes. Each trust manager shall hold office until his or her successor shall have been duly elected and qualified. At each annual meeting of shareholders commencing with the first annual meeting held after such

Edgar Filing: AMREIT INC - Form 10KSB

division into classes, trust managers elected to succeed those trust managers whose terms then expire shall be elected for a term of office to expire at the third (3rd) succeeding annual meeting of shareholders after their election, with each trust manager to hold office until his or her successor shall have been duly elected and qualified.

6

SECTION 3.3 COMPOSITION OF THE BOARD OF TRUST MANAGERS. Except during a period of vacancy or vacancies on the Board of Trust Managers, a majority of the trust managers at all times shall be persons who are not affiliates (as that term is defined in the next succeeding sentence) of the Company other than affiliation solely by reason of service as a trust manager of the Company (the "Independent Trust Managers"). For purposes of this Section 3.3, "affiliate" shall mean, with respect to the Company, any individual who (i) directly or indirectly controls, is controlled by or is under common control with, such entity or (ii) any officer, director, trust manager, general partner or trustee of such entity (other than a trust manager of the Company who otherwise would be deemed to be an affiliate of the Company solely by reason of service as a trust manager).

SECTION 3.4 REGULAR MEETINGS. A regular meeting of the Board of Trust Managers to elect officers and consider other business shall be held without notice other than this Section 3.4 immediately after, and at the same place as, each annual meeting of shareholders. The Board of Trust Managers may, by resolution, designate the time and place for additional regular meetings without notice other than such resolution.

SECTION 3.5 SPECIAL MEETINGS. Special meetings of the Board of Trust Managers shall be called at the request of the Chairman of the Board, the Vice Chairman of the Board, the Chief Executive Officer, the President or a majority of the Board of Trust Managers. The person or persons authorized to call special meetings of the Board of Trust Managers may fix the place and time of the meeting.

SECTION 3.6 NOTICE. Notice of any special meeting shall be given to each trust manager at his business or residence as recorded in the books and records of the Company or at such other address as such trust manager may designate in writing to the Secretary of the Company by mail, by telegram or express courier, charges prepaid, by facsimile or telephonic communication. If mailed, such notice shall be deemed adequately delivered if deposited in the United States mails so addressed, with postage thereon prepaid, at least five (5) days before the day of such meeting. If by telegram, such notice shall be deemed adequately delivered if the telegram is delivered to the telegraph company at least twenty-four (24) hours before the time set for such meeting. If by express courier, the notice shall be deemed adequately given if delivered to the courier company at least two (2) days before the day of such meeting. If by telephone or facsimile, the notice shall be deemed adequately delivered if given at least twelve (12) hours prior to the time set for such meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Trust Managers need be specified in the notice of such meeting, except for amendments to these Bylaws as provided under Article VII hereof. A meeting may be held at any time without notice if all the trust managers are present or if those not present waive notice of the meeting in writing, either before or after such meeting. Attendance of a trust manager at a meeting shall constitute waiver of notice of that meeting unless he or she attends for the sole and express purpose of objecting to the transaction of business on the ground that the meeting was not lawfully called or convened.

Edgar Filing: AMREIT INC - Form 10KSB

SECTION 3.7 QUORUM. A number of trust managers equal to at least a majority of the trust managers then in office shall constitute a quorum for the transaction of business; provided, however, that if the Whole Board consists of two or three trust managers, two trust managers shall constitute a quorum, if the Whole Board consists of one trust manager, one trust manager shall

7

constitute a quorum and that in no event may less than one third (1/3) of the Whole Board constitute a quorum. Anything else herein to the contrary notwithstanding, if at any meeting of the Board of Trust Managers there shall be less than a quorum present, a majority of the trust managers present may adjourn the meeting from time to time without further notice. Except as may otherwise be provided by the Declaration of Trust, these Bylaws or applicable law, the act of the majority of the trust managers present at a meeting at which a quorum is present shall be the act of the Board of Trust Managers. The trust managers present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal or departure of enough trust managers to leave less than a quorum.

SECTION 3.8 PARTICIPATION BY CONFERENCE TELEPHONE. Members of the Board of Trust Managers, or any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 3.8 shall constitute presence in person at such meeting.

SECTION 3.9 PRESUMPTION OF ASSENT. A trust manager of the Company who is present at a meeting of the trust managers at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his or her dissent shall be entered in the minutes of the meeting or unless he or she shall file a written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof.

SECTION 3.10 ADJOURNMENTS. Any meeting of the Board of Trust Managers may be adjourned prior to the completion of business thereat. Notice of the subsequent meeting held as a result of an adjournment, other than by announcement at the meeting at which the adjournment is taken, shall not be necessary. If a quorum is present at such subsequent meeting, any business may be transacted thereat which could have been transacted at the meeting which was adjourned.

SECTION 3.11 INFORMAL ACTION. If all of the trust managers consent in writing to any action required or permitted to be taken at a meeting of the Board of Trust Managers or a committee thereof and the writing or writings evidencing such consent is or are filed by the Secretary of the Company with the minutes of proceedings of the Board of Trust Managers or such committee, the action shall be as valid as though it had been taken at a meeting of the Board or committee.

SECTION 3.12 VACANCIES. Except as otherwise provided in this Section 3.12, subject to the rights of the holders of any class or series of Preferred Shares to elect additional trust managers under specified circumstances, unless the Board of Trust Managers otherwise determines, vacancies resulting from death, resignation, retirement, disqualification, or other cause relating to a then-existing Board position shall be filled by the affirmative vote of a majority of the remaining trust managers, though less than a quorum of the Board of Trust Managers, and newly created trust managerships resulting from an increase in the authorized number of trust managers shall be filled by the

Edgar Filing: AMREIT INC - Form 10KSB

affirmative vote of a majority of the Whole Board and, in either event, trust managers so chosen shall hold office for a term expiring at the annual meeting of shareholders at which the term of office of the class to which they have been elected expires and until such trust manager's successor shall have been duly elected and qualified. No decrease in the number of authorized trust managers

8

constituting the Whole Board shall shorten the term of any incumbent trust manager. Vacancies on the Board of Trust Managers due to the removal of a trust manager may be filled by the shareholders at an annual or special meeting called for that purpose, and trust managers so chosen shall hold office for a term expiring at the annual meeting of shareholders at which the term of office of the class to which they have been elected expires and until each such trust manager's successor shall have been duly elected and qualified. The appointment or election of a successor trust manager shall be considered an amendment to the Declaration of Trust.

SECTION 3.13 REMOVAL. Subject to the rights of the holders of any class or series of Preferred Shares to elect additional trust managers under specified circumstances, any trust manager, or the entire Board of Trust Managers, may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of at least 80 percent of the then outstanding Voting Shares, voting together as a single class.

SECTION 3.14 COMMITTEES. The Board of Trust Managers, by resolution or resolutions passed by a majority of the Whole Board, may designate from among the members of the trust managers one or more committees which, to the extent provided in such resolution or resolutions, shall have and may exercise all of the authority of the Board of Trust Managers in the business and affairs of the Company to the extent consistent with the Texas Real Estate Investment Trust Act, as amended from time to time, or any successor statute thereto (the "Texas REIT Act"), except the power to amend the Declaration of Trust, to approve a plan of merger or share exchange, to declare dividends or distributions on shares, to amend these Bylaws, to issue shares except in the manner and to the extent prescribed by the Declaration of Trust, these Bylaws or any resolution designating the committee, to fill vacancies in the trust managers or in the committee, to elect or remove officers of the Company or members of the committee, to fix the compensation of any member of the committee, to recommend to the shareholders any action requiring shareholder approval, or to approve any merger, consolidation or share exchange which does not require shareholder approval, each committee to consist of two (2) or more trust managers of the Company, including, without limitation the following committees:

- (1) An Executive Committee, which shall have such authority as shall be delegated by the Board of Trust Managers, including, without limitation, authority to acquire and dispose of real property and to execute contracts and agreements on behalf of the full Board of Trust Managers including, without limitation, those relating to the incurrence of debt by the Company or subsidiaries thereof, and shall advise the Board of Trust Managers from time to time with respect to such matters as the Board of Trust Managers shall direct.

The Board of Trust Managers may designate one or more trust managers as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. Unless the Board of Trust Managers shall provide otherwise, the presence of one-half (1/2) of the total membership of any committee of the Board of Trust Managers shall constitute a quorum for the transaction of business at any meeting of such committee and the act of a majority of those present shall be the act of such committee. Each committee shall keep regular minutes of its proceedings and report the same to the full Board of Trust Managers when so requested.

ARTICLE IV

Each certificate shall be signed by the Chairman of the Board, the Chief Executive Officer or a Vice President, and by the Secretary or the Treasurer (or an assistant secretary or assistant treasurer, if any) and, pursuant to resolutions of the Board of Trust Managers, any such signature may be in facsimile. SECTION 5.2 RECORD DATE AND CLOSING OF TRANSFER BOOKS. The Board of Trust Managers may fix, in advance, a date as the record date for the purpose of determining shareholders entitled to notice of, or to vote at, any meeting of shareholders, or shareholders entitled to receive payment of any dividend or distribution or the allotment of any rights, or the shareholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or in order to make a determination of shareholders for any other proper purpose. The stock transfer books of the Company may not be closed for a period longer than twenty (20) days.

If no record date is fixed and the Company's stock transfer books are not closed, the determination of shareholders entitled to notice of, or to vote at, a meeting of shareholders shall be at the close of the business on the day on which notice of the meeting is mailed. If no record date is fixed, the record date for determining shareholders for any purpose other than that specified in the preceding sentence shall be at the close of business on the day on which the resolution of the Board of Trust Managers relating thereto is adopted.

Edgar Filing: AMREIT INC - Form 10KSB

When a determination of shareholders of record entitled to notice of, or to vote at, any meeting of shareholders has been made as provided in this Section 5.2, such determination shall apply to any future meeting in respect of an adjournment thereof, unless the trust managers fix a new record date under this section for such future meeting.

SECTION 5.3 REGISTERED SHAREHOLDERS. The Company shall be entitled to treat the holder of record of shares as the holder in fact and, except as otherwise provided by the laws of the State of Texas, shall not be bound to recognize any equitable or other claim to or interest in the shares.

Shares of the Company shall be transferred on its books only upon the surrender to the Company of the share certificates duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, and upon presentation of adequate evidence of the validity of the transfer under this Section 5.3 and the laws of the State of Texas. In that event, the surrendered certificates shall be canceled, new certificates issued to the person entitled to them and the transaction recorded on the books of the Company.

SECTION 5.4 LOST CERTIFICATES. The Board of Trust Managers may direct a new certificate to be issued in place of a certificate alleged to have been destroyed or lost if the owner makes an affidavit that it is destroyed or lost. The Board, in its discretion, may, as a condition precedent to issuing the new certificate, require the owner to give the Company a bond as indemnity against any claim that may be made against the Company on the certificate allegedly destroyed or lost.

The Company shall not incur recourse indebtedness if, after giving effect to the incurrence thereof, aggregate recourse indebtedness, secured and unsecured, would exceed fifty-five percent (55%) of the Company's Net Asset Value on an unconsolidated basis. For this purpose, the term "Net Asset Value" means the Company's total assets (less intangibles) value based on market capitalization rates and current year rental income, before deducting depreciation or other non-cash reserves, less total liabilities, as calculated in good faith by the trust managers at the end of each quarter on a basis consistently applied.

SECTION 6.8 INDEMNIFICATION AND INSURANCE.

A. DEFINITIONS. In this Section 6.8:

(1) "COMPANY" includes any domestic or foreign predecessor of the Company in a merger, consolidation, or other transaction in which the liabilities of the predecessor are transferred to the Company by operation of law and in any other transaction in which the Company assumes the liabilities of the predecessor but does not specifically exclude liabilities that are the subject of this Section 6.8.

(2) "INDEMNITEE" means (i) any present or former Trust Manager, officer, employee or agent of the Company, (ii) any person who while serving in any of the capacities referred to in clause (i) hereof served at the Company's request as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another real estate investment trust or foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise, and (iii) any person nominated or designed by (or pursuant to authority granted by) the Trust Managers or any committee thereof to serve in any of the capacities referred to in clause (i) or (ii) hereof.

(3) "OFFICIAL CAPACITY" means (i) when used with respect to a Trust Manager, the office of Trust Manager of the Company and (ii) when used with respect to a person other than a Trust Manager, the elective or appointive office of the Company held by such person or the employment or agency relationship undertaken by such person on behalf of the Company, but in each case does not include service for any other real estate investment trust or foreign or domestic corporation or any partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise.

(4) "PROCEEDING" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative, any appeal in such an action, suit or proceeding, and any inquiry or investigation that could lead to such an action, suit or proceeding.

B. INDEMNIFICATION. The Company shall indemnify every Indemnitee against all judgments, penalties (including excise and similar taxes), fines, amounts paid in settlement and reasonable expenses actually incurred by the Indemnitee in connection with any Proceeding in which he was, is or is threatened to be named defendant or respondent, or in which he was or is a witness without being named a defendant or respondent, by reason, in whole or in part, of his serving or having served, or having been nominated or designated to serve, in any of the capacities referred to in Section 6.8.A(1), if it is determined in accordance with Section 6.8.D that the Indemnitee (a) conducted himself in good faith, (b) reasonably believed, in the case of conduct in his Official Capacity, that his conduct was in the Company's best interests and, in all other cases, that his conduct was at least not opposed to the Company's best interests, and (c) in the case of any criminal proceeding, had no reasonable cause to believe that his conduct was unlawful; provided, however, that in the event that an Indemnitee is found liable to the Company or is found liable on the basis that personal benefit was improperly received by the Indemnitee the indemnification (i) is limited to reasonable expenses actually incurred by the Indemnitee in connection with the Proceeding and (ii) shall not be made in respect of any Proceeding in which the Indemnitee shall have been found liable for willful or intentional misconduct in the performance of his duty to the Company. Except as provided in the immediately preceding proviso to the first sentence of this Section 6.8.B, no indemnification shall be made under this Section 6.8.B in respect of any Proceeding in which such Indemnitee shall have been (x) found liable on the basis that personal benefit was improperly received by him, whether or not the benefit resulted from an action taken in the Indemnitee's Official Capacity, or (y) found liable to the Company. The termination of any Proceeding by judgment, order, settlement or conviction, or on a plea of nolo contendere or its equivalent, is not of itself determinative that the Indemnitee did not meet the requirements set forth in clauses (a), (b) or (c) in the first sentence of this Section 6.8.B. An Indemnitee shall be deemed to have been found liable in respect of any claim, issue or matter only after the Indemnitee shall have been so adjudged by a court of competent jurisdiction after exhaustion of all appeals therefrom. Reasonable expenses shall include, without limitation, all court costs and all fees and disbursements of attorneys for the Indemnitee.

C. SUCCESSFUL DEFENSE. Without limitation of Section 6.8.B and in addition to the indemnification provided for in Section 6.8.B, the Company shall indemnify every Indemnitee against reasonable expenses incurred by such person in connection with any Proceeding in which he is a witness or a named defendant or respondent because he served in any of the capacities referred to in Section 6.8.A(1), if such person has been wholly successful, on the merits or otherwise, in defense of the Proceeding.

16

D. DETERMINATIONS. Any indemnification under Section 6.8.B (unless ordered by a court of competent jurisdiction) shall be made by the Company only upon a determination that indemnification of the Indemnitee is proper in the circumstances because he has met the applicable standard of conduct. Such determination shall be made (a) by the Trust Managers by a majority vote of a quorum consisting of Trust Managers who, at the time of

Edgar Filing: AMREIT INC - Form 10KSB

such vote, are not named defendants or respondents in the Proceeding; (b) if such a quorum cannot be obtained, then by a majority vote of a committee of the Trust Managers, duly designated to act in the matter by a majority vote of all Trust Managers (in which designation Trust Managers who are named defendants or respondents in the Proceeding may participate), such committee to consist solely of two (2) or more Trust Managers who, at the time of the committee vote, are not named defendants or respondents in the Proceeding; (c) by special legal counsel selected by the Trust Managers or a committee thereof by vote as set forth in clauses (a) or (b) of this Section 6.8.D or, if the requisite quorum of all of the Trust Managers cannot be obtained and such committee cannot be established, by a majority vote of all of the Trust managers (in which Trust Managers who are named defendants or respondents in the Proceeding may participate); or (d) by the shareholders in a vote that excludes the shares held by Trust Managers that are named defendants or respondents in the Proceeding. Determination as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if the determination that indemnification is permissible is made by special legal counsel, determination as to reasonableness of expenses must be made in the manner specified in clause (c) of the preceding sentence for the selection of special legal counsel. In the event a determination is made under this Section 6.8.D that the Indemnitee has met the applicable standard of conduct as to some matters but not as to others, amounts to be indemnified may be reasonably prorated.

E. ADVANCEMENT OF EXPENSES. Reasonable expenses (including court costs and attorneys' fees) incurred by an Indemnitee who was or is a witness or was, is or is threatened to be made a named defendant or respondent in a Proceeding shall be paid or reimbursed by the Company at reasonable intervals in advance of the final disposition of such Proceeding, and without making any of the determinations specified in Section 6.8.D, after receipt by the Company of (a) a written affirmation by such Indemnitee of his good faith belief that he has met the standard of conduct necessary for indemnification by the Company under this Section 6.8 and (b) a written undertaking by or on behalf of such Indemnitee to repay the amount paid or reimbursed by the Company if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized in this Section 6.8. Such written undertaking shall be an unlimited general obligation of the Indemnitee but need not be secured and it may be accepted without reference to financial ability to make repayment. Notwithstanding any other provision of this Section 6.8, the Company may pay or reimburse expenses incurred by an Indemnitee in connection with his appearance as a witness or other participation in a Proceeding at a time when he is not named a defendant or respondent in the Proceeding.

F. ENFORCEMENT. If a claim under paragraph B of this Section 6.8 is not paid in full by the Company within thirty (30) calendar days after a written claim has been received by the Company, the claimant may at any time thereafter (but prior to payment of the claim) bring suit against the Company to recover the unpaid amount of the claim and, if successful, in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking,

if any, has been tendered to the Company) that the claimant has not met the standards of conduct which make it permissible under the Texas REIT Act for the Company to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Company. G. PROCEDURE UPON A CHANGE IN CONTROL. Following any "change in control" of the Company of the type required to be reported under Item 1 of Form 8-K promulgated under the Exchange Act, any determination as to entitlement to indemnification shall be made by independent legal counsel selected by the claimant, which such independent legal counsel shall be retained by the Board of Trust Managers on behalf of the Company.

H. EMPLOYEE BENEFIT PLANS. For purposes of this Section 6.8, the Company shall be deemed to have requested an Indemnitee to serve an employee benefit plan whenever the performance by him of his duties to the Company also imposed or imposes duties on or otherwise involved or involves services by him to the plan or participants or beneficiaries of the plan. Excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall be deemed fines. Action taken or omitted by an Indemnitee with respect to an employee benefit plan in the performance of his duties for a purpose reasonably believed by him to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the Company.

I. AUTHORIZATION TO PURCHASE INSURANCE. The Company may purchase and maintain insurance, at its expense, on its own behalf and on behalf of any person who is or was a trust manager, officer, employee or agent of the Company or who while a trust manager, officer, employee or agent of the Company is or was serving at the request of the Company as a trust manager, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, or employee benefit plan, against any liability asserted against and incurred by such person in any such capacity or arising out of such person's position, whether or not the Company would have the power to indemnify such person against such expense or liability under the Texas REIT Act.

J. OTHER INDEMNIFICATION AND INSURANCE. The indemnification provided by this Section 6.8 shall (a) not be deemed exclusive of, or to preclude, any other rights to which those seeking indemnification may at any time be entitled under the Company's Declaration of Trust, any law, agreement or vote of shareholders or disinterested Trust Managers, or otherwise, or under any policy or policies of insurance purchased and maintained by the Company on behalf of an Indemnitee, both as to action in his Official Capacity and as to action in any other capacity, (b) continue as to a person who has ceased to be in the capacity by reason of which he was an Indemnitee with respect to matters arising during the period he was in such capacity, and (c) inure to the benefit of the heirs, executors and administrators of such a person.

L. CONSTRUCTION. The indemnification provided by this Section 6.8 shall be subject to all valid and applicable laws, including, without limitation, the Texas REIT Act, and, in the event this Section 6.8 or any of the provisions hereof or the indemnification contemplated hereby are found to be inconsistent with or contrary to any such valid laws, the latter shall be deemed to control and this Section 6.8 shall be regarded as modified accordingly, and, as so modified, shall continue in full force and effect.

The Company shall indemnify each shareholder against any claim or liability to which the shareholder may become subject by reason of being or having been a shareholder. The Company shall reimburse each shareholder for all legal and other expenses reasonably incurred by such shareholder in connection with any such claim or liability.

O. AUTHORITY TO FURTHER INDEMNIFY. P. EFFECT OF AMENDMENT. No amendment, modification or repeal of this Section 6.8 or any provision of this Section 6.8 shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitees to be indemnified by the Company, nor the obligation of the Company to indemnify any such Indemnitees, under and in accordance with the provisions of this Section 6.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may be asserted.
