ELECTION OF DIRECTORS

One of the purposes of the Annual Meeting is to elect two persons to Class II of the Board of Directors in accordance with the Company's Articles of Incorporation. Unless instructed to the contrary, the persons named in the accompanying proxy will vote the shares for the election of the nominees named herein to Class II of the Board of Directors as described below. Although it is not contemplated that any nominee will decline or be unable to serve, the shares will be voted by the proxy holders in their discretion for another person if such a contingency should arise. The term of each person elected as a director will continue until the director's term has expired and until his or her successor is elected and qualified. The two persons receiving the largest number of affirmative votes shall be elected as Class II directors. Since there is no particular percentage of either the outstanding shares or the shares represented at the meeting required to elect a director, abstentions and broker non-votes will have the same effect as the failure of shares to be represented at the Annual Meeting, except that the shares subject to such abstentions or non-votes will be counted in determining whether there is a quorum for taking shareholder action, under California law and the Company's Articles of Incorporation and Bylaws.

The Company's Articles of Incorporation provides that its eight directors be divided into three classes. The term of office of those directors in Class I expires at the 2006 Annual Meeting of Shareholders; the term of office of those directors in Class II expires at the 2004 Annual Meeting of Shareholders; and the term of office of those directors in Class III expires at the 2005 Annual Meeting of Shareholders. Directors elected to succeed those directors whose terms expire are elected for a term of office to expire at the third succeeding annual meeting of shareholders after their election.

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

It is the policy of the Board, as set forth in the Company's Corporate Governance Guidelines, to select director nominees who possess personal and professional integrity, sound business judgment, a willingness to devote the requisite time and energies to their duties as director, and relevant experience and skills to be an effective director in conjunction with the full Board in

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

collectively serving the long-term interests of the Company's shareholders. Board members are evaluated and selected based on their individual merit as well as in the context of the needs of the Board as a whole.

The Nominating and Corporate Governance Committee is responsible for identifying, reviewing, and recommending for the Board's selection qualified individuals to be nominated for election or reelection to the Board, consistent with the criteria set forth in the Company's Corporate Governance Guidelines. The Nominating and Corporate Governance Committee, in conducting such evaluation, may also take into account such other factors as it deems relevant. Prior to nominating an existing director for re-election to the Board, the Nominating and Corporate Governance Committee considers and reviews the existing director's Board and committee meeting attendance and performance, length of Board service, independence, as well as the experience, skills and contributions that the existing director brings to the Board. Further, the Nominating and Corporate Governance Committee receives disclosures relating to a director's independence and assists the Board in making determinations as to the independence of the directors. The Nominating and Corporate Governance Committee also conducts an annual review of the composition and structure of the Board as a whole.

From time to time, the Nominating and Corporate Governance Committee may engage outside search firms to assist it in identifying and contacting qualified director candidates.

Any shareholder entitled to vote in the election of directors generally may nominate one or more persons for election as director at a meeting by providing written notice of such shareholder's intent to make such nomination or nominations, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company not later than 120 days in advance of an annual meeting of shareholders, and with respect to an election to be held at a special meeting of shareholders for the election of directors, the close of business on the seventh day following the date on which notice of such meeting is first given to shareholders. A shareholder notice must contain the following information: the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; a representation that the shareholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the board of directors; and the consent of each nominee to serve as a director of the corporation if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedures, which nomination shall be void.

The directors nominated by the Board for election at the Annual Meeting were recommended by the Nominating and Corporate Governance Committee, with the nominees abstaining. The Board has determined that Messrs. Ausman and Evans are both independent directors as defined by the Corporate Governance Rules of the New York Stock Exchange.

The Company's policies and procedures regarding the selection of director nominees are described in detail in the Company's Corporate Governance Guidelines and the Nominating and Corporate Governance Committee Charter, which are available on the Company's website at www.supind.com. Certain Relationships and Related Transactions

Superior's main office and manufacturing facilities located at 7800 Woodley Avenue, Van Nuys, California, are leased from Mr. L. Borick, who is a director and officer of the Company, and Juanita A. Employment Agreements

On January 1, 1994, Superior renewed its employment agreement with Mr. L. Borick. The agreement provides for a five-year evergreen term, an annual base compensation, use of a company automobile, life insurance and other customary employee benefits. Mr. L. Borick's annual base salary in effect from January 1, 1996 through December 31, 2003 has been \$1,000,001. The agreement provided for life insurance under a split dollar arrangement with Mr. L. Borick for a face value of \$2,500,000, however, as a result of the Sarbanes-Oxley Act, the Company has decided not to pay such premiums, but rather to reimburse Mr. L. Borick for his payment of the premiums. The agreement also provides, in the event of Mr. L. Borick's death or disability during the employment term, for a payment over 60 months of the balance of Mr. L. Borick's compensation under the agreement at the time of his death or disability. Upon an early termination of the agreement or Mr. L. Borick's retirement, he will receive one-twelfth of his annual base compensation during each of the ensuing 60 months and one-half such amount during each of the 120 months following. Mr. L. Borick is also entitled to a cash bonus. See "Compensation Committee Report" located elsewhere in this Proxy Statement for more discussion regarding Mr. L. Borick's compensation. There is also a proposed incentive bonus plan for Mr. L. Borick, as outlined in Proposal 2 in this proxy statement.

On March 18, 2004, Superior entered into an employment agreement with Mr. S. Borick. The agreement provides for a one-year evergreen term, an annual base compensation, an automobile allowance, life insurance and other customary employee benefits. Mr. S. PROPOSAL 2

REAFFIRMATION OF AN INCENTIVE BONUS PLAN FOR LOUIS L. BORICK (Item No. 2 on Proxy Card)

At the Annual Meeting, shareholders are being asked to approve the reaffirmation of the Incentive Bonus Plan for Louis L. Borick (the "CEO Bonus Plan").

The Board is seeking shareholder approval of the CEO Bonus Plan in order for bonuses paid under the CEO Bonus Plan to constitute performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). If such bonuses constitute "performance-based compensation", they will not be subject to the \$1,000,000 cap on deductible compensation under section 162(m).

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

Description of the Bonus Plan

The following information includes a summary of the material provisions of the CEO Bonus Plan. This information does not purport to be complete and is qualified in its entirety by reference to the provisions of the CEO Bonus Plan. Copies of the CEO Bonus Plan will be available at the Annual Meeting and may also be obtained by making written request of the Company's Secretary.

The purpose of the CEO Bonus Plan is to provide Mr. L. Borick an additional incentive to continue the extraordinary efforts, initiative and judgment he has exercised on behalf of the Company and its shareholders by establishing his yearly bonus on a specific formula basis. Under the CEO Bonus Plan, the amount of Mr. L. Borick's annual bonus will equal 2.0% of the Company's annual income before income taxes and before deducting any annual awards under the CEO Bonus Plan or any other executive incentive arrangements. However, if such annual income does not equal at least 90% of the planned level for the year, as approved by the Compensation Committee, the 2.0% figure will be reduced to 1.8%, ranging down to 1.0% at 70% of the planned level. In no event, however, will Mr. Borick's annual bonus under the CEO Bonus Plan be less than 1.0% of annual income, as defined. The CEO Bonus Plan will expire by its terms on May 10, 2009, such that the CEO Bonus Plan will only have a term of five years from the date of this Annual Meeting, unless the CEO Bonus Plan is re-approved by shareholders.

The Compensation Committee of the Board is responsible for the administration of the CEO Bonus Plan. The Compensation Committee consists of two or more members of the Board, each of whom is an "outside director" for purposes of Section 162(m). The Compensation Committee will annually certify whether the planned level has been achieved and what compensation is payable to Mr. L. Borick. Mr. L. Borick's bonus award will be paid in cash. The benefits that may be paid under the CEO Bonus Plan to Mr. L. Borick are not yet determinable for the 2004 fiscal year. Mr. L. Borick received a bonus of \$1,892,000 under the CEO Bonus Plan in effect for the 2003 fiscal year.

Vote Required and Board Recommendation

The affirmative vote of a majority of shares represented and voting at the Meeting at which a quorum is present, together with the affirmative vote of at least a majority of the required quorum, shall be required to approve the proposal. Shares that are voted "FOR", "AGAINST" or "ABSTAIN" on the proposal are treated as being present at the Meeting for purposes of establishing the quorum, but only shares voted "FOR" or "AGAINST" are treated as shares "represented and voting" at the Meeting with respect to the proposal. Accordingly, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of the quorum for the transaction of business, but will not be counted for purposes of determining the number "represented and voting" with respect to the proposal. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" REAFFIRMATION OF THE INCENTIVE BONUS PLAN FOR LOUIS L. BORICK.

13

PROPOSAL 3

APPROVAL OF AN INCENTIVE BONUS PLAN FOR STEVEN J. BORICK
(Item No. 3 on Proxy Card)

At the Annual Meeting, shareholders are being asked to approve the adoption of an Incentive Bonus Plan for Steven J. Borick (the "COO Bonus Plan").

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

The Plan has been adopted by the Company's Board of Directors.

The Board is seeking shareholder approval of the COO Bonus Plan in order for bonuses paid under the COO Bonus Plan to constitute performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). If such bonuses constitute "performance-based compensation", they will not be subject to the \$1,000,000 cap on deductible compensation under section 162(m).

Description of the Bonus Plan

The following information includes a summary of the material provisions of the COO Bonus Plan. This information does not purport to be complete and is qualified in its entirety by reference to the provisions of the COO Bonus Plan. Copies of the COO Bonus Plan will be available at the Annual Meeting and may also be obtained by making written request of the Company's Secretary.

The purpose of the COO Bonus Plan is to provide Mr. Steven Borick an additional incentive to continue the extraordinary efforts, initiative and judgment he has exercised on behalf of the Company and its shareholders by establishing his yearly bonus on a specific formula basis. Under the COO Bonus Plan, Mr. S. Borick is eligible to receive 100% of his annual base compensation if the Company's annual earnings per share ("EPS") is equal to at least 90% of the annual plan level as approved by the Compensation Committee. However, if such EPS targets are not met, the award is reduced such that no bonus is awarded if the EPS is less than 50% of the planned level. A pro rata interpolated rate will be awarded between 50% and 90%. If the annual EPS is greater than plan, Mr. S. Borick is eligible for awards that will be interpolated up to 120% of planned level with a maximum award in any event of \$1,000,000. The COO Bonus Plan will expire by its terms on May 10, 2009, such that the COO Bonus Plan will only have a term of five years from the date of this Annual Meeting, unless the COO Bonus Plan is re-approved by shareholders.

For purposes of the COO Bonus Plan, the EPS level will be established by the Compensation Committee. EPS is calculated by dividing net income, subject to certain adjustments described below, by the budgeted number of weighted average common shares outstanding plus the dilutive effect of the Company's outstanding stock options ("weighted average shares outstanding"), which will be set annually by the Compensation Committee. The Compensation Committee has the discretion to exclude from net income extraordinary, non-recurring gains and losses, and will exclude from net income the expense associated with all bonuses paid to executive officers of the Company. As a result of these adjustments to net income and the number of weighted average shares outstanding by which it is divided, while the Compensation Committee believes EPS as so adjusted is relevant and useful for purposes of achieving the benefits to the Company from the COO Bonus Plan, it is not a measure of financial performance under generally accepted accounting principles.

If Mr. S. Borick's employment is terminated prior to the end of the plan period due to death, disability or retirements as determined by the Board of Directors, he or his estate shall, after determination of EPS achieved for the applicable year, be entitled to receive a payment of a pro-rated portion of the award for such year.

The Company may discontinue, suspend or amend the COO Bonus Plan at any time, provided that no such action will (i) adversely affect the right of Mr. S. Borick to a bonus that was previously awarded under the plan but not yet paid, (ii) be effective in the fiscal year in which such action is taken, unless it is taken within the first three months of the fiscal year or (iii) increase any award determined in accordance with the COO Bonus Plan.

The Compensation Committee of the Board is responsible for the

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

administration of the COO Bonus Plan. The Compensation Committee consists of two or more members of the Board, each of whom is an "outside director" for purposes of Section 162(m). The Compensation Committee will annually certify whether the planned level has been achieved and what compensation is payable to Mr. S. Borick. Mr. S. Borick's bonus award will be paid in cash.

14

Outside compensation consultants were engaged to review and research competitive market salary and bonus data for the COO Bonus Plan. Based on multiple sources of published compensation survey data compiled by recognized large prestigious companies in the field of compensation, even if Mr. S. Borick were to receive the maximum payout under this plan, his total cash compensation would fall between the 50th and 75th percentile of all salaries, meaning that his cash compensation will fall within expected market level compensation. The benefits that may be paid under the COO Bonus Plan to Mr. S. Borick are not yet determinable for the 2004 fiscal year. Mr. S. Borick would have received \$536,000 under the COO Bonus Plan for the 2003 fiscal year if the COO Bonus Plan had been in effect.

Vote Required and Board Recommendation

The affirmative vote of a majority of shares represented and voting at the Meeting at which a quorum is present, together with the affirmative vote of at least a majority of the required quorum, shall be required to approve the proposal. Shares that are voted "FOR", "AGAINST" or "ABSTAIN" on the proposal are treated as being present at the Meeting for purposes of establishing the quorum, but only shares voted "FOR" or "AGAINST" are treated as shares "represented and voting" at the Meeting with respect to the proposal. Accordingly, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of the quorum for the transaction of business, but will not be counted for purposes of determining the number "represented and voting" with respect to the proposal. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE INCENTIVE BONUS PLAN FOR STEVEN J. BORICK.

COMPENSATION COMMITTEE REPORT

The Compensation Committee (the "Committee") is composed of Messrs. Ausman, Evans and Parkinson, each of whom meet the independence requirements as promulgated by the New York Stock Exchange. The Committee's responsibilities include developing and making recommendations to the full Board with respect to executive compensation. Also, the Committee establishes the annual compensation of the Company's Chairman and Chief Executive Officer ("CEO") and reviews the compensation policy related to the Company's other executive officers. The Committee's executive compensation philosophy is to set levels of overall compensation that will allow the Company to successfully compete for exceptional executives, to tie part of each executive's compensation to the success of the Company in attaining its short and long-term objectives, and to recognize individual effort and achievement.

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

The Committee considers the competitiveness of overall compensation, solely, and evaluates the performance of the executive officers and adjusts salaries accordingly. For individuals other than the CEO and Steven J. Borick, the Chief Operating Officer ("COO"), adjustments are made without regard to a specified formula based on subjective recommendations of the CEO to the Committee of the individual executive's performance and also take into account the profitability of the Company. The Committee believes these criteria for salary adjustments are in accordance with sound overall compensation guidelines.

Pursuant to this philosophy, the Committee reviews published compensation surveys covering a wide array of public companies, both larger and smaller than the Company. Periodically the Committee reviews the compensation paid and to be paid to each of the Company's executive officers and receives an evaluation of their performance from the Company's CEO. The Company's CEO and COO have employment contracts which are discussed under "Employment Agreements."

The compensation surveys utilized for CEO compensation are published in national magazines and contain certain of the companies comprising the peer group (see "Common Stock Performance Graph") and include a variety of other public companies. Compensation levels for the CEO were not solely based by reference to peer company compensation levels.

The Committee does not specifically target a level of compensation relative to comparative compensation data collected for the CEO or other executive officers, but rather refers to this data for subjective review and confirmation of reasonableness of salaries paid to executives.

In 1994, the Board of Directors and the shareholders approved an Incentive Bonus Plan (the CEO Bonus Plan described in Proposal 2) for Mr. L. Borick, the Company's CEO. The purpose of the CEO Bonus Plan is to provide Mr. L. Borick an additional incentive to continue the extraordinary efforts, initiative and judgment he has exercised on behalf of the Company and its shareholders by establishing his yearly bonus on a specific formula basis. Under the CEO Bonus Plan, the amount of Mr. L. Borick's annual bonus

16

will equal 2.0% of the Company's annual income before income taxes and before deducting any annual awards under the CEO Bonus Plan or any other executive incentive arrangements. However, if such annual income does not equal at least 90% of the planned level for the year, as approved by the Committee, the 2.0% figure will be reduced to 1.8%, ranging down to 1.0% at 70% of the planned level. In no event, however, will Mr. Borick's annual bonus under the CEO Bonus Plan be less than 1.0% of annual income, as defined. As outlined in Proposal 2 in this proxy statement, the CEO Bonus Plan is being submitted to shareholders for reaffirmance.

The Committee administers the CEO Bonus Plan and determines the amount payable under it in accordance with its terms. The Committee has the right to amend or terminate the CEO Bonus Plan at any time, but may not increase the amount of bonus payable in excess of that provided for under the Plan formula. The 2003 bonus paid to Mr. L. Borick pursuant to the CEO Bonus Plan was \$1,892,000.

Section 162(m) limits the deductibility by the Company of the annual compensation paid over \$1,000,000 to the Named Officers, unless such compensation was "performance-based" as defined in Section 162(m). Historically, the intent of the Committee has been that compensation paid under the CEO Bonus Plan qualify as performance-based compensation under Section 162(m). The Committee has recommended performance-based bonus plans for Mr. L. Borick (see

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

"Proposal 2" on page 13 of this proxy statement) and Mr. S. Borick (see "Proposal 3" on page 14 of this proxy statement) for approval by the shareholders with the intent that the compensation paid under such plans continues to qualify as performance-based.

The overall amount of the bonus pool is approximately 6.8% of pre-tax income. The bonus pool is utilized for all employee bonuses including the CEO Bonus Plan. The determination as to the portion of the bonus pool awarded to each executive, other than the CEO and the COO, is entirely subjective and discretionary based on an evaluation of their performance and contribution for the year. The Committee approved the establishment of the bonus pool and the amount; and individual bonus awards, other than for the CEO and the COO, are based on recommendations of the CEO and reviewed and approved by the Committee.

The stock option awards to each executive, as determined by the Stock Option Committee, are determined subjectively based on an evaluation of their performance and contribution to the Company and also take into account the relative financial performance of the Company without regard to any specified formula.

Base salaries are generally reviewed no sooner than every 12 months and adjusted when deemed necessary. The last salary review for each of the Named Officers is as follows: Mr. L. Borick (December 11, 1995), Mr. S. Borick (January 1, 2004), Mr. Ornstein (March 4, 2003), Mr. Ferguson (March 4, 2003) and Mr. O'Rourke (March 4, 2003).

APPENDIX B

EXECUTIVE Annual Incentive Plan

This Executive Annual Incentive Plan ("Incentive Plan"), effective as of April 1, 2004 and first applying with respect to the fiscal year ending December 31, 2004, subject to shareholder approval at the 2004 Annual Meeting of Shareholders as described below, is between Superior Industries International, Inc. ("Superior", or the "Company") and Steven J. Borick ("Employee"). This Incentive Plan and the performance hereunder shall be interpreted under the substantive laws of the State of California.

1. Plan Purpose

The purpose of this Incentive Plan is to promote the success of the Company by providing to the Employee a performance-based bonus opportunity. This Incentive Plan operates in conjunction with, and does not supercede or amend, that certain Employment Agreement between the Company and Employee dated March 18, 2004 (the "Employment Agreement").

2. Term

This Incentive Plan shall continue in place until the fifth anniversary of the effective date, unless earlier terminated by the Board of Directors of the Company as provided in Section 12 (such period being the "Term"). No awards shall be paid under the Incentive Plan unless and until the material terms (within the meaning of Section 162(m) (4) (C) of the Internal Revenue Code of 1986, as amended (including proposed, temporary and final regulations promulgated thereunder from time to time, the "Code") of the Incentive Plan are disclosed to the Company's shareholders and are approved by the shareholders by a majority of votes cast in person or by proxy.

3. Compensation

Employee's total compensation consists of base salary, variable compensation (as further defined in this Incentive Plan, and medical and other benefits generally provided to similarly situated employees of the Company. Any compensation paid to Employee shall be pursuant to the Company's policies and practices for exempt employees and shall be subject to all applicable laws and requirements regarding the withholding of federal, state, and/or local taxes. Except as provided in the Employment Agreement, compensation provided in this Incentive Plan is full payment for the services of Employee and Employee shall receive no additional compensation for extraordinary services unless otherwise authorized in writing by the Compensation Committee of the Board of Directors of the Company (the

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

"Compensation Committee").

Base Salary

Pursuant to the Employment Agreement, Superior has agreed to pay Employee an annual base salary of six hundred fifty thousand dollars (\$650,000), less applicable withholdings, payable in equal installments no less frequently than semi-monthly.

Variable Compensation

Employee shall be eligible for variable compensation, subject to applicable withholdings and subject to the terms and conditions of this Incentive Plan.

4. Executive Annual Incentive Plan Description

Commencing on January 1, 2004, and continuing each 12 months thereafter (each such anniversary date is referred to as the "Annual Bonus Period"), during the Term, Employee shall be eligible to receive an annual bonus (the "Performance Bonus") of up to One Million Dollars (\$1,000,000), less applicable withholdings. The Performance Bonus (if any) will be based upon annual Company Earnings Per Share ("EPS") achievement in comparison to a planned level of EPS. Payments of the Performance Bonus (if any) shall be made net of all applicable withholdings and within seventy-five (75) calendar days following the end of the plan year (December 31). The determination of the planned level of EPS for each Annual Bonus Period shall be made by the Compensation Committee in its sole discretion. The determination of whether the planned level of EPS for each Annual Bonus Period has been achieved shall be made by the Compensation Committee, in its sole discretion.

5. Eligibility

Participation for this Incentive Plan is limited to the President/COO position. Employee must be actively employed with Superior through the end of the plan year to qualify for that year's payout. The last day worked is the last day Employee is considered active. For each fiscal year of the Company, the participant entitled to share in the benefits of the Incentive Plan is a person who is an "executive officer" of the Company, as such term is defined in Rule 3b-7 under the Securities Exchange Act of 1934, as amended (or any successor rule or regulation), or who is a "covered employee" of the Company under Section 162(m)(3) of the Code. An executive whose employment or service relationship with the Company is terminated for any reason prior to the end of any fiscal year of the Company will not be entitled to participate in the Incentive Plan or receive any benefits with respect to any later fiscal year, unless he or she again becomes eligible to participate in the Plan under the first sentence of this Section 5.

6. Right to Receive Award

Employee must, in addition to the eligibility requirements of Section 5, receive an overall performance evaluation equivalent to Superior's Level 3 (Fully Competent) - or better to be eligible for an award. This plan shall not be a guarantee of employment; employment may be terminated by either the Company or Employee at any time and for any reason, subject to the terms and conditions of the Employment Agreement. If Employee is terminated prior to the end of the plan period for a reason other than death, disability or retirement (as noted in Section 11), Employee shall not be entitled to any payment for that period.

7. Plan Metrics

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

The amount of EPS achieved in comparison to the planned level shall determine all Performance Bonuses, if any. For illustrative purposes, the following example is based upon a Plan Target EPS of \$2.20 for an Annual Bonus Period. The Performance Bonus will be calculated as a percentage of the Employee's base salary as noted in Exhibit 1. For each subsequent Annual Bonus Period, the EPS achievements listed under the column heading "EPS" in Exhibit 1 shall be proportionately adjusted based on the planned level of EPS for each such Annual Bonus Period. For purposes of plan calculation, the base salary effective date will be January 1 of the Annual Bonus Period.

Exhibit 1 - Example of Incentive Plan Payout Levels
(Proportionately Adjusted Each Year For New EPS Target)

% of Plan Target	EPS	% of Base Pay	Maximum Bonus
Below 50%	\$1.10	0%	\$0
50% to 89%	\$1.98	90%	\$585,000
90% to 100%	\$2.20	100%	\$650,000
101% to 120%	\$3.39	154%	\$1,000,000

There will be a performance threshold of 50% of planned target EPS. As such no bonus will be earned if EPS is less than \$1.10 per share. For performance between 50% and 89% of the planned target, the incentive will be interpolated, (or proportionately adjusted for different targets in later years) between 2.3% and 87.8% of base salary based on plan achievement. For example, a performance of 51% of Plan Target would equate to 2.3% of base pay, or \$14,625. For each 1% increment in percent of Plan Target, the Performance Bonus would increase by \$14,625, up to \$585,000 at 89% of Plan Target.

EPS performance between 90% and 100% of planned target will result in target payout of 100% of base salary. Performance between 101% and 120% of planned target will be interpolated up to the plan cap of 154% of base pay, or \$1,000,000 based on plan achievement. For example, a performance of 101% of Plan Target would equate to 102.7% of Base Pay, or \$667,500. For each 1% increment in percent of Plan Target, the Performance Bonus would increase by \$17,500, up to a maximum of \$1,000,000 at 120% of Plan Target.

For bonus calculation purposes, EPS will be calculated by using the following formula:

Net Income for the Annual Bonus Period (taking into account any adjustments highlighted below)

26,700,000 (budgeted shares)

The Compensation Committee shall establish the number of budgeted shares, at the same time it sets a planned level of EPS, in its sole discretion.

8. Discretion

The Compensation Committee has discretion to exclude from Net Income extraordinary, non-recurring gains and losses in the judgment of the

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

Compensation Committee, such as gains or losses caused by a labor strike, loss of business due to Force Majeure, or other factors. In addition, the EPS calculation shall include the following adjustments:

- > Budgeted shares shall be the weighted average common shares outstanding plus the dilutive effect of the Company's outstanding stock options.
- > Executive Officer (as listed in the Company's Annual Report on Form 10-K) bonuses will be excluded from the net income calculation.

9. Bonus Provision

The Employee may receive a Performance Bonus only if the required EPS level is attained in the applicable Annual Bonus Period. No bonus payment shall be made under this Incentive Plan unless the Compensation Committee has certified, by resolution or other appropriate action in writing, that the amount to be paid has been accurately determined in accordance with the terms, conditions, and limits of this Incentive Plan.

10. Annual Review of Plan

The Incentive Plan will be reviewed on an annual basis allowing for updates or revisions to be considered.

11. Death, Disability, and Retirement

If Employee is terminated prior to the end of the Term period due to death, disability or retirement as determined by the Board of Directors, the Employee or the beneficiary's estate shall, after determination of EPS achieved for the applicable Annual Bonus Period, be entitled to receive payment of a prorated portion of the award for the year.

12. Discontinuance, Suspension, or Amendment of the Plan

The Company may discontinue the Incentive Plan at any time, suspend the Incentive Plan at any time or for any interim, or amend the Incentive Plan in any respect. In particular, but without limitation, the Board of Directors shall have the authority to amend or modify the Incentive Plan from time to time in order to reflect amendments to or regulations promulgated under Section 162(m) of the Code. Notwithstanding the foregoing, in the event that any amendment or other modification of or to the Plan would require stockholder approval in order to continue the compliance of the Incentive Plan as a "performance-based" plan under Section 162(m) of the Code, such amendment or modification shall be contingent on the receipt of stockholder approval. However, no such action may:

- > Cause Employee to be deprived of any bonus previously awarded but not paid;
- > Be effective in the fiscal year in which such action is taken unless it is taken within the first three months of the fiscal year; or
- > Increase any award determined in accordance with the Incentive Plan.

13. Administration of the Incentive Plan

The Incentive Plan shall be administered by the Compensation Committee of the Board of Directors. Actions of the Compensation Committee with respect to the administration of this Incentive Plan shall be taken pursuant to a majority vote or by written consent of a majority of its members. The Compensation Committee

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

shall have the sole authority, subject to the provisions hereof, to construe and interpret this Incentive Plan and any agreements defining the rights and obligations of the Company and Employee under this Incentive Plan, further define the terms used in his Incentive Plan, and, subject to Section 12 hereof, prescribe, amend and rescind rules and regulations relating to the administration of this Incentive Plan.

This Incentive Plan is intended to qualify as a "performance-based" plan as described in Section 162(m) (4) (C) of the Code, and thereby secure the full deductibility for federal income tax purposes of bonus compensation paid to persons who are "executive officers" of the Company, or who are "covered employees" of the Company or its subsidiary or affiliated corporations under Section 162(m) (3) of the Code.

The Incentive Plan will be administered by the Compensation Committee of the Company's Board of Directors consisting entirely of three or more persons who are "outside directors" within the meaning of Section 162(m) of the Code. The Compensation Committee is hereby vested with full powers of administration, subject only to the provisions set forth herein. The Compensation Committee shall report all actions taken by it to the Board of Directors.

14. Nonassignment

The interest of Employee in the Incentive Plan is not assignable either by voluntary or involuntary assignment or operation of law (except that, in the event of death, earned and unpaid amounts shall be payable to the legal successor of an Employee).

15. Indemnification.

No employee, member of the Compensation Committee or director of the Company will have any liability for any decision or action if made or done in good faith, nor for any error or miscalculation unless such error or miscalculation is the result of his or her fraud or deliberate disregard of any provisions of the Incentive Plan. The Company will indemnify each director, member of the Committee and any employee acting in good faith pursuant to this Incentive Plan against any loss or expense arising therefrom.

16. Limitations; Participation in Other Plans.

This Incentive Plan is not to be construed as constituting a contract of employment or for services. Nothing contained herein will affect or impair the Company's right to terminate the employment or other contract for services of Employee hereunder, or entitle Employee to receive any particular level of compensation. The Company's obligation hereunder to make awards merely constitutes the unsecured promise of the Company to make such awards from its general assets, and Employee will have no interest in, or a lien or prior claim upon, any property of the Company. Nothing herein nor the participation by Employee shall limit the ability of Employee to participate in any other compensatory plan or arrangement of the Company, or to receive a bonus from the Company other than under this Plan.

The parties execute this Executive Annual Incentive Plan as of the date stated above:
