## Item 2.01 Completion of Acquisition or Disposition of Assets.

This Current Report on Form 8-K/A amends and supplements the Current Report on Form 8-K filed by Integra LifeSciences Holdings Corporation ("Integra" or the "Company") on July 8, 2015 to include additional pro forma financial information. The Company is including unaudited pro forma consolidated statements of operations for the six months ended June 30, 2015 and 2014.

On July 1, 2015, the Company completed the previously announced separation (the "Separation") of SeaSpine Holdings Corporation ("SeaSpine") from the Company. SeaSpine was formed to operate the Company's business of developing, marketing and selling spinal fusion hardware and orthobiologics. The Separation was completed via a tax-free dividend involving the distribution on July 1, 2015 (the "Distribution Date") of all of the outstanding shares of SeaSpine common stock to holders of record of the Company's common stock as of 5:00 p.m., Eastern Time, on June 19, 2015 (the "Record Date"). On the Distribution Date, the Company distributed to its stockholders as of the Record Date one share of SeaSpine common stock for every three shares of the Company's common stock held by such holders (the "Distribution"). As a result of the Distribution, SeaSpine is now an independent public company trading under the symbol "SPNE" on the NASDAQ Global Select Market.

Following the Distribution, the Company does not own any shares of SeaSpine common stock and the Company will no longer consolidate SeaSpine in its financial results. The Company's unaudited pro forma financial information giving effect to the Distribution and related transactions is attached as Exhibit 99.1.

## Item 2.02 Results of Operations and Financial Condition.

This Current Report on Form 8-K/A also amends the Current Report on Form 8-K furnished by the Company on July 30, 2015 to update December 31, 2015 GAAP EPS guidance in the press release issued by the Company on July 30, 2015 announcing its financial results for the quarter ended June 30, 2015.

The table below presents the Company's revised December 31, 2015 GAAP EPS guidance to reflect the non-cash valuation allowance that will be recorded within continuing operations in the third quarter of 2015 on certain deferred tax assets associated with the SeaSpine business and related spin-off. Except for this update to GAAP EPS, the Company's December 31, 2015 guidance for all other metrics remains unchanged.
