(Attach Extra Sheets if Needed)

The Registrant was unable to file its Form 10-Q for the fiscal quarter ended June 30, 2009 (the "Report") without unreasonable effort or expense because of ongoing efforts to complete a comprehensive amendment of the terms of the Registrant's credit facility with First National Bank of Omaha. The Registrant anticipates that it will finalize the terms of such amendment in the next few days, which will affect the disclosure in this regard to be made in the Report. The Registrant undertakes to file the Report no later than the fifth calendar day following the prescribed due date of the Report.

The Registrant's results of operations have been adversely affected by a general economic slowdown and a corresponding decrease in demand for the electronic components in which the Registrant's products are used. As a result, the Registrant expects to report a decline in consolidated revenues to \$7,236,000 for the second quarter 2009, a decrease of \$2,914,000 from the comparable period in 2008. The Registrant expects to report an operating loss of \$896,000 and a net loss of \$939,000 for the second quarter 2009. In the comparable 2008 period, the Registrant reported an operating loss of \$394,000 and a net loss of \$573,000. Such increased losses are primarily attributable to the reduction in the Registrant's revenues.
