ANNUAL MEETING OF STOCKHOLDERS

OF
MACQUARIE GLOBAL INFRASTRUCTURE TOTAL RETURN FUND INC.

PROXY STATEMENT
OF
WESTERN INVESTMENT LLC

Help to elect true independent, stockholder representation to the Board. Vote on the GOLD proxy for Western Investment's highly qualified, independent nominee today.

Western Investment LLC, a Delaware limited liability company ("Western Investment" or "we"), together with its fellow participants in this solicitation is a significant stockholder of Macquarie Global Infrastructure Total Return Fund Inc. (the "Fund"). We are writing to you in connection with the election of our nominee to the board of directors of the Fund (the "Board") at the annual meeting of stockholders scheduled to be held at the offices of the Fund, 125 West 55th Street, 22nd Floor, New York, NY 10019, on June 21, 2012, at 9:00 a.m., local time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the "Annual Meeting").

We are concerned with the Board's failure to address the Fund's poor stock price performance, significant discount to net asset value, or NAV, at which the Fund's common stock, par value \$0.001 per share (the "Shares"), trades, as well as the Board's multiple failures to meet basic standards of corporate governance. Given their insignificant ownership interest in the Fund, we question whether the Board's interests are aligned with stockholders.

We are investors specializing in investing in closed-end funds and have proven over many years to be ethical activist investors for all stockholders. We have taken a stance in connection with 36 issuers since 2004, with virtually all activism situations resulting in significant pro-stockholder action by the issuer. We are proud of our public record, and proud of the role we have played in creating value for stockholders.

We are furnishing this proxy statement and the enclosed GOLD proxy card to stockholders in order to:

1. Consider and vote upon the election of one Class I Director of the Fund to serve until the 2015 Annual Meeting of Stockholders or until his successor is duly elected and qualifies;
2. Approve a stockholder proposal submitted by Robert H. Daniels that requests that the Board take the necessary steps to amend the Bylaws so that when Board elections are contested, with more nominees than open seats, a plurality of the votes cast will be sufficient for election; and
3. Consider and vote upon such other matters as may properly come before the Meeting or any adjournments or postponements thereof.

If you have already sent a proxy card furnished by the Fund's management to the Fund, you have every right to change your vote by signing, dating and returning the enclosed GOLD proxy card or by following the instructions for telephone or Internet voting detailed thereon. Only your latest dated proxy card counts!

Please refer to Appendix A - Information Concerning the Annual Meeting and the Fund's proxy materials for additional information concerning the Annual Meeting, including voting and proxy procedures, votes required for approval of the proposals and the solicitation of proxies.

THE BOARD OF DIRECTORS HAS FAILED TO ACT IN THE
BEST INTEREST OF STOCKHOLDERS

SEND A MESSAGE TO THE FUND:

Stockholders cannot wait any longer for this Board to take effective
action regarding the Fund's poor performance and excessive
discount to net asset value.

The time for action is now!

REASONS FOR OUR SOLICITATION

The Fund's NAV discount is unacceptable.

The Shares have traded at a persistent discount to net asset value, or NAV, that has averaged 12.2% on a weekly basis from August 25, 2005 until April 6, 2012, and was as great as 32.1% on November 20, 2008. When a NAV discount is excessive, a selling stockholder is forced to leave behind a substantial portion of the value underlying the Shares at the time of sale. Any time a stockholder chooses to sell his or her ownership of a closed-end fund at a steep discount to NAV, that stockholder is harmed no matter what the fund's discount was at the time the stockholder purchased their Shares of that fund. We believe the fair value of a share of common stock of a closed-end fund should be its NAV, or a value very close.

The table below shows the discount of the Fund's Share price to the Fund's NAV since September 30, 2005 (on the last day of each calendar quarter).

The Fund has frequently been among the worst of all closed-end funds in terms of discount to NAV and, in fact, the Fund has frequently traded in the bottom 5% of all closed-end funds in terms of discount to NAV. As a specific example of just how dismal the Fund's NAV discount has been, during the period from the Fund's inception until the

week ended April 6, 2012, the Fund's average weekly discount of 12.2% was in the bottom 5%, specifically 594th out of 623 publicly traded US domiciled closed-end funds currently registered with the SEC.¹

We believe that the persistence of this discount is due, in part, to investors' perception that the Board would rather maximize fees for the Fund's investment adviser than increase value for all stockholders.

In its offering materials, the Fund recognized a significant and persistent NAV discount might not be in the best interests of stockholders. The Fund even assured investors that "[t]he Board may consider from time to time engaging in open market repurchases, tender offers for [Shares] or other programs intended to reduce the discount." To date we are not aware of the Fund having ever purchased a single Share in the open market. We believe this is due, in part, to the fact that any adequate action to reduce the discount would reduce assets under management and, by extension, the fees paid to the Fund's investment adviser. This inaction leaves us with the impression that the Board is more concerned with maximizing fees for the Fund's investment adviser than it is with maximizing value for stockholders. In our opinion, it's not surprising the Fund continues to trade at an excessive discount.

¹ The number of funds used in this comparison was based on all closed-end funds as disclosed in The Wall Street Journal, excluding closed-end funds that are not publicly traded or do not provide regularly updated net asset values.

The Fund has consistently underperformed.

According to the Fund's most recent annual report, the Fund has underperformed its handpicked reference benchmark. In fact, since the Fund's inception the price of the Shares is down approximately 28%. In addition, the Fund has consistently and significantly underperformed the only other comparable pure infrastructure closed-end fund, Cohen & Steers Infrastructure Fund, Inc. (NYSE: UTF), over the past 1-, 3- and 5-year periods. In our opinion, stockholders are paying excessive fees for sub-par performance.

We believe that stockholders deserve a top investment manager in this difficult market and economic environment.

In light of the Fund's continued poor price performance and persistent discount to NAV, we believe that the Fund's investment manager is being over-compensated for under-performance. The Board, it appears, has concluded that the fees paid to the Fund are reasonable in relation to the services provided. In our opinion it is possible for the Fund to engage an investment manager who will prove more adept at managing the assets of the Fund. We believe the Board owes it to stockholders to find an investment manager who will provide high-quality performance. If our Nominee is elected, he would propose that the Board consider replacing the Fund's current investment manager with a more qualified investment manager.

We believe the Board's history of disregarding best practice corporate governance recommendations is further indicative of a board that wants to silence the voice of stockholders.

Glass, Lewis & Co., LLC ("Glass Lewis") and Institutional Shareholder Services, Inc. ("ISS"), two of the leading proxy advisory firms, in addition to the Council of Institutional Investors, a nonpartisan, not-for-profit association of public, labor and corporate employee benefit funds with assets exceeding \$3 trillion and a leading advocate for improving corporate governance standards and strengthening investor rights, all have general policies recommending that all members of a board of directors be elected annually. ISS, Glass Lewis and the Council of Institutional Investors also have general policies recommending against majority vote standards in the election of directors unless there is a carve-out for a plurality vote standard in contested elections. **WESTERN INVESTMENT STRONGLY RECOMMENDS THAT STOCKHOLDERS CAREFULLY READ AND THEN VOTE FOR THE PROPOSAL RECOMMENDING THE BOARD REMOVE THE FUND'S COUNTERPRODUCTIVE AND UNDEMOCRATIC MAJORITY VOTING STANDARD.**

You should be aware that ISS has been retained by the Fund to provide proxy voting guidelines on the Fund's behalf. Yet the Fund has determined that its own stockholders somehow benefit from the classified board and an incumbent entrenching majority voting standard in director elections. We wonder, are stockholders truly being served by a Board that spends stockholder money to engage a proxy advisory firm, only to ultimately ignore the firm's general recommendations? By preserving its classified board and utilizing a majority voting standard in director elections, whose interest is this Board trying to protect?

SERIOUS ACTION BY THE BOARD IS NEEDED.

* The Fund is not part of a fund complex or group.

None of the Nominee, his affiliates or any other related persons, has, during the past five years, held any position, including as an officer, employee, director or general partner, with (i) the Fund, (ii) any investment company, or any person that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the Investment Company Act of 1940, as amended, and the rules promulgated thereunder (the "Investment Company Act"), having the same investment adviser, principal underwriter or Sponsoring Insurance Company (as such item is defined in the Investment Company Act) or under the control of such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Fund, (iii) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company and (iv) any person, directly or indirectly controlling, controlled by, or under common control of the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company.

Since the beginning of the Fund's last two completed fiscal years, no officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund, or of a person directly or indirectly controlling, controlled by, or under common control thereby, serves, or has served, on the board of directors of a company of which the Nominee is an officer.

The Nominee, if elected as a director of the Fund, would be an "independent director" within the meaning of (i) the Investment Company Act, (ii) the New York Stock Exchange ("NYSE") listing standards applicable to board composition, including NYSE 303A.01 and NYSE 303A.02 and (iii) Section 301 of the Sarbanes-Oxley Act of 2002.

Since the beginning of the Fund's last two completed fiscal years, neither the Nominee nor any of his associates was a party to any transaction, or series of similar transactions or is a party to any currently proposed transaction, or series of similar transactions, in which the amount involved exceeded or is to exceed \$120,000, to which (i) the Fund, (ii) any of its officers, (iii) any investment company, or officer thereof, or any person, or officer thereof, that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the Investment Company Act, having the same investment adviser, principal underwriter or Sponsoring Insurance Company or under the control of such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Fund, (iv) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company, or officer thereof, or (v) any person, or officer thereof, directly or indirectly controlling, controlled by, or under common control of the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company, was or is to be a party.

Neither the Nominee nor any of his Immediate Family Members (as such term is defined in Schedule 14A of the Exchange Act) has or has had any direct or indirect interest, the value of which exceeded or is to exceed \$120,000, during the past five years, in (i) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company; or (ii) any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company.

Neither the Nominee nor any of his Immediate Family Members owns beneficially or of record any class of securities in (i) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company; or (ii) any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company.

Neither the Nominee nor any of his Immediate Family Members has, or has had since the beginning of the Fund's last two completed fiscal years, or has currently proposed, any direct or indirect relationship, in which the amount involved exceeds \$120,000, with any of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of Item 22 of Schedule 14A.

Other than as stated in this Proxy Statement, including the appendices attached hereto, the Nominee will not receive any compensation from Western Investment for his services as a director of the Fund, nor are there any arrangements or understandings between Western Investment and the Nominee or any other person or persons pursuant to which the nomination described herein is to be made, other than the consent by the Nominee to be named in this Proxy Statement and to serve as a director of the Fund if elected as such at the Annual Meeting. Additionally, other than as stated in this Proxy Statement, the Nominee is not a party adverse to the Fund or any of its subsidiaries or has a material interest adverse to the Fund or any of its subsidiaries in any material pending legal proceedings.

Western Investment does not expect that the Nominee will be unable to stand for election, but, in the event that he is unable to serve or for good cause will not serve, the Shares represented by the enclosed GOLD proxy card will be voted for a substitute nominee. In addition, Western Investment reserves the right to nominate substitute person(s) if the Fund makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominee. In any such case, Shares represented by the GOLD proxy card will be voted for such substitute nominee. Western Investment reserves the right to nominate additional person(s) if the Fund increases the size of the Board above its existing size, increases the number of directors whose terms expire at the Annual Meeting or calls a meeting to fill any vacancies on the Board. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Western Investment that any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an unlawful manipulation of the Fund's corporate machinery.

There can be no assurance that the election of our Nominee will improve the Fund's business or otherwise enhance stockholder value. Your vote to elect the Nominee will have the legal effect of replacing an incumbent director of the Fund with our Nominee.

**YOU ARE URGED TO VOTE FOR THE ELECTION OF WESTERN INVESTMENT'S
NOMINEE ON THE ENCLOSED GOLD PROXY CARD.**

PROPOSAL NO. 2: STOCKHOLDER PROPOSAL TO INSTITUTE PLURALITY VOTING STANDARD IN THE ELECTION OF DIRECTORS

Due to what we believe to be a serious lack of accountability at the Board level for the Fund's persistent and significant discount to NAV, we strongly support Mr. Daniels' proposal that the Board institute a plurality voting standard in contested director elections. Despite the claims made by the Fund in its proxy statement, we have not seen any evidence that maintaining a majority voting standard in director elections provides any benefit other than the entrenchment for incumbent directors.

Proposal

RESOLVED: the Stockholders request that the Board take the necessary steps to amend the Bylaws so that when Board elections are contested, with more nominees than open seats, a plurality of the votes cast will be sufficient for election.

Supporting Statement:

Our Fund has traded at a persistent discount to net asset value, averaging -16% for the last three years. This represents an unacceptable loss for all investors. MGU's offering prospectus recognized that such discounts might not be in our interest. It told investors that the Board might consider "open market repurchases, tender offers for Common Shares or other programs intended to reduce the discount", but gave "no guarantees or assurances" that the Board would act. Not surprisingly, our Board has failed to take any action to combat the discount, remaining inert despite the loss of value for stockholders that at one point reached an astounding market discount of -28.8%.

I believe that this indifference to stockholder concerns stems from undemocratic election procedures that protect incumbent Directors from competition. Our Fund's current Bylaws, which only the Board can change, say that election of a Director requires the affirmative vote of an absolute majority of all shares outstanding, not just those present or voting by proxy. In contested elections, this participation level is virtually impossible to reach in closed-end funds. Accordingly, this undemocratic rule allows incumbents to stay in office even if they lose.

For example, suppose 45% of MGU's stockholders vote for a challenger, 30% vote for an incumbent and 25% don't return their proxies. The result is that no one has been elected, which means that the (defeated) incumbent can "hold over", staying on the Board because no successor was chosen by over 50% of all outstanding shares. This discourages potential challengers, who know that they can be denied victory even if they win 60% or more of all ballots cast. This unfair rule may produce corporate election outcomes that disregard the will of stockholders.

There is a better way. The corporate governance guidelines of the Council of Institutional Investors (a nonprofit association representing pension funds and charities that together hold assets over \$3 trillion) provide that: "In contested elections, plurality voting should apply." RiskMetrics Group/ISS, a leading proxy advisory firm, agrees: a plurality vote standard should be used when there are more candidates than board seats. And since RiskMetrics/ISS is the firm that MGU's own investment manager has hired to provide proxy voting recommendations for the companies in MGU's portfolio, it is time for our Fund to bring its own procedures in line. Directors who respond to stockholder concerns do not need undemocratic protections, and MGU should uphold for itself the same governance standards it applies to the companies in which it invests.

Your vote for this resolution would serve as a "wake-up" call to the Board, and I respectfully ask for your support.

The approval of this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal, provided a quorum is present.

**VOTE FOR THIS PROPOSAL TO SEND A MESSAGE TO THE BOARD THAT YOU WANT A
GREATER VOICE IN THE CORPORATE GOVERNANCE OF THE FUND AND TO
INCREASE THE ACCOUNTABILITY OF THE BOARD**

VOTING AND PROXY PROCEDURES

The Fund has set the close of business on April 27, 2012 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. According to the Fund, as of the Record Date, there were 17,317,074 Shares outstanding.

VOTES REQUIRED FOR APPROVAL

The election of the Nominee to the Board requires the affirmative vote of a majority of Shares outstanding and entitled to vote in the election of any directors present in person or represented by proxy at the Annual Meeting.

The affirmative vote of the holders of a majority of the votes cast at the Annual Meeting, assuming the presence of a quorum, is required to approve Robert H. Daniels' stockholder proposal recommending that the Board take the necessary steps to amend the Bylaws so that when Board elections are contested, with more nominees than open seats, a plurality of the votes cast will be sufficient for election.

The information set forth above regarding the votes required for approval of the proposals is based on information contained in the Fund's proxy statement. The incorporation of this information in this proxy statement should not be construed as an admission by us that such process and procedures are legal, valid or binding.

DISCRETIONARY VOTING

Shares held in "street name" and held of record by banks, brokers or nominees may not be voted by such banks, brokers or nominees unless the beneficial owners of such Shares provide them with instructions on how to vote.

See Appendix A - Information Concerning the Annual Meeting for additional and related information concerning the voting and proxy procedures for the Annual Meeting.

IF YOU WISH TO VOTE FOR THE ELECTION OF OUR NOMINEE TO THE BOARD OR FOR THE STOCKHOLDER PROPOSAL, PLEASE VOTE YOUR SHARES BY TELEPHONE OR INTERNET (WESTERN INVESTMENT WILL BE IDENTIFIED AS "OPPOSITION" ON PROXYVOTE.COM), AS DESCRIBED IN THE ENCLOSED GOLD PROXY CARD, OR BY SIGNING, DATING AND RETURNING PROMPTLY THE ENCLOSED GOLD PROXY CARD, IN THE POSTAGE-PAID ENVELOPE PROVIDED.

OTHER MATTERS, PARTICIPANT AND ADDITIONAL INFORMATION

However, should other matters, which Western Investment is not aware of a reasonable time before this solicitation, be brought before the Annual Meeting, the persons named as proxies on the enclosed GOLD proxy card will vote on such matters in their discretion.

We are asking you to vote FOR the election of our Nominee. The enclosed GOLD proxy card may only be voted for our Nominee and does not confer voting power with respect to the Fund's nominee. We intend to vote all of our Shares for the election of our Nominee and will not vote our Shares in favor of the Fund's director nominee.

Authorized proxies will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of Western Investment’s nominee, Robert H. Daniels, FOR Robert H. Daniels’ proposal that the Board should take the necessary steps to amend the Bylaws so that when Board elections are contested, with more nominees than open seats, a plurality of the votes cast will be sufficient for election and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

QUORUM

In order to conduct any business at the Annual Meeting, a quorum must be present in person or represented by valid proxies. A quorum of stockholders is constituted by the presence in person or by proxy of the holders of Shares entitled to cast a majority of the votes entitled to be cast at the Annual Meeting. According to the Fund’s proxy statement, if a quorum is not present at the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit the further solicitation of proxies to attain a quorum.

ABSTENTIONS; BROKER NON-VOTES

Broker-dealer firms holding shares of the Fund in “street name” for the benefit of their customers and clients will request instructions from such customers and clients prior to the Annual Meeting on how to vote their shares. Under the rules of the New York Stock Exchange (“NYSE”), in non-routine matters a broker member may not authorize any proxy without instructions from the customer. Votes that, in accordance with the NYSE rules, are not cast by broker-dealer firms on those non-routine matters are called “broker non-votes.”

In the event that there are no routine matters to be voted on, there will be no broker non-votes and shares held in street name for which voting instructions have not been received will be treated identically to shares held by a record holder who does not appear at the meeting in person or by proxy, i.e., the holder of those shares is not present for purposes of a quorum. Abstentions will be considered to be present at the Annual Meeting for purposes of determining the existence of a quorum.

For the purpose of electing the Nominee, the failure to return a properly executed GOLD proxy card or otherwise authorize a proxy or an abstention will have the same effect as a “withhold” vote.

For the purpose of the stockholder proposal, the failure to return a properly executed GOLD proxy card or otherwise authorize a proxy or an abstention will have no effect on the proposal.

REVOCAION OF PROXIES

Stockholders of the Fund may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy), by delivering a later-dated proxy by Internet, by telephone or by mail, or by delivering a written notice of revocation. The delivery of a later-dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Western Investment in care of InvestorCom, Inc. at the address set forth on the back cover of this appendix or to the Fund at 125 West 55th Street, New York, NY 10019 or to any other address provided by the Fund. Although a revocation is effective if delivered to the Fund, Western Investment requests that either the original or photostatic copies of all revocations be mailed to Western Investment in care of InvestorCom, Inc. at the address set forth on the back cover of this appendix so that Western Investment will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the record date of a majority of the outstanding Shares. If you hold your Shares in street name, please check your voting instruction card or contact your bank, broker or nominee for instructions on how to change or revoke your vote. Additionally, InvestorCom, Inc. may use this information to contact stockholders who have revoked their proxies in order to solicit later-dated proxies for the election of the Nominee and approval of other proposals described herein.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to the Proxy Statement is being made by Western Investment. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

Western Investment has entered into an agreement with InvestorCom, Inc. for solicitation and advisory services in connection with this solicitation, for which InvestorCom, Inc. will receive a fee not to exceed \$30,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. InvestorCom, Inc. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Western Investment has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. Western Investment will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that InvestorCom, Inc. will employ approximately 30 persons to solicit the Fund’s stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Western Investment, subject to certain limitations, pursuant to the terms of the Solicitation Agreement described in Appendix B - Information Concerning the Participants. Certain of the participants in this solicitation have separately agreed to reimburse Western Investment on a pro rata basis for these expenses. Because Western Investment believes that the Fund’s stockholders will benefit from the solicitation, Western Investment intends to seek reimbursement from the Fund, to the fullest extent permitted by law, of all expenses it incurs in connection with the solicitation. Western Investment does not intend to submit the question of such reimbursement to a vote of security holders of the Fund unless otherwise required by law. Costs of the solicitation of proxies are currently estimated to be approximately \$150,000. Western Investment estimates that through the date hereof, its expenses in connection with the solicitation are approximately \$25,000.

Accordingly, unless the Fund's 2013 annual meeting of stockholders is advanced or delayed more than 30 days from June 21, 2013, a stockholder nomination or proposal intended to be considered at the 2013 annual meeting of stockholders must be received by the Secretary on or after December 1, 2012, and prior to 5:00 p.m. (Eastern Time) on December 31, 2012.

Additionally, under the rules of the SEC if a stockholder wishes to submit a proposal for possible inclusion in the Fund's proxy statement for its 2013 annual meeting of stockholders pursuant to Rule 14a-8 under the Exchange Act ("Rule 14a-8"), the Fund must receive it on or before January 9, 2013. Rule 14a-8 specifies a number of procedural and eligibility requirements to be satisfied by a stockholder submitting a proposal for inclusion in the Fund's proxy materials pursuant to this Rule. Any stockholder contemplating submissions of such a proposal is referred to Rule 14a-8.

The information set forth above regarding the procedures for submitting stockholder nominations and proposals for consideration at the Fund's 2013 annual meeting of stockholders is based on information contained in the Fund's proxy statement. The incorporation of this information in this proxy statement should not be construed as an admission by us that such procedures are legal, valid or binding.
