(1) The number of shares reported is calculated by dividing the total market value of the reporting person's 401(k) account balance invested in the Callon Petroleum Company Employee Savings and Protection Plan on the day prior to this Form 4 reporting date by the closing market price-per-share on that date.

(2) This Phantom Share award is subject to vesting on December 31, 2014 and is payable in cash rather than stock. In addition, the award is subject to a variable percentage payout based on a performance criteria related to the Total Shareholder Return of the Company compared to a group of peer companies. Therefore this award can range from 0% to as much as 150% of its original value at the vesting date.

(3) Restricted Stock Units will vest on the third anniversary date following the grant date. Payment will be made in cash based on the average of the opening and closing market price of the underlying common stock on the date of vesting.

(4) Restricted Stock Units will vest on the third anniversary date following the grant date. Payment will be made in shares of common stock of the issuer based on the average of the opening and closing market price of the underlying common stock on the date of vesting. The recipient has the option to surrender shares necessary to pay a portion of the income taxes associated with the vesting.

(5) The restricted stock units will vest 1/3 on each anniversary date beginning April 4, 2012, assuming continued employment.

(6) Restricted Stock Units will vest on the third anniversary date following the grant date. Payment will be made in shares of common stock of the issuer based on the average of the opening and closing market price of the underlying common stock on the date of vesting.
