NEWS RELEASE

AMCON TO SEEK JUDICIAL DETERMINATION
OF APPROVAL BY TRINITY SPRINGS SHAREHOLDERS OF
ACQUISITION OF TRINITY SPRINGS ASSETS

Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

Omaha, NE, May 26, 2004 - AMCON Distributing Company (AMEX:DIT) today announced that it will seek an order from the United States District Court for the District of Idaho declaring that certain proxies and ballots cast by the stockholders of Trinity Springs Ltd., a privately-held corporation with approximately 190 stockholders, should be counted in favor of the sale of substantially all of Trinity Springs' assets to TSL Acquisition Corp., a wholly-owned subsidiary of AMCON. AMCON is optimistic that the votes represented by those proxies and ballots will be counted in favor of the asset sale and therefore expects that the condition to closing requiring approval by the holders of a majority of the outstanding shares of Trinity Springs will have been satisfied. The board of directors of Trinity Springs has informed AMCON that it cannot certify the final results of the voting on the asset sale due to the need, in its view, for greater certainty on how the proxies and ballots in question should be counted.

Trinity Springs, headquartered in Sun Valley/Ketchum, Idaho, bottles and sells natural spring water. The source of this water is located at the base of the Trinity Mountains in Paradise, Idaho, one of the world's deepest known sources of natural spring water. AMCON is a leading wholesale distributor of consumer products with distribution centers in Illinois, Missouri, Nebraska, North Dakota, South Dakota and Wyoming. In addition, Chamberlin's Natural Foods, Inc. and Health Food Associates, Inc., both wholly-owned subsidiaries of The Healthy Edge, Inc. operate health and natural product retail stores in the Midwest and Florida.
