- (L) All or a portion of this security is on loan on September 30, 2004.
- (M) A portion of these securities having an aggregate value of \$23,232,862, or 12.92% of the Fund's net assets, have been purchased as forward commitments--that is, the Fund has agreed on trade date to take delivery of and to make payment for these securities on a delayed basis subsequent to the date of this schedule. The purchase price and interest rate of these securities are fixed at trade date, although the Fund does not earn any interest on these until settlement date. The Fund has segregated assets with a current value at least equal to the amount of the forward commitments.

Accordingly, the market value of \$23,746,186 of Federal National Mortgage Assn., 6.000%, 12-01-33 and Federal National Mortgage Assn., 6.000%, 01-01-34 has been segregated to cover the forward commitments.
- (O) Cash interest will be paid on this obligation at the stated rate beginning on the stated date.
- (S) These securities are exempt from registration under rule 144A of the Securities Act of 1933. Such securities may be resold, normally to qualified institutional buyers, in transactions exempt from registration. Rule 144A securities amounted to \$29,333,384 or 16.31% of net assets as of September 30, 2004.
